Rivercrest Wins Season Opener With 39-14 Rout

A sizzling 25-point first quarter sent the Rivercrest Rebels on their way Friday night to a 39-14 rout on Hughes Springs.

The victory sent the Rebels to Coach Larry Ward off on a successful start for the 1969 season. Halfback George Marshall exploded for a 20-yard touchdown run to open the big quarter for Rivercrest. Troy Brown kicked the extra point.

While still reveling in the excitement of the first touchdown, Lavene Norman jolted Hughes Springs with a 19-yard touchdown sprint. The try for extra point was no good.

Rivercrest added a third TD on a five-yard dash by George Marshall. The point after touchdown failed but the count was now a comfortable 19-0.

Quarterback Troy Brown ran three yards for the fourth Rivercrest touchdown of the quarter. Again the extra point was no good but the Rebels had a 25-0 edge.

Hughes Springs finally got on the scoreboard in the second quarter on a seven-yard pass and run by Fullback Jerry Slaughter. This made it 25-6 at halftime.

Slaughter got off another seven-yard scoring run in the third quarter to narrow the margin, and Roy Bean went in for the two-point conversion. This left it 25-14.

But the Rebels weren't thru. They came up with a 14-point fourth quarter. Lavene Norman got the first touchdown on a seven-yard run with Brown dashing for the two-point conversion.

Brown added the final stroke, a two-yard scoring run for Rivercrest in the fourth quarter. The try for extra point failed.

Among the big men in the line for Rivercrest were Tackles Gordon Loranice and Stephen Gage, End Ronnie Alford and Center Joe Simpson.

Next action for the Rebels will be a trip to Honey Grove for a showdown Friday, Sept. 19.

SCHOOL NEWS

Drama Club officers met Wednesday, Sept. 13, to discuss new activities for the coming year. Decided on was writing a constitution for the club to abide by. Discussed was ways of answering roll call at each meeting and voting in new members.

Mrs. L. L. Reed returned home Monday from McCuiston Hospital, Paris.

Talco - Bogata Sch. Board News

The Board of Trustees of the Talco - Bogata Schools met in regular session on Tuesday, Sept. 9, 1969 at 8 p. m. at Kivercrest and took the following action.

Mrs. Miram Reddin was employed as a second-grade teacher for the Talco School. Mrs. Reddin has been teaching in the Titus County Schools for the past seven years.

Mrs. Jerry Via was employed as a part-time teacher aide in the Talco School. Mrs. Via will work in the place of Mrs. Melba Reed during the mornings while Mrs. Reed is teaching kindergarten.

Ray Williams of Bogata was awarded the contract for construction of a 15x30 metal storage building on the Bogata campus for \$880.00. This building is to serve as a storage building when the old vocational agriculture building is removed from the campus.

The Board granted permission to any employee of the Talco-Bogata Schools to participate in tax sheltered annuity program if they so desire.

The Board also briefly discussed outside physical education and sports facilities on the Rivercrest campus. Supt. Talmadge Morgan is to furnish the Board with a plan so that work done during the year will fit into a long-range plan of the district.

Since the Administration and Board have been concerned with water bills at the Rivercrest campus, the superintendent is to check into the feasibility of drilling a water well on the Rivercrest campus for the purpose of watering the practice football field and grounds.

Progress has been made in removing the annex building back of the Bogata Junior high building. One section of this building remains to be moved and the old agriculture building will be removed as soon as the new storage building is completed.

Harrison & Walker Construction Company of Paris, contractors for the new Bogata cafeteria, are now working on the cafeteria.

Ray Williams of Bogata, contractor for the storage building on the Bogata campus, is well under way with this construction.

Supt. Talmadge Morgan stated that enrollment in the district is a little less than the previous year. While there was a slight increase in the enrollment in the Bogata and Talco Schools, Rivercrest experienced a loss of approximately 28 students over the previous year.

Morgan said that a few of the classes in the Talco and Bogata Schools are larger than they should be. The 1st, 3rd, and 5th grades at Talco have 36 students in each of these grades and there are 35 students in the 4th grade at Bogata. This is entirely too many students for one teacher and for one grade — 25 students to a grade and teacher is considered to be the proper ratio.

Morgan further said that the problem of class size in the Bogata and Talco Schools would continue each year in the future since we will have classes with too many students for one section and not quite enough for two sections. He said that many of the problems relating to class size could be resolved by all of the elementary grades being located on one campus. While this is not a popular subject to discuss and is not one that is being considered at this time, Morgan stated that he felt that patrons of the district, the administration, and the school board must continue to look for ways to improve the educational program of our young people.

Mrs. Yvonne Hampton, who was employed to be a music teacher for the Bogata and Talco Schools, has been reassigned to a 3rd grade on the Bogata campus since it was necessary to make two sections of this grade because of the large enrollment. Morgan said that it was regrettable that this had to be done since he felt that the elementary music program can use much improvement.

Mrs. Miram Reddin was employed as a 2nd grade teacher at the Talco School a few days after school had opened because of an enrollment of 41 students in this grade making it necessary to have two sections.

The superintendent said that other than the problems of class size and the normal conflicts of beginning school that the new year was off to a good start.

Mr. and Mrs. Jerry Hood and children of Longview, spent the week end with his parents, Mr. and Mrs. R. G. Hood.

State Capital NEWS

Austin. — Legislators closed out 44 days of special session conferences over taxes and finance.

Texas' \$348.6 million tax bill, which takes effect October 1, includes:

- An increase from 3 to 3.25 per cent in the general sales tax rate and inclusion of beer and liquor in the tax base for the first time.

- A boost in the cigarette taxes from 11 cents to 15½ cents a pack.

- Increase in corporation franchise tax from \$2.75 to \$3.25 per \$1,000.

- Change in corporation franchise tax allocation formula to include out-of-state concerns which sell products in Texas (food and drugs exempt.)

- Raise in natural gas tax from seven to 7½ per cent of value.

- Levy of five cents a drink on alcoholic beverages sold in private clubs.

A record \$5.8 billion biennial appropriations bill — \$313.8 million above the present general revenue spending level — would provide a \$205.6 million increase for education, \$58 million more for health, hospitals and youth corrections, \$62.2 million increase for medical aid to the needy and a 10.4 per cent increase in state employees' pay.

When the major business of the session was over, legislature turned to other matters submitted by Gov. Preston Smith which included:

- Creation of 28 new district courts over the state.
- Establishment of an antiquities code, setting state policies for historic and scientific explorations on state-owned lands.
- Removal of the statutory interest rate limits on state and local government bonds.
- A variety of "clean beach" legislation.
- Authority for creation of a non-profit corporation to provide deposit insurance for state banks and savings and loan associations in the \$15,000 to \$100,000 range.

LAWMAKERS RAISE ALLOWANCE — Before departing for the hinterlands, legislators voted themselves increases in their contingency funds.

House raised its allowance for each representative from \$450 to \$875 monthly during the interim between legislative sessions. Senators raised their expense maximum from \$1,000 a month to \$1,700.

Legislators in both-house are paid a salary of only \$4,800 a year.

INSURANCE PROBE ENDS — Governor's committee studying a proposed 11.4 per cent auto insurance rate increase recommended that the State Board of Insurance reduce insurance companies' expense allowance for acquisition of physical damage insurance from 25 per cent to 22.5 per cent of the premium dollar. This would scale down the proposed \$43 million overall increase by about \$6.6 million.

OCTOBER DRAFT QUOTA SET — Texas' October draft call is 1,461, reports Col. Morris Schwartz, state Selective Service Director. This is 237 less than September.

National quota is 29,000 of which 27,600 will go to the Army and 1,400 to the Marine Corps. Called for State induction in August and July were 1,548 and 1,178. Total of 8,906 is scheduled to be forwarded for armed forces pre-induction physical and mental examinations next month in preparation for future calls.

SHORT SNORTS

Texas A&M's Texas Transportation Institute got a \$70,000 grant from the Governor's Office to make an air transportation study of Texas.

Lt. Gov. Ben Barnes will hire a fulltime staff of tax experts to guide the Senate.

Texas cities levying local option sales tax will get an additional \$5 million a year (rough estimate) from the new tax on beer and liquor.

Tuesday Meet For Rivercrest Y. H.

Rivercrest Young Homemakers of Texas met Tuesday at 7:30 p. m. for their first meeting of the new year. The Young Homemakers enjoyed several games of volleyball and were served refreshments. A basketball game was discussed and will be advertised later. All interested young women are invited to join the Homemakers.

LOCAL NEWS

Mrs. Cordell Alexander and Mrs. Ivy Smith visited the Frank Glovers in Mt. Pleasant, Monday.

Mrs. Verbeth Wyatt spent the week end in Mesquite with her son, Duke Wyatt and family.

Mrs. James Hearron, Mrs. Ted Ewing and Mrs. Jeff Ewing were in Paris Monday on business.

Talco School Activities

Our new custodian, Clarence Watts, left for his duty in the armed service. He reported to Dallas Monday, then he flew to El Paso. Clarence will be stationed at Fort Bliss.

We were all glad to see the rain here in Talco today, but it spoiled some of our plans. Mt. Vernon called off the football game until a later date. We urge you to make plans now to attend our next ball game. We will play the Commerce Tigers, Sept. 23 at Talco.

The cheerleaders and the pep squad have real school spirit this year. The cheerleaders are working on about 30 yells to perform for this year's football team. Susan Adams, Mona Wright, Cathy Perdue and Nita Hanks made posters with spirit for the canceled football game.

AG OPINIONS — A person whose driver's license has been suspended must furnish proof of a valid policy of auto liability insurance or other proof of financial responsibility to get an occupational license, Atty. Gen. Crawford Martin has held.

In other recent opinions, Martin cluded that:

- All dredging of bay bottoms requires a permit from the Texas Parks and Wildlife Department since they are owned by the state. Burden of proof of private ownership is on the claimant. No permit is required for land owned under fresh water.

- Banking Commissioner has no power to force national banks to stop accepting deposits on Saturdays or other days they elect not to close. He can permit state banks to accept deposits on days they designate to be closed for general banking purposes but they would lose some protection against liability by having available only limited banking services.

- Psychologist licensing act is not in violation of the constitution, but proposed terms of the new board members — three years — are not in conformity with the constitution which prescribes six, four or two year terms.

RIVERCREST SOPHOMORES ELECT NEW OFFICERS

On Monday, Sept. 15, the sophomore class of Rivercrest High School met at 2:00. Officers for the coming year were elected. They are as follows: Peggy Bonham, president; Freida Whitten, vice pres.; Sallie Cook, sec.; Christi Jones, treas.; and Vickie Stewart, reporter. Members for Student Council have been nominated, but no one has been elected. The meeting was adjourned.

Mrs. Ruby Cogburn spent the week end in Garland visiting her daughter, Mrs. Bud Hanks, Mr. Hanks and children.

Wayman Alexander, Rev. B. B. Hindman, Donnie and Sharon attended the District Baptist Training Service at the Bethel Church, Pittsburg, Friday night

New Season For Rebels Begins

The Rivercrest Rebels have thirty-five boys out in the top four grades, including 11 freshmen, 7 sophomores, 8 juniors and 9 seniors. The team was picked to finish third in District 15-AA by editors of Texas Football magazine.

Coach Larry Ward, who is starting his second year at Rivercrest, says he has five returning lettermen from last year's team. Five seniors have been lost since practice began this year, he added. The travelling squad will probably consist of 25 men.

Assisting Ward as coaches are Bobby Dobbs and Wake Woods, both veteran coaches at the Bogata-Talco High School.

1969 Schedule
The 1969 schedule, containing five conference games and five non-conference games is:

A quick recovery electric water heater keeps you in hot water

(when you need it)

Colder weather ahead means colder water coming into your water heater. To heat this colder water, a modern electric water heater uses immersed heating elements. The water is heated directly . . . no heat is wasted on the outside of the tank. Also, an electric water heater is compact, flameless and requires no flue . . . so it can be installed almost anywhere. If your present water heater is too old or too small, see your dealer or contact our office about a modern electric water heater.

Call us for information about our special water heating rate and installation allowance.
