

High School Enrollment Sets Record

As far as school officials know, an enrollment record was set this week in Knox City High School.

As of Wednesday, 126 students had enrolled in high school, according to Principal E. A. Youngblood. In elementary school 309 students were enrolled, Mrs. E. F. Branton, principal, said. That number was less than the average daily attendance at the close of school in May, but the principal expects several Latin-Americans to register in November and December.

Last year's first day enrollment in high school was 111, and in elementary school 323 students registered.

No special program was held for the opening of school, Youngblood said. Students registered last Thursday morning and the first day of classes was Friday.

"Besides being illegal and in very bad taste," Hamby said, "that type of practical joke is extremely dangerous. In order to prevent possible tragic consequences, we urge Knox City boys to refrain from such tricks."

Coach Les Cowan, on the eve of the Knox City Greyhounds' first football game of the season, was high in praise of the team.

The "Hounds" play Class A Throckmorton at Throckmorton tomorrow (Friday) night. Last year Throckmorton won, 13-6, and tomorrow night the local lads will seek to reverse the scores.

Cowan reports that the team has a lot of hustle and more spirit than at any time since he has been coach here. "We have more boys who really want to play football," he said, "and they look good. We know you're going to be proud of them."

The probably starting line-up tomorrow night will be Joe Watkins and Donald Johnson at the end positions, Jim Anderson and Tim Edwards, tackles, R. L. The house was occupied until recently by Mr. and Mrs. Tom R. Campbell. Since the Campbells moved to their new home in town, Pablo Rivas and family had lived in the farm house.

The firemen answered another rural call Tuesday when the old L. E. Hughes farm home burned west of O'Brien. The fire trucks turned back before they reached the scene, however, when it was learned the house was already a total loss.

Graham Youths Admit Thefts from Hotel Guests

Two thefts from guests of the Harbert Hotel were cleared up Wednesday when City Marshal J. T. Hamby obtained statements from three Graham youths, who were being held by Haskell officers.

The youths, all 20 years of

age, are in Knox County jail at Benjamin. They were arrested by Joe Massey, Munday chief of police, Wednesday when he became suspicious of their actions, and were questioned about theft of a battery near Weinert and attempted burglary of a service station at Rochester.

Two of the men are under eight grand jury indictments, four each in Palo Pinto County, two each in Young County and two each in Throckmorton County. One recently received a five-year probated sentence at Midland for forgery.

Knox County will file two charges on each man, and one also faces charges at Sonora.

Hamby said the youths admitted entering the Harbert Hotel twice, on July 29 and Sept. 3. While one man drove around in the car, two entered the hotel and took money from guests' clothing.

On the first trip they stole \$40 in cash and a \$49 check from Weldon Halford of Snyder while he slept at the hotel. One of the men forged an endorsement and cashed the check at Sonora.

Tuesday night they took a billfold from a traveling salesman from Wichita Falls. After the theft they went to Munday and rented a hotel room, and were later arrested by Massey.

Town and Country Award Won By Benjamin Church

The First Baptist Church of Benjamin has been named winner of the Town and Country Achievement Award sponsored by the Baylor-Knox Baptist Association, it was announced this week by officers of the Baptist General Convention of Texas.

The church is now competing with other associational winners in District 11 of the Baptist General Convention of Texas. Both district and associational winners will be recognized at the state convention in Ft. Worth Nov. 5-7, when the first place award will be made.

The Rev. K. E. Woolley is pastor of the Benjamin church, one of 335 Texas Baptist town and country churches participating in the competition this year.

The award is designed to stimulate interest in small-church work, to recognize outstanding achievements by pastors and churches and to help Texas Baptists broaden their concepts of Christian responsibility.

Winning pastors in each district will receive a parchment scroll and the church a metal plaque which may be displayed in a prominent position outside the building.

Top state award last year went to pastor Robert Wimpee and the Taylor's Valley Baptist Church in Bell County.

Visiting in the home of Mrs. W. N. Smith last week were Mrs. Westerfield and Harold Smith of Ft. Worth, Capt. and Mrs. R. Thomas and daughter, Pamela, of Washington, D. C., and Rev. and Mrs. Leon Bynum, Nila and Dwight, of Lubbock. Mrs. Smith returned to Washington with the Thomas family and will visit there two months.

included chairmanship in library, music, youth, conservation and welfare. She served as regional vice-president of the Central Region composed of districts four, five and six.

She is a former teacher of music and orchestra director. She has composed and published three compositions. Her training includes work at the Western Institute of Music and Arts in Denver, UCLA in California, Victoria College and Southwest Teachers College at San Marcos.

At the coffee here Monday Mrs. House will speak on "The Meaning of Federation." Hostesses will be members of the Knox City Study Club and the 1946 Study Club. Mrs. C. J. Reese and Mrs. Neil Perdue, presidents of the clubs, invited the public to attend. Special invitations have been issued to members of federated clubs in neighboring towns.

Mrs. R. A. Shaver Jr. of Rochester will sing a solo, accompanied by Mrs. Hob Smith, also of Rochester.

Mrs. Cecil Anderson said this week there was no improvement in her husband's condition. He is a patient in McCloskey Hospital in Temple and is receiving treatment for paralysis on the left side. His address is Ward 19 A.E., McCloskey Hospital, Temple.

Last Year's Grads Off to Colleges

Nine of the 24 members of the May graduating class have made plans to continue their education and will enter college this month. Several others are undecided, while others could not be reached for an inquiry.

Leaving Sept. 15 for John Tarleton College at Stephenville are Bill Yarbrough, Hoyt Lovelace, Patricia Compton and David Neil Perdue. June Cox, a member of the class now living in Graham, will also enter John Tarleton.

TEC to Make Surveys On Worker Supply, Prevailing Wages

The Knox County Farm Labor Committee, which includes Leo Fetsch, Omar Cure, Ancel Waldrup, C. R. Elliott and A. A. Edgar, held its initial meeting Monday, Aug. 28, with Fetsch and Waldrup attending.

Ben Fowler, office manager of the Wichita Falls office of the Texas Employment Commission, stated that the Committee had been organized in compliance with the provision of Public Law 78 requiring consultation with agricultural employers and employees and public representatives regarding the facts pertinent to citizen worker supply and wages paid such workers.

Fowler explained the general operations of the TEC with special emphasis on farm labor, and the position and policy of the TEC in the Wage Survey procedure. Assistant Ft. Worth District Director Joe K. Manahan joined Fowler in the discussion.

Fowler reviewed Public Law 78, as amended in July, 1951, which permits importation of Mexican Nationals into those areas in which sufficient citizen workers are not available to meet the needs of farmers and ranchers. Fowler explained how the TEC determines the supply of available citizen workers and the shortage of workers, if any. The TEC gathers the information, but the responsibility of Certification of Shortage rests with the Secretary of Labor, who also establishes the ceiling.

Fowler pointed out that Public Law 78 requires a bi-weekly survey in each county in which

Mexican Nationals are employed. Again the TEC serves only to collect the information in behalf of the Secretary of Labor. The TEC representative contacts the farmers, crew leaders and workers for information on wages actually paid citizen labor in specific areas and crop activities in which Mexican Nationals are employed, and the prevailing wage rate is determined by the Secretary of Labor. When this determination is made, the findings are wired to the TEC offices serving the area, and are posted in post offices, the county courthouse, PMA offices and chambers of commerce in each county.

Streams In Desert Places

By Ozelle Stephens

"And Baruch the son of Nehiah did all that Jeremiah the prophet ordered him about reading from the scroll the words of the Lord in the Lord's house." (Jer. 36:8).

Although Jeremiah was debarred from going to the house of the Lord, he did not quit working and serving God. He asked Baruch to write the words God had given him for his people and carry them to the church to be read. No sacrifice was or still is too great to get the word of God to the people. Jeremiah knew if they could have the word of God that they would turn from their evil way and be saved.

What kind of sacrifice are we making today to get the word to the people? Truly there has been a famine and still is of people studying and obeying God's truth. Find your place in the great task of getting out the word and be as faithful as Jeremiah and Baruch. In so doing, Streams of His blessings will flow your way.
