CIVIC LEAGUE ORGANIZED

Friday, September 3d, Appointed As General Clean-Up Day

Ladies of Junction and community met at the Hankins Riley Hall Monday afternoon at 4 o'clock and organized a Civic League. Mrs. H. E. Wilson was elected president, and Miss Austin Durst Secretary and treasurer.

There was good interest and enthusiasm on the part of all present, matters affecting the general welfare of the town were taken up and discussed, and various plans formulated concerning the work of the new organization.

One very worthy and commendable move is the plans that were made for a general Clean Up Day. After some discussion Friday, September 3d, was set as the day for the clean up campaign. The League announces that it will send a man with wagon thru out the city on that day to gather up and haul away the trash. The Civic League bears the expense in this matter, and kindly requests that the trash be collected and placed on the OUTSIDE of the premises at each place, where it may be easily loaded. The man who hauls the trash will be under no obligations to get it where this request is not complied with.

On the general Clean Up Day $1.00 reward will be paid to the boy bringing the largest bundle of baling wire to the Alex J. Hamer store; fifty cents will be paid to the boy bringing the second largest bundle of baling wire. The wire will be weighed by a committee of ladies and prizes awarded Friday afternoon.

Other splendid plans of endeavor are being considered, and it is the purpose of the Civic League, working in cooperation with the Chamber of Commerce and the citizens of our town, to accomplish much good in the beautifying of Junction, and improvement of sanitary conditions as well.

The next meeting of the Civic League will be held at the hall Wednesday, September 1st, and it is hoped that as many as possible will be present at that meeting. Every lady in Junction should take an active interest in the work of this new organization, and give it hearty cooperation and assistance.

Here's to the Civic League!
Here's to a better Junction!

BALL GAME

London and Johnson Fork Have Three Game Series

Last Friday and Saturday the London and Johnson Fork ball teams had a three game series on the Junction diamond which was witnessed by a good attendance of enthusiastic baseball fans. Friday afternoon's game was a good one, the best of the three; hard fought by both sides, and a tight, close game up to the 8th inning, when the first score of the game was made by Simpson of London. In the first half of the ninth Les Beasley and Clifford Hamer came to the rescue for Johnson Fork, each squeezing in a nice score. The game closed with a score of 2 to 1 in favor of Johnson Fork. Batters in this game were: for London, Dick Weaver and Francis Kidd; for Johnson Fork, Baker and Hamer. Pitchers, Weaver and Baker. Weaver gave four hits, Baker two. R. Heyman, umpire.

The second game wasn't much of a contest in the national pastime. A noticeable air of "dreaming of better days to come" seemed to prevail over all, while scores were scooped in in bunches. Batters: for London, McCaleb, Simpson and F. Kidd, for Johnson Fork, J. Gardner, E. Schrier and B. Bishop. Score 17 to 11 in favor of London. J. Heyman umpire. Pitchers, for London, McCaleb; Johnson Fork, Gardner and Schrier. Ragged playing on both sides.

In the third game both teams showed better form, aroused from their Rip Van dreaming to consider the realities of life, and went to playing ball. Not as good a game as the first, but showed more spirit which brought forth healthy approval from the sun baked fans. Hamer and Baker collided in the first game injuring "Kip" who was unable to catch in the third game. Gardner got behind the pole and caught a good game. In last of the ninth inning a wild throw from Johnson Fork's right fielder let in the winning score for London. Score 4 to 5 in favor of London. Pitchers, Baker and Weaver. Umpires, John Munn and Wal Maines. Batters: for London, Weaver and Kidd; for Johnson Fork, Baker and Gardner.

A couple of years ago a cranky sort of an old man came into this office and stopped his paper because something in it did not just suit his fancy. We have frequently met him on the street since that time and it is amusing to note the look of surprise on the old fellow's face that we are still in existence regardless of the fact that he stopped his paper. Some day—and it won't be long either—that old gentleman will turn up his toes. His heart will cease to beat. Neighbors and friends will follow his lifeless clay to the silent city and lay it to rest among the flowers. An obituary will be published in these coloumns telling what a kind father, a good neighbor and beloved citizen he was—which the recording angel will overlook for charity's sake and in a very short time he will be forgotten.—Ex.

A thin, sickly, little man entered one of the stores in one of our small towns recently and quietly seated himself on a convenient chair. One of the clerks approached and asked if he wished to purchase anything. "Oh, no," said the man, "I just dropped in for a few minutes." After half an hour had passed, the manager of the store, approached him and and asked what could be done for him. "Why nothing that I know of," said the man, "You see I have nervous prostration and the doctor told me to stay in a quiet place. Noticing that you do not advertise I thought this would be about the quietest place I could find." Let me tell you it was anything but quiet for five minutes. The poor little man found himself in the street wishing that he had landed on a feather bed. But the next week the store surprised itself with a big display ad in the home paper—Ex.

Not a Bad Idea

Paris, if memory is not at fault, was the first city in Texas to show its appreciation of the country folk by providing a rest room for them. Temple seems to be the latest Texas city to follow that laudable example. Between the first and last of these instances not much more than a year has elapsed; and yet within that time easily twenty or thirty of these rest rooms have come into existence, which marks a fairly satisfactory rate of growth for a new idea. Temple, if late in joining the ranks of cities which thus show their appreciation of country visitors, seems to have made amends for its tardiness by applying the idea in rather a novel way. Its rest room, the result of the efforts of the Betty Martin Chapter, Daughters of the American Republic, is not a business building down town, but "a large cottage on a side street, conveniently located, and fitted up in the style of a woman's club." It includes a nursery, "with attendants in charge to look after the wants of the children during the absence of the parents." The country folk of Bell county can suffer no doubt as to their welcome in Temple.

Ex.

Cannot Junction do' some thing of the sort, and follow a good example? Everything is done for the townfolk, but the country people are treated with scant courtesy and yet they are the principal supporters of the town and stores."

My Reason For Resigning Junction Baptist Pastorate

At the Baptist Church next Sunday morning my resignation will be tendered.

Because I do not like to reside in the town of Junction among her good citizens, is not the reason I shall leave this beautiful spot, for I do like to live here with you. Because my pastorate is undesirable, too hard is most certainly not why I am to leave here; for I never had a more pleasant pastorate, and I never expect to have any better friends and as a whole more loving Christians.

I am resigning in order to re enter College that God may better use me for his glory.

I feel it due Junction Church that I write this, for more love I have never had for a flock over whom God placed me as pastor.

The Boy Scout is taught to obey a set of rules which will make him a good citizen. He is brought in contact with other boys with the same object. He is brought into close contact with the scoutmaster, whom he wishes to be a Scout he subscribes to boys, and because he knows how to reach the boys heart. When a boy decides that he is chosen because of his known love for the following precepts:

A Scout is trustworthy. He is taught that under no condition is an untruth justifiable, and that his honor is sacred.

A Scout is loyal. Loyalty begins with his parents and runs through to the scoutmaster and to his country.

A Scout is helpful. He takes an oath to do not less one good turn a day.

A Scout is friendly. He goes out of his way to be friendly.

A Scout is courteous. And he is taught never to take pay for any act of courtesy.

A Scout is kind. He protects harmless life and will kill not h ing needlessly.

A Scout is obedient. He begins with obedience at home and and gives obedience to all constituted authority.

A Scout is cheerful. He smiles. He never shirks or grumbles.

A Scout is thrifty. He must have a deposit in the bank. He saves his own money in order that he may help others when in need.

A Scout is brave. He must stand for the right when the coaxing of friends or the jeers of enemies urge him to do other wise.

A Scout is clean. He keeps clean in body and thought believes in clean sport and travels with a clean crowd.

A Scout is reverent. He is faithful in his religious duties and respects the convictions of others.

It would be hard for any mother to improve on this set of rules for the conduct of her boy.

WHAT LOVE IS.

"Love," writes the editor of an eastern paper, "is at first an illusion and then a delusion."

We can't remember just who the editor is nor in what paper the quotation occured, but we'll just bet our Sunday go to meet in boiled shirt that he walks backwards and, that instead of good red blood, there flows through his veins the sourest of vinegar.

Probably somewhere back in his purple, palpitating past there was a girl who passed him by and married the other fellow and ever since the corking canker of crabbedness has been eating away and eating away at that which once beat as his heart.

Love a delusion!

By all the golden, sunny rings lets on the brow of cupid, by all the sweet lips that ever puckered into a rosebud to receive the kiss of a lover, we swear that love is no delusion.

Does a delusion make the sky an illusion?

Is it a delusion when our cardiac pumping station goes all flutter at the soft whispered words of the sweetest girl God ever made?

Is it an illusion when we thrill in every nerve if a tiny, soft, velvety hand chances to linger, just for an instant, in ours, as we look into a pair of eyes whose limpid depths make the profundity of the ocean seem shallow as a mudpuddle?

Is it a delusion when the very marrow in our spinal column freezes if we hear that "THE" girl has a date with another fellow?

Is it an illusion when she buries her face behind the lapel of your coat, shyly nods her little head and answers, "yes" when we ask her the greatest question in the world? Is it? IS it?

We should say NOT!

Love is the concentrated essence of goodness, sprinkled up on the tender petals of a crystalized violet. It comes skyhoot.

ingdown from the high heavens on a mellow moonbeam, entwines its silken tendrils about your quick fluttering heart until your breath comes in short, quick ecstatic gasps and your soul just seems to float away on a billow of seafoam to the Island of Rose buds and Orange Blossoms.

Love an illusion?

It is NOT!! And, believe us, we know!

We've tried it often enough.

CALOMEL IS MERCURY! IT SICKENS! ACTS ON LIVER LIKE DYNAMITE

"Dodson's Liver Tone" Starts Your Liver Better Than Calomel and Doesn't Salivate or Make You Sick.

Listen to me! Take no more sickening, salivating calomel when bilious or constipated. Don't lose a day's work! Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with sour bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour just take a spoonful of harmless Dodson's Liver Tone on my guarantee.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tone. Take a spoonful tonight and if it doesn't straighten you right up and make you feel fine and vigorous by morning I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick.

I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

What the Kidneys Do

Their Unceasing Work Keeps Us Strong and Healthy

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—which vary widely but may include pai in the back headache, nervousness, hot dry dy skin, rheumatic pains, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right the danger is overcome. Doan's Kidney Pills have proven an effective kidney remedy.

A. M. Rice, Garden St., Uvalde Texas, says, "I had weakness thru my back and my kidneys were dis- fine results. They made my kidneys strong and the pains in my back disappeared."

Also decided. I used Doan's Pill with Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Rice had. Foster-Milburn Co. Props., Buffalo. N. Y.

Guard Your Children Against Bowel Trouble

Many children at an early age become constipated, and frequently serious consequences result. Not being able to realize his own condition, a child's bowels should be constantly watched, and a gentle laxative given when necessary. Dr. Miles' Laxative Tablets are especially well adapted to women and children. The Sisters of Christian Charity, 531 Charles St., Luzerne, Pa., who attend many cases of sickness say of them:

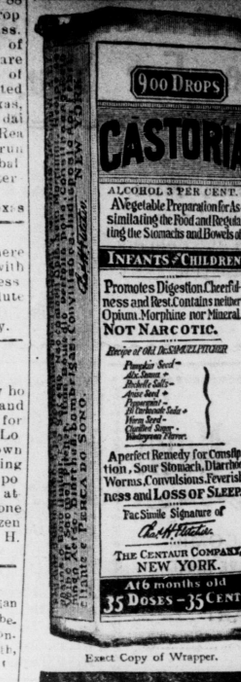

"Some time ago we began using Dr. Miles' Laxative Tablets and find that we like them very much. Their action is excellent and we are grateful for having been made acquainted with them. We have had good results in every case and the Sisters are very much pleased."

The form and flavor of any medicine is very important, no matter who is to take it. The taste and appearance are especially important when children are concerned. All parents know how hard it is to give the average child "medicine," even though the taste is partially disguised. In using Dr. Miles' Laxative Tablets, however, this difficulty is overcome. The shape of the tablets, their appearance and candy-like taste at once appeal to any child, with the result that they are taken without objection.

The rich chocolate flavor and absence of other taste, make Dr. Miles' Laxative Tablets the ideal remedy for children.

If the first box fails to benefit, the price is returned. Ask your druggist. A box of 25 doses costs only 25 cents. Never sold in bulk.

COULD SCARCELY WALK ABOUT

And For Three Summers Mrs. Vincent Was Unable to Attend to Any of Her Housework.

Pleasant Hill, N. C.—"I suffered for three summers," writes Mrs. Walter Vincent, of this town, "and the third and last time, was my worst.

I had dreadful nervous headaches and prostration, and was scarcely able to walk about. Could not do any of my housework.

I also had dreadful pains in my back and sides and when one of those weak, sinking spells would come on me, I would have to give up and lie down, until it wore off.

I was certainly in a dreadful state of health, when I finally decided to try Cardui, the woman's tonic, and I firmly believe I would have died if I hadn't taken it.

After I began taking Cardui, I was greatly helped, and all three bottles relieved me entirely.

I fattened up, and grew so much stronger in three months, I felt like another person altogether."

Cardui is purely vegetable and gentle-acting. Its ingredients have a mild, tonic effect, on the womanly constitution.

Cardui makes for increased strength, improves the appetite, tones up the nervous system, and helps to make pale, sallow cheeks, fresh and rosy.

Cardui has helped more than a million weak women, during the past 50 years. It will surely do for you, what it has done for them. Try Cardui today.
