Union No. 1 Cotten Taps New Reef Pool In E-C Terry Area

Union Oil Company of California has opened a new oil field from a Pennsylvanian reef lime in East-Central Terry County at its No. 1 Laura A. Cotten, wildcat four miles southeast of Brownfield.

This project ran a 97-minute drillstem test in the top of the reef section at 9,911-70 feet.

Gas showed at the surface in six minutes. Drilling fluid started flowing in 33 minutes and the well began to flow oil out of the drill pipe in 35 minutes.

The oil was flowed to pits for 62 minutes through a five-eighths inch bottom hole choke, at the estimated rate of 10 to 15 barrels per hour.

After the tool had been closed for 30 minutes to take a pressure build up gauge the drill pipe again unloaded oil for one and one-half hours.

Strong Pressures

Operator then loaded the drill pipe with water to hold the pressure while the tester was being pulled.

Open flowing bottom hole pressure was between 675 pounds and 2,520 pounds. Shutin bottom hole pressure after 30 minutes was 3,175 pounds.

Operator is preparing to core ahead from 9,970 feet.

Top of the Pennsylvanian reef lime is at 9,902 feet. Elevation is 3,262 feet.

Location is 660 feet from east and 1,980 feet from north lines of section 91, block T, D&W survey.

The discovery is on a spread of 2,365 acres owned by Union in the Terry County area. It is on a deal which was worked up by J. W. McMillen of Midland and turned to Union to drill.

The new producer is on a lease which was contributed to the deal by Phillips Petroleum Company on a farmout arrangement.

C-W Lubbock Slated For Deep-Zone Test

MFC Oil Corporation of Houston has staked a 10,500-foot wildcat in Central-West Lubbock County, six miles southwest of Lubbock.

The proposed venture will be the No. 1 John Clark, located 660 feet from south and west lines of section 38, block AK, GC&SF survey.

Slated depth is calculated to test all zones down to and including the Ellenburger. Operations are to begin immediately.

The project is being drilled on a farmout from Atlantic Refining Company and is being supported by Gulf Oil Corporation.

The No. 1 Clark will be approximately six miles east and slightly south of the George P. Livermore, Inc. and M. A. Sanders, both of Lubbock, No. 1 B. Lindsey, another deep-zone wildcat which was spudded Monday.

Twin-Well Scheduled In Peck By Sinclair

Sinclair Oil & Gas Company has filed application with the Railroad Commission of Texas to drill its No. 4-A June Sanders as a twin well to its No. 1 June Sanders, offset to the discovery well of the Sweetie Peck multipay field in Southwest Midland County.

The No. 4-A Sanders will be drilled about 100 feet southwest of the No. 1 Sanders, which is in the process of being completed as a good-producing extension to the Ellenburger zone in the Peck area.

Exact location of the No. 4-A Sanders will be 500 feet from south and west lines of section 16, block 41, T-4-S, T&P survey. It is slated to be drilled to an estimated depth of 10,400 feet to the Pennsylvanian.

Drillsite is 18 miles south of Warfield.

The No. 4-A Sanders is a northeast outpost to Lewis T. Lohman 1-W-P Peck, which is the only producer from the Pennsylvanian in the Peck area.

It was completed for 607.89 barrels of 45.2 gravity oil from the Pennsylvanian at 10,328-10,457 feet.

Outpost In Hockley Flowing More Crude

Honolulu Oil Corporation and Signal Oil & Gas Company No. 1 Hopper, second producer in the Ropes field in Central-East Hockley County, has flowed over 100 barrels of oil hourly on two separate drillstem tests at 9,327-420 feet.

On the most recent test, the tool was open two hours. On the first hour it flowed 105 barrels and the second hour 101 barrels. Operators are now coming out of the hole with tester.

Previously, from the same section, the extension had flowed 107.25 barrels of oil in one hour, cut with

Finance Panel Advises City Bond Election

The Midland City Finance Commission Monday afternoon recommended to the City Council that it call a $3,500,000 bond issue election to finance a proposed civic improvement program.

The commission's recommendation followed the presentation of a report by the First Southwest Company of Dallas on the fiscal structure of the city. The concern has been studying the city's financial condition for several weeks.

The bond funds, if approved by city voters, would be distributed in the following manner:

Water improvements, $1,600,000; sewer improvements, including the construction of a new sewage disposal plant, $1,400,000; street improvements, $275,000; new fire station and fire equipment, $175,000, and new city jail, $50,000.

The commission recommended the issue be placed before the voters September 9, the same date Midland County voters will ballot on a proposed county bond issue.

$3,000,000 Revenue Bonds

City Manager W. H. Oswalt Tuesday said action on the proposal probably will be taken at the next regular council meeting, August 22.

It was recommended that revenue bonds totaling $3,000,000 be issued for the sewer and water projects, Jack Wicker of the finance commission said. The remaining $500,000 for street, jail and fire station projects would be tax supported.

Midland Chamber of Commerce directors recently recommended that the city and county undertake an extensive improvement program to provide the community with added facilities the public needs and expects.

The county Commissioners Court

Four Crewmen Die When Crippled B-29 Crashes, Then Burns

FORT WORTH —(AP)— Four crewmen were killed when a cripple B-29 bomber crashed in a field near here Monday afternoon, then burst into flames only 200 feet from a cluster of small frame houses.

Eight crewmen escaped with minor injuries.

The four-engined bomber from Barksdale Air Force Base, Shreveport, La., apparently was attempting to land at Carswell Air Force Base, two miles south of the crash scene.

The plane hit and began flaming as it plowed crazily along the ground for almost half a mile.

Three charred bodies were removed from the nose section of the plane and one from the center section.

Victims Identified

Barksdale Field said the dead were:

Capt. Bernard J. McKenna, navigator, of Staten Island, N. Y.; First Lt. Michael J. Joyce, navigator, son of Mrs. Catherine Joyce of Arlington, Mass.; First Lt. Armand S. Trepanier, observer, son of Mr. and Mrs. R. A. Trepanier of Holyoke, Mass., and First Lt. William Nicholson of Barnesboro, Pa., navigator, son of Mr. and Mrs. Joseph A. Nicholson of Indiana, Pa.

Injured were:

Capt. Robert A. Dibbell. Allentown, Pa., commander-pilot; Capt. Richard W. Swanson, Cleveland, Ohio, observer; First Lt. Leroy L. Ehlenbeck, Milwaukee, Wis., observer; First Lt. Joseph Herbst, Jersey City, N. J., observer; Second Lt. Robert E. Morey, Sutton, Mass., copilot; T/Sgt. James A. Barnes, Greenville, S. C., gunner; S/Sgt. Edward M. Berkheimer, Bronx, N. Y., radio operator, and S/Sgt. Harold L. Rees, North Pelham, N. Y., engineer.

Witnesses said something appeared wrong with the ship's landing gear and the craft apparently went out of control while the pilot was attempting to land.

The plane carried no bombs.

Negro Wanted Here On Murder Charge Is Apprehended

Police Chief Jack Ellington said James Mitchell Woodbury, negro ex-convict wanted here on a murder charge, was apprehended Tuesday in Fort Worth.

Woodbury is charged in the fatal shooting of Margaret Woodbury in front of a negro cafe here July 30. He has been sought in a state-wide search since that time.

Ellington said Woodbury will be returned here to face charges probably Wednesday.

Allies Upset Reds' Korea Timetable

TOKYO —(AP)— Outnumbered Allied forces apparently have jammed the North Korean timetable for throwing American-United Nations forces off the Korean peninsula.

The new Red deadline for completion of the Communist conquests in the south is September 1. It was set officially by the North Korean premier and commander-in-chief.

Since Lieutenant General Walker's no-retreat order, Allied troops have yielded ground grudgingly, and at a heavy cost to Red troops.

Two limited American counter-offensives, unleashed in little more than a week at more than division strength, obviously have thrown the Communists off balance.

North Korean prisoners said they had been ordered to take Taegu on Tuesday, the fifth anniversary of Korean liberation from Japan on V-J Day.

Provisional Capital Stands

Taegu still stands as the provisional South Korean capital.

There were indications the Korean Communist leaders were for the first time openly forried over the outcome of the war they started June 25.

Kim Il Sung, Red premier and commander-in-chief, told his forces Tuesday they must throw U. S. and South Korean troops out of Korea in the next 16 days—by the end of August—or face a much harder task because of the progressing Allied buildup.

A 22-man Red China mission led

(Continued on Page 11)

New Safety Director Assumes Duties Here

Milan N. Plavsic, formerly of Hazel Park, Mich., arrived in Midland late Monday to assume his duties as the city's first director of public safety.

As head of the new Department of Public Safety, Plavsic will be responsible to the city manager for all functions of police and fire protection. His office will be located in the City Hall.

A graduate of the Cincinnati Police Academy, Plavsic has served as chief of police at Dayton, Ky., and Hazel Park, and has been a safety director for Saginaw, Mich.

The new director also has served as a member of the Michigan Youth Guidance Commission and is a former chairman of the Juvenile Protection Committee of the Michigan P-TA.

Nation's Crude Oil Output Spurts Again

TULSA, OKLA. —(AP)— America's crude oil production spurted up again during the week ended August 12, averaging 5,598,550 barrels daily, an increase of 30,150 barrels over the previous week, the Oil & Gas Journal reported Tuesday.

Texas, the country's largest oil-producing state, alone accounted for more than the net gain. Its total daily average was 2,463,950 barrels, an increase of 38,300 barrels.

Scattered Showers Fall In West Texas

By The Associated Press

Scattered showers dotted West Texas Monday, and more were expected through Tuesday night.

Heaviest precipitation was in Borger, which reported 1.21 inches.

In San Angelo a .42-inch rain dropped the maximum temperature to 85, the coolest in the state. Highest temperature was in Presidio where the mercury reached 104.

Laredo reported a temperature of 100.

Rain recorded included Dalhart .13, Dumas .48, Spearman .12, Vega .48, and Junction .15.

Oil Men Fight To Validate Existing Tidelands Leases

WASHINGTON —(AP)— Petroleum industry spokesmen told Gongress Tuesday any interim legislation for oil operations in the marginal seas should validate the existing leases oil companies have with state authorities.

Those on hand to testify before the Senate Interior Committee included Rex G. Baker, counsel of the Humble Oil & Refining Company; Walter S. Hallanan, president of the Plymouth Oil Company, and Clayton Orn, Ohio Oil Company, Houston.

Prospects seemed to be dimming for passage of the resolution introduced by Chairman O'Mahoney (D-Wyo), which is before the committee.

Monday, Solicitor Mastin G. White of the Interior Department endorsed O'Mahoney's proposal for that agency conditionally to take charge of leasing of the so-called Tidelands until the ownership controversy is finally settled.

Foes of the measure promptly countered with the proposal that states be given interim control of the disputed area.

Texas Attorney General Price Daniel was first opposition witness. Texas Land Commissioner Bascom Giles also was ready to testify, as were officials of two other states with valuable off-shore oil deposits —Louisiana and California.

Financial Risk Cited

Baker told of the great financial risk he said private companies took in trying to develop off-shore wells in the Gulf of Mexico.

He then observed that "a mere temporary permission" to operate for an indefinite time would not provide the incentive necessary to induce operators to spend money.

Hallanan said it is essential that Congress take some action to overcome the stalemate which has arisen in the search for oil on off-shore lands since a 1947 Supreme Court decision which gave the federal government paramount rights and dominion over submerged lands off the coast of California.

The court did not clearly define the question of ownership, nor has it yet issued decrees fixing boundary lines between states and federal jurisdiction.

Craig F. Cullinan, Prominent Oil Man, Found Shot To Death

HOUSTON —(AP)— Craig F. Cullinan, 55, president of American Republics Corporation, was found shot to death Tuesday in a third floor bedroom of his home.

The prominent oil man was the first chairman of the Board of Directors of the Texas State University of Negroes established here in 1947. He resigned this post January 19.

Justice of the Peace W. C. Ragan held an inquest but has not returned a verdict.

Homicide Detective B. M. Squyres said Cullinan's body was found on a bed, dressed in pajamas and a robe. Squyres said a .45 caliber pistol was found three feet from the bed. Squyres said Cullinan had one bullet wound in the heart.

Body Found By Son

The body was found by a son, Craig F. Cullinan, Jr., shortly after returning home from night duty as a police reporter for the Houston Post. Young Cullinan told detectives his father had been ill and despondent since Mrs. Cullinan's death a year ago.

The oil man was a native of Washington, Pa., and graduated from Yale University in 1917. He had been with Republics or associated interests since 1919.

He was appointed to the negro university board May 7, 1947.

Last year he was named a director of the National Industrial Conference.

30 Area Youths Leave Wednesday For Physicals

A group of 18 youths from Midland, Sterling and Glasscock Counties are scheduled to leave here early Wednesday for El Paso where they will receive physical examinations for possible induction in the armed services.

Eleven men were sent to El Paso last week for examinations. Names of the youths will be withheld from publication until they actually are inducted.

Absentee Deadline Is August 22

Absentee balloting for the second Democratic Primary, August 26, continuned at a snail's pace Tuesday. Only two ballots were cast between Monday noon and noon Tuesday.

County Clerk Lucille Johnson announced Tuesday the deadline for absentee voting will be August 22, instead of August 23, as previously reported. She urged all voters who plan to vote absentee to get their ballots in advance of the deadline.

Korean War At A Glance

By The Associated Press

NAKTONG RIVER SECTOR—U. S. troops thrown back as much as seven miles in savage Red attack on southern flank in Changnyong sector, 23 miles southwest of Taegu. U. S. holds positions in center and north on Changnyong front. Reds ram 3,000 Red troops across Naktong in Waegwan sector to north, where 60,000 Red troops mass for Taegu push.

SOUTHERN FRONT: U. S. negro troops seize rocky crag in Chinju drive in one of bitterest hand-to-hand battles of war.

NORTHEAST FRONT: American and South Koreans retake two towns near Pohang, former U. S. supply base now in Red hands.

AIR AND SEA WAR: U. S. and Australian planes fly 400 sorties in support of troops along fronts. Heavy bombings have knocked out Wonsan oil refinery in North Korea completely. Air Force announces it dropped 23,000 bombs —7,000 tons—on strategic targets in month.

Senate Vote Would Assure Meat Packers 'Reasonable' Profit

WASHINGTON —(AP)— Senate Republicans, divided over how far to go in mobilization of the home front, called a conference Tuesday to discuss the issue.

The Republicans arranged their huddle as the Senate itself headed for another round of voting on proposed amendments to an Administration-blessed economics controls bill which prompted the meeting of GOP senators.

The Senate approved by voice vote late Monday an amendment which would guarantee the meat packing industry a "reasonable margin of profit" if Truman decided to put price ceilings on meat.

Senator Maybank (D-SC), sponsor of the amendment, said its "one and only purpose" is to prevent a revival of World War II meat shortages and black markets.

What effect the provision would have on any retail meat price ceilings could not be forecast with any accuracy.

More Contributions To Dennis Polson

The doctor attending little Dennis Polson, the two-and-a-half-year-old Stanton child who lies in Western Clinic-Hospital, revealed Tuesday that he will remove Dennis from the traction bed Wednesday, and the child probably will go home in a few days.

Dennis, who broke his leg recently at the home of an uncle in Odessa, has been in a heels-over-head traction rig at the hospital, while the healing process went on.

To help the unfortunate child, kindhearted persons in the Permian Basin Empire have contributed cash and gifts to the child. The cash fund now stands at $364.02, with the addition of $48 contributed since Sunday.

A $25 check from the Fraternal Order of Eagles, a five dollar anonymous gift, five dollars from C. B. Haley, two dollars from Mr. and Mrs. Leonard Conner, ten dollars from the Lois Sunday School Class of the First Baptist Church and a one-dollar contribution from Mrs. Ida Banks are the most recent gifts.

Front Blazes As GI's Fight To Stem Tide

TOKYO —(AP)— Red troops with tanks burst out on the Naktong defense line Tuesday below Changnyong and surged to points seven miles east of the river.

They overran segments of the U. S. 24th Infantry Division in bitter fighting that piled up casualties on both sides.

General MacArthur's headquarters in Tokyo early Wednesday announced the usual morning report would be omitted because there had been no change in the South Korean situation. The headquarters war summaries usually are hours behind field dispatches.

The Allied resistance to the Communists had slowed the Red war timetable. North Korean prisoners said the schedule called for capture of Taegu, South Korea's emergency capital, on Tuesday, fifth anniversary of V-J Day and of Korea's liberation from Japan.

The Changnyong fighting was bloody but indecisive.

Thirty miles northward along the snaking river, U. S. and Red troops were reported throwing everything at each other but not getting anywhere.

Gain Considered Serious

A field dispatch said the Reds surged six or seven miles east of the Naktong on their deepest penetration in the Changnyang sector.

The Red gain was considered serious but an American divisional staff officer said:

"We are still confident we can push the gooks back across the river but it may take time."

One Red battalion fought desperately to link up with guerrillas behind the Americans.

Front line reports said the Reds at Changnyong, 23 miles southwest of Taegu, rubbed out most of the gains made by the hard fighting 24th Division Monday.

Taegu is the South Republic's emergency capital and objective of 60,000 Reds poised in the Waegwan sector, 12 miles northwest of Taegu.

Red tanks and armored cars hit hard in the Waegwan area. They availed themselves of a Russian-style submerged suspension bridge to move a regiment, about 3,000 men, and tanks over the river against South Korean defenders.

A U. S. Eighth Army communique

(Continued on Page 11)

Violent Earthquake Recorded

BOSTON —(AP)—The most violent earthquake in many years has shaken the world.

But its violence was so great seismologists studying the records could not interpret them and their estimates on the point of origin ranged from North or Northeast Turkey to the South Pacific.

Only the Boston College seismograph Station in Weston, just outside Boston, offered a positive estimate of location within three hours after the earthquake wave wrote wild, incoherent records on the instruments.

There, Father Daniel Lineham said he would estimate the quake 5,215 miles distant from Boston—possibly in North or Northeast Turkey or the area of the Caspian Sea.

A few minutes earlier, observer Philip R. Berger of the Harvard University Seismograph Station in the town of Harvard, Mass., hazarded "a guess" that it originated 7,500 to 9,000 miles distant, probably in the South Pacific.

Both agreed the records were so violent as to be hard to interpret.

Milwaukee Places Earth Shocks In Vicinity Of Japan

MILWAUKEE —(AP)— The Rev. Joseph Carroll, S. J., said Tuesday his seismograph at Marquette University has been registering a "terrific earthquake" for more than two hours.

Father Carroll said the needle on the instrument was traveling "at a dizzy pace." He said it started registering earth tremors about 8:29.50 a. m. He reported it was "dying down somewhat" but still in progress.

Father Carroll said he was unable to say accurately where the quake was located, but that it seemed to him to be about 10,000 miles southwest of Milwaukee. He said tremors might be in the vicinity of Japan.

Washington Reports 'Tremendous' Quake

SEATTLE —(AP)— The University of Washington Geology Department reported at 10:16 a. m. Tuesday its seismograph was recording a "tremendous earthquake, the largest yet recorded on our instruments" somewhere in the world.

The exact time of starting could not be obtained, nor directions determined until records are removed from the machine and developed, the department officials said.

★ LATE NEWS FLASHES ★

AUSTIN — (AP) — Men classified 1-A and called for induction may secure indefinite postponements if they are taking active part in an organized military reserve unit, State Selective Service Headquarters said Monday.

NECEDAH, WIS. — (AP) — Mrs. Mary Anna Van Hoof, 41-year-old back county farm woman, said that at the stroke of noon Tuesday she was granted a vision of the Virgin Mary, appearing to her for the seventh time. A multitude estimated at almost 100,000 persons had gathered for the occasion.

WASHINGTON — (AP) — The White House announced Tuesday that President Truman will nominate Mayor O'Dwyer of New York City as ambassador to Mexico.

TOKYO — (AP) — The Central Meterogological Observatory Wednesday reported its seismograph recorded severe earth shocks believed coming from the northern part of the American Continent. The observatory said the shocks which started at 2:16 p. m. Greenwich Mean Time (8:16 a. m. CST) were continuing two hours later.

Baby Daughter Born Tuesday To Britain's Princess Elizabeth

LONDON —(AP)— Princess Elizabeth, heiress presumptive to the British throne, Tuesday gave birth to her second child—a daughter.

The baby came at 11:50 a.m. An official announcement was issued one hour and four minutes later.

The royal birth provides a sister playmate for 21-month-old Prince Charles, next in line to his mother in succession to the British throne.

The new princess, who weighed six pounds, becomes third in line of succession.

A bulletin issued by the royal physicians said:

"Her royal highness Princess Elizabeth, duchess of Edinburgh, was safely delivered of a Princess at 11:50 a.m. Her royal highness and her daughter are both doing well."

The bulletin was signed by Sir William Gilliatt, the princess' gynecologist, and by John H. Peel, Vernon F. Hall and Sir John Weir, the royal family's physician.

Third In Royal Line

The whims of fate might some day put the new princess on England's throne.

The new baby, however, could lose her rank as third in line to any children born to her brother, Prince Charles.

Princess Elizabeth herself was third in line. The death of her grandfather, George V, and the abdication of Edward VIII—now the duke of Winsor—for the love of Wallis Simpson put her father on the throne and made her heiress-presumptive.

Elizabeth is known as heiress-presumptive rather than heiress-apparent because if a son were born to her mother, Queen Elizabeth, he would become first in line of succession.

Hearing Set Tuesday On Paving Projects

A public hearing on the proposed C and D paving groups for Midland will be held at 7:30 p.m. Tuesday in the City Council chamber.

All persons interested in the discussion of the paving plan are invited to attend the hearing.

Serious Fiddling Brings Benny King's Ransom (Cheap King)

By ERSKINE JOHNSON
NEA Staff Correspondent

HOLLYWOOD—"Torero" is down in the Robert Stack movie log as a movie that may change his career luck and convince producers that he can do something more important than play aristocratic stinkers.

He's the hero — a bullfighter— and says:

"I'm through with the spoiled heel parts. I'll never do another one, thank you. No more stripped-to-the-waist poses, either. It's nice if you have a good build but it doesn't get you anywhere. You end up like the cheesecake girls."

• • •

It happened in a Paris cafe where 30 fiddlers roam around the room and play at tables for tips. They all converged at Jack Benny's table and played "Love in Bloom." Then Jack grabbed a fiddle and joined the wandering group. Some American tourist tossed him a 50-franc note—14 cents. Jack pocketed it greedily.

• • •

A couple of western stars, worried that Jack Carson's satirical impersonation of a world-famed movie cowboy in "Illegal Bride" is illegal fun, can relax. Jack plays a cowboy star who gambles, drinks and hates kids . . . Marilyn Maxwell, I hear, is in as Doris Day's replacement for the warbling job on Bob Hope's airshow . . . Sir Laurence Oliver is due in these parts for "Sister Carrie" at Paramount.

• • •

Note from Harry Cimring:

"Sally Rand, the fan dancer, is in trouble with the bureau of internal revenue. Obviously for taking off too much."

Audie Not Audible

When George Raft and Coleen Gray hit London to finish "I'll Get You for This"—they started the film at San Remo, Italy—the British press acted like Ava Gardner wasn't around and splashed Coleen all over the front pages. She's still gasping:

"It was glamor girl stuff. It never happened to me in Hollywood."

Coleen says she got palsy-walsy with Ava in England. She has two words to say about her: "Terribly misunderstood."

• • •

Letter from a movie fan to UI:

'My small son adores Audie Murphy, but I'm not going to take him to see any more of Audie's films. You keep putting him into movies where he mopes and groans and never says a word. My son sulks and tries not to smile. He sits around gazing at me silently and when I ask him what's the matter, he says, 'I'm Audie Murphy. I haven't anything to be happy about."

• • •

Joan Fontaine says she's ready for television — when its on film. . . . That promised star buildup for Tony Curtis is taking form at UI. The studio gave him an elaborate test with Ann Blyth as his leading lady . . . Warner bosses are as jubilant as a radio jackpot winner over the preview of "Tea for Two" —the studio's brightest musical in years . . . Scott Beckett, recently divorced by his tennis champ wife Beverly Baker, is dating Sally Tibbs . . . Uncle Sam is speeding up his recruiting drives using radio and film talent. Universal Recorders is producing 200 programs.

Who's On The Menu?

Chill Wills helped stage a benefit at Moab, Utah, during the filming of "Rio Bravo" there. The Ute Indians helped out. Says Chill: "It smelled like they were cooking their kinfolk backstage."

• • •

"Arch of Triumph," a gooey egg at the U. S. boxoffice, is still cleaning up in Europe, according to Director Lewis Milestone. He says:

"There are two reasons for the film's flop here. First, we set out to make a three-hour movie at a time when exhibitors wanted three-hour pictures. When it was completed, we sliced it in half, because the exhibitors said that the public no longer wanted three-hour pictures. So it became a series of dialogs between Charles Boyer and Ingrid Bergman.

"The second reason is that American audiences are not interested in pictures about passport problems. Americans can't understand the tragedy of people without passports."

Break-Down Listed Of Officer's Call For Army Branches

AUSTIN — Officers of the Army Officers Reserve Corps, not assigned to organized troop units, will be ordered to extended active duty for a period of 21 months, or such other period as may be authorized by law, with or without their consent, according to an announcement by the Department of the Army, Col. Oscar B. Abbott, Chief of the Texas Military District, said here Monday.

The orders will affect male officers of all major branches of the army, including medical, dental, veterinary and medical service as well as the combat and service branches.

In the combat and service branches only company grade officers—lieutenants and captains—will be called under this authority. All grades to include lieutenant colonels are subject to orders to active duty in the medical and dental services.

Officers selected will be ordered to duty from both the active and inactive reserve elements. Those assigned to Organized Reserve Corps troop basis units will not be called under this authority.

Exams At Nearest Post

Processing of physical examinations will be expedited so that one-third of the officers will be able to report to their stations by September 22, another third by September 29 and the remainder not later than October 6. Officers selected for the call will be ordered to the nearest army installation for physical examination, return to their homes and await final orders and will be granted a minimum of 21 days from the date of receipt of active duty orders to the date of reporting to their stations.

Although the volunteer program for officers previously announced has been superceded by this call, still it is desired that applications from company grade officers for recall to extended active duty be forwarded to Headquarters Texas Military District. Officers ordered to active duty pursuant to their own request will reduce the number required to be called into service without their consent.

While officers of the medical and dental service may be called with or without their consent, they will be encouraged to volunteer for at least 21 months.

Fourth Army Quota

The 4th Army area, which includes Texas, Oklahoma, Louisiana, Arkansas and New Mexico, has been given a quota of 182 captains and 612 lieutenants as follows:

Combat Arms: Armored, 15 captains, 75 lieutenants; Field Artillery, 16 captains, 65 lieutenants; Infantry, 81 captains, 273 lieutenants; Corps of Engineers, 23 captains, 47 lieutenants; Coast Artillery, three captains, nine lieutenants. Services: 64 captains and 143 lieutenants.

The quota for all medical branches is 195. Of these, 25 are for medical officers above the rank of captain and 74 captains and lieutenants. The quota calls for four dentists above the rank of captain and 20 captains and lieutenants. Other medical services will furnish two field grade officers and 70 captains and lieutenants.

State quotas were not announced.

Houston Man Charged In Store Burglary

AMARILLO —(AP)— G. W. Clayton of Houston was charged here Monday in connection with the $6,000 burglary of a food store here July 23, 1949.

Specifically, Clayton was accused of receiving $200 for cutting open a safe which had been taken from the store.

Two persons already have been convicted in the burglary.

★ THE DOCTOR SAYS ★

Painful Gout Is Not Funny To Its Suffering Victims

By EDWIN P. JORDAN, M. D.
Written for NEA Service

There are few things more painful than an attack of acute gout. A typical gout starts in the middle of the night with severe pain at the base of one of the big toes. This pain is so sharp that it usually wakes the victim from a sound sleep. Someone described the feeling as though the toe was being pried off the foot with a red hot poker. Often the pain is so severe that even the weight of bed clothes is too much to bear.

It is, therefore, doubtful that the writers or cartoonists who have treated gout humorously suffered from it themselves! Almost everyone has seen a drawing of a stout, red-faced gentleman with one foot bound in voluminous bandages and resting on a footstool, with a bottle of wine at his side. This classic picture may seem humorous to the person who does not have gout, but is by no means funny to the one who does.

Gout is almost always a disease of men. Frequently there is a family tendency to the disease. It is comparatively rare before early middle age. Over-indulgence in food or drink often brings on an attack. Those who are big meat eaters and heavy drinkers of wine, are especially likely to develop this strange disease. Attacks of gout tend to occur most frequently in the Spring and Fall.

There is a chronic form of the disorder usually called gouty arthritis. At this stage crystal-like substances called urates made of the products of these purines are deposited in and near the joints. This stage ordinarily is not reached until there have been many acute attacks over a period of years.

Right Diet Helps

Fortunately, acute gout can be greatly improved by proper supervision and improved diet and general living conditions. It is difficult for many persons with gout to refrain from some of the foods or liquors which they crave but which are most likely to produce attacks.

The ingredients of food which appear to cause most of the trouble are called purines. Some foods contain purines in large amounts, especially sweet breads, liver, kidney, squab and calf's tongue. Others, like veal, pork, beef, sausage, gravies and several kinds of fish, also have a higher purine content than is safe for most people with this disease.

To Receive Degree At Texas University

AUSTIN—Two hundred fifty-one students are candidates for degrees from the University of Texas College of Business Administration at the end of the current Summer session August 31.

Degree candidates announced by Business Administration Dean J. A. Fitzgerald include Robert Heath Boykin of Midland.

TO LEAVE WEDNESDAY

Mr. and Mrs. K. C. Slough and daughter, Janis, will leave Wednesday for a vacation trip to California. They plan to visit Los Angeles, San Diego and San Francisco.

Abundant Living

By E. STANLEY JONES

Eph. 5:8—18; Isa. 11:2; Ezek. 2:1—2.

THE KINGDOM OF GOD AND THE NATURAL MAN

The Kingdom of God is within you! If the Kingdom of God is our real nature, then what shall we do with the statement of Paul: "The natural man receiveth not the things of the Spirit of God"? Moffatt recaptures the original in his translation: "The unspiritual man rejects these truths of the Spirit of God." (I Corinthians 2:14.) The context shows that the discussion is not between the natural and the unnatural but between the "spiritual" (vss. 13, 15) and the unspiritual. The spiritual man is a man controlled by the Kingdom of God; hence he is the truly natural man. The unspiritual man is a man living against that Kingdom within; hence he is the unnatural man.

Again, we ask, "Is psychology, when it becomes truly biological—that is, when it is according to the facts of life—coming out at the same place as the Christian?" Let Dr. Henry Link, a psychologist, answer: "I define personality as the extent to which the individual has developed habits and skills which interest and serve other people . . . Its emphasis is on doing things with and for other people. Its essence is self-sacrifice, not self-gratification. Indeed, the pursuit of personality just to win friends and position is quite likely to result in self-consciousness." (The Rediscovery of Man, pp. 60-61.)

Note that Dr. Link defines "personality" in Christian terms—self-losing service to others—and this with unmixed motives. But a person losing himself in service to others with unselfish motives is the picture of a Christian. Dr. Link says that this is "personality." Are the Christian and personality one and the same? Yes! When you discover the Christian way, you discover your own way as a person. To adopt the Christian way is to have your personality heightened. For it is unified, adjusted to the nature of reality, and is therefore no longer under the law of self-frustration, but of self-fulfillment. "The Spirit enabled them to express themselves." (Acts 2:4: Moffatt.) True self-expression began when they were filled with the Spirit. Now they could let nature caper!

O God, I have been afraid to surrender myself to Thy will, lest my own will be lost. How foolish I have been. I now see that Thy will is my own deepest will, and that to find Thy purposes is to find my person. Oh, let me express myself in Thee! Amen.

SOCIETY

Betty Pickering Is Honored At Party

Betty Pickering, bride-elect of Royal **W. King**, II, was honored at a **gift party** Monday night in the parlor of the First Christian Church. Miss Pickering will be married August 26.

Hostesses for the party were ladies of the Christian Women's Fellowship and the church choir.

Red and aqua, the future bride's chosen colors, were used in decorating the party rooms. The refreshment table was centered with a long arrangement of red zinnias and greenery, flanked by pairs of aqua tapers in white holders. The napkins were aqua and a white linen and cutwork cloth covered the table.

White Mums

A large arrangement of white mums centered the registry table and greenery was arranged on the piano.

The honoree was wearing a backless dress of aqua lace over taffeta, fashioned with a v-neck and a bouffant skirt. Her corsage was of red roses.

Miss Pickering's sister, Mrs. D. D. VanFosson of Galveston and her mother, Mrs. John Pickering of Houston, also wore corsages, gifts of the hostesses.

Edwina Hood presided at the registry and Nancy Webb played piano selections. Mrs. Clarence Symes and Mrs. H. G. Bedford poured punch.

Mrs. Paul McHargue and Mrs. Paul Martin arranged the refreshment table. Mrs. Sidney P. Hall assisted with other arrangements.

About 150 guests called.

First Baptist WMS Has Circle Meetings

The Women's Missionary Society of the First Baptist Church had circle meetings Monday.

"The Extent of God's Call" was the subject for Bible study at the meeting of the Lottie Moon Circle. The circle met with Mrs. Jim Schroeder.

Members present were Mrs. W. H. Hall, Mrs. H. A. Palmer, Mrs. Truett Powers, Mrs. R. E. Green, Mrs. Ralph Day, Mrs. John Godwin, Mrs. Burnard Allred, Mrs. C. F. Hunter, Mrs. W. J. Hannsaford, Mrs. Wayne L. Hudson and Mrs. Cecil Johnson.

• • •

Lola Farnsworth spoke on her visit to Cleveland and the Baptist World Alliance at the meeting of the Rebekah Circle held at the home of Mrs. John Alexander.

The opening prayer was given by Mrs. E. H. Thacker and the closing prayer by Mrs. B. C. Girdley.

Others attending were Mrs. W. H. Mahon, Mrs E. B. Ray, and Mrs. Charles Mathews.

• • •

The Mary Martha Circle met in the home of Mrs. G. L. Evans. Mrs. John Dunagan led the group in a Bible study followed by a short business meeting.

Members present were Mrs. J. C. Hudman, Mrs. George Phillips and a guest, Mrs. Robson.

• • •

Mrs. Cecil Craft was hostess to the Lockett circle in her home. Mrs. W. B. Johnston led the Bible study.

Mrs. Don McGregor was a visitor. Members present included Mrs. C. E. Pieper, Mrs. S. C. Daugherty, Mrs. James Colvin and Mrs. Paul Beaver.

• • •

Mrs. Gerald Fuller led the Bible study for the Annie Barron Circle which met in the home of Mrs. R. L. Denton.

Members present included Mrs. M. F. Machen, Mrs. L. L. Bevill, Mrs. Arnold Scharbauer and Alta Merrell. Mrs. J. S. Griffith, who will take office as president of the WMS in October, visited the circle.

Mrs. Teaff Leads Mission Program

Mrs. A. L. Teaff led the mission study for the two day-circles of the Woman's Missionary Union of the Calvary Baptist Church Monday in the home of Mrs. S. E. Conner.

The lesson was on "How To Win To Christ." Members present included Mrs. W. A. Lumpkin, Mrs. Claude St. John, Mrs. Luther Martin, Kirby Thompson, Mrs. Flora Baker, Mrs. Weldon Linsey, Mrs. R. L. McFadden, Mrs. Annie Bishop, Mrs. W. G. Flournoy, Mrs. Curtis Brunson, Mrs. J. T. Meeks, Mrs. B. B. Caudle, Mrs. Ullys Barber, Mrs. S. E. Nall, Mrs. J. C. Barber, Mrs. Delbert Harris and Mrs. Dorothy Vest.

Rebekah Lodge Has Out-Of-City Guests

Melle and Harvey Coleman of Guthrie Center, Iowa, were guests of Rebekah Lodge members at a meeting Monday night in the Odd Fellows Hall. They are members of the Mispah Rebekah Lodge 92 in Guthrie Center.

Midland members present were Joyce Carrell, Barbara Johnson, Mable Biggs, Ora Riley, Martha Roberts, Hester Weathers, Elizabeth Wilson, Etta Mae Friday, LaVada Mitchell, Bessie Boyett, Thelma Jobe, Lorene Robinson, Grace Roberts and M. J. Koen of the Odd Fellows.

RETURNS FROM HOSPITAL

Gilbert Joe Sevier, Jr., has returned home from Midland Memorial Hospital where he underwent surgery on his knee.

The 1949 U. S. menhaden catch totaled 1,050,000,000 pounds.

Yvonne Starnes

• • •

Yvonne Starnes, Former Midlander, To Wed In October

The engagement and approaching marriage of Yvonne Starnes of Odessa, formerly of Midland, has been announced by her parents, Mr. and Mrs. R. G. Starnes of Abilene. Miss Starnes and Roger A. Smith of Odessa, son of Mr. and Mrs. Everett Smith of Odessa, will be married October 21 in the Chapel of Memories in Abilene.

The bride-elect is a graduate of Abilene High School, attended Abilene Christian College and was graduated from North Texas State College in Denton. She was employed by the First National Bank in Midland and is with the First State Bank in Odessa.

Smith, a graduate of Odessa High School, is employed in Cheyenne, Wyo. The couple will live in McPherson, Kan.

Hattie Owens Gives Demonstration On Aluminum Etching

ANDREWS—Hattie G. Owens, county home demonstration agent, met with the Humble-Means Club at the Humble Camp Recreation Hall Friday. She gave a demonstration on etching aluminum trays.

Friday afternoon she gave a demonstration on how to kill, dress and wrap poultry for the home freezer and demonstrated the various kinds of containers used. This meeting was held in the home of Mrs. Percy Morrison in the Magnolia Production Camp.

Those attending the afternoon meeting were Mrs. J. E. Hill, Jr., Mrs J F Stephenson, Mrs B. F. Blanton, Mrs. H. C. Taylor, Mrs. A. L. Grant, Mrs. L. L. Shartle, Mrs. Buck Eppler, Mrs. Phil Houston, Mrs. J. A. Justice and Mrs. Chatman of Odessa.

Goldinia Goodwin Has Birthday Party

ANDREWS — Goldinia Goodwin was honored on her eighth birthday Friday with a party. The party was given by her mother, Mrs. T. C. Goodwin on their lawn.

Those attending were Billy Sanders, Joe McKissick, Darrell Lumas, Anne Vickers, Mickey Spears, Skippy Spears and Johnny Joe Franklin.

Party Is Compliment To Sarah, Kreischer

Sarah Kreischer, who Friday evening will become the bride of C. M. Gray, was honored at a miscellaneous shower Monday night. Sarah Lew Link was hostess and the party was held in her home.

Table decorations included a miniature road, called the "road of happiness," down the table center, with a miniature automobile on it. From the "just married" sign on the back of the car, white satin streamers extended to cards inscribed with verses giving clues to the hiding places of the gifts for the honorees.

Greet Guests

Red verbenas also were used on the refreshment table and abelia was used on the registry table. The honoree wore a corsage of white pom-pom chrysanthemums.

The hostess and the future bride greeted guests at the door, Peggy Whitson poured punch and Lynna Dell Moore was at the bride's book.

Guests were Patricia Pryor, Toya Chapple, Jo Ann Boykin and her house guest, Carolyn Schaeffer of Fort Worth, Nell Cole, Lois Black, Melba Clarke, Patsy Bray, Joann Swick, Arliss Ann Klebold, Marian Richardson, Iyla Kay Matthews, Jo Ann Montgomery, Mrs. Delton Strickland, Glenda Shoemaker and Joy Guyton.

First Presbyterian Circles Have Study, 'Hezekiah's Prayer'

"Hezekiah's Prayer," taken from the Book of Isaiah, was the Bible Study at circle meetings of the First Presbyterian Women of the Church Monday afternoon. "Women of the Church in Other Lands" was the Survey article discussed at each meeting.

• • •

Circles 1 and 2 met in the church parlor with Mrs. Arthur Stout and Mrs. Paul Lathrop as hostesses. Mrs. R. L. Miller led the Bible study and Mrs. N. B. Winter led the discussion of the article from the Survey.

Twelve members and one guest attended.

• • •

Mrs. J. A. Ebeling was hostess to circles 3 and 4 with ten members and two guests attending.

One of the guests, Mrs. Louis Davis, discussed the Bible study. Mrs. W. P. Knight gave the Survey topic. Mrs. D. A. Bliven was the other guest.

• • •

Mrs. John B. Richards discussed the study from the Bible and was hostess to the meeting of Circle 5. Mrs. C. H. Ervin, president of the Women of the Church, gave a report of the last Executive Board meeting.

Six members attended.

Silver Spurs Have New Members, Guest

Mr. and Mrs. W. D. Blackmon became new members and Nancy Allen was a guest at the Silver Spur Square Dance Club meeting Monday night. The group met at the Officers Club.

Others attending were Mr. and Mrs. James Blackwod, Mr. and Mrs. Floyd O. Boles, Mr. and Mrs. J. B. Felton, Mr. and Mrs. Cecil Kinsey, Mr. and Mrs. Steve Laminack, Mr. and Mrs. Jess Lindsey, Mr. and Mrs. T. L. Stall, Mr. and Mrs. Haden Upchurch, and Mr. and Mrs. J. W. Hunt.

Plastic draperies are being produced which are hard to tell from silk damask or brocade. They are inexpensive and may be cleaned by wiping off with a damp cloth.

Joint Meeting Plans Discussed By Circle

Plans were made to hold a joint meeting of all the evening circles of the Woman's Society of Christian Service of the First Methodist Church August 28 in the meeting of the Eleanor Luton Circle Monday night.

Mrs. W. H. Johnson was hostess to the circle in her home. The joint meeting will be for the purpose of studying the handbook and guide. It will be held in the church.

It was decided that the circle will begin its meetings promptly at 7:30 p.m. during September and October in order to attain as many jurisdictional credits as possible. Mrs. R. L. Noah presided during the business session. Mrs. F. W. Schall was elected secretary to replace Mrs. Johnson who resigned because she is transferring to the WSCS of the St. Mark's Methodist Church.

Mrs. O. M. Luton, the circle's namesake, led the devotional period. The study of the book, "Women of the Scriptures," was concluded with Mrs. H. M. Webb, Mrs. B. B. Seawright and Mrs. Schall taking part in the discussion.

Other members present included Mrs. R. O. Smith, Mrs. N. N. Wakefield and Mrs. P. H. Bowman.

Bridesmaid Luncheon Honors Mrs. Padgett

Mrs. Lloyd Nash and Mrs. Winston Hull were hostesses for a bridesmaid luncheon given for Mrs. Floyd Padgett, the former Marilyn Hill, Thursday. The luncheon was held in the Petroleum Club.

Marconi daisies and better time roses were used for decorations.

Those attending were Erminie Chambers, Barbara Ivie, Mrs. Wm. P. Simpson, Jr., Mrs. F. H. Padgett, Mrs. R. W. Counts, Mrs. Floyd S. Padgett, Mrs. H. C. Butler, Charlotte Hill and Mrs. Fred Hill.

Quick and inexpensive place mats may be made by fringing the edges of checked gingham rectangles. No hemming required.

Michael E. Lynchs At Home In Midland After Wedding Trip

Mr. and Mrs. Michael Edward Lynch are at home at 406 West Tennessee Street after their marriage July 31 in Mineola and a wedding trip to Shreveport, La.

The bride is the former Dana Gwendoyn Shortt, niece of Mr. and Mrs. B. J. Cook of Richlands, Va. Lynch's parents are Mr. and Mrs. M. E. Lynch of Mineola. They were married at St. Peter's Catholic Church in Mineola.

Mrs. Lynch is a graduate of Gradwohl School of Medical Technology in St. Louis, Mo., and is employed in the office of Dr. C. S. Britt.

The bridegroom, a graduate of St. Mary's College in San Antonio, is employed by Core Laboratories, Inc.

Barbara Brown Will Receive Degree

ABILENE — Barbara Brown of Midland is among the 280 students to receive their degrees at Hardin-Simmons University August 31.

Miss Brown will receive a bachelor of music degree. While in Hardin-Simmons she was a member of the Colt Club, the Cowgirl Band, Cowgirls, Dorm Council, A Cappella Choir, University Chorus, Midland Club and Who's Who in American Colleges and Universities. She is the daughter of Mr. and Mrs. E. Yates Brown, 604 North Carrizo Street.

HADACOL Helps Louisiana Child

Suffered Deficiency of Vitamins B1, B2, Niacin And Iron

Two-year-old Mark Wendell Shuff Route 1, Box 42, Ville Platte, Louisiana, is on the go from morning till night. His mother thinks it would take a full division just to keep up with him. He is mighty fond of the family cow, "Jersey," because "Jersey" gives such fine, rich milk. Mark's mother thanks her lucky stars that Mark's little system is able to take the rich milk—it wasn't too long ago that it couldn't—but now, thanks to HADACOL, which gave his system those precious Vitamins B1, B2, Iron, and Niacin which it needed, Mark is now able to eat those foods that every growing boy needs.

Here is Mrs. Shuff's statement on how HADACOL helped her son: "Mark Wendell had not been feeling good for some time. A lot of the time he could hold nothing on his stomach. He was very weak and was very pale. Then I started giving him HADACOL. He started improving in just a short time. He has gained weight and I know he has more energy than a dozen wild Indians. It is a full time job just watching him now that HADACOL has made him feel better. You can well understand why our family is sold on HADACOL."

Yes, there are thousands and thousands of folks all over the country who are getting blessed relief from wonderful HADACOL when they needed Vitamins B1, B2, Iron, and Niacin.

Give HADACOL a Chance

to help you if you are suffering from stomach distress, nervousness, insomnia, constipation, aches and pains of neuritis, or a general rundown condition, caused by such deficiencies. Remember, it will cost you nothing if HADACOL doesn't help you. Buy either the trial size for $1.25 or the large family or hospital size for $3.50 and if you are not completely satisfied—return the bottle and your money will be refunded.

U. S. Courts Protect Democracy

The nation's courts always have been prime guarantors of our democratic freedoms. And the rise of world-wide communism has put them to their severest test in performing that protective job.

The basic questions: How much freedom should a Communist have to speak when his declared aim is to set up a system that denies free speech? How long should he be permitted use of democracy's privileges to promote the destruction of democracy? At what point must he be stopped?

These issues were perfectly posed in last year's trial of the 11 top U. S. Communist leaders. Under the so-called Smith Act, the 11 were convicted of conspiring to teach and advocate the overthrow of this government by force and violence.

Naturally the convicted men, with their standard tactic of exploiting freedom in order to subvert it, appealed to a higher court. And now we've heard from a federal appeals tribunal on the case. The ruling is that the convictions stand, and the Smith Act is constitutional.

* * *

The 11 Reds of course will seek a Supreme Court decision, but meantime it's worth noting how the appeals judges met the dilemma raised by communism.

For some time the courts have been guided by the rule that the promoting of subversion must represent a "clear and present danger" before we can step in to halt it. As applied in the past, that has meant that riot and disorder as risk to government had virtually to be a fact before anything could be done.

Plainly such an outlook doesn't fit these days of global communism directed from Moscow. America's Communists are no innocent political party. They're conspirators serving the aims of Russia, rigidly disciplined to that purpose. The leaders' trial disclosed specific programs of sabotage and revolution being plotted continuously by party members under Soviet guidance.

* * *

To wait until the eve of the carrying out of these plans would be to court disaster. "Clear and present danger" thus narrowly defined would be a mockery.

Fortunately the U. S. appeals court recognized this. It labeled the 11 leaders' conspiracy a clear and present danger even though war or revolution was not actually at hand when their subversive acts were committed in 1948.

And the judges sought to demolish the idea that a government can't move to protect itself so long as forcible overthrow is not undertaken but is merely taught or urged. "Obviously," said the court, "one cannot teach and advocate the use of violence without specifically intending to bring about its use."

By its ruling this court admirably has adapted established law to fit the perils of 1950. It has tried to make the judiciary into an instrument capable of dealing with the Communists' calculated warping of freedom to their own ends. Such efforts preserve for the courts their vital role in American life.

G.I.'s Aren't Playing Beanbag

Senator Wherry, Republican floor leader, thinks Congress may be breaking the law by sticking around Washington these days.

He notes that the Congressional Reorganization Act states that the House and Senate must adjourn by July 31 each year, except in case of war, national emergency or special provision by Congress to keep going.

We don't think it'll take a new law to give the aura of legality to the present proceedings on Capitol Hill. Admittedly Congress hasn't declared war. But very likely the boys who are fighting and dying in Korea will accept "national emergency" as a reasonable substitute of what they're going through.

Ewing's Sense Of 'Duty'

Oscar Ewing, head of the vast Federal Security Agency, says it's his duty to lobby for a big federal health program and other expansions of the social security field.

From this it looks as if he has an odd notion of his job. He was chosen to administer his agency, not to promote its expansion and thus enhance his own power.

The FSA embraces the Social Security Administration, the Public Health Service, the Office of Education, and several other units. Just keeping them in running order is a pretty big assignment. It's doubtful if the work leaves any legitimate time for propaganda efforts.

There are plenty of other individuals and groups who can argue in behalf of a health program or any other. If Ewing thinks that's his job, then FSA needs a new administrator.

A riot in an Oklahoma prison was promptly stopped. The warden took his pen in hand.

How you are brought up often has a lot to do with how far up in life you will go.

Ethics Or No Ethics

DREW PEARSON ON The WASHINGTON MERRY-GO-ROUND

(Copyright, 1950, By The Bell Syndicate, Inc.)

Jack Anderson and Fred Blumenthal say: Truman sent Harriman to Tokyo for MacArthur's long-delayed report; Soviet delegate Malik is in the Kremlin's doghouse.

(Ed. Note—While Drew Pearson is on a brief vacation, his column will be written by members of his staff.)

WASHINGTON — Yesterday we suggested organizing home-front committees to stimulate public opinion against "me-firsters" — the war profiteers and hoarders.

Last week Franco's hired Washington lobbyist slipped into Garfinckel's department store and sheepishly bought out the store's supply of select bed sheets.

The inside reason for Averell Harriman's flying trip to Tokyo wasn't to scold General MacArthur for conferring with Chiang Kai-Shek, as dopesters have reported. Instead, President Truman simply got impatient waiting for MacArthur's report and sent Harriman to get it.

Ironically, the detailed report from MacArthur reached Washington after Harriman already was enroute. So he made the trip for nothing.

Actually, Truman knew in advance that MacArthur planned to meet Chiang Kai-Shek—though the time hadn't been set. The President didn't trust Secretary of Defense Johnson to relay an accurate report, because of Johnson's strong pro-Chiang sympathies.

Malik In Doghouse

Inside the UN Security Council: Soviet Delegate Jacob Malik is in the Kremlin doghouse because he let U. S. Delegate Warren Austin needle him into saying that the only Russian arms possessed by the North Koreans were those "which we sold them when Soviet forces withdrew from Korea."

This is the first time Malik or any other Soviet leader has admitted that the North Koreans are using Soviet weapons.

More important, from the standpoint of the United States, it will make wonderful propaganda if we discovery any Soviet military equipment in Korea that wasn't there when the Russians withdrew. This would expose Malik as a liar before the world.

For instance, we have positive knowledge that the Russians had no jet planes in Korea at the time they departed in December, 1947. So if the North Koreans turn up with jet planes, they must have come from Russia after the withdrawal.

Also, one top official in the United State delegation explained: "Malik's statement certainly will bar the Russians from supplying the North Koreans with new arms from here on in."

Note — Andrei Gromyko, Malik's predecessor, is masterminding the Soviet delegate from Moscow. However, it's a cinch that the much cleverer Gromyko didn't coach Malik to make the "arms" statement.

Weird Alibi

Senator Brewster's weird alibi about being trailed by a New York "gangster" is breaking down. The Maine senator told this yarn to explain how he happened to meet Washington Police Lieutenant Joe Shimon, the wire-tapper. The story goes that Shimon was supposed to investigate who was trailing Brewster, got $100 to $125 for "expenses."

Such an important police assignment, however, would have to be reported at police headquarters. Yet Police Chief Barrett claims no report ever was filed. Barrett also points out that it is against police regulations to take "expense money."

In preparation for the coming campaign, House GOP members are getting some expert "indoctrination" on Communism in a series of three secret lectures.

The last of these lectures, scheduled for Wednesday night at Washington's Hotel Continental, will be made by James Burnham, a former Marxist now on the faculty of New York University.

Recently returned from Europe, Burnham will discuss "Soviet Strategy For World Conquest." Last week Dr. Stefan Possony, a Viennese who teaches geopolitics at Georgetown University, spoke on "American and Soviet Foreign Policies."

The week before GOP Congressmen got a closed-door briefing on "Stalin's International Apparatus" by Josef Zack, a former Communist and member of the party's central executive committee in the United States.

All three lecturers bear down on the fact that we are too "soft" with Communists and haven't done an effective counterpropaganda job.

The GOP politicos are being urged by their leaders to make campaign speeches tieing in this "professional" data on Red activities with "laxity" by the Democratic administration.

GOP Leader Joe Martin of Massachusetts frankly told his colleagues at the first secret session that the lectures would provide good "campaign material."

What's RIGHT?

When double-dating, the others start to kid you because you do not drink.

WRONG: Let them goad you into being "a good sport" though you know how much your parents would disapprove.

RIGHT: Take their kidding good-naturedly—but stick by your own decision.

Have A Laugh

By BOYCE HOUSE

An elderly lady visiting a seaport for the first time saw an ancient mariner, whom she plied with questions. He had a wooden leg and when he would not say anything about it, she ventured to bring up the subject with the remark, "I see you have lost a leg." He looked down with apparent surprise and said, "So I have!"

* * *

She was the same old lady who was talking to another sailor who had only one arm. She asked him many questions and at last he said, "I'll answer just one more."

She inquired, "Then how did you lose your arm?" He said, "It was bit off."

Dr. L. O. Howard of the U. S. Agriculture Department discovered by accident that kerosene will kill mosquito wigglers.

• JACOBY ON BRIDGE

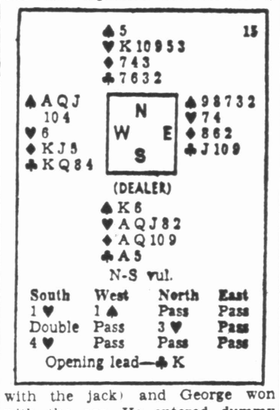
By OSWALD JACOBY
Written for NEA Service

"That's just the first gift," said Generous George. "If you're good boys I'll give you a few more."

"Don't do us any favors," the opponents shouted in unison.

George was not a bit abashed by this display of ingratitude. As a matter of fact, he did give them another gift just a couple of tricks later.

West opened the king of clubs, and George made his little pronouncement as he allowed West to hold the opening lead. West continued with a low club (his partner had signalled enthusiastically with the jack) and George won with the ace. He entered dummy with a trump to ruff a club and got back with another trump to ruff dummy's last club.



South	West	North	East
1 ♥	1 ♠	Pass	Pass
Double	Pass	3 ♥	Pass
4 ♥	Pass	Pass	Pass

Opening lead—♣K

Then, with a few well-chosen words, George led the king of spades from his own hand, allowing West to take the trick. West properly exited safely with a spade, dummy ruffing.

At this point the stage was set for the diamond play. George led a low diamond from the dummy and finessed the queen from his own hand.

West was able to win with the king but could not then make a safe return. If he returned a diamond it would give declarer a free finesse. If he returned a spade, George would ruff while dummy discarded the only remaining loser.

George's reason for giving away the first trick was that he dared not let East win a club trick. East would gladly return a diamond, which would kill the eventual end play.

When George eventually led the king of spades, his reason was similar. He had to make sure that only West could win this trick, since if East were able to gain the lead, he could still return a diamond and spoil George's party.

Incidentally, North's bidding deserves a word or two of praise. His hand was not good enough for a free raise after West had overcalled with one spade. However, when South showed a strong hand with his reopening double, North could afford to indicate that his hand was far from hopeless despite the fact that he had passed on the first round.

If North had bid merely two hearts, he would have shown a hand of pronounced weakness. By jumping to three hearts, he showed a hand that had almost been worth a free raise on the first round of bidding.

Midlander Among Geology Graduates

ALPINE — Among the second group of geologists to be graduated by Sul Ross State College here on August 24 is Charles L. Tucker of Midland.

Permian Basin area students who are to be graduated in geology or who already have finished courses, include M. L. Ekas, Kermit, and Robert Otto, Pecos.

PETER EDSON'S Washington News Notebook

Franco Is Out On Limbs For Loans But U. S. May Need Spanish Arms

WASHINGTON —(NEA)— Several hidden stories lie behind the latest efforts to get Franco Spain a $100 million Marshall Plan loan.

Since the end of the war, Spain's wheat crops have not been sufficient to feed her people. This year's crop is reported 20 per cent better than last year's. But in general the Franco government has not moved fast enough to restore agricultural production at home, so Spain has had to import wheat.

When Argentine President Peron's wife Evita was in Europe in 1946, a Franco-Peron trade agreement was concluded. Peron set up a three-year credit for Franco. On the strength of it, Spain imported wheat from the Argentine, agreeing to pay Peron's controlled price which was about three times as high as the world open market price.

Actually, Spain paid for practically nothing because Spanish exporth to the Argentine have amounted to practically nothing. So last year the Franco-Peron agreement was allowed to lapse. One other explanation out of the Argentine is that the Spanish ambassador at Buenos Aires fell out of favor with Evita. Anyway, Spain still had to have wheat.

* * *

So in February, 1949, Spain borrowed $25 million from Chase National Bank of New York. Early this year the loan was raised to $30 million. Spanish gold bullion was deposited in London as security. Then Spain borrowed another $20 million from National City Bank in New York. Spanish gold was deposited in New York as security for this loan.

From the Chase loan, Spain used $20 million to buy Argentine wheat. Using U. S. dollars, Spain paid only the world market price. Disbursements from the second loan have not been revealed. There have been no announcements of repayments on either loan.

Incidentally, Spain still has $60 million in gold reserves which could be used as security for other private loans, since the value of Spanish currency is not pegged to gold reserves. Unless close scrutiny were applied to a U. S. government loan to Spain however, some of the principal might find its way to the Argentine or private U. S. banks, to pay off previous obligations. That's the main reason why Export-Import Bank officials have to be so careful.

* * *

What makes Spain seem like a good risk to so many generals, admirals and defense planners today is the size of Spain's armed forces. According to Franco's great friend, Senator Pat McCarran of Nevada, Spain has an army of 400,000 men, a navy of 22,000 men, and an air force of 2,000 trained pilots. Spain has 36 airports in operation, six of them said to be suitable for big bombers. Franco's air force now has 350 planes in 14 oprational groups, with plans to enlarge it to 1,000 planes for 28 full-strength operational groups.

What makes Spain look particularly good to military strategists, however, is the Pyrenees Mountain range on the French border — a natural barrier with only a few easily-defendable passes. With Spain as an ally, another Normandy invasion to liberate a conquered Western Europe would be unnecessary.

Korean Immigration Laws

One of the greatest inconsistencies in the Korean war is that under U. S. immigration laws, Koreans may not be admitted to U. S. citizenship. White and negro and brown and yellow Americans of Hawaiian, Japanese or Chinese ancestry now are fighting and dying beside Koreans, to liberate their country. All are in the war to preserve Korean freedom and independence. But people of Korean birth may not apply for American naturalization.

This situation was corrected insofar as Chinese were concerned, during the last war. The Chinese now have an immigration quota of 105 a year. One bill now before Congress would permit naturalization of 100 Koreans a year until such time as Korean independence is achieved, when a regular quota would be established. This bill was introduced by Senator Claude Pepper of Florida. American support of the Korean war effort now gives the bill some chance of passage.

Cost Of Living Up

Cost-of-living situation today is described by Bureau of Labor Statistics as much more like 1941 than 1939. From June, 1939, to June, 1941, BLS Consumers' Price Index advanced only six points—from 98 to 104. But from June, 1941, to June, 1942, BLS index rose 12 points to 116. In other words, the country today is faced with the prospect of sharp increases in all food prices—not a slow, gradual rise as in 1939. This is the main reason why it is being argued that standby price and rationing controls are more necessary now.

"Hot" Rolls—And A Jam

Price roll-backs being proposed by Bernard Baruch and others offer tremendous problems of administration. During the last war, prices were successfully rolled back on meat, milk and butter. But all of these food products were then under government subsidy. There are no food subsidies in effect now, no authority for them, and little chance that any will be enacted. Asking retailers to roll back their prices would therefore be difficult, unless wholesalers and original farm producers would also accept roll-backs retroactively.

Aid For Oldsters

What to do about the old folks—65 and over—is the $65 question before a new "Conference on Aging." It meets in Washington at the call of Federal Security Administrator Oscar Ewing.

There are eleven and a half million of these elders in America today—twice as many as in 1900. By 1975 they will number 20 millions, say census experts. Today's oldsters make up 7.5 per cent of the population. Four-fifths of them live with their children or other relatives. Only a fourth of them receive social security benefits. Three million are employed. Three and a half million of them have no money income of their own.

Eight hundred social welfare experts at the Washington Conference on Aging focus their efforts on how to make them happier and how to help them lead more useful lives.

Add Famous Last Words

State Department's well-known Charles E. (Chip) Bohlen, now minister-counselor at Paris, says there are two famous last words: 1—"Liquor doesn't affect me." 2—"I understand the Russians."

Questions and Answers

Q—What area is included in historic tidewater Virginia?

A—Tidewater Virginia consists of four peninsulas. One of them is the Eastern Shore which just down from Maryland between the Atlantic Ocean and Chesapeake Bay and consists of Northampton and Accomac Counties. The other three peninsulas are formed by the Potomac, Rappahannock, York and James Rivers.

* * *

Q—For what purpose are automobile plants now using walnut shells?

A—In making automobile transmissions. The finely ground shells provide an ideal "shot," engineers say, for blasting tiny metallic burrs off machined surfaces of transmission castings.

* * *

Q—Who was the first leader of the United States Army Band?

A—Capt. William J. Stannard was appointed the band's first leader in 1923 by General Pershing after competitive tests for the position.

* * *

Q—In what country of the world do men live the longest?

A—New Zealand.

* * *

Q—What was the Shakespeare-Bacon controversy?

A—It resulted from the attempt of Miss Delia Bacon (1811-59) to show that Sir Francis Bacon wrote the dramas attributed to Shakespeare.

BUS CRASH KILLS SEVEN

SANTANDER, SPAIN. — (AP) — Seven persons were killed and 42 injured Monday night when a suburban bus hurtled off a highway and rolled down a 50-foot embankment near here.

So They Say

An agricultural economy of plenty can be brought about by a well-coordinated program developed through a commission working with producers, processors and distributors. Farmers can adjust their agriculture to the nation's need to bring best results.

—Albert S. Goss, master of the National Grange, attacking the Brannan plan.

* * *

I am first for a man who is qualified, and, second, for a man who can win.

—Paul E. Fitzpatrick, Democratic state chairman of New York.

* * *

Just as we have backed the United Nations by the force of arms, so must we also back it by the force of public opinion. Action of our military must be accompanied by actions of our information services.

—Former Secretary of State Cordell Hull.

* * *

The fighting in Korea will not settle any of the issues existing between the communist and democratic worlds regardless of which way it goes. A victory for either the Communists or the United Nations will lead to a crisis of major proportions.

—Gov. K. C. Wu of Formosa.

CARBON KILL

Copyright 1950 by NEA Service, Inc. — by Julius Long

VIII

I BROUGHT Lou Bryer up to date on most of the details of Phajol's murder while we sipped our beers. He refused a second beer and his refusal indicated that he was on a job. I was sure the job had something to do with Phajol.

I spoke to the bartender: "How's the Norton kid? Has he come out of it yet?"

"He's still sleeping it off. Too bad about that guy. The only thing wrong with him is that he doesn't have Dominico's dough. He hasn't done a day's work in a year. His mother has some money and that spoiled him."

"Dominico's a tough boy for his age," I said. "He sure can punch."

I told Bryer about the incident in the taproom in which Dominico punched the Norton boy.

After that Bryer excused himself and I went out to the lobby. Foster, the clerk, was busy with his bookkeeping. I put a $5 bill on the desk and said:

"I'd like some answers to some questions."

Foster lost interest in his books. "I don't know if I can give you the right answers."

"Here's a sample question. How long have you known Lou Bryer?"

Foster looked relieved. "Why, never, before today."

"If he was a total stranger, why did you let him check in without requiring payment in advance when he had no luggage?"

Foster colored slightly. "He—he had credentials."

I laughed. "Sure he had, but he didn't show them when I saw him registering! The fact is he arrived before I did today. You may as well admit you let him look inside Phajol's briefcase."

Foster became slightly pale. "I did not!"

"Don't give me that! Straight-Flush Johnnie was sitting in the lobby, and he told me he saw you take the briefcase out and carry it upstairs. Bryer already had a room up there, didn't he?"

Foster looked flustered. He gazed around the lobby. It was empty; Straight-Flush Johnnie was gone.

"You're handing me a line!" said Foster. "Straight-Flush Johnnie wasn't here then!"

I grinned. "So the lobby was deserted when you took out the briefcase?"

I picked up my $5 bill as he turned red as a beet.

"Thanks for telling me!" Foster stared as I walked to the stairway. I heard him swear under his breath, then move to the switchboard and place a call. That meant Bryer was in the hotel. Probably in conference with Gremcheck. I went to Pat Phajol's room and knocked.

"Who is it?" I told her. She said: "I'm not dressed."

"Then put on something. This is important."

* * *

THERE was a minute's delay, and the door opened. Pat frowned as I entered. She pulled her wrap together at the throat.

"Lou Bryer, the insurance investigator, is in the hotel. He's probably with Pete Gremcheck."

Her eyes widened. "I don't understand."

"Plenty. I made inquiries of Bryer before I took the job with your father. Bryer is sharp. He would guess that I was going to bodyguard your father on this job. Gremcheck probably told him about Dominico's intention to buy a large order of diamonds. Bryer's company insures Gremcheck's company."

She seemed a little slow getting the idea.

"You—you think they killed dad and took the diamonds?"

"Why not? I've just found out that Bryer had a look at the inside of the briefcase you left in the safe. He knew right away that the diamonds weren't there. Whoever killed your father knew that much. That makes Bryer our hottest prospect. Gremcheck is probably in with him. Gremcheck could easily dispose of the diamonds. His reputation is established and no one would ever think of checking anything he sold."

Pat sat down on the edge of her bed. Her hands were tightly doubled into fists. When she lifted her eyes I saw anger directed at me.

"You—you tipped Bryer off—you admit you talked to him about this job! You're responsible for what happened to dad!"

"No, Pat, I'm not. When I talked to Bryer, I knew nothing about the job. Bryer must have known all about it at the time from Gremcheck. Gremcheck called you, remember?"

She wasn't convinced. I stepped over to the phone and asked to be connected with Lou Bryer. There was a moment's wait, then Bryer answered. I motioned to Pat, and she came to the phone.

"Hello, Lou," I said, "Can I see you a minute?"

I held the receiver so that Pat could hear Bryer say: "All right, Del. Come up to my room. No. 28 on the third floor."

"Fine. I'll be right up."

Pat was staring incredulously. I grinned. "That's the man who said he was Gremcheck, isn't it?"

She nodded. "I'll remember that voice as long as I live!"

* * *

PAT was more puzzled than angry as I left her. I readily found No. 28. Bryer was alone. I was pretty sure he had taken the call in Gremcheck's room, and I was curious as to what floor that room was on. Bryer eyed me down his nose as he offered me a cigaret.

"Been playing games with the room clerk, haven't you?"

I accepted the cigaret and lighted it. "Going to admit you had a look inside that briefcase?"

"Why not? I got the chief of police to introduce me when I landed in town this afternoon, and I explained why I wanted a look inside any briefcase Phajol would check into the hotel safe."

(To Be Continued)

SOCIETY

Gift Party Honors Sarah Mary Hunter

Sarah Mary Hunter, who will become Mrs. John Scrogin August 26, was the honoree at a miscellaneous shower given Monday night in the home of Mrs. Barbara Wall.

Mrs. Wall's granddaughter, Genora Brown, and Janis Slough were the hostesses.

Lavender and green, the future bride's selected colors, were used throughout the party decorations. Large lavender asters and lavender candles were used on the serving table.

The antique lace cloth which covered the table is an heirloom of Mrs. Wall's. Crystal and silver appointments were used.

Arrangements of small lavender asters were used in the living room.

Kelly Green

The honoree was wearing a Kelly green two-piece silk dress. She and her mother, Mrs. Forrest Hunter, and Mrs. John M. Scrogin, mother of the prospective bridegroom, wore white aster corsages, gifts of the hostesses.

Mrs. E. Yates Brown and Mrs. K. C. Slough, mothers of the hostesses, assisted in serving. Mrs. Dean Cox and Patsy Collings poured.

The guest list included Evangeline Theis, Jean McMillian, Frances Puett, Patricia Pryor, Patsy Patteson, Susan Hemphill, Maurene Denton, Elizabeth Ann Cowden, Norma Jean Hubbard, Johnnie Pearl Morelan, Jo Ann Stanley, Ann Upham, Peggy Whitson, Sarah Kreischer.

Mrs. Bert Connally, Jo Ann Boykin, Sarah Lew Link, Mary Ann Finch, Margaret Finch, Theresa Finch, Glenda Hambleton, Mrs. Barry Boone, Patsy Lou Arrington, Mrs. Bates Witt, Carole Casselman, Emma Sue Cowden, Marlee Cowden, Melba Clarke, Mrs. Bill Davis, Pat Garner, LaVerne Estes, Mary Fay Ingham, Mrs. Bobby Girdley and Catherine Lee McDonough.

RETURN FROM TRIP

Mr. and Mrs. G. R. Grant have returned from a vacation trip to the Pacific Northwest and Canada.

Naomi Circle Meets, Elects Officers

The Naomi Circle of the St. Mark's Methodist Church met Monday night in the home of Mrs. H. G. Brewer. The devotional was led by Mrs. G. C. Merket.

Mrs. John Luccous, Jr., was elected co-chairman and study leader, Mrs. John Locke treasurer and Mrs. Reynold Richard, secretary and reporter.

Members present were Mrs. C. S. Aycock, Jr., Mrs. Frank Boyles, Mrs. J. W. Graham, Mrs. Bill Kinney, Mrs. W. T. Siard, Mrs. E. G. Nearburg, Mrs. James B. Sharp and Mrs. W. M. Sandeen.

Iota Beta Chapter Is Given Party

Dr. and Mrs. Y. D. McMurry were hosts at a party Monday night in the garden of their home for the Iota Beta Chapter of Beta Sigma Phi and their guests. Mrs. McMurry is the sponsor of the chapter.

A square dance team composed of Mr. and Mrs. Robert Cox, Mr. and Mrs. Dean Corley, Mr. and Mrs. John Mills and Mr. and Mrs. Bill Hogsett of Crane exhibited some square dancing skills. Bob Rood was the caller. The dancers were dressed in old-fashioned dancing costumes. Robert Cox showed slides of European scenes which were taken while he was in service during World War II.

The serving table was covered with a lace cloth and centered with roses. Assisting in the serving were Mrs. Bryan Denson, Mrs. Quincy Belle Fenstermaker and Mrs. Joe Mims.

Others attending were Mr. and Mrs. Jack Irion, Mr. and Mrs. Ernest Nance, Mr. and Mrs. W. I. Pratt, Mr. and Mrs. James Rodgers, Mr. and Mrs. Dave Watson, Dr. and Mrs. Jimmie Gaines,, Mrs. Weldon Carden, Mrs. Otto Wink, Mrs. Jane Patterson, Mrs. Charles Patterson, Mrs. Murphree, Mrs. Jack of Dallas, Cathy Harrington, Melba Knipling, Myra McReynolds and Tom Hassell.

Coming Events

THURSDAY

Little Digger's Junior Garden Club will meet at 4 p.m. with Mrs. Frank Stubbeman, 1502 West Texas Street.

Veterans of Foreign Wars Auxiliary will meet at 8 p.m. at the VFW Hall.

Palette Club Studio will be open all day for members who wish to paint. A potluck luncheon will be served at noon.

The Morning Circle of St. Mark's Methodist Church will meet at 9:15 a.m. with Mrs. A. E. Patterson, 401 West Parker.

Boy Scouts will meet at the First Methodist Church at 7:30.

Men's Prayer meeting will be held at 7 a.m. in the First Baptist Church. Women's Prayer Meeting will be held at 10 a.m.; Associational Workers Conference will be held at 10 a.m. in Garden City.

Margie Shumate Young Woman's Auxiliary of the First Baptist Church will have a picnic and program at 6:30. They will meet on the church lawn to go to Cole Park.

Lucky 13 Club will have a picnic in the backyard of the home of Mrs. J. T. Walker, Andrews Highway, at 7 p.m. Husbands of the members will be special guests.

• • •

FRIDAY

First Baptist Young People's luncheon will be at noon in the Recreation Hall.

• • •

SATURDAY

The Rainbow Girls will meet at 3 p.m. in the Masonic Hall.

Children's Story Hours will be held at 10:30 a.m. in the Children's Room of the Midland County Library and in the library's Terminal and Dunbar branches.

American Airmen Continue Blows At Korean Invaders

TOKYO —(AP)— American jet fighters and light bombers hammered North Korean communication lines and supply dumps along the battle-front Tuesday with reported "excellent results."

F-80 Shooting Star jets struck the rail yard in the Waegwan area and warehouses north of Yongdok. B-26 light bombers plastered bridges in the Chonju and Yongju areas.

Meanwhile the U. S. Far East Air Force wrote off the huge Wonsan oil refinery in North Korea as a major strategic target for B-29 bombers.

Lt. Gen. George E. Stratemeyer, FEAF commander, said photographs showed the east coast refinery was "almost completely destroyed" and "completely inoperative."

23,000 Bombs Dropped

In the jet attacks, Flight Leader Lt. Orin E. Mutting, 27, El Paso, strafed several warehouses and ammunition dumps.

The B-26 invaders blasted bridges near Yongju and Chonju and Red troop concentrations in the Naktong River area northwest of Taegu.

Earlier, the Far East Bomber Command reported that the B-29's in the last month had plastered North Korean targets with 23,000 bombs, 7,000 tons. Damage from the 7,000 tons of high explosive ranged from 30 per cent to virtually complete destruction.

Support of Allied ground troops continued a major task of Allied airmen. More than 400 sorties were flown Monday, including 200 in direct support of the foot soldiers.

Attempt Is Made To Show Mrs. Bystrom Was With Missionary

ALEXANDER CITY, ALABAMA—(AP)— Mrs. Catherine Bystrom's claim she parted company with a Texas missionary long before the other woman was slain was under attack Tuesday.

The state placed 18 witnesses on the stand Monday in an effort to prove Mrs. Bystrom and Mrs. Lillian Euphemia Schleifer, 70, were together shortly before Mrs. Schleifer was murdered.

The elderly missionary's bullet-pierced body was found floating in Lake Martin near here February 25. She disappeared on a trip from Waco, Texas to Jamaica, in the British West Indies.

Mrs. Bystrom and Charles McGraw, Helena, Ala., are charged jointly with the murder. His trial will follow hers.

Mrs. Bystrom, a 39-year-old former Alaskan tourist service operator, told officers she drove Mrs. Schleifer from Waco to Birmingham, Ala. She claims the missionary left her there.

Witnesses testified Monday to seeing Mrs. Schleifer and Mrs. Bystrom together in this East Alabama section after the reported separation.

Wasp Sting Fatal To Snyder Woman

SNYDER — Mrs. Wray Huckabee, 54, died Monday after being attacked by wasps at her home.

Mrs. Huckabee had been stung previously in 1941 with serious results, members of her family said.

The wasps stung Mrs. Huckabee as she was in the yard of her home about four miles northwest of Snyder on the Clairemont road.

+Crane News+

CRANE — Band Director E. M. Sonnenburg announced that band members should meet with him Thursday at the band hall to receive uniforms. Members will meet on this schedule: eighth grade, 9-11 a. m.; 19th grade, 2-3 p. m.; 11th grade, 4-5 p. m.; 12th grade, 11-12 a. m.; Sandhills students, 3-4 p. m.

Leonard Hollenbeck, manager of the new Crane Theater, has been accepted for training in the Officer Candidate School of the armored cavalry. He will report to Abilene August 29 and will receive basic training at Fort Ord, Cal. He is an active member of the Lions Club, Volunteer Fire Department, Sheriff's Posse and Disaster Committee of the American Red Cross chapter. Flowers will be flown from Hawaii to be distributed to women attending the formal opening of the T & P Clothiers Thursday. Souvenires will be presented to all present.

Capt. Ethel H. Batson has been named commander of Company "D" of the Third Battalion, Fourth Infantry Regiment, Texas State Guard. Other officers are First Lt. Don Chaney, executive officer, First Lt. Jack White and Second Lt. N. O. Hart.

The Sweet Shop recently staged its formal opening with free pastries and coffee served to all visitors. Marion Brunette is owner-manager of the firm.

Amusement Center

An amusement center and bowling alley will open at the site formerly occupied by the Co-op Grocery. The center is owned by Claude Senn, formerly of Rotan, and will be managed by Clarence Key.

Mrs. Carrie Hollenbeck, Manhattan, Kan., is visiting with her son, Leonard Hollenbeck, who shortly will report for army service.

Reserved seat tickets for the five home games of the Crane High School Golden Cranes went on sale Monday at the Corner Drug Store.

Mrs. W. T. Cantrell was hostess at an open house August 13 honoring her parents, Mr. and Mrs. Jack Hammond, on their 50th wedding anniversary.

Mrs. Myrtle Cherry, office deputy in the sheriff's department, recently attended a round-table discussion for tax collectors conducted by the Texas Highway Department in Odessa.

Cub Scout Commissioner Bob Hester served as master of ceremonies at the benefit game tournament held recently at the Community Hall. The camping fund for a trip to Camp Louis Farr was increased by $103.90 from the proceeds as some fifty persons attended the event. Prizes were donated by local merchants.

The Women's Society for Christion Service of the First Methodist Church met recently with Mrs. George Chrane teaching the lesson on "Pillars of the Earth." Those present included Mrs. Guy Bosworth, Mrs. C. A. Shaffer, Mrs. Cody Bell, Mrs. Bert Barnett, Mrs. Jesse Davis, Mrs. Ed Pierce, Mrs. E. N. Miller, Mrs. Cecil West, Mrs. R. O. Tomlinson, Mrs. Kelly Sims and Mrs Chrane.

Leonard Hollenbeck recently was honored with an outdoor supper party at the home of Mr. and Mrs. Jesse Miller. Those present included the honoree, Mr. and Mrs. Bob McMurray, Fred Schur, Coyelene Pope, Dale Day, Julia Cunningham and Mr. and Mrs. Bud Porter.

Janitor Injured

T. P. Caudle, janitor at Crane High School, was injured in an eight-foot fall to a concrete floor when a ladder broke beneath him. He is confined in the Crane County Hospital. Other recent patients in the Memorial Hospital include Mrs. W. T. Gasaway, J. H. Burger and D. C. Cummins, all of McCamey, Donald Hart, Roy Moore, A. C. Dillard and Mrs. W. P. Moore.

Takes A Doctor's Advice

Gas Station Man's Neuritis Pains Leave Completely After 3 Bottles Of Hadacol

Father helped, too, who also had deficiencies of Vitamins B1, B2, Iron and Niacin

Wesley Scallions, energetic young gas station attendant in Peoria, Illinois, tells how HADACOL keeps him on the job feeling fine. Wesley Scallions has this to report:

"I took HADACOL upon the advice of my father who has taken it regularly for some time. He could not eat, was unable to get around, lost sleep and was generally run-down. My brother who is a doctor recommended HADACOL to Dad. Since taking HADACOL, Dad has been feeling like a different man; he now has a hearty appetite, sleeps well and gets around once again on his own.

"I have had pains in my right arm and legs. Due to this condition I lost many days of work until I started to take HADACOL. After my third bottle the pains left me completely and now I work every day and overtime also, without having any pains. I am a gas attendant and need full use of both arms and legs in my line of work. Thanks to HADACOL I can now perform my job satisfactorily and feel fine."

Don't Be Satisfied With Symptomatic Relief

No longer do you have to be satisfied with symptomatic relief — HADACOL now makes it possible to actually relieve the REAL CAUSE of those fiendish, stabbing neuritis aches and pains when due to lack of Vitamins B1, B2, Iron and Niacin in the system.

AND LISTEN TO THIS! Continued use of this great HADACOL not only gives continuous, complete relief but helps keep such painful distress from returning.

That's the kind of product you've been waiting for — the kind you should buy and start taking at once.

Many doctors recommend HADACOL. It is also wonderful for stomach disturbances (gas pains, indigestion, bloating, heartburn) constipation, insomnia and a general nervous rundown condition due to such deficiencies.

Be fair to yourself! Why go around feeling half-alive — a burden to others when you can get this great HADACOL at any drugstore. Remember — HADACOL *must* help you or your money back. Trial-size bottle, only $1.25. Large family or hospital size, $3.50. Any drugstore.

John Doe's Gall Bladder Is Medical 'Hit Show' On Video

Operation video: Medical and radio experts watch a surgical operation being performed at Bellevue Hospital and televised to the screen they're watching at the UN building, 20 blocks away.

NEW YORK—(NEA)—John Doe's gall bladder, complete with four stones, is famous. To test a system of televising operations, two cameras took in every detail of the removal of a diseased gall bladder from an unnamed patient.

John Doe, under an anesthetic, slept peacefully through the whole thing, as two surgeons neatly removed the organ at Bellevue Hospital. About 20 blocks away, in the United Nations building, a gathering of medical and radio experts watched the demonstration.

For two hours and 15 minutes, a sober-voiced commentator delivered a slice-by-slice account of what was going on. The witnesses who knew what they were watching said that everything came over clearly. Technically, the demonstration was a success.

Don't look up your video program, expecting to choose between an appendectomy on channel three and a tonsillectomy on channel six. Not even as Summer replacements will operations be televised to the general public.

They're purely educational in nature. They're designed to give medical students and interested surgeons an incision-side seat at the operating table.

The same equipment used to snoop on John Doe's gall bladder will be loaded into airplanes in a few weeks, on the first leg of a South American tour. About five tons—$80,000 worth—of sound and picture gadgets, accompanied by nine experts, will visit Puerto Rico, Brazil, Argentina, Venezuela and Mexico.

Set Up In Hotels

The tour is co-sponsored by E. R. Squibb and Sons International Corporation and the International General Electric Company, Inc. They'll televise operations in the five Latin and South American nations, with 20 TV receivers all tuned in. The receivers will be set up in hotels where medical conventions are going on, for the doctors to study up on the latest surgical techniques.

Two cameras are used in the system. One, directly above the patient, is constantly focused on the incision. Viewers can watch the surgeon's hands at work, the forceps holding back the skin.

Occasionally, the second camera goes into action. It is set on a movable dolly, and is used to bring in the surgeon's face or the oxygen tanks as they're turned on or nurses taking the patient's blood pressure. The second camera also focused on the chief surgeon as he held up, one by one, marble-sized gall stones.

Has Microphone

The surgeon is also equipped with a chest microphone, so he may add comments from time to time. The regular commentator, in a room "of stage," did most of the talking, but every once in a while the surgeon put in a few sentences.

"These knots," he said, as his colleague began tying up John Doe's wound, "are tied with square knots secured over a double hitch."

Medical students in hospital galleries could only catch a flash of the actual operation. Mostly, they got a good view of the surgeon's back. But this new television method gives them a clear picture. They can see everything from the initial incision to the final stitches.

John Doe, incidentally, was reported in "very satisfactory" condition after his surgery. He'll be up and around, the doctor said, in a few days. Some of the viewers will take longer to recover.

Suspect Seized In Roswell Slaying

EL PASO —(AP)— A 33-year-old suspect in the seven-months-old Roswell, N. M., slaying of George Luna was in custody Monday night and enroute to Austin for a lie detector test.

Capt. A. H. Hathaway of the the New Mexico State Police arrived here Monday in company with other officers, to take the man to Austin.

Luna was struck down by a .22 caliber bullet fired from a passing car on a downtown street in Roswell shortly after midnight on Dec. 11, 1949.

The suspect was taken into custdy by El Paso officers Monday as he drove his car on the highway in nearby Canutillo, Texas.

When arrested, the prisoner denied any part in Luna's death but later signed extradition waivers, saying he was willing to go back to New Mexico "to face anything I have coming to me."

Reynolds May Have Died Near His Goal

LONE PINE, CALIF. —(AP)— Young Christopher Reynolds may be dead in the snow only 300 feet from his goal, the top of the nation's highest peak, Mount Whitney.

A search party on the mountain's perilous east face operated on that theory Tuesday after veteran mountaineer Harold Gates saw through binoculars what appeared to be a faded shirt close to the summit.

Meanwhile, the young tobacco heir's mother, former torch singer Libby Holman, arrived in New York by plane from Paris.

The body of young Reynold's companion, Steven Wasserman, also 17, was brought off the mountain and met by his parents, Mr. and Mrs. William Stix Wasserman of Philadelphia.

What is believed to be the earliest record of the use of asbestos says a sculptor made a lamp of it in 450 B. C.

BEHIND THE SCENES—One of the chief Russian advisers to the North Korean military leaders is believed to be Col. Gen. Terenty Shtykov, whose headquarters is near the Communist capital of Pyongyang. Observers believe much of the Reds' early success in the Korean fighting was due to Shtykov's tactical advice.

C. Of C. Education Committee To Map Teachers' Party

The annual Chamber of Commerce sponsored entertainment for faculty members of the Midland public schools will be planned at a meeting of the organization's Education Committee at 10 a. m. Friday in Chairman Bert Ryan's office in the Petroleum Building.

Other members of the committee are James L. Daugherty, Cal Glass, Frank Monroe, Clarence Scharbauer, Jr., V. C. Maley, Charles F. Mathews and Ted Davidson.

The Chamber for a number of years has staged an entertainment each Fall for faculty members and their families. The type of event to be staged this year will be determined at the Friday session, Ryan said.

Water Men To Hold Barbecue-Meeting

Members of the Permian Basin Water Workers Association will hold their regular monthly meeting Tuesday night at Cole Park. Barbecue will be served members and their guests, beginning at 6 p. m.

George Rohan of Waco, former water superintendent in that city and now president of the Rohan Water Work's Supply Company, will be principal speaker at the meeting. Water Workers from several Permian Basin cities are expected to attend.

DON ESTES, Manager

Oil Royalties Added To Endowment Fund

DALLAS —(AP)— The income from $1,500,000 worth of West Texas oil royalties recently purchased by Southern Methodist University will be added to the school's endowment fund.

Eugene McElvaney of Dallas, chairman of the SMU Executive Committee, said Monday night the purchase included 13 per cent of the mineral rights on 30,625 acres of the Mallet ranch, in Hockley, Cochran, Terry and Yoakum Counties.

The purchase was made from Mrs. Helen Devitt Jones and Tom Jones of Lubbock.

Senate Panel To Air Big Bend Land Bill

WASHINGTON —(AP)— A bill to authorize the secretary of the interior to acquire land within Big Bend National Park not now owned by the government is expected to be taken up by the Senate Interior Committee next Monday.

The House passed the bill July 27. About 8,800 acres are involved.

AFL Dock Workers Refuse To Unload Russian Crab Meat

NEW YORK —(AP)— AFL longshoremen here, angered by the Korean war, have slipped a boycott on $250,000 worth of Russian-canned crab meat.

They say it can go back to Russia before they'll unload it from the British liner Parthia.

The Parthia moved to Boston Monday but probably will run into the same boycott there.

"You can rest assured we will not move the Russian cargo one inch," declared Daniel J. Donovan, vice president of the International Longshoremen's Association in Boston.

The crabmeat—80 tons packed in large wooden cases—is the property of the British government.

A United Kingdom trade official here said Monday night Russia insisted Britain take it as part of a trade treaty deal that swapped British machinery for Russian timber.

At about 65 cents a can, it was too rich for Britain's austerity diet, and it was decided to sell it in America.

"Why help Russia make money in this country?" asked Frank Kerins, ILA shop steward here.

"Most of the men are veterans. We'll be fighting Russia soon."

CHANGE IN UNIFORM—Johnny Davis, right, expects soon to change his policeman's uniform to the uniform of a Marine. When M/Sgt. Boyd Knowles, left, Marine recruiter, was in town, Davis looked him up and filled out a new service record in the Marine Reserve. Davis served four years with the 22nd Marines in World War II as a sergeant. Davis now is on call as one of 80,000 volunteer Marine reservists.

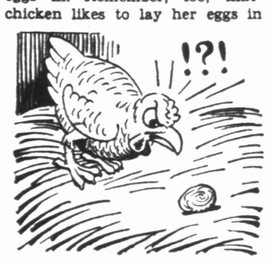
DADDY RINGTAIL

By WESLEY DAVIS

Daddy Ringtail And The Wooden Egg

Daddy Ringtail, your monkey friend, was visiting with Old MacDonald at Old MacDonald's farm. Yes, and Old MacDonald had tried to play a trick on the chickens.

Here is what had happened: Some nests of grass were made in the barn for the chickens to lay their eggs in. Remember, too, that a chicken likes to lay her eggs in a



nest where another egg already is to keep the eggs from being lonesome. The egg that does the job of keeping the eggs from being lonesome is called a "nest egg."

Old MacDonald laughed and chuckled while he explained about it. He laughed and chuckled some more when he told the trick he had played. Why, he hadn't left a real nest egg in the nest. No sir, he hadn't. He had left an egg that was made of wood to fool the chickens and make them think it was really an egg of the "nest egg" kind.

"Yes, sir," said Old MacDonald, "to play a trick on a chicken, all you have to do is to be a little smarter than a chicken is. Come on to the barn and let me show you."

Daddy Ringtail hurried away to the barn with Old MacDonald. Daddy Ringtail knew that Old MacDonald was right. To play a trick on a chicken, all you have to do is be a little smarter than a chicken is. But was Old MacDonald any smarter than his chickens really? Why, one of Old MacDonald's chickens had the name of Heckety Peckety. She was a smart, smart chicken, I can tell you, and I will tell you.

Anyway, when Daddy Ringtail came at last with Old MacDonald to the nests in the barn—uh-oh. There were the wooden eggs, all right, all right, but they hadn't fooled the chickens at all. The chickens knew that the wooden eggs weren't really nest eggs, so the chickens hadn't laid any eggs in the nests at all.

Well, it still is true that to fool a chicken, all you have to do is be a little smarter than a chicken is. But Old MacDonald just wasn't a little smarter. Tch! Tch! Tch! Happy Day!

(Copyright 1950, General Features Corp.)

BIG CELEBRATION

NEW YORK —(AP)— Gene Chandler, most valuable Georgia football lineman last season, did some powerful celebrating recently in his Athens, Ga., home a few weeks ago. First he observed his own birthday, then his daughter, Sandra observed her second birthday the next day. The following day he signed his contract with the New York Yanks for 1950. He's a rugged defensive end.

Beaumont C. Of C. Manager Killed In Traffic Collision

LUFKIN —(AP)— Clarence K. DeBusk, general manager and vice president of the Beaumont Chamber of Commerce, was killed in an automobile collision here Tuesday. Two other prominent Beaumont residents were injured seriously and four Houston persons sustained less serious hurts.

George Morgan, president of the Beaumont Natural Gas Company, and Pat Peyton, vice president of the American National Bank at Beaumont, passengers in DeBusk's automobile, were injured seriously. They are in a Lufkin hospital.

Mr. and Mrs. James Salmon and two children of Houston were in the other car and were injured less seriously. They are in a hospital. The Salmon family were enroute home from Marshall.

Negro Escapee Held After Shooting

GATESVILLE, TEXAS —(AP)— A negro escapee from the Gatesville State School for Boys was captured near here Monday night shortly after Walter Mack, about 55, was shot and wounded critically.

The boy, Walter Johnson, 15, of Austin, ran away from the school early Monday. He was picked up by military policemen from Fort Hood several miles from Mack's home, and carrying Mack's rifle.

CHANGE of LIFE?

Are you going through the functional "middle age" period peculiar to women (38 to 52 yrs.)? Does this make you suffer from hot flashes, feel so nervous, high-strung, tired? Then do try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. Pinkham's Compound also has what Doctors call a stomachic tonic effect!

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

Bridal March Leads Hit Parade As War Increases Weddings

By SAM DAWSON

NEW YORK —(AP)— The bridal march is leading the hit parade again, thanks to the Korean war.

Industries who outfit the bridal party and the newlyweds' apartments report a big boom in the last four weeks. Stores say they are being swamped with wedding dress orders.

The wedding ring trade is way up —part of it due to a revival of the popularity of the double-ring ceremony. And the price of engagement diamonds has gone up, too, some ring merchants report. Silverware makers say they've never known such a boom, as wedding guests flock to buy presents.

Rush To Middle Aisle

The rush to the middle aisle started when couples who had been planning Fall weddings advanced the dates. Prospects of draft calls, and the early calling up of National Guardsmen and reservists, sent many couples to the marriage license bureau. War, and the threat of war, always boost the marriage rate.

Department stores around the country report their bridal shops doing the most active business in several years. One big New York store says it had to turn away about 200 customers last week because they wanted bridal parties outfitted on too short notice. Another New York store advertises it still can furnish wedding gowns for immediate delivery if the customer doesn't ask for alterations — otherwise in two days. But for a large wedding with several bridesmaids it will take about four weeks.

Fresh, Home-Made Better CORN MEAL

Like meal made on old rock mills. Available continuously from now on at Snodgrass Groc., near Big Spring highway, Baker's Groc., 3 blks north Garden City highway, B&B Groc., on Odessa highway, Elmer Birkhead's Grain and Seed Store. Every sack guaranteed to please you.

ALVA BILLINGSLEY & SON

FRANCE HAS 'EM, TOO—Just as in the U. S., the war scare and the fear of accompanying shortages brings the hoarders out from under the rocks in France, too. Here, as part of a national campaign to combat such foolish practices, a Paris grocery displays a sign telling its customers, "We have oil, sugar, coffee and soap. Do not stock up. It is in your interest. Thank you."

Confessed Triple Slayer Faces Trial In North Carolina

GAINESVILLE, GA. —(AP)— A 30-year-old former convict faces trial in North Carolina for a day of killing that brought an angry mob of 4,000 to the door of the jail where he was being held.

Curtis Shedd of Walhalla, S. C., a confessed triple-slayer, was turned over to North Carolina authorities Monday night. He was charged with murder.

Agent Woody Wilson of the Georgia Bureau of Investigation said Shedd told officers he shot John Boyter to death with a shotgun in the mountainous Georgia-Carolina border country near Clayton, Ga., and later killed the dead man's two daughters near Highlands, N. C.

Body Is Found

The former convict was arrested after Boyter's decomposed body was found near Clayton. Witnesses told of seeing Shedd with the 38-year-old GI trade school student.

Wilson said Shedd admitted slaying the father and two girls after hours of questioning. He later led the way to the spot where officers found the bodies of the two Boyter girls—Jonnie May, 14, and Jo Ann, eight.

A motive for the slaying of Boyter has not been announced.

Wilson said Shedd told officers he had sexual intercourse with the older girl and then strangled her because he feared she would tell. Shedd related he then killed the younger child, Wilson said, because she had witnessed his sexual relations with her sister and also had seen her sister killed.

NEW RED CHIEF?—Reports from Canton, the capital of Communist-occupied China, say that the next military chief in Manchuria might be Russian-trained Gen. Lin Piao, above, at present commander of the crack Fourth Field Army. Manchuria, which is adjacent to Korea, is of tremendous strategic importance in both the hot and cold wars.

Monahans V-J Day Event Draws 6,000

MONAHANS — They closed up shop here Monday and everybody got in the act of celebrating V-J Day.

Jean Young was crowned "Miss V-J Day" in a ceremony witnessed by thousands.

A patriotic address was made by Howard M. Fender of Fort Worth. An outstanding performance of the day-long celebration was the opening parade. More than 6,000 persons lined Monahans' streets to see it.

There was free barbecue. Other activities included old fiddler's contest, comedy races and dances.

Rep. Ken Regan of Midland was introduced and spoke briefly.

General chairman of the day was Joe Farr. Bill Lee, Chamber of Commerce manager, was master of ceremonies.

West Texans came to Monahans from a wide area.

Man Dies As Result Of San Antonio Fire

SAN ANTONIO —(AP)— One man died of injuries and three firemen received minor injuries in a fire that swept a combination business house and apartment here Monday night.

Dead was William J. Compton, 43, said to be a former resident of North Pleasanton, Texas.

Firemen said Compton was standing near a second story window of the blazing structure when they arrived. Apparently despairing of rescue he jumped to the ground, they said. He died at a hospital three hours later from burns, a fractured skull and compound fracture of the right leg.

Half-Starved Man Is Found In Woods

MERRILL, WIS.—(AP)—An emaciated Merrill man lay in a hospital bed Tuesday while police tried to figure out what had happened to him since July 7.

On that day Herbert Zyduck, 43, left for Mercer, Wis. Monday he was found, half-conscious and half-starved, in his car on an abandoned road near Lac Du Flambeau in the Wisconsin northwoods.

A town marshal found Zyduck after berry pickers told of seeing the automobile. While being returned here by ambulance, Zyduck groaned but did not talk, authorities said.

Hospital attendants said the man's weight was down to about 100 pounds. Zyduck, father of five children, formerly weighed about 165.

JOAN UNDERGOES SURGERY

HOLLYWOOD—(AP)—Joan Crawford was reported recovering Tuesday from an emergency appendicitis operation performed at the Hollywood Presbyterian Hospital Monday night.

Coast Guard Begins Check On Reserves

WASHINGTON —(AP)— The Coast Guard has begun a check on how many of its reservists are willing to volunteer for active duty.

It announced Monday that all Coast Guard districts have been directed to assemble a "ready" list of men and women reservists (all enlisted and commissioned officers through lieutenant) who have signified their willingness to go on active duty.

"No involuntary recalls are being considered at this time," the announcement said.

Imperial Pure Cane Sugar is preferred by Texans because it's fresher

Independent brand preference surveys have shown Imperial Sugar to be preferred by 23 times as many housewives as the next competitive brand. 104 out of 105 State Fair Culinary Contest winners used Imperial Sugar. One of the foremost reasons . . . "Imperial is fresher."

Imperial Pure Cane Sugar is fresher because it's refined in Texas

On the average, Imperial is by far the *freshest* sugar in your grocer's store. That's because Imperial is the only sugar refined in Texas . . . and it sells many times faster than other sugars.

MAJOR LEAGUES—

Early Wynn Hurls Win Over Tigers

By RALPH RODEN
Associated Press Sports Writer

Early Wynn's contribution to the Cleveland Indians' pennant drive is even greater than his record indicates.

The 30-year-old righthander has turned in 13 victories but seven of them have been over the other first division teams—Detroit, New York and Boston.

Only Bob Lemon, ace righthander, has a better record on the Cleveland team.

Lemon, who goes after his nineteenth victory Tuesday in the final of a two-game series against the pace-setting Tigers, has scored eight of his triumphs against first division teams. Five of Lemon's conquests have been over the fourth-place Boston Red Sox. Wynn has beaten the Sox only once but holds three triumphs over Detroit and New York.

Wynn considerably brightened the Indians' pennant outlook Monday night as he turned back the Tigers 3-2 in a ten-inning thriller before 60,120 fans in Cleveland's Municipal Stadium. The triumph moved the runner-up Tribe to within two and one-half games of the Bengals.

The game was one of the most dramatic of the season. The Indians scored a run in the second inning and Wynn nursed this slender margin until the ninth.

Groth Homers

In the ninth, with one out, Hoot Evers beat out a slow bounder over the mound for a single. Johnny Groth followed with a home run into the lower left field stands and a deep gloom settled throughout the stands.

The vast throng began to move silently toward the exit gates as Hal Newhouser retired the first two Indians in the last of the ninth. But Al (Flip) Rosen brought them back in a hurry by socking a home run well over the left field fence to tie the score. The belt was Rosen's thirty-first of the year.

The Tigers threatened in the tenth but Wynn struck out George Kell with a runner on second to end the bid and the Indians quickly broke up the game in their half of the inning.

Allie Clark got things underway with a double to right. Speedy Bob Avila went in to run for Clark. Jim Hegan was intentionally passed and Wynn sacrificed the runners along. Newhouser then purposely walked Ike Boone to load the bases.

Strategy Pays Off

Manager Lou Boudreau then went against "the book" and sent left-handed hitting Dale Mitchell up to bat for righthanded hitting Bob Kennedy. Mitchell sent a high bounder to short. Conny Berry fired the ball home but the speedy Avila slid under the throw to win the game.

The game was the only one in the American League.

Action in the National League also was slight. In the only games played, the Chicago Cubs nipped the St. Louis Cardinals 7-6 and the improving Cincinnati Reds thrashed the Pittsburgh Pirates 13-8.

Waxahachie Is New Junior League Champ

SAN ANTONIO —(AP)— Waxahachie is the new state American Legion Baseball Champion.

It whipped St. Thomas of Houston 7-2 and 4-0 Monday to annex the title. William Foster relieved starter Thomas Gibson in the sixth inning of the first game. His mates jumped on St. Thomas for a run in the opening frame and six more in the third and fourth. Gibson was credited with the victory.

Foster hurled the second game and faced 32 batters. He struck out 11, walked only one and gave up four hits.

Waxahachie will participate in the National Region Six American Legion Tournament at Baton Rouge, La., beginning Saturday.

Rotary, Shell Win Opening Tilts Of Softball Tourney

Out-of-town teams swing into action Tuesday night in the $175 Midland Junior Chamber of Commerce Softball Tournament in games matching the Andrews Volunteer Firemen with Western Plastic of Midland and the Pyote VFW against Standard of Midland. Game times are 7:30 p.m. and 9 p.m.

A good crowd saw some pitching and a lot of hitting Monday night as the Rotary Engineers trounced a Midland Post Office nine 14-2 and Shell squeezed by Rendezvous 8-7 in the tourney lid-blasters. All four teams are Midland entries.

The strong Engineers gave a good indication of what's in store for future foes with a 13-hit attack and a two-hit pitching performance by little Lefty Martin. Charles Wise and Vernon Kerr slapped singles in the third inning to spoil any chance of a no-hitter. An infield error accounted for two runs in the inning and the Postmen's only tallies.

Extra-Base Knocks

Nine of the Rotary hits went for extra bases. Jess Barber walloped a three-run homer in the second inning and Pitcher Martin repeated the blast in the third with one man on.

Rendezvous counted four quick runs after the first two batters had been retired in the top of the seventh inning to give the Shell nine a real scare. Art Grove started the rally with a ringing double and Lloyd Adams became a baserunner when an outfielder dropped his fly. Joe Williams and Don Bizzell smashed consecutive singles and Doyle Ford drove out a clean triple. A fine throw to the plate killed Rendezvous' hopes as Ford was caught trying to stretch it on home.

Chappell Homers

Shell's Joe Chappell opened the second frame with a circuit clout and they were never behind.

The Rotary Engineers will meet the Round Top Drive-In of Big Spring in the first game Wednesday and Shell will follow against the Texas and Pacific Railroaders, also of Big Spring. All games will be played on the Wadley Park diamond north of Midland.

The line scores:

		R	H	E
Rotary	353 03—	14	13	1
Post Office	002 00—	2	2	3

Martin and Jones; Wise and Kerr.

Rendezvous	000 111 4—	7	10	1
Shell	014 030 x—	8	6	2

Bizzell and McDonald; Salmon, David and Ladner.

Class A Grid Teams Open Grind

By The Associated Press

More than 200 Texas High School football teams swing into the grind Tuesday.

The Class A division of the Interscholastic League—the only one that does not have Spring training—can start Fall practice August 15. The other divisions — City Conference, Class AA and Class B—which have Spring training open the campaign September 1.

There are 851 schools in football this year with 225 in Class A. Most of these schools will exercise their prerogative and open training Tuesday.

Some high school games will be played in Texas as early as September 1.

• • •

All teams in District 5-A, one of the toughest Class A conferences in the state, Tuesday were taking their first training sessions. Most of the teams are sprinkled with a goodly number of returning lettermen.

Wink, defending district champion, led the parade. Kermit, Pecos, Monahans, Crane, McCamey, Andrews, Seminole, Fort Stockton and Denver City are other conference members.

Longhorn League— Twin-Win Moves Vernon Close To Roswell Rockets

By The Associated Press

The Vernon Dusters are making a bid for recognition in the Longhorn League.

They whipped second-place Roswell twice Monday night to rest a half-game behind in third place. The Dusters took the opener 8-2 and the second 5-4.

Big Spring smashed San Angelo 13-1, first-place Odessa edged Sweetwater 10-9, and the Ballinger-Midland tilt was rained out.

Pitcher Al Richardson got credit for both Vernon victories. He allowed the Rockets seven hits in the opener. In the nightcap he singled home the winning run after taking the hill in relief with the score tied. Art Herring homered for Vernon. The twin killing left the Dusters eight and one-half games off the pace.

Potato Pascual's big bat showed the way for Big Spring. He collected three doubles, a triple and a homer to account for five runs batted in. Bob Crues homered for San Angelo, and George Lopez also hit for the circuit for Big Spring.

Pitcher Leroy Jones issued a walk to force in the winning run for Odessa. Les Palmer homered for Odessa, and Dom Chiola homered for Sweetwater. Ray Knoblauch was the winning hurler.

The scores:

		R.	H.	E.
San Angelo	100 000 000—	1	3	2
Big Spring	206 012 20x—13	19	0	

Price, Ewen and Funderburk; Guerra and Calvino.

• • •

Sweetwater	004 001 040—	9	8	4
Odessa	100 053 01x—10	12	0	

Romero, Jones and Finley; Carson, Dugger and Knoblauch.

• • •

First Game

Roswell	001 001 0—2	7	1	
Vernon	132 101 x—8	10	0	

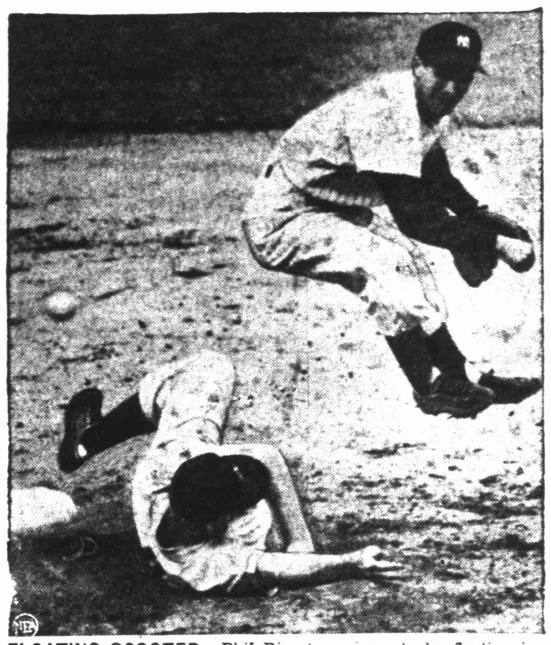
Kenna, King, Jordan and Jordan, Souza; Richardson and Hayes.

Second Game

Roswell	010 020 10—4	9	1	
Vernon	200 110 01—5	12	3	

Parker and Jordan; McElhaney, Richardson and Herring.

Petroleum and products are the largest single commodity imported by Canada.



FLOATING SCOOTER—Phil Rizzuto appears to be floating in the air whipping the ball to first base after forcing the Athletics' Sam Chapman at second at Yankee Stadium. The little New York shortstop's throw to Johnny Mize was on time, as usual, Pete Suder also being retired for another Yankee double play.

Doubleheader Here Tuesday

The Midland Indians and the Odessa Oilers square off for a doubleheader at 6:30 p.m. Tuesday in Indian Park. The twin-bill will open a two-day series between the neighboring rivals of the Longhorn League.

• • •

The game between the Indians and the Ballinger Cats, scheduled Monday night in Ballinger, was postponed due to rain.

• • •

Manager Jim Prince is expected to send Lefty Leon Hayes and Ralph Blair to the mound in Tuesday night's games.

• • •

Manager Al Monchak of the Oilers probably will shoot a pair of left-handers, Jim Carson and Ray Miller, at the Tribe.

• • •

The series will continue Wednesday night with a single game. The doubleheader includes one game which was rained out when the Oilers were here recently.

• • •

This will be the final series of the season between the two teams in Indian Park.

Henry Ransom Wins $11,000 Top Dough

CHICAGO —(AP)— "Daddy" Henry Ransom never had it so good before.

He made $11,000 Monday in polishing off Detroit's Chick Harbert by three strokes, 69-72, in a playoff for the Tam O'Shanter "World" pro golf championship.

Ransom's first prize was a treasure chest unmatched in golf history. Harbert's solace was $5,000. The difference of $6,000 was decided in a four-hour match followed by 10,000 awed spectators.

Now and then in this unwieldy crowd, which got in free and saw some of the most senstational golf in years, a glimpse could be had of Mrs. Ransom. She was with her 20-month-old son, Henry, Jr., and nine-year-old daughter, Marsha. They wanted to see what "daddy" was doing the same as the rest.

Well, "daddy" caught fire.

The 39-year-old Ransom, who winters in Dallas and registers on the tourney wheel out of the St. Andrews Club near Chicago, went six strokes under par on five consecutive holes.

Match Play In Western Starts

CHICAGO —(AP)— Star feminine shooters from 17 states squared off Tuesday in the opening match play round of the fiftieth Women's Western Amateur Golf Tourney.

Monday's medalist, Polly Riley of Fort Worth, Texas, who toured Exmoor Country Club with a one-under-par 75, opposed Bonnie Randolph of Columbus, Ohio.

Runnersup to Miss Riley was Dot Kielty of Long Beach, Calif., with a par-matching 76.

More than 625,000 U. S. residents die annually from 20 distinct types of heart disease.

Four-Man Midland Swim Team Makes Fine Showing

Four members of the Midland JayCee Swimming Team took it upon themselves to try for the title in the Fort Stockton Invitation Swimming Tournament last weekend in Fort Stockton and they almost copped the crown.

Bill Erskine, Roy Kimsey, Bill Mims and Paxton Howard were the four JayCee swimmers entering the meet. Erskine, Mims and Kimsey participated in 10 events each and Howard entered seven. They racked up a total of 101 points to finish second to Fort Stockton which entered a team of more than 35 and garnered 202 points.

Kimsey Leads

Kimsey led the Midland swimmers with three firsts and a fourth. He entered events for all age groups through the classification for men and made a good showing.

Erskine hauled in two seconds and a pair of third places, Mims had two firsts and a second and Howard picked up a fourth, a fifth and a sixth.

The four battled to three firsts and three seconds in relay events.

Junior Golfers In Qualifying Round

A field of 16 junior golfers Tuesday was qualifying for the annual Midland Country Club Junior Golf Tournament.

The tourney this year will be a 72-hole medal play event. It will continue through Thursday.

Trophies will be awarded the high placers following completion of the meet.

Andrews Mustangs Open Grid Practice

ANDREWS — Approximately 40 candidates for the 1950 Andrews High school football team were on hand Tuesday when Coach Francis (Big Thumb) Tubbs opened practice. There will be only 18 workout days before the opening game here September 8 with Dalhart.

This years the Mustangs will train at home. In the past the squad has gone to a camp near Menard for pre-season conditioning but an Interscholastic League ruling passed this year requires training to be done at home.

Most of the boys have been employed during the Summer and were in condition when they reported, according to Tubbs, who has been marked as having a strong contender for the District 5-A championship.

Nylon ropes are becoming popular with cowboys and rodeo-riders for lariats.

Swim Team To Houston

A team of 13 Midland swimmers Tuesday departed for Houston, where they will enter the U. S. Junior Olympics Wednesday and Thursday. Bob Aldridge accompanied the team as coach in the place of Wade Whiteley, who was unable to make the trip.

The Swimmers traveled in automobiles furnished by Stanley Erskine and Mrs. D. C. Sivalls.

Midland entries in the national meet qualified in a tournament several days ago in Odessa. They will form one of the strongest teams scheduled for competition in the big event.

Entries from here include Tim Cornwall, Paxton Howard, Glenn Pine, Joan Monroe, Caroline Curd, Bill Erskine, Roy Kimsey, Larry Friday, Pat Curran, Charlie Jones, Betty Sivalls, Bill Mims, Preston Bridgewater and Mary Herndon.

Ezzard Charles To Try For Quick Kayo Over Fred Beshore

BUFFALO, N. Y. —(AP)— Ring-rusty but confident Ezzard Charles returns to action Tuesday night an almost prohibitive favorite to blast longshot Freddie Beshore out of his path to a lucrative crack at Joe Louis.

Sharp-Shooting Ezzard is rated at least 1 to 5 to belt the day lights out of Beshore and hold on to his NBA Heavyweight Championship. The 15-round title fight starts at 8 p. m. CST in Memorial Auditorium.

Sidelined by a rib and heart injury for almost six months, the 29-year old champion aims to renew his ring campaign in a different role.

Hitherto an efficient but cautious performer, Charles plans to turn "tiger" Tuesday and gun for an eye-catching and quick kayo.

Cruise Ship Burns; All 600 Aboard Saved

TADOUSSAC, QUEBEC —(AP)— The 7,000-ton cruise ship Quebec burned to the waterline Monday night after racing aflame in the St. Lawrence River to land safely some 600 persons aboard.

The 22-year-old vessel was owned and operated by the Canada Steamship Lines, whose cruise ship Noronic burned at her berth in Toronto last September 17, taking a toll of 119 lives.

Operators of the Quebec said she was a "complete loss."

A few among the 400 passengers and approximately 200 crew members on the Quebec reported minor injuries. A considerable amount of baggage was destroyed as the ship burned to the water's edge about four hours after she docked at this resort town at the mouth of the Saguenay River.

Still unexplained was the cause of the fire, discovered late Monday afternoon as the passengers crowded the Quebec's decks watching the grandeur of the Saguenay Cliffs.

YMCA Junior Teams In Baseball Meet

WICHITA FALLS —(AP)— Second day play in the second annual YMCA area Tri-State Junior Baseball Tourney got under way here Tuesday.

The Amarillo Lookouts are favorites in the tourney after thumping San Antonio's Tripp's Texacos 10-3 Monday.

Other results included:

Frank Jennings (Borger) 7, Big Spring Cats 2; Big Spring Cats 4, Dallas Park Cities 2.

Alpine Certified—

WICHITA, KAN. —(AP)— The Alpine, Texas, Cowboys were among teams certified Monday to the National Semi-Pro Baseball Tournament to open here Friday.

Texas League—

Beaumont Hot After Fort Worth

By The Associated Press

The Beaumont Roughnecks, with their hustling plays and explosive rallies, plus the aid of Houston's Jerry Witte's big bat, are breathing down the neck of the Texas League-leading Fort Worth Cats Monday.

The Roughnecks bumped out 12 hits and exploded for eight runs in the sixth frame to best Oklahoma City 11-8 Monday night. Jerry Witte's second homer of the evening, in the ninth frame, gave Houston a 3-2 victory over the Cats.

Beaumont is only one and one-half games behind the Cats and coming fast.

Dallas took the opener of a twin bill from San Antonio 4-0. The Missions bounced back to blank Dallas 1-0 in the second game. Shreveport whipped Tulsa 6-3.

Gil McDougal paced the Roughneck attack at the plate with four for five, including a homer and a triple. Harry Schaeffer was the winning pitcher, after he relieved starter Ernie Nevel in the sixth. Leroy Wheat was the loser.

Witte Clouts Two

Witte had homered in the fifth inning to start a mild rally and give Houston a 2-2 tie with Fort Worth. The two round-trippers were Witte's twentieth and twenty-first of the year.

Gerald "Red" Fahr allowed Tulsa only seven hits as he elbowed the Sports to their victory. Jack Hussey's two-run homer put the Sports in front in the fourth inning, and they added pairs in the sixth and seventh. Dewey Williams and pinch-hitter Bill Martin homered for the Oilers. Bob Curley, who pitched only six innings, drew the loss.

Dallas' Bob Buhl faced only 24 batters in shutting out San Antonio. Lew Morton slapped a two-run homer for the Eagles. Frank Biscan held the Eagles in check as he gave up three hits in the nightcap. Joe Frazier singled to drive in San Antonio's lone run in the third—but it was enough to whip the Eagles.

WT-NM League—

Albuquerque Downs Pace-Setters Twice

By The Associated Press

Albuquerque slapped down the West Texas-New Mexico League leading Pampa Oilers twice Monday night and put a tighter grip on fourth place—five games out.

The Dukes took the opener from the Oilers 11-5 then grabbed the nightcap 3-1. Lubbock, three games off the pace in third place, whipped Clovis 7-6, second-place Lamesa fell to Amarillo 8-11, and Borger ran over Abilene 18-3.

Albuquerque scored six times in the seventh frame of the first game to whip Pampa. The Dukes chalked up three runs in the ninth to edge the Oilers in the second.

Consecutive homers by Don Moore and Mike Dooley in the tenth inning gave Lubbock its win.

Frank Murray gave Amarillo its victory, driving in six runs with a homer, triple and single.

Borger pounded out 19 hits in its attack against Abilene. Five Abilene errors also aided in the scoring.

NCAA Recommends Six Suspensions

CHICAGO —(AP)— The National Collegiate Athletic Association Council has recommended suspension of six schools from NCAA membership for reported violation of the "sanity code."

The schools were not notified. However, it was indicated other schools might be added to the list. The action was taken Monday.

Disciplinary action must be voted upon at the full NCAA Convention in Dallas January 10-13. Suspension bars disciplined schools from competition with other NCAA members and from association championships.

The council, in a weekend session here, heard a report on 11 suspected violators of the code since the last NCAA convention in New York in January. The other five cases must await further investigation.

SPORTS SLANTS

by SHORTY SHELBURNE

The Odessa Oollers, seeking to add strength for the remainder of the season and the playoffs, last week made an unsuccessful attempt to purchase Kenny Jones, spark-plug little Midland catcher.

The Oilers were bidding real dough for Kenny but the deal just didn't fit.

We would venture to say that with Kenny working behind the plate, the Oilers would be stronger at every position than any team in the league.

—SS—

Kenny might have gained personally if he had been sold to the Oilers but it wouldn't have helped his future any.

Jones has served notice to one and all that he isn't going to play Class D baseball next season. He means just that, too.

Chances are the management of the Indians will peddle Kenny when the season ends. If not so, he is a cinch to be drafted to higher baseball.

—SS—

The proposed wrestling bout between jumbo umpire George Thomas of the Longhorn League and Pat O'Dowdy, the widely-known tough guy who headquarters in Big Spring in the Winter, is just about set.

Thomas has come to an agreement for the bout and it is expected O'Dowdy will come to terms just a soon as he can be reached for a conference.

—SS—

The tentative date for the fight is September 11 in Indian Park. That's the day after the baseball season closes and Thomas will be available.

If O'Dowdy can't be signed for the bout, it is likely Rod Fenton or Alex Kasabaski can be matched against Thomas.

—SS—

"I'll wrestle anybody you name just as soon as the baseball season is over," Thomas told us when we asked him about a possible bout here.

"I train every day and I'm in good shape," he said.

It'll be quite a treat to see Thomas in action on the mat after watching him perform as an arbiter on the baseball diamond.

—SS—

A 12-round bout for the Texas heavyweight champion will be staged Saturday night in Odessa's Oiler Park.

Bill Wooster is promoting the fight which will match the champion, Dolph Quijano, against the former state title holder, Buddy Scott.

Wooster says the bout stacks up to be a top-notch affair.

Williams' Manager Expected To Give Up

PHILADELPHIA —(AP)— Frank (Blinky) Palermo, manager of lightweight champion Ike Williams, was expected to surrender to police Tuesday in connection with a South Philadelphia gun battle.

Attorneys for Palermo and James Singleton, 42, both of Philadelphia, announced late Monday both men would be surrendered to police, probably in time for arraignment at Central Station Police Court.

A third man wanted by police in connection with the gun battle, Joseph Coffey, 45, of Philadelphia, was returned to Philadelphia Monday night after waiving extradition at Margate, N. J. He was arrested in the New Jersey city earlier.

Inspector Richard Doyle has identified Coffey as a "strong arm man" for one of Philadelphia's largest numbers banks.

Doyle said the bank is operated by Palermo and Singleton and ordered their arrest, along with that of Coffey, on charges of violation of the firearms act, reckless use of firearms, atrocious assault and battery with intent to kill and conspiracy.

Black Indians Rout Odessa Nine 20-10

The Midland Black Indians Monday night swamped the Odessa Black Oilers 20 to 10 in a baseball game played at Indian Park.

Harry Dooley notched the victory in going the route. He was aided by the five-for-five hitting of Shortstop Williams. Williams clouted a two-run homer for the Black Tribe.

JAKE LA MOTTA TO BATTLE FRENCHMAN

NEW YORK —(AP)— Jake LaMotta will defend his middleweight crown next month in Detroit.

The champ signed Monday to meet France's Laurent Dauthuille in Olympia Stadium September 13.

West Texas Oil And Gas Log—

(Continued From Page One)

eight-tenths of one per cent basic sediment. Flowing pressure on this test was 3,500 pounds and shutin pressure was 3,620 pounds.

Reef top was called at 9,289 feet, and seven inch casing is set at 9,293 feet. A 100-barrel hourly gauge was previously reported at 9,327-9,375 feet.

The No. 1 Hopper is 510 feet from south and east lines of labor 8, league 5, Wilbarger County School land survey, and six miles south of Smyer.

C-E Irion Prospect Fails To Get DST

Wilshire Oil Company and Balboa Oil Company No. 1 Brooks, Central-East Irion County wildcat, five miles west of Knickerbocker, failed to get a drillstem test on the Strawn lime zone at 7,620-90 feet in a zone which had shown some oil and gas indications in a core.

The tool was open for 30 minutes. No air, gas or fluid came to the surface. Operator then re-set the packer and left the tool open for another 30-minute period. There were no signs of air, gas or fluid at the surface.

When the tool was pulled it was found that the tester was plugged.

Operator went in to core at 7,190 feet. The lime was extra hard. It required 89 minutes to cut one three-inch streak of hard lime.

Recovery from the core was two and one-half feet of hard, tight lime. It had some oil stain, but very little porosity.

Operator has now gone in with a bit to drill through the hard streak. When another soft zone is encountered, coring will be resumed.

Top of the Strawn is at 7,120 feet. Elevation is 2,315 feet.

Location is 660 feet from north and west lines of section 21, block 3, H&TC survey. It is 13 miles north of the Tankersley-Strawn field in the southeast part of Irion County.

Clear Fork Project Staked In N-C Ector

The Eastland Oil Company has staked a Clear Fork exploration on the northeast side of the Donnelly-Holt pool in North-Central Ector County.

Eastland's No. 6 J. L. Henson, Jr., is slated to be drilled to 6,000-feet to test for a possible fourth pay zone in the Donnelly multipay area. The pool already has production from the San Andres and Holt formations, and has indicated for production from the Grayburg.

The proposed project will be 2,321 feet from south and 330 feet from east lines of section 37, block 44, T-1-S, T&P survey. It will be six and one-fourth miles southeast of Goldsmith.

Operations are to begin immediately.

Phillips Stakes Two Tests In Tex-Harvey

Phillips Petroleum Company has slated its No. 2-A Leta as a west edge well to the Tex-Harvey pool of Central-East Midland County, and its No. 1-B Leta as a project inside production of the same field.

The No. 2-A Leta will be 660 feet from west and 664 feet from south lines of section 9, block 37, T-3-S, T&P survey. It is contracted to go to around 8,000 feet with rotary. Drillsite is 14 miles southeast of Midland.

The No. 1-B Leta will be drilled 660 feet from west and south lines of the northeast quarter of section 9, block 37, T-3-S, T&P survey. It also is to be dug to around 8,000 feet with rotary.

Kelley-Snyder Slated For Two Explorations

Two Kelley-Snyder field projects, inside of production in the west-central portion of the ifeld, have been scheduled for immediate drilling.

J. H. Moore will drill his No. 1 Grimes Estate 2,344 feet from north and 1,067 feet from east lines of section 14, block 1, J. P. Smith survey, one and one-half miles west of Snyder.

Phillips Petroleum Company has spotted its No. 7 Mebane 4,159 feet from north and 467 feet from west lines of section 210, block 97, H&TC survey, four miles west of Snyder.

Lion Oil Company and Stroube Oil Company will each begin drilling on a venture in the Diamond M-Canyon field, 13 and 15 miles from Snyder, respectively.

No. 25 Strom

The Lion project is the No. 25 Strom, 616 feet from west and 2,217 feet from south lines of section 199, block 97, H&TC survey.

Stroube No. 9 H. H. Eiland will be 660 feet from north and 1,960.7 feet from west lines of section 146, block 25, H&TC survey.

D. D. Feldman has slated his No. 13 P. L. Fuller for immediate drilling 860 feet from west and 467 feet from south lines of section 703, block 97, H&TC survey, Cogdell field, 16 miles north of Snyder, at once.

Vealmoor Extension To Install Pump

Pump is slated to be rigged at a three-quarters of a mile northeast outpost to the Vealmoor-Canyon field in Central-South Borden County.

The project is Jake L. Hamon and Edwin L. Cox, both of Dallas, No. 1 T. J. Good. On the swab, it was reported to have recovered 16 barrels of oil per hour for 12 hours. However, the well did not kick off and flow. Neither did it flow after being shutin for 12 hours after the test.

The extension is bottomed at 7,845 feet. Five and one-half inch casing is set at 7,806 feet, reef top.

Location is 560 feet from north and east lines of southwest quarter of section 23, block 32, T&P survey, and five and one-half miles northeast of Vealmoor.

It is three-fourths of a mile northeast of Tolan Production Company No. 1 McAdams, recently completed flowing extension in that area.

Mitchell Prospect Plugged, Abandoned

A Northwest Mitchell County wildcat which at one time gave promise of a discovery from the Pennsylvanian lime, has been plugged and abandoned after extended testing.

The initial show for production failed to develop. The project was Thomas W. Doswell and associates No. 1-A Solomon.

It was located 18 miles northwest of Colorado City and three miles southeast of the one-well Dunn-Canyon field. The drillsite was 660 feet from north and west lines of section 72, block 97, H&TC survey.

Total depth reached was 8,311 feet in the Ellenburger. That zone made water and had no possibilities of oil or gas production.

Plugged Back

Operators plugged back to 7,538 feet in the Pennsylvanian lime and cemented a string of casing at that point. The pipe was perforated at 7,448-68 feet, and treated with a total of 20,000 gallons of acid by stages.

The section showed some oil and some water. Operator reported that a total of 200 barrels of new oil, plus 95 per cent water, was produced during the extended period of testing.

A completion reported on the well was filed so the 200 barrels of oil could be sold and moved. Then a plugging application for the failure was filed with the regulatory body.

C-SE Kent Wildcat Fails In Ellenburger

Sun Oil Company has abandoned its No. 1 Wallace in Central-Southeast Kent County in barren Ellenburger dolomite.

Total depth was 7,556 feet. Ellenburger top was picked at 7,334 feet. The project encountered no fluid in the Ellenburger, nor were any possibilities of production developed in the upper zones.

Location was 660 feet from south and east lines of section 46, block 97, H&TC survey, and five and one-half miles southeast of Clairemont.

Downing To Attend WTCC Meeting In Abilene Wednesday

Delbert Downing, manager of the Midland Chamber of Commerce, will be in Abilene Wednesday to attend a meeting of Chamber of Commerce managers who will plan a suggested program for reorganizing and revitalizing the West Texas Chamber of Commerce.

Downing is one of a group of local Chamber managers appointed by E. O. Wedgeworth of Pampa, president of the Chamber of Commerce Managers Association of West Texas, to represent the various districts of West Texas at the Abilene meeting.

The committee was named at the request of Raymond Lee Johns, acting manager of the WTCC, whose plan of reorganization has been approved by WTCC President J. M. Willson, Sr.

D. A. Bandeen, veteran manager of the regional organization, resigned recently and Johns, an assistant manager, was named acting manager.

The recommendations of the Chamber managers will be presented to members of the WTCC's executive committee, which is scheduled to meet Wednesday afternoon in Abilene.

Allies—

(Continued from Page One)

by such potentates as Moscow-trained Li Li-San and Kuo Mo-Jo, vice premiers, are visiting the North Korean capital, Pyongyang. Only a week ago the Chinese Communist radio at Peiping said the North Koreans had turned down their offer of military aid as not needed at the time.

Observes Anniversary

President Syngman Rhee of South Korea, observing the republic's second aninversary, said at Taegu, his emergency capital:

"The world knows through bitter experience . . . that Soviet Russia is trying to conquer the world by force. The Democratic world sees that leaving Korea to the aggressors will mean avowing continuation of aggression elsewhere in the world."

From Washington, President Truman messaged Rhee: "I know that the aggressor will be repelled and that the people of Korea will achieve the freedom and independence which are their natural right."

SURGICAL PATIENT

Anita Joyce King, six-year-old daughter of Mr. and Mrs. W. H. King, 502 East Illinois Street, was admitted Tuesday to Western Clinic-Hospital for minor surgery.

UNDERGOES MINOR SURGERY

Franklin Montgomery, three-year-old son of Mr. and Mrs. Jeff Montgomery, 202 West Cowden Street, was admitted Tuesday to Western Clinic-Hospital for minor surgery.

Sale of the McGuffey readers exceeded 122,000,000 copies.

Optimists Talk Grid Game Plans

Details of arranging for the college football game between Sul Ross and Abilene Christian College here September 23 were discussed at the Optimist Club luncheon Tuesday noon in Hotel Scharbauer.

The club is sponsoring the game, which is to be held in Memorial Stadium.

V. H. (Pete) Van Horn announced that the board of directors had designated Lee Holman as coordinator for committee chairmen.

Chairman of the football committees, which also were announced by Van Horn, are Jerry Monroe, tickets; Dave Cole, advertising; Dick McKnight and Nub Jones, program; Johnny Davis, police; Max Perry and Ray Jenkins, concessions; Holman, welcome; C. O. Torgeson, half-time program; John Grimland, finance.

Livestock

FORT WORTH —(AP)— Cattle 2,500; calves, 1,100; about steady; slaughter steers and yearlings 20.00-27.50; medium grade steers 23.00-26.00; beef cows 19.00-21.00; canners and cutters 12.00-19.00; sausage bulls 18.00-23.00; good and choice fat calves 25.50-29.00; common to medium calves 20.00-25.00; culls 19.00 down; stocker calves 20.00-31.00; stocker and feeder steers and yearlings 20.00-28.00; stocker cows 18.00-22.50.

Hogs 900; butchers 25-50c higher; sows and pigs unchanged; good and choice 190-265 lb butchers 23.50-75; good and choice 160-180 lbs 21.75-23.25; sows 18.00-21.00; feeder pigs 21.00 down.

Sheep 1,800; Spring lambs and yearlings poorly tested, few sales weak to lower; cull and common slaughter ewes fully 50 cents higher; feeder lambs steady; medium to mostly good Spring lambs 27.00; medium slaughter yearlings 20.00; cull to medium slaughter ewes 12.00-14.00; breeding ewes 15.50-16.50; feeder lambs 23.00-25.50.

Reds Push—

(Continued from Page One)

issued Tuesday night said the South Koreans successfully counter-attacked the river-crossers near Waegwan and found Allied air support presumably had knocked out Red armored cars.

Intelligence officers were unable to learn whether the Waegwan crossing was the beginning of the expected smash by 60,000 Communist troops massed there or whether the Reds were feeling South Korean lines for a weak spot.

As the critical river front battle in the center shaped up, gallant U. S. negro foot soldiers stormed the "Little Cassino" redoubt seven miles north of Masan. Masan is a south coast port 27 air miles west of Pusan, No. 1 U. S. supply base on the southeast tip of the peninsula.

The fight went into hand-to-hand combat with bayonets and rifle stocks used as clubs. The negroes, capturing the craggy heights, freed some 200 wounded U. S. artillerymen who had been pinned down by the Communists in last week's westward drive to Chinju by Marines and Army infantrymen.

Supply Line Endangered

In the northeast, American troops captured Yuktong, nine miles west of Pohang Air Base on the Sea of Japan coast.

South Korea's Capitol Division smashed down from the north and took the town of Imam nearby. Combined Allied forces moved to within half a mile of Pohang, second most important port on the east coast until the Communists overran it last week.

But the hardest fighting Tuesday night was centered below Changnyong. There 12,000 Reds were trying to break out from a narrow bridgehead, bought at a heavy cost in lives. A breakthrough there would imperil the Taegu-Pusan supply line to the east.

Americans held their ground in the center and northern end of the battle for the Changnyong ridge. They concentrated on retaking the southern end.

AP Correspondent Jack MacBeth reported one U. S. battalion fell back more than a mile in the day-long fighting Tuesday. One U. S. company of about 200 men was forced back 2,500 yards, MacBeth added in a field dispatch.

The correspondent quoted a staff officer as saying reverses on the ridge were not major setbacks. All could be retaken, the officer said.

Congratulations To:

Mr. and Mrs. T. C. Miles, Box 166, on the birth Tuesday of a son, Bob Miles, weighing seven pounds, one ounce.

Mr. and Mrs. Wade Gamblin, 1611 West College Street, on the birth Monday of a son, Dale Leland, weighing eight pounds, one and one-half ounces.

MEDICAL PATIENT

O. H. Sherrell of Notrees was admitted Monday afternoon to Western Clinic-Hospital as a medical patient.

TO UNDERGO SURGERY

B. F. Davidson, 3000 West Ohio Street, Midland building contractor, was admitted Tuesday to Western Clinic-Hospital, where he is to undergo major surgery.

UNDERGOES SURGERY

Jacquiline Ashby, 11, daughter of Mr. and Mrs. C. L. Ashby, 305 West Florida Street, was admitted Monday to Western Clinic-Hospital, where she underwent major surgery.

Marco Polo said asbestos was used in Siberia in the 13th Century.

Tax Writers Weigh Idea Of Super-Tax On Inflated Incomes

WASHINGTON —(AP)— Congressional tax law writers Tuesday weighed the possibility of putting a super-tax in 1951 on war-inflated incomes of individuals as well upon the excess profits of corporations.

Moreover, in a search for new revenue, the tax-framing Senate Finance Committee ordered its staff to explore the possibilities of:

1. A national wholesale or retail sales tax.

2. A national transactions levy, which might be an expansion of the retail sales tax idea to put a tax on each transaction for goods or services.

Chairman George (D-Ga) said the staff also will study proposals that new excise levies be put upon non-essential goods, to discourage buying.

George told reporters the idea of of extending the excess profits levy to individuals is "an effort to preserve people with fixed and limited incomes who would be crushed by making regular income tax rates higher and higher."

"If we're to save our whole system, we've got to preserve the middle income people," George said. "We can't crush them."

India Proposes 'Little UN Council' To Try For Peace

LAKE SUCCESS —(AP) —The Security Council's big battlers Tuesday studied an Indian proposal to let the small nations seek a path to peace in the Korean war.

As the council recessed until Thursday afternoon, Indian delegate Sir Benegal N. Rau suggested that the six elected, non-permanent members might be better able to find a solution in public and private meetings at which cold warring Russian and American delegates were not present.

Rau suggested that such a "little council" study "all resolutions or proposals that have been or may be presented for a peaceful and just settlement in Korea and submit their recommendations to the council by a specified date."

Warm Reception

The Western Big Three—France, Britain and the United States—gave the idea a cordial reception in principle but said they would like to hear more details.

However, Russia's delegate and the current council president, Jakob A. Malik, made no reference to the Indian suggestion in statements lashing back at Norwegian and French attacks on the way he has been filling the chair.

The council Monday continued—without solution—its procedural war of words over the Russian-opposed proposal to let a South Korean delegate sit in on the sessions.

House Ballot On Postal Cut Awaits Missing Sponsor

WASHINGTON —(AP)— Rep. John R. Walsh (D-Ind) failed to show up for the start of Tuesday's House session, leaving in doubt the fate of a bill to cancel an order curtailing postal service.

Walsh, a freshman, is the only member who can call up the bill and he can call it up only Tuesday.

The bill is before the House under a special rule adopted Monday after 218 members signed a petition to take it away from the Rules Committee.

Walsh filed the petition last month after the Rules Committee failed to clear the bill for normal House consideration.

At last report, Walsh was hurrying back from a speaking engagement at Green Bay, Wis. Monday. Walsh told reporters:

"God willing, I'll be on the floor" in time for the vote.

If Walsh doesn't show up, the bill will be knocked off the House calendar and can be considered again only if the Rules Committee changes its mind or 218 members sign another petition.

Hurricane Stalls Over Open Sea

MIAMI —(AP)— The Atlantic hurricane stalled over open water about 800 miles from Miami Tuesday with winds of 100 miles an hour whistling around its center.

"The storm has come to a halt," said Grady Norton, chief hurricane forecaster in the Miamia Weather Bureau. "Apparently it will wallow around out there for a few hours, building up in intensity."

Future movement is uncertain, he reported.

A Navy hurricane hunter bored into the storm in the early morning hours.

Norton said no storm warnings are up on any land area. Only shipping has been advised to take precautions against the heavy winds.

BANS U. S. NEWSREEL

TEL AVIV, ISRAEL —(AP)— Israeli censorship authorities banned the showing of an American newsreel on Korea. The film dealt with the background of the Korean trouble. No reason was assigned for prohibiting showings.

Rats and guinea pigs can be killed with high frequency sound waves, but man is safe against them because he has no fur. With the fur-bearing animals, the sound energy is turned into heat and they die from the high frequency noise because they get so hot their body proteins coagulate.

Finance—

(Continued from Page One)

called a $1,000,000 bond vote at its regular meeting July 24. The county funds would be used to help finance the proposed improving of North Front Street from east to west city limits, and for a proposed Big Spring Street grade separation and drainage project. Some of the county funds also would finance the acquisition of additional right-of-way for the possible widening of U. S. Highway 80 to the east county line.

No Tax Increase Probable

The City Finance Commission is composed of a group of citizen who serve voluntarily in the capacity of advising the City County in matters concerning fiscal policies. Members of the commission include Addison Wadley, Wicker, Robert L. Wood, J. T. Baker, J. C. Barnes, J. W. McMillen and Clarence Scharbauer, Jr.

Commission members said the tax supported bonds likely will not necessitate an increase in the tax rate, but that water rates perhaps will be hiked to retire the proposed issuing of the revenue bonds.

Air Force ROTC Offers Deferments

WASHINGTON —(AP)— Students in advanced Air Force reserve officer training can resign from reserve forces or the National Guard in order to complete their ROTC work.

An Air Force announcement Tuesday said advanced training is considered to be third and fourth-year courses.

It said these advanced course students will be deferred from the draft after they have left the reserves, so long as they participate in the ROTC program.

GRAMMER-MURPHEY

+ Andrews News +

ANDREWS — Four Andrews couples left by plane from San Antonio for Mexico City where they will spend two weeks vacationing. Making the trip are Mayor and Mrs. James Ulmer, Mr. and Mrs. Craddock Ulmer, Mr. and Mrs. Bob Martin and Dr. and Mrs. Richard Ramsey.

Noble Grand Navona Garvin and Mrs. Fern Nix, secretary of the Andrews Rebekah Lodge, are in Wichita Falls, where they will attend a meeting of the Rebekah State Secretarial Association.

Word was received here recently of the wedding of Betty Patterson and Owen C. Boodwin August 5 in Los Angeles, Calif. The bride is the daughter of Mr. and Mrs. W. E. Patterson of Andrews.

Aud Jones, pastor of the Fullerton Baptist Church, is conducting a 10-day revival ending August 21 at the Immanuel Baptist Church. Gerald Johnson, educational director of the First Baptist Church, will act as song leader, accompanied on the piano by Mrs. Johnson.

Supt. Thomas D. Hamilton announced that vaccinations for beginning school students would be given by Dr. Z. W. Hutchinson and School Nurse Mrs. Jewel Jones Tuesday at the school clinic.

Mrs. Carl Betenbough and sister, Mrs. Bob Warren, are on an extended vacation in Tennessee and Kentucky.

The Rev. G. W. French, who is conducting a revival service at the Means Memorial Baptist Church, was guest speakear at a recent Lions Club luncheon.

There are more Navajo Indians now than in the days of the Spanish Conquistadores.

Tragedy Again Bereaves Widow Of Buddy Clark

LOS ANGELES —(AP)— With the traffic accident death of her daughter, Penny Clark, tragedy again has taken a brutal swing at pretty Nedra Clark, widow of Buddy Clark, the crooner.

Penny, a laughing seven-year-old, dashed across a busy intersection to join playmates Monday and ran directly in front of an oncoming car.

The child's nurse, Ruth Shackelford, told police she called to Penny, but the child apparently didn't hear her. The driver, Edward Cheetham, 28, of Santa Monica, was not held.

It was the third major tragedy for the grief-torn Mrs. Clark, 31, who once was selected as America's most beautiful brunette.

Singer Clark, Penny's father, only 37, was killed in an air crash last October 1.

But before that, Mrs. Clark had seen her first husband, William M. Evans, go beserk after she divorced him in 1941 and stab their two-year-old son and her mother to death. A button which deflected the blade saved her own life. Evans is serving a life term in Illinois State Penitentiary.

Editor Back In West Texas And Is Plenty Glad To Be

By BILL COLLYNS
Reporter-Telegram Editor

It's great to be back in Midland, West Texas, even after a most enjoyable trip with the wife and daughter through parts of New Mexico, Arizona, Nevada and California.

In fact one experiences a certain feeling of satisfaction or something or other when crossing the state line north of El Paso enroute back into Texas after touring the states to the north and west. The highway just seems to be smoother and wider and the automobile just seems to run better.

And then one makes a purchase and there is no sales tax. It is great to reside in the Lone Star State.

But it is fun to visit in New Mexico, Arizona, Nevada and California and we recommend it highly. We found residents of those states generally to be friendly, courteous, cordial and anxious to be of service to their visitors. Accommodations are excellent and prices in most instances are reasonable. (One establishment somewhere along the route advertised "sensible" prices.)

Although traffic was heavy on the main travel arteries we did not see a single highway mishap on the 2,762 mile tour. Driving in the cities is comparatively simple.

The more or less standard traffic rules in force are obeyed by one and all. It seems most cities in the western states have traffic officers in sufficient numbers to enforce the rules and regulations. One thing for sure, the pedestrian has the right of way in Arizona and California. When he steps out into the street in a pedestrian crossing lane, all traffic stops until he is across the street. And most of the Californians seem to enjoy taking their time in crossing the busy thoroughfares while the vehicular traffic waits. Signal lights, pedestrian and railroad crossings are well marked. Underpasses and overpasses are numerous throughout the vast area.

Texas Highways Are Best

Highways in most of the states visited are in excellent condition although most of them do not come up to the standard of the Texas highway system. But through the mountains, the roads are kept in top shape. Detours were at a minimum, although we were held up about 45 minutes while some blasting and road clearing went on in a mountain highway project near Globe, Ariz.

Traffic is exceptionally heavy on U. S. 66 from Albuquerque west, and one sees all kinds of vehicles—some fast, some slow and some stalled by the roadsides. Some of the cars apparently were not built for desert or mountain driving, while others whizzed by without slowing down. Automobile license plates from all states in the union are noted as one drives along, with Texas cars pretty well holding their own in numbers.

Three and four-lane highways between major cities and approaching other busy areas in the Western states are much appreciated by the tourists and serve as a safety factor in highway travel. But nowhere is the traffic any heavier than between Midland and Odessa—a 20-mile stretch on which work soon is scheduled to begin on a four-lane divided highway. It should have been built long before now, and it is hoped the new and wider artery of travel eventually will be extended on west to Pecos.

Curios, curios and more curios readily are available in the cities and along the highways throughout the Western states. The curio industry is big business and surely must provide considerable income to the states of New Mexico, Arizona, Nevada and California. It all is a part of the vast tourist business which constitutes a major source of income in the above mentioned states. Each and every place of business features curios of all kinds and at all prices.

All MaRe Sales

We have no idea as to the number of roadside establishments we passed while traveling U. S. 66 between Albuquerque and Gallup, N. M., but there are scores of them in addition to the many stands operated by native Indians. Practically all of the combination service station-curio shops are "last chance" stops until nearing either of the cities, when they become "first chance." And all seemed to be doing business.

Two motion pictures were being filmed in Gallup the day we were there and movie stars were all over town. Paul Douglas made his exit from a drug store as we entered it, but the friendly soda fountain clerk had to tell us who he was. The clerk then went into a long spiel about all the movie stars who were in Gallup or recently had been there. Gallup also was preparing for its big annual Indian festival and the city was all in a dither. It was hot, too.

But the hottest drive we made was from Riverside, Calif., through Indio, Blythe and one to Wickenburg, Ariz. That really is desert country. Riverside, by the way, is a most attractive city which is expanding in all directions.

And Texans really have to brag to out-brag those Southern Californians. In fact, the Californians may have the upper hand at the moment. They go all out in telling about their state and section and it is difficult to get a word in edgeways concerning the superior advantages of the great State of Texas. But the Texan knows the Californian merely is bragging while he is stating facts. And so it goes.

Banker Has Convincing Story

V. B. Gillespie, a vice president of the Security First National Bank in Long Beach, with whom we had a nice visit, told us frankly and in a most convincing manner that Southern California now has something to brag about industrially as well as in many other lines and that the area is well established on a firm foundation. Gillespie, who formerly resided in Roswell, N. M., related the tremendous growth and development of Long Beach and vicinity in recent years and explained just why the sector now is "made," as he termed it. Coming from a conservative banker, his words convinced us and there is no argument in so far as we are concerned.

But clearing out all those orange groves (or ranches, as they call them) to make room for those tremendous housing projects makes us wonder about our breakfast orange juice supply.

Phoenix, Ariz., is another city which seems to be growing by leaps and bounds, and the residents there are proud of their city, too. And El Paso is no slouch as a growing city, with expansion quite evident in all directions. Dorrance Roderick, publisher, and Bill Hooten, editor, of the El Paso Times took time out to tell us all about the rapid growth of their city. They also advised us that plans call for the operation of Fort Bliss at full capacity the next three year. That means something to El Paso.

We also visited briefly with Thad Steele, a former Midlander, while in the border city. A. P. Baker, another former Midland resident, was vacationing here while we were in El Paso.

Rain And Grass

We ran into more Summer showers and more green grass country after getting back into West Texas. The country around Sierra Blanca and Van Horn is the greenest we have seen it in a long time. And it was raining there Saturday afternoon. In fact we were in showers every day we were driving. It rained on us near Safford, Ariz., and in the Lordsburg, Deming, and Las Cruces, N. M., areas the previous afternoon. Lots of green grass is seen around Safford.

We saw lots of country and lots of sights and had lots of fun, but again it is nice to be back at home in West Texas.

ACIDITY

Fear, anger, excitement, careless eating—these cause acidity. Drink delicious, pure Ozarka Water, free from chlorine, alum, copper sulphate. Physicians recommend it. Shipped everywhere.

MOVIES NEXT? — Sharman Douglas, 22-year-old daughter of U. S. ambassador to Great Britain Lewis Douglas, is being tested for a role in a new movie entitled "That Man From Tangier," now being filmed in Spain.

Carrier Planes Off Navy Task Force 77 Have 'Lucky 13th'

WITH TASK FORCE 77 OFF KOREA —(AP)— The thirteenth was a lucky day for carrier planes of Vice Adm. Arthur Dewey Struble's Naval Task Force 77.

Carrier-borne Skyraiders, Corsairs and Panther Jets knocked out more than 30 Communist locomotives and many freight and troop cars in the area of Pyongyang, capita' of North Korea.

First to hit the jackpot was Lt. D. R. Hagood, Fort Worth, Texas. He and his wingmen found seven locomotives with steam up in a yard north of Kumchon. The early morning jet sweep smashed all seven.

Lt. Robert C. Logan, Coronado, Calif., got his locomotive with an 11.75-inch Tiny Tim rocket. Logan said: "The train had just crossed a bridge north of Pyongyang when I let go at the engine. It exploded underneath me and when I turned there just wasn't any engine—not even a big piece."

Like 500-Pound Bomb

Tiny Tim rockets were used Saturday and Sunday for the first time by Task Force 77 and were found to pack a punch equal to a 500-pound bomb or 12-inch shell.

At Haeju, 20 miles west of Kaesong, 12 tank cars were strafed and burned. Near Yontan, most of an 18-car ammunition train was exploded and seven troops-laden coaches were strafed.

In Chinnampo harbor, a Liberty-type ship was rocketed and burned and a gunboat and two other small craft were destroyed nearby. Depth charges were dropped successfully on a chemical and smelting plant east of Chinnampo.

The Navy fliers also knocked out powerboats, trucks, jeeps, warehouses, power stations, factories and bridges—all adding up to a major reduction of Communist war potential.

Over Pyongyang, heavy and accurate radar-controlled ack-ack fire was encountered. However, all planes and pilots returned safely from the 161 sorties.

Mother, Daughter Dissolve Marriages To 'Joint' Husband

STOCKTON, MO. —(AP)— A farmer, married to a mother and her daughter at the same time, has lost both his wives.

The daughter, 20-year-old Marge Ann Sexton, Monday obtained an annulment of her marriage to Leo E. Sexton.

Late Friday, her mother, Mrs. Helena Sexton, got a divorce from Tom Sexton.

Neither woman sought to press bigamy charges.

"All they wanted was to get loose from him," said Prosecuting Attorney Joe W. Collins.

Collins said Sexton and Mrs. Helena Sexton were about 60 years old.

The elder Mrs. Sexton and the farmer married in 1938. She said Sexton seduced Marge Ann when she was 17 and married her on July 18, 1948 without getting a divorce. Marge Ann was Mrs. Sexton's daughter by a previous marriage.

Both women said they bore children by Sexton. The older woman has an 11-year-old daughter and the younger has a two-year-old son.

Going Your Way!

. . . Warm assurance in this new Race Pile Bolivia, a rich velour with the feel of fleece. You'll look so blithe in these crisp quarter-checks, dramatically pocketed . . . have it in Brown Check, Forest Green Check, or Black-and Grey Check. Sizes 8 to 18.

Mexico Expels Eight Art School Teachers

LAREDO — (AP) — Eight faculty members of an art school in San Miguel Allende, Mexico, who were deported for lack of proper Mexican work permits, believe they will be allowed to reenter Mexico.

The group, six of them U. S. citizens and two Canadian citizens, arrived here Monday after being escorted by armed guards from Mexico.

Sterling Dickinson of Chicago, head of the school, said they were kept prisoners on the train carrying them to the border and were not allowed to send telegrams.

The Department of Agriculture says there are about 1,850 farmers' mutual fire insurance companies in the U. S.

Missing General's Wife Still Hopeful

BERKELEY, CALIF. —(AP)— The wife of Maj. Gen. William F. Dean, 24th Division commander missing in Korea, still is hopeful he is alive and well.

Mrs. Dean arrived from Tokyo by plane Monday.

She said she heard rumors the general is safe, but nothing definite.
