

State's Natural Gas Tax Ruled Unconstitutional

YOUNG JUDGE—Mrs. David Chapman, 18-year-old bride of two weeks, sits in for a vacationing police judge in Stillwater, Okla., and hands out a \$10 fine to William H. Johnson, 70-year-old Perkins resident after he pled guilty to a reckless driving charge. Mrs. Chapman is secretary to the Stillwater mayor. (AP Wirephoto)

AUSTIN (AP)—Dist. Judge Jack Roberts ruled today that the state's new natural gas tax is unconstitutional.

Roberts read a one-page opinion in the case in which he said he had reached his decision "with great reluctance" although with complete conviction.

"I have undertaken to give every presumption of validity to this statute and have searchingly sought to find a way of upholding its constitutionality," Roberts said. "I can not escape the conclusion that this statute carries the same general vice as the gas gathering tax which impelled me in the first instance and the United States Supreme Court ultimately to hold it unconstitutional."

His decision will be appealed. Unless his verdict is overturned the state will lose an anticipated \$15 million in revenue during the current 2-year fiscal period.

nessee Gas Transmission Co. The tax of 1 1/2 per cent of market value per 1,000 cubic feet of natural gas at the well head would be paid by the severance beneficiary, or ultimate user of the gas.

Arguments came hot and heavy over the definition of "market value" and "severance beneficiary."

Atty. Gen. Will Wilson, who defended the tax in final arguments, contended the tax as passed by the Legislature in 1959 is fair and equalizes the tax load paid by

pipeline companies and producing companies.

"By a long line of decisions the Supreme Court has held that the tax violates both the state and the U. S. Constitutions because it is discriminatory and because it restricts interstate commerce."

Companies involved in the consolidated suit are Transcontinental Gas Pipeline Corp., Michigan Wisconsin Pipeline Co., Natural Gas Pipeline Co., Northern Natural Gas Co., Panhandle Eastern Pipeline Co. and Permian Basin Pipeline Co.

"Of course we will immediately appeal this decision and will maintain our state's rights argument that the point of taxation in this statute is before the gas enters interstate commerce," Wilson said.

"This tax is basically fair because it seeks to correct the present unequal situation in which some pipelines have a tax advantage."

Roberts opinion said "It is my duty to recognize these constitutional objections and to uphold them and accordingly I find and conclude that the tax imposed on the plaintiffs by the severance beneficiary act violates the interstate commerce clause of the United States Constitution, and is invalid."

Wilson said he expects oral arguments to be made before the 3rd Court of Civil Appeals, the next step in the test of the law, in October.

Funds being paid into the state treasury under protest may not be used pending final outcome of the case.

Wilson said he did not expect the U. S. Supreme Court to have a chance to rule on the case until after the next session of the Legislature.

Cost Of Living Sets Third Record In Row

WASHINGTON (AP)—The cost of living edged up one-tenth of one per cent in May, setting a new record for the third month in a row.

Reporting this today, the Labor Department announced its consumer price index reached 128.3 per cent of the 1947-49 average.

Higher food prices were chiefly responsible for the rise.

As a result of the rise, about 200,000 workers in the aircraft, meatpacking, chemical, trucking and metal working industries will get cost-of-living pay boosts. Their wage contracts have clauses providing for adjustments in relation to living costs.

For most of the workers, the pay increase will be one to two cents an hour.

Despite the slight rise in prices, the buying power of the average factory worker's paycheck rose slightly. Longer hours of work boosted his spendable earnings by 70 cents, or one per cent.

Nevertheless, buying power in May still was 2 per cent below that of a year ago.

The average weekly take home pay—earnings after taxes—of the worker with three dependents was reported as \$80.91 in May, and for

Castro Threatens U. S. Businesses

By RICHARD VALEHIANI
HAVANA (AP)—Fidel Castro has threatened to confiscate all U. S. business interests in Cuba if the United States cuts the quota of Cuban sugar on which it pays the island nation a bonus of 150 million dollars a year.

The Cuban Prime Minister termed a proposal before Congress to give the U. S. President "economic aggression" and a "knife thrust in the chest."

His 10-minute speech Thursday night was broadcast over a nationwide radio hookup.

"We will not remain impassive," he said. "We will know how to meet economic aggression."

Speaking of the huge U. S. business interests in Cuba, Castro said: "In the same manner that they are there now, it may be in the future that they are not there."

American investments in Cuba before Castro came to power totaled about a billion dollars, but the revolutionary regime has taken over about a third of this, chiefly sugar and cattle lands. Properties still in American hands include the 300-million-dollar, Cuban Electric Co., the 115-million-

of home furnishings, fuels and household operations.

Arnold Chase, price chief of the Bureau of Labor Statistics, said prices of fresh fruits, vegetables and pork may have climbed again this month. But auto prices should go down seasonally, so that the spring advance in over-all living costs may give place to a reasonable summer stability.

The index in February climbed back to the record level of last November and has not stopped rising since.

The May increase, however, was only one-fourth as great as that of April.

Three Traffic Mishaps Are Logged Here

Three traffic accidents, one resulting in a scalp laceration to a Snyder girl, were reported by the Snyder Police Department.

Donna Lenor, 16, of 2510 Huffman Avenue was injured at 3:15 p.m. Thursday when her 1959 Plymouth struck the rear of a patrol car of the Snyder Police Department being driven by Jesse Browning.

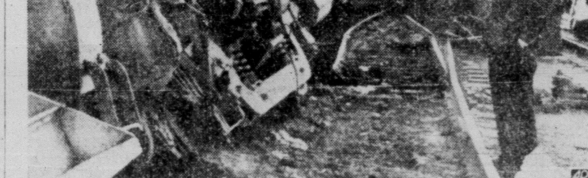

The accident occurred at the intersection of Thirty-fifth Street and Avenue S. Four cars were traveling north in the inside lane when the driver of the first car signaled for a left turn, applied the brakes and started turning. The second car braked down as did the third which was the patrol car. The fourth car, driven by Miss Lenor, collided with the patrol car.

Sherry's department investigated.

Taken to Conell Memorial Hospital by a Bell Funeral Home ambulance, Miss Lenor was treated for a scalp laceration and released.

Officer Browning was returning from investigating an accident at the intersection of Avenue S and Thirtieth Street involving a 1959 Ford driven by James Williams of Route 3 and a 1956 Ford driven by Augustine Bonilla. Damage was estimated at \$100 to the Williams car and \$25 to the Bonilla car.

Also reported was a mishap at the intersection of Avenue S and Forty-second Street involving a 1960 Ford station wagon driven by Stanhill Tom Kennedy of 2303 Forty-second Street and a 1953 Plymouth driven by Alice V. Crawford of 1909 Twenty-first Street. Damage was estimated at \$150 to the station wagon and \$100 to the Plymouth.

DERAILED—One of the passengers from the southbound Rock Island Rocket talks with a porter through the smashed door of the dining car after the train sideswiped a switch engine in the Enid, Okla., yards, derailing six passenger cars and one baggage car. Four passengers were injured along with two trainmen. (AP Wirephoto)

BENEFICIAL RAINS FALL

Twisters Strike In South Texas Areas

By The Associated Press

Twisters struck in South Texas Friday, destroying farm buildings and damaging others near El Campo and on the edge of Eagle Lake.

No injuries occurred, and 10 persons escaped unharmed when their residence disintegrated around them.

El Campo is about 75 miles southwest of Houston and Eagle Lake about 75 miles west.

Meanwhile, heavy rains, hailed by farmers and ranchers as breaking a drought, fell in vast sections of the state.

Rains up to 5 inches fell in some coastal areas and in Central Texas, while other downpours occurred in the Panhandle and other parts of West Texas.

"This rain right now," said Ike Jones of the Production Credit Assn. in Austin, "is just like writing a check for \$1,000 in favor of every farmer in the region—even the little ones."

Howard Rivers III of Elgin, Central Texas banker farmer, said the moisture will help fill out grain for a maize crop.

The rains could slow down a heavy run to market of cattle, sent by ranchers because grass was hurting from the drought.

The rains flooded streets in Amarillo and San Antonio, and lightning damaged a two Amarillo houses.

The 10 who escaped when their residence disintegrated were Mexican cotton choppers on the Herman Mauch farm six miles south of El Campo.

Mauch said he knew the wind was high, but dismissed it as unimportant until the bedraggled cotton choppers began straggling to his home, dripping rain and appearing unhappy.

They said the tornado simply destroyed the 3-room house where they were staying, but no one suffered injuries. The tornado struck about 12 miles south of another which destroyed some buildings on the Willie Baaceck farm.

The Eagle Lake tornado struck the western edge of the town. It unroofed several houses and other buildings, and tore down trees and power and telephone lines.

The twisters struck well east areas of the state, received during rains which were lapped up by thirty crops and grasses.

About 5 inches fell in 24 hours on the Bracken ranch in McMullen County west of Kenody in the Coastal area.

The ranch owner said it was the best rain in six years and his stock ponds are full for the first time since 1954.

In nearby Live Oak County, up to 2 1/2 inches of rain fell. Adjacent Karnes County measured up to 2 inches, the first rain in 33 days.

In the Lower Rio Grande Valley, McAllen reported 3.8 inches Thursday, San Juan about 3 inches, and about 2 inches throughout the Lower Valley.

Downpours obliterated streets in Amarillo and San Antonio for a time.

Venezuelan Chief Escapes Bomb Attack

CARACAS, Venezuela (AP)—President Romulo Betancourt escaped a bomb attack on his life today, suffering only slight burns.

Interior Minister Luis Augusto Duibe reported the attack on followers of deposed dictator Marcos Perez Jimenez and "foreign enemies" of Venezuela, "concretely, the dictatorship of the Dominican Republic."

Duibe said two military aides of Betancourt as well as Defense Minister Jose Lopez Henriquez and his wife were seriously injured. He did not mention previous reports that two aides of the president had died.

The bombing took place during an army day parade.

Apparently an unidentified man hurled a high explosive bomb toward the President's car.

Betancourt, elected President in 1958 after overthrow of the Perez Jimenez dictatorship, rose from a sickbed to attend today's ceremonies.

The bombing occurred in the broad Avenida de los Proceres in the outskirts of Caracas.

The army sent armored cars and soldiers immediately to the presidential palace and sealed it off, apparently to guard against any attempt by rebels to seize it.

Herter Says Krush Meddling In Internal Affairs Of U. S.

WASHINGTON (AP)—Secretary of State Christian A. Herter accused Soviet Premier Nikita Khrushchev today of interfering in this country's internal affairs by his talk about President Eisenhower's successor in the White House.

Khrushchev has several times attacked the Republican front-runner, Vice President Richard M. Nixon, and has expressed hope he would find it possible to negotiate with the next administration.

Herter told a news conference that Khrushchev's remarks come about as close to interference in the internal affairs of another country as Herter can conceive of.

At the same time, he refused to be drawn into a discussion of whether the election of a Republican or Democrat as the next President would make any difference in future U. S. Soviet relations.

Khrushchev's latest comment on the U. S. political scene came last Tuesday when he told a Ro-

Another Rail Pay Dispute Is Settled

CHICAGO (AP)—The Brotherhood of Locomotive Firemen and Enginemen has reached wage agreement with the nation's railroads, leaving only one operating railroad in dispute with the carriers over pay.

The agreement Thursday with the 45,000 member brotherhood was patterned after earlier settlements between the railroads and trainmen, engineers and conductors unions. It calls for a 4 per cent or 10.108 cents hourly wage boost over 18 months.

A railroad spokesman estimated the new wage increase will cost the carriers 13 million dollars a year.

The Switchmen's Union of North America is the lone operating union still to reach a wage agreement with railroads. The union's 15,000 workers have demanded a 5 per cent raise in pay. A presidential fact finding board entered the dispute June 1, 1959.

Depletion Allowance Issue Apparently Buried For Year

By CHARLES HASLET
WASHINGTON (AP)—The Senate's rejection earlier this week of a proposal to cut the oil and gas industry's tax depletion allowance apparently buried that issue for this year.

The 27 1/2 per cent allowance in effect since 1925, now seems safe through 1961, at least.

With Congress adjourned toward an early July adjournment, chances are unlikely that any further attempt will be made in this session to alter the existing formula. The possibility of such a move is not ruled out completely. Senate proponents of a reduction in the percentage still could try again, although this week's vote put the odds against them.

This week's test came on an amendment offered from the floor by Sen. Paul Douglas (D-Ill.), persistent opponent of the depletion allowance. He calls it a 133 loophole that should be plugged.

Douglas' proposal offered as an amendment in a bill to continue certain wartime taxes would have substituted for the 27 1/2 per cent rate at a sliding scale of allowances ranging from 15 to 27 1/2 per cent.

Similar to an amendment he offered from the floor last session, it was defeated, 30-56.

Douglas aides estimated that 8 or 10 of 14 absent senators would have voted for the amendment if they had been present.

"So actually," one aide said, "the number of senators for the Douglas amendment appears to be about 38 or 40."

Regardless of this claim, it is clear that opponents of the present allowance are gaining additional Senate support. But it also is evident that they have still further to go to get a majority vote.

The first time Douglas sought to cut the allowance, in 1951, he mastered 9 votes. In 1957 and 1958 the affirmative vote ranged from 20 to 25.

Douglas told the Senate in debate on his latest amendment that it would bring the Treasury 350 million to 400 million dollars in additional revenue annually.

He said the industry still would have about two billion dollars in

First WAC Outfit Assigned Overseas Schedules Reunion

By INEZ ROBB
One of the nicest and most nostalgic invitations I have ever written dropped out of the mail the other day. Only the fact my employer believes my typewriter and I should be in attendance upon the Democratic National Convention next month prevents me from attending the reunion of the 149th WAC outfit in Hot Springs, Ark., July 15-17.

It was with this unit, 200 strong, the first WAC outfit ever assigned to overseas duty that I marched off to war in Africa in January, 1945. I was a correspondent, not a WAC (although I wore its uniform, but I spent 10 days with the group in a hell-hole called Camp Kilmer, in New Jersey, before sailing, followed by two weeks at sea before we landed in Oran.

Know that 24-day period, I came to know almost every woman in the outfit and certainly to like and admire the WACs. They ranged in age from girls of 18 and 19, who had never been 100 miles from home before they joined the WACs, to youthful grandmothers in their early 40s.

It was their tireless industry and efficiency at Allied Force Headquarters, then in Algiers, that proved the value of the corps in overseas bases. Within eight weeks after their arrival in Algiers, four other outfits were activated for overseas service, and that was only the beginning.

But no one can take away from the 149th its distinction as the pioneer outfit that showed the way. If the 149th lived up to its opportunity it owed that opportunity to a man who is now President of the United States, but who was a three-star general when the girls arrived at his headquarters. His fourth star appeared shortly thereafter, but the 149th never claimed credit for that.

Gen Dwight D. Eisenhower, during

his months in England before the African invasion, was much impressed by the work of the British Women's Auxiliary Territorial Service. He told the powers that be in Washington either to send him an efficient WAC outfit or he would import a group of ATS.

The 149th was the answer to the general's request. It included a hand-picked group of girls who were bilingual and trilingual. Many spoke both French and English, but a second large contingent was fluent in English, French and Spanish. And some spoke excellent Italian. These girls proved invaluable on the switchboards at Allied Force Headquarters.

Expert stenographers and secretaries like the telephone operators, put in 10-to-12-hour days, seven days a week. In fact, the girls proved so valuable that it was decided at headquarters not to waste their time on KP. Local women were hired to do their housekeeping chores in the big old convent of "The Good Shepherd" on the edge of Algiers in which General Eisenhower settled in the 149th.

Within a week, it was impossible to tell whether the handful of self-starved nuns had adopted the 149th or vice versa.

The convent was so old that water was still pumped from a well by an old white horse, blindfolded, walking round and round the courtyard day after day. The U.S. Army did install showers and indoor plumbing for the girls, but the water was still by courtesy of the horse.

How I would love to go to the reunion and find out what has happened to my old friends, including Sgt. Anne M. Bradley of Philadelphia, the most beautiful sergeant in any Army. The 2,500 soldiers on the troop ship were in love with her and, subsequently, so were whole regiments in Africa.

"There is nothing this entire

group would like better than to have you with us for at least one day," writes the 149th.

"There is nothing I would like better than to be with the 149th! Drat the Democrats!"

Price Rises May Ease For A While

By SAM DAWSON
AP Business News Analyst
NEW YORK (AP)—The chafe of your pocketbook escaping further deep gouges from rising prices seems good for a while—but little pinches will continue.

And most Americans will spend as much of their incomes as ever and borrow when they haven't the cash. The two things that might change this attitude aren't sighted—a drop in confidence, or the start of a real recession.

The consumer changes his spending habits from time to time, however. And business keeps an eye on his state of mind.

Right now he gives every sign of feeling pretty sure of himself. He has plenty of choice in what to buy, expects goods to be plentiful and therefore easily obtainable at competitive prices, and thinks his own future income looks safe enough to let him take on an installment debt when he really wants something. He also notes that increasing foreign competition weakens some domestic prices.

The over-all cost of living has

Four Words Important To Jerry Lewis

By HAL BOLYEA
NEW YORK (AP)—Jerry Lewis says he once paid \$25,000 for four words—and they were a bargain.

"It was after I had a heart attack. I went to the best doctors I could find," he said.

"I asked them how I could prevent another attack. They told me the main thing to avoid—constant, continuous, unremitting pressure.

"Those four words cost me \$25,000 but they were worth it. I learned a lesson. The secret of living longer is to avoid aggravation."

It is a question, however, how well the wire-nerved young comic has learned his lesson. He has an insatiable curiosity about life—and even watched the births of three of his five sons—and is driven by an almost ungovernable energy.

The ordinary man works 50 weeks a year, Jerry now puts in the equivalent of 81 weeks a year and shows no signs of slowing down.

If anything he has stepped up the pace. In his latest film, he not only acts as star, he also wrote, directed and produced it.

Lewis believes he has a record which no other present day star can match. All his pictures—25—have more than paid their way at the box office. None has gone into red ink.

That is one reason he has decided he will direct, produce—and at least help write—many of his future pictures.

"I decided I might as well have some of that money myself," he says.

He also feels his films will improve if he has more authority over their content and production.

"When you do so many jobs on a picture, it sometimes means a 21-hour day, but it's a wonderful thing for you—physically, mentally and spiritually," he said.

"What's the advantage?" Well, look at it this way: You're not as careful with your cigarette ashes in another guy's office as you are in your own home.

Unknowns, Vets Even Up At Odessa

ODESSA (AP)—Most of the pre-tourney favorites and the defending champions face an uphill battle today as the second round of the Odessa Pro-Am Golf Tournament gets underway.

The first round Thursday didn't go at all as scheduled and when the dust had cleared a relatively unknown team was tied for the lead with veteran Jay Hebert, of Lafayette, La., and Bill Highower of Midland.

The Hebert-Highower duo, finishing early, posted a sparkling 10-under-par 62. But Bart Halton and Ted Averello of Fort Worth, arriving at the 10th green after most of the gallery had dispersed, matched the score and stamped themselves as a serious threat.

The 63 slot was vacant but six teams were deadlocked with eight under 64. Headed by Billy Maxwell and Red Roden, the 64 shooters were Don Massengale and Charles Coady, former teammates at Texas Christian; Loddie Kempa and Jerry Cozby; Johnny Lively and Spec Goldman; Fred Atkins and Bob Miering; and Buddy Phillips and George Addison.

Five teams tied at 65 and 12 more were one shot back at 66. Among the 66 group were favorites Bo Wintinger, and Bobby French and Don January and Dick Jennings.

Three top pros, whose teams were not among the leaders, were Ernie Vossler, a three-time winner here, veteran Byron Nelson, and youthful Doug Sanders. All had 69s.

Doug Higgins and Buddy Brant, last year's winners, were five strokes off the pace with a 67.

Eighteen holes are scheduled to play Saturday and Sunday.

The leaders:
 Jay Hebert and Bill Highower 62
 Bart Halton and Ted Averello 62
 Billy Maxwell and Red Roden 64
 Loddie Kempa and Jerry Cozby 64
 Fred Atkins and Bob Miering 64
 Johnny Lively and Spec Goldman 64
 Bob Miering and Buddy Phillips 64
 George Addison and Fred Atkins 64
 Don Massengale and Charles Coady 64
 Bobby French and Don January 66
 Dick Jennings and Don January 66
 Ernie Vossler 69
 Byron Nelson 69
 Doug Sanders 69

Indians And Sox Mark Up FL Triumphs

Leather-light were the Farm League frays last night, as both games were decided by the margin of one run.

The opener saw the Indians slipping past the Yankees, 7-6, to drop the losers still further behind the barnstorming White Sox, who made it 10 out of 11 in the night cap by edging the Athletics, 6-7.

Singles by Kenny Sobers and "Wee" Coplen were the only hits picked up by the Indians of Wade McCarty and Clay Landon in their winning effort, but they proved to be enough.

Benny Garrett and Coplen tolled on the mound for the winners, giving up four hits, all singles.

In the White Sox-Athletic game, Kirk Burks and Gary Smith hurried their way to victory for the Sox, relinquishing four singles to the losers between them.

The league leaders also picked up a total of four safeties off the deliveries of Randy Owens and Mark Gilstrap, with Stanley Cole doubling for the only extra base knocked garnered.

The line scores:
 Yankees 005 1-0-6
 Indians 025 X-0-7

Athletics 232 0-7
 White Sox 404 X-8

Baptists Flip Fire Boys; Wesson Homers

The Avenue D Baptist softball team saw its first action last night and made their inaugural a successful one by running the Big Spring Fire Boys, 9-7.

A three-run seventh inning rally allowed them to post the victory, with James Captwell who had come on in relief of Guy Sullivan receiving credit for the win.

James Wesson of Avenue D contributed the big blast of the game as he lined a first inning leadoff homer to left center.

Wilson Among Qualifiers For Olympic Trials

Rev. Wilson, former Snyder High star track performer who is now running under the orange and white of Texas University, has qualified for the Olympic time trials which are just getting underway in California.

He is one of only three Southwest Conference qualifiers, and has turned in the third lowest time to date in the 400-meter hurdles.

Wilson will be a junior at the University this fall.

SMALL ANGLER, LARGE CATCH—Terry Burnett, 11, of Destin, Fla., proudly displays 10-foot, 5-inch blue shark he caught while fishing with a stubby rod and light reel loaded with less than 200 yards of 50-pound test line. The 51-pound youngster battled the more-than-500-pound shark for an hour and a half before landing it. (AP Wirephoto)

Body Aches Haunt Canada Cuppers

By JOHN FARROW
 Associated Press Sports Writer
 PORTSMOUTH, Ireland (AP)—Gary Player and Bobby Locke, South African leaders in the Canada Cup golf championship, went into the second round today relying on stout hearts to see them through.

They admitted their bodies were not quite with them as they teed off with a three-stroke advantage over the second place United States team of Arnold Palmer and Sam Snead.

Player, 23-year-old breaker of Portnarnock Links record Thursday, was under the care of a doctor. He's suffering from a bad attack of asthma that left tears in his eyes, made it difficult to breathe and plagued him with aching muscles.

"If it gets any worse I'll never be able to carry out," Player wheezed after tearing Portnarnock apart with a 7-under-par 65.

The 43-year-old Locke is back in big time golf after being seriously injured in an auto crash. It even was doubtful at one time whether he would be able to compete in the international event.

But Locke, a four-time winner of the British Open, just refused to pass up this tournament that has brought together two top pros from each of 31 nations.

He's still one of the finest hitters of a ball in the business. He proved it Thursday by taking a 72, which with Player's 65, gave the South Africans a total of 137.

Player said he thought his own 33.34 over the 7,000-yard links was his best round of golf ever, remembering how lousy 1 was feeling with this asthma.

Both Palmer, newly crowned U.S. Open champion, and Snead were under par Palmer had a 69 and Snead a 71 for a total of 140.

Yank-Indian Series Looms

By ED WILKS
 Associated Press Sports Writer
 The New York Yankees, back in a familiar spot atop the American League, roll into Cleveland tonight for the opener of a four-game series with the third-place Indians—who at the moment are in a better position than second place Baltimore in the flag chase.

After their latest winning streak cut at six with a 2-1 loss at Detroit Thursday, the Yankees have only a half-game lead over Baltimore. But the Orioles, who defeated Chicago's White Sox 5-3 in 11 innings, are four games back in the decisive lost column.

Cleveland is only two back of New York in games lost after putting away a three-game sweep over Washington with a 7-6 victory.

Jim Coates (8-0), the lean right-hander who has won 12 straight since losing to the Indians in relief a year ago, is the Yankee probable right-hander Jim Perry (7-3) goes for Cleveland.

Boston was Thursday's lone night game in the AL, walloping Kansas City 15-4.

In the National League, St. Louis defeated Pittsburgh 3-1 and trimmed the Pirates' lead to 2½ games over second-place Milwaukee. The Braves defeated San Francisco 8-4 for their sixth straight. Los Angeles ended Cincinnati's winning streak at four, 6-2. Philadelphia escaped the cellar and dropped Chicago in with a 4-3 decision, the Cubs' seventh straight loss.

Charley Maxwell's leadoff home run in the ninth beat Yankee reliever Ryne Duren (2-1) and ended the Yankees' losing string at four. Don Mossi (4-5) won it, scattering nine hits.

The Orioles broke a 3-3 tie with two runs in the 11th at Chicago, defeating reliever Gerry Stiles (7-3) with a bases-loaded walk and Gene Stephens' sacrifice fly.

Between 1933 and 1935 sixteen states had legalized racing.

EARLY WORKS LATE FOR 274TH VICTORY—Forty-year-old White Sox pitcher Early Wynn, right, wasn't too tired after pitching a nine-inning two-hit game against Baltimore for dressing room horseplay with Nelson Fox. Wynn snapped a five-game losing streak to beat the Orioles, 3-1, for his 27th major league victory. No other active pitcher has more wins than Wynn. (AP Wirephoto)

Phillies Hand Sox First Defeat, 11-5

The Red Sox bubble has been burst, as the Phillies popped them from the ranks of the unequipped last night in a Continental League battle, 11-5.

The victory boosted the Phils to within one game of the leaders with their 3-2 mark for the season as against the 4-1 record as compiled by the Sox.

A pair of Romnies turned the trick, as starter Rommie Jones and relief man Rommie Jones cut the Sox to 11-5.

The Phils got to Mike Moffett for only four hits themselves, but were aided by 13 bases on balls as issued by him.

Freddy Miller was the only slacker for either team to garner more than one hit, as he singled twice in three plate appearances.

Over in the Texas League, the Buffs continued their winnings ways by thumping the Sports by 7-1 behind the combined three-hit chunk-

Center fielder Tom Winter led the attack with a double and single in three trips. Gene Potter also doubled for the Buffs, while Robert Foree drove in a pair of runs with his two singles in four plate calls.

The Buff victory strengthened their hold on the top rung of the Texas League ladder with a 9-1 record while the Sports fell to 4-3.

The line scores:
 Phillies 110 025-11
 Red Sox 001 220-5

Buff 303 010 0-7
 Sports 000 100 0-1

Indians, Cardinals Post LL Victories

The Little League Indians retained their league lead here last night by clipping the Athletics by 9-3, while the Cardinals continued their National League voodoo by edging the Braves, 6-4, to remain undefeated with 11 victories in as many outings.

A parade of six hurlers graced the mound in the Indian-Athletic fray, with starter Raymon Valdez receiving credit for the win.

Kizer produced the big blow of the contest, also, as he powered a bases-empty four-bagger over the left field fence in the second inning. Teammate Kenneth Dieke drove in a pair of runs with his perfect three-for-three, including a first-inning double.

Ray Kizer went the route for the winners, allowing only a double to Jackie Beane and a single to Randall Hales, while sending a total of seven down on strikes.

Helping in the winning cause were Powers Boohe, who drove out two singles in three trips, and Weaver, who had two-for-two.

Hobbs was charged with the loss in the Cardinal-Brave encounter. The Cards started out like a house afire, scoring five of their eventual six runs in the first inning, then held on to post the victory.

Braves Net Champions
 SEATTLE (AP)—The Braves of UCLA are tennis champions of the National Collegiate Athletic Assn. today, even though two days of play remain in the 1960 tournament. They wrapped it up Thursday by winning three out of four singles matches in the quarterfinal round.

TALL, BASHFUL, UNDECIDED Net Star Eyeing Business Field

By JOHN GALE
 WIMBLEDON, England (AP)—Second seeded Barry MacKay has quietly let it be known around Wimbledon courts that he is looking for a career.

The tall, bashful American says he wants a job this fall but so far hasn't decided what to do. MacKay, 24, majored in economics at the University of Michigan. He is also a considerable tennis player with a great chance of winning the 7th Wimbledon championship.

Caught at something of a crossroads, he admits he does not know if his future lies in professional tennis or commerce.

"So far so pro tennis is concerned," he says, "nobody has yet asked me seriously. I suppose that might change if I win Wimbledon. On the other hand with a major in economics, I would be interested in joining say a financial or investment house."

Around these same courts, MacKay sometimes passes the time by scouting Wimbledon as a prospect for his professional tour.

MacKay must be giving Kramer something to think about. The 6-3 player from Dayton, Ohio, has won each of his three matches in straight sets, including a 6-3, 6-3, 11-9 decision Thursday over the experienced Swede Ulf Schmidt.

Between now and his expected pairing in the final against Australia's Neale Fraser, nobody should stop him on current form.

In Thursday's rain-rattled program, only 27 of the scheduled 60 matches were completed.

Fraser and fellow Australian Rod Laver won their third-round games in good style, although the top seeded Fraser unexpectedly dropped a set to the Soviet's 19-year-old Thomas Lejas before winning 6-4, 6-1, 6-3, 6-3.

In the women's section, Brazil's Maria Bueno is still riding high in defense of her title. She coasted to a straight sets win over Norway's Tune Schirmer.

CHURCH NEWS

6 The Snyder (Texas) Daily News, Fri., June 24, 1960

CHURCH NOTES

Grace Lutheran 37th Street-C.C.

Sig-Olof Fernstrom, Finnish exchange student, completed a successful Vacation Bible School. The average attendance for the five days was 278 and enthusiasm ran high throughout the school. Bible classes will meet Sunday at 9:45 a.m. with 21 classes arranged for people of all ages. The worship continues with the general assembly at 10:45 at which time C. Dale Brooks, the local evangelist, will speak on "Sins of the Elder Brother."

Young peoples' classes meet Sunday at 5 p.m. Following them, Mr. Brooks will deliver the second of two lessons on "What Is Truth?" at the 6 p.m. service.

Calvary Baptist

"Fools For Christ's Sake" will be the topic for discussion in the adult Bible study Sunday at the Calvary Baptist Church. At the 11 a.m. worship hour, the Rev. T. Gerald Cates, pastor, will have as his subject "Peter, games, Praise and Blame." This will be the third in a series on "The Seven Letters of Jesus."

During the 7 p.m. Training hour, the adults will hear L. G. Cates Jr. of Burlington, N.C., brother of the pastor. Mr. Cates is a layman and former president of the Gideons of Alamance County, N.C.

St. John's Episcopal

Holy Communion will be observed Sunday at St. John's Episcopal Church at 8 a.m. with the Rev. Curtis Fletcher, vicar, as celebrant. The second Sunday after Trinity, the Litany will be included in the order of Morning Prayer at the 10:30 a.m. family service. Rev. Fletcher will officiate, with Bob A. McAlister, lay reader, assisting. For the Junior Sermon, Rev. Fletcher will preach on "John and the Lamb," and for the Senior Sermon, his subject will be on "Repentance and Initiation."

The Wednesday Bible study and discussion group will meet at 8 p.m. at the church.

Northside Assembly

A revival meeting will begin Sunday at the Northside Assembly of God, 1009 Thirteenth Street. The Rev. Ted Miller of Anson will be visiting evangelist for the series of meetings. Revival services will be conducted at 7:45 p.m. daily beginning Sunday. Closing date for the revival will be announced later.

Green Hill Baptist

The Mitchell-Scurry Baptist Association Training Union meeting will be held at the Green Hill Baptist Church on Tuesday night, starting at 7:30 p.m. Conference leaders will include the Rev. Walter A. Mitchell, pastors; Mrs. D. V. Merritt Jr., directors; Mrs. Renal Rossen, adults; Bob Norris, young people; Miss Ruby Butts, intermediates; Mrs. James B. Morran, juniors; Mrs. Arthur Duff, primary; Mrs. Virgil Mott, beginners; and Mrs. D. C. Worley, nursery.

First Baptist

The First Baptist Church will be host to the quarterly youth rally of the Mitchell-Scurry Baptist Assn. at 7:30 p.m. Monday, Monday, June 27. A Baptist Student Union team from Hardin-Simmons University will conduct the rally, according to the Rev. Jack Stewart, pastor of Plainview Baptist Church near Colorado City, who is in charge of the association's youth program. Court Shepard, junior ministerial student, will be the preacher, while soloists and pianist will be Karen Swartz, sophomore, and song leader will be Jim Pfafflin, junior.

On Sunday at the First Baptist Church, Sunday School will start at 9:45 a.m. and at the 11 a.m. worship service the pastor, the Rev. Walter A. Mitchell, will preach on the subject "The Home That Stands." The choir, led by Virgil Mott, will sing "Now Let Us All Praise God and Sing."

Training Union starts at 6:30 p.m. and worship service at 7:30 p.m. at which time the pastor's topic will be "Life-Made Over Again."

The pastor and his family and 15 young people and their sponsors attended the second Training Union Week at Glorieta Baptist Assembly in Glorieta, N.M., last week.

On Sunday evening at the worship service, youths will give their testimonies concerning commitments made at Glorieta. The church is looking forward to a youth-led revival July 10-17 with Dr. Miller Mikell of Nashville, Tenn. as the evangelist. He is a noted chieftain artist.

ESNY carries the "What Saith the Scriptures" radio program every Sunday at 7:45 a.m. with the pastor preaching.

THERE WAS PLENTY OF ICE CREAM at the Camp Springs Methodist Church Thursday night when over 60 members, ex-members and friends gathered for the church's 70th birthday. Mr. and Mrs. W. R. Guinn, parents of J. O. Guinn and grandparents of Mrs. T. W. Pollard of Snyder, organized the church in 1890 in a brush arbor on Camp Springs Creek. The church was housed in a tabernacle in 1900, and moved to present building in 1921, with a recreation room built onto the rear of the church in 1950. Above, Mrs. Ode Stuard cleans off the dash to her freezer of ice cream while Linda Maule and Michael Mullins wait in line. Terry Robinson, Carol Sealy and Howard Robinson stand formally by an empty freezer.

CAMP SPRINGS METHODISTS OBSERVE 70TH ANNIVERSARY—J. O. Guinn, 83 years young and the only surviving charter member of the Camp Springs Methodist Church, blows out the 70 candles of the church's birthday cake. Seconds before Guinn had been desperately trying to shake a small rattlesnake loose from his trouser leg. Guinn's grandson, Tony Faulkenberry, and young friends stoned the snake until a larger one appeared. While they were killing the large rattler (six rattles and looking awfully big in the poor light) the small one disappeared.

Gam-77 Hound Dog Passes New Test

FLA. (AP) — The Gam-77 Hound Dog missile, soon to go into active duty with the Strategic Air Command, has passed another test firing. The missile was dropped from beneath the wing of a B52 bomber Thursday night and streaked several hundred miles over the Atlantic test range before impacting on its prescribed target. The air to ground missile can carry a nuclear warhead. It will extend the striking power of SAC bombers.

Rev. Havens On Daily Devotions

The Rev. Roy Havens, pastor of Union Methodist Church, will be the speaker next week on Daily Devotions. The radio program scheduled by the Snyder Ministerial Alliance. The program is presented at 9:15 a.m. daily, Monday through Friday.

PRICELESS RECIPE

In a health emergency, the little slip of paper on which your physician writes his prescription is priceless. You wouldn't part with it under any circumstances. However, once the emergency has passed, human nature being what it is you are apt to forget how valuable the prescription really was. Maybe you even grumble a little at its out-of-pocket cost, failing to remember the doctor's professional skill, the hours of pharmaceutical research, and many other factors that made the "recipe" possible in a health crisis. Permit our prescription department to fill your next "recipe for health."

Two Texans New Bishops

By JOE BENHAM

SAN ANTONIO (AP) — Delegates to the South Central Jurisdictional Conference of the Methodist Church Thursday night elevated two Texans and an Oklahoma to the rank of bishop. Elected bishops were the Rev. Eugene Slater of Amarillo, The Rev. Kenneth Pope of Houston, and The Rev. Paul Galloway of Tulsa, Okla.

Two more bishops will be elected before the conference ends Sunday. The three past pastors were elected on the first three ballots. In the fourth and fifth ballots no one got the necessary 165 votes, or 90 per cent of the votes, needed to be elected a bishop.

The result of a sixth ballot taken near the close of Thursday night's session was to be announced today. Openings for the new bishops were made by the creation of two new episcopal areas earlier in the meeting, the retirements of Bishops A. Frank Smith of Houston and Dana Dawson of Kansas, and the death of Bishop H. Bascom Watt of Nebraska.

The conference can assign the bishops named here to any episcopal area. Assignments will be announced today. Headquarters for the two additional episcopal areas will be at San Antonio and New Orleans. The San Antonio area will include the Southwest Texas and Rio Grande Conference, formerly part of the Houston-San Antonio area, and the Northwest Texas Conference, formerly part of the Dallas-Fort Worth area.

The Louisiana area will include the Louisiana Conference, which formerly was part of the Louisiana-Arkansas area with headquarters in Little Rock, Ark.

The Rev. Dr. Slater, pastor of Amarillo's Polk Street Methodist Church, was elected on the first ballot. On the third ballot The Rev. Dr. Pope of Houston's First Methodist Church and The Rev. Dr. Galloway of the Boston Avenue Methodist Church in Tulsa were elected.

The executive secretary of the jurisdictional council, Paul D. Womeldorf of Oklahoma City, reported churches in the eight states of the jurisdiction added 30,184 members last year to boost total membership to 1,528,274. He said the gain from 1949 to 1959 was 44 per cent compared to a 23 per cent increase in the population. Contributions totaled \$101,679,915 last year, an increase of \$51,759,235 over the 1959 figure.

A plaque was given Bishop Ivan Lee Holt of St. Louis, called out of retirement after the death of Bishop Watts. The plaque was for his services during the past seven months.

Medals were given Bishops Smith of Houston and W. Angie Smith of Oklahoma City and a necklace was given Mrs. A. Frank Smith by Bishop Eleazar Guerra of Mexico for their work with Latin American groups in the United States and Mexico.

The Rev. Dr. Slater became pastor of the Amarillo church 10 years ago. He is married and has two children. The Rev. Dr. Pope became pastor of the Houston church in 1959 after serving churches in Milford, Breckenridge, Georgetown and Austin, Tex., and Springfield, Mo. He and Mrs. Pope have two children.

The Rev. Dr. Galloway has been minister of the Tulsa church since 1950 and held earlier pastorates in Fort Smith, Forrest City, Fayetteville and Little Rock, Ark., and Hamden, Conn. He is a native of Mountain Home, Ark. He is married and the father of one son.

Atomic Waste To Be Stored

WASHINGTON (AP) — A Houston firm has been authorized by the Atomic Energy Commission to hold in storage atomic waste materials from hospitals, laboratories and industries in the Gulf Coast area.

The commission said Thursday the Industrial Waste Disposal Corp. will store low level radioactive waste from isotopes. The waste may later be shipped to the commission's burial grounds at either Oak Ridge, Tenn., or Idaho Falls, Idaho.

The AEC said that issuance of the permit delayed a decision on the applicant's request for authority to dump the waste into the Gulf of Mexico in steel and concrete drums. The controversial proposal to drop the waste materials at sea has been remanded to AEC examiner Samuel Jensch for further consideration.

The Houston firm proposed to dispose of the concrete-encased drums in the gulf about 180 miles south of Galveston, and 150 miles east of Port Isabel. The water depth there is at least 6,000 feet. The Mexican government protested the proposal.

Other opposition was led by commercial fishing and sportsmen organization and other gulf states who feared marine life might be contaminated.

Place a strip of waterproof adhesive over the small hole in baby's plastic or rubber toys when washing them to keep out water.

LEGAL NOTICE

CITATION BY PUBLICATION THE STATE OF TEXAS ET AL. vs. I. N. SPAN, ET AL. TO: I. N. SPAN, WHOSE PLACE OF RESIDENCE IS UNKNOWN, AND: IF DECEASED, THE UNKNOWN HEIRS AND LEGAL REPRESENTATIVES OF I. N. SPAN, WHOSE NAMES AND PLACES OF RESIDENCE ARE UNKNOWN, AND ALL OTHER PERSONS OWNING OR CLAIMING ANY LEGAL OR EQUITABLE INTEREST IN THE PROPERTY HEREIN, AFTER DESCRIBED.

You are hereby commanded to appear at the hearing before the Special Commissioners appointed by the Judge of the County of Sevier, County, Texas, to assess the damages occasioned by the condemnation of the heretofore described land to be held at the Courthouse of Sevier County in the City of Snyder, Sevier County, Texas, at or before 11:00 o'clock A.M. on the first Monday after the expiration of forty-two (42) days from the date of issuance hereof, that is to say on or before 11:00 o'clock A.M. on Monday, the 25th day of July, 1960, and answer the Petition of the State of Texas et al. Plaintiffs in Cause No. 10729, The State of Texas et al. vs. I. N. Span, et al., in which the State of Texas and the County of Sevier are Plaintiffs and I. N. Span, whose place of residence is unknown, and if deceased, the unknown heirs and legal representatives of I. N. Span, whose names and places of residence are unknown, and other persons owning or claiming any legal or equitable interest in the property heretofore described are Defendants, which Petition was filed with the Judge of the County Court of Sevier County, Texas, on the 9th day of June, 1960, and the nature of which suit is as follows:

The suit is a proceeding in eminent domain for which the State of Texas and the County of Sevier are the petitioners, and the State Highway Commission, as seeking to condemn for highway purposes the described tract of land situated in Sevier County, Texas, to-wit:

Field Notes for Parcel No. 7-8-68 area of land more or less same being the East 20 Feet of Lot 3, and all of Lots 4, 5, and 6, Block 30, original town of Herndon, Sevier County, Texas, as shown by Plat recorded in Volume 19, Page 422 of the Deed Records of Sevier County, Texas, and lies between centerline station 21221.36 and 21261.96 of a proposed relocation of U. S. Highway 81, said Block is further described as being all of and except all of the 90 day of Section 149, Block 3, H.A.T.C. RR Company Survey in Sevier County, Texas, and except all of the oil, gas, and sulphur which can be removed from beneath and within the right whosoever remaining to the owners of said oil, gas, and sulphur of interest or right to be removed from the surface of said land for the purpose of exploring, drilling, mining, or developing of the same.

If this citation is not served within sixty (60) days after the issuance of said writ of attachment, it shall be GIVEN UNDER OUR HANDS at Snyder, Sevier County, Texas, this 9th day of June, 1960.

This Chain

... surely it is capable of drawing a heavy load. Another chain might hold a tiny cross or a precious gem in place. Still another might bind my arms in helplessness. But the old adage is true. "No chain is stronger than its weakest link." One link, the weakest link, governs the strength. For one weak link the heavy load breaks loose, or something precious is lost, or the manacled arms are free again. There, too, are chains of character, good habits, religious morals that make us strong and dependable in difficult hours. These attributes are as links of the chain. For life is of a piece and every day is part of the chain that counts toward everlasting. Then anchor the picture of the chain in the gallery of your meditation. Then form good habits that hold us firmly in constructive toil. Attend church regularly and support God's cause with your means. Put goodness, integrity and truthfulness into your personal character chain. *Let God's church and His faithful help you forge a chain of strength and usefulness.*

**You In The Church
The Church In You**
— form a combination for good. Every man, woman and child needs the influence of the church. So, come let us go into the house of the Lord. Let us support her program of service to humanity, be a faithful worker, a daily bible reader and attend services regularly.

Ministers of all faiths and the community-minded firms below persuade you to read this Spiritual Values page and make it a part of your life... it is your heritage.
