Tahoka Bulldogs Play Crosbyton Here Tonight

With the eyes of Crosbyton upon them, Crosbyton's potentially powerful Chiefs tonight take their bow against the ambitious Tahoka Bulldogs on the local field at 8:00 p. m.

Crosbyton's determined Chiefs, boast seven lettermen of which four are backfield men with plenty of speed and spirit. There have been rumors that they are plenty tough.

The Crosbyton Chiefs played the Crosbyton all-stars last week-end so that Coach Woodrow Wilson could spot their faults and weaknesses and he has corrected these faults this past week with rigid workouts every day this week.

The Chiefs backfield which is made up of experienced men are plenty good. We saw those same boys in action last year so they should prove to be a real threat to our local Bulldogs.

Co-Captains Charles Freeman and Ross Cash will lead the Chiefs against the Bulldogs tonight. These two boys are also experienced men with Freeman holding down the Center position and Cash holding down left guard. The other letterman is Dwight Simer, right end that is so tough that he drives his whiskers through to the inside and then bites them off and spits them out.

This is the second game of the season for the Bulldogs and Coaches Leo Jackson and Hope Haynes have been trying to smooth out a few of the loose odds and ends that cost them a ball game last week-end.

Quarterback Jo Lehman won't be on the starting line-up of tonight's game. Jo suffered a leg injury early in the game with Monahans and it is still in not too good shape, however he may see some service in tonight's game.

Here are the probable line-ups:

Rev. G. S. Hardy, Clarendon, Dies

Thousands of friends and former parishioners of Rev. G. S. Hardy residing throughout the Northwest Texas Conference of the Methodist Church were grieved to learn of his death, which occurred at 2 o'clock last Friday morning at the home of a daughter in Clarendon.

Funeral services were conducted in the Methodist Church in Clarendon Saturday morning after which the remains were conveyed to Sweetwater, where another service was held and where the remains were buried.

Rev. G. S. (Sam) Hardy, 78, was a brother of Rev. Ben Hardy of this city, who hastened to Clarendon soon after learning of his brother's death to attend the funeral services there and like his Tahoka brother deceased had done many years of service in the Northwest Texas Conference.

Born and reared in Kentucky, deceased came to Texas in 1881, settling in Burnet county. There he studied law and was admitted to the bar, becoming a member of one of the well-known law firms of that city of that day. Later he served for some time as county attorney of Llano county. Then he answered the call to the ministry and joined the Northwest Texas Conference, which then included Llano county. That was in 1887.

School Supt. Here For Two Meetings

County's Trustees, Teachers Meeting

A county-wide teachers and trustees meeting will be held in the high school auditorium here Saturday, beginning at ten o'clock in the morning, according to County Superintendent Lenore M. Tunnell.

State Superintendent L. A. Woods and District Deputy E. Esten Day are each on the program for an address.

A number of local school leaders will also have places on the program and it is believed that this meeting will be highly beneficial to teachers and to trustees. All teachers and trustees in the county are urged to attend.

A tentative program for the day has been announced as follows.

Organization of Lynn County Teachers, S. F. Johnson, President. "Star Spangled Banner" John Hamblen, leader; Miss Georgia Taylor, pianist.

State Aid Program for 1940-41, District Deputy E. Esten Day. Address, State Superintendent L. A. Woods.

"God Bless America" Safety Talk, Member of the State Highway Department.

Texas Free Lunch Program, R. A. Metcalf of State Department of Public Welfare.

Announcements.

Grassland Will Dedicate School

Are you going out to the big celebration at Grassland today?

They are going to put the big pot in the little one out there, they say. They are dedicating the new school building. A lot of big bugs in the educational world will be there—and a lot of lesser lights too.

The program proper will start at 2:30 p. m. But a lot of the folks will meet at about eleven o'clock in the morning, and lunch will be served on the ground at noon.

The principal speaker of the afternoon will be Dr. L. A. Woods, state superintendent of public instruction. Prof. E. Esten Day of Plainview, who is also connected with the state superintendent's office, will be another speaker, as will J. Fred Horn of Austin, school plant supervisor.

County Superintendent Lenore M. Tunnell is also on the cards for an address. Supt. W. T. Hanes, Principal Lee Dodson Mr. A. L. Pace, and probably other members of the Tahoka faculty will be there, with possibly a few words to say.

An immense crowd of pupils, patrons, teachers, and friends of the school is expected to be present. And the Tahoka High School Band is also booked to be there to make music for the occasion.

Mr. Byron Terrell is serving his second year as superintendent of the Grassland school. His wife is teacher of the third and fourth grades, while Miss Elzora Rallsback teaches fifth, sixth, and seventh, and Miss Cleo Cowan is the primary teacher. Mr. (Cont'd. on Back Page)

AGED MAN COLLAPSED ON STREETS WEDNESDAY

E. D. Jester, 73, who suffered a heart attack near the court house late Wednesday afternoon, was reported to be slightly improved at the home of a friend here in Tahoka Thursday afternoon.

Mr. Jester, it is said, had been suffering from high blood pressure for some time and had planned to return to his former home at Fort Worth, seeking relief. His grandsons, Kenneth Crouch and Thurman Jester, had planned to leave with him early Thursday morning.

Mr. Jester's wife is dead, but the following children living in this area are at his bedside: Mmes. E. D. Crouch of near O'Donnell and C. H. Jackson of Post, and Messrs. A. D. Jester of Tahoka and Verley Jester of Littlefield, and other relatives.

State Superintendent L. A. Woods, (above) of Austin and District Deputy Superintendent E. E. Day of Plainview are spending today and tomorrow in Lynn county.

This morning at 9:30 o'clock, Dr. Woods will address the student body of the Tahoka High School and at 10:30 the student body of the O'Donnell High School. At 2:30 this afternoon he will make the principal address at the dedication of the new Grassland school building.

BPW Entertains Rotary Club

At a special business meeting Tuesday evening, the Business and professional Women's club made tentative plans for the next several weeks' programs, and heard committee reports.

Last night, Thursday night, the club had the Rotarians as their guests at a watermelon feast at the City Park.

Plans for the observation of National Business Women's week were discussed, and Miss Beverly Wells, member from O'Donnell, was elected to attend the District Conference at Vernon as the club's delegate.

Miss Wells and Miss Claire Ruth Nichols, both of O'Donnell, will discuss the platforms of the two presidential candidates at the first monthly dinner and program meeting for this year to be held next Tuesday evening.

School Lunch Room Started

The serving of hot lunches at the noon hour was begun in the Tahoka schools Thursday noon under joint sponsorship of WPA, the Tahoka school board, and the PTA. Lunches are served free to needy children attending the school, while others may receive the lunches on the payment of 10 cents daily.

Mrs. Erwin Beal of Lubbock, district WPA lunch room supervisor, is general supervisor of the project. Mrs. Corene H. Perry, Tahoka, is foreman. Labor is furnished from the local WPA forces. Food, for the most part, is from surplus commodities and is furnished by the Government. Other expenses are borne by the PTA and the school board.

Each day's menu includes one meat dish, or meat equivalent, salad or vegetables, or both, soup, drink and dessert.

Fire Damages Home Laundry Wednesday

Mrs. Jeff Jones' laundry was considerably damaged by fire Wednesday at noon. Some damage was also done to clothing which had been brought in to be laundered. Fire is said to have caught from a stove. The fire department was called out and extinguished the flames.

TINSLEY BACK HOME

J. O. Tinsley, who was taken back to a Lubbock hospital last week end suffering from an infection of the wound which he sustained a few months ago when his foot was caught in a feed grinder, was released and brought back to his home here Tuesday morning. His condition is said to be improving again.

District Court Convenes Monday

The September term of the district court is scheduled to open here next Monday morning.

The docket for the term, as usual, promises to be rather light. Aside from a few divorce cases and a few tax suits, not many new civil cases have been filed, according to Miss Hattie Server, the clerk. It is not believed that the criminal docket will be heavy either, as not many new criminal cases are in prospect at this time.

Prospective grand jurors and petit jurors for the term have been summoned, and a grand jury will be impaneled and set to work Monday morning.

The list drawn for grand jury service is as follows: Fred McGinty, C. E. Campbell, John A. Anderson, Jim Burleson, Roy Askew, G. L. Cobb, N. S. Parker, J. E. Sherrill, R. O. Miles, H. E. Huffaker, W. P. Lester, Dan L. Carpenter, A. D. Schaffner, E. R. Tunnell, E. E. McManus, M. M. Bruster.

Petit jurors have been drawn for the second, third, and fourth weeks as follows.

Second Week
E. F. Swartz, A. C. Aycox, W. H. Bruckner, J. W. Lamb, R. L. Hagler, G. C. Bruster, C. E. Gannaway, Chas. Armontrout, A. P. Edwards, Buel Draper, Yates Key, Lewis (Cont'd. on Back Page)

\$177,000 In Parity Checks Received

Government cotton parity checks have been pouring into the office of C. A. Lawrence, secretary of the county A. A. committee, this week and are being distributed among the farmers.

Up till Thursday morning 1,067 checks had been received for \$75,962.56 for the total amount of \$177,962.56.

Checks are coming in practically every day and will be delivered to the payees just as rapidly as the clerical work can be done in the office.

These checks are payable to three classes of beneficiaries: landlords, tenants, and other operators of cotton farms.

Mr. Lawrence estimates that when all of these cotton checks have been received and delivered to the payees, a sum of money amounting to about \$490,000 will have been poured into the pockets of Lynn county land owners and cotton producers.

Boosters For South Plains Fair Here

A party of 24 business men and other residents of Lubbock traveling in a bus, visited Tahoka at 10:30 o'clock Tuesday morning inviting the people here and throughout Lynn county to attend the Panhandle South Plains Fair to be staged in Lubbock September 30 to October 5 inclusive.

Announcements were made by Hop Halsey, Representative-elect, and Babe Hunt, heavy-weight boxing champion, while entertainment was furnished by Wiley and Gene, radio entertainers.

The program was given on the public square. The party also visited the schools and a program was given on the street between the two buildings.

Wednesday and Thursday, October 2 and 3, have been designated as Children's Days, when school children will be admitted free.

The Entrada of Coronado will be the principal attraction each night.

Ray Qualls Baby Is Buried Here

With Rev. A. W. Shumake of Redwine conducting the service at the cemetery Friday afternoon, Sept. 6, the remains of the month-old daughter of Mr. and Mrs. Ray Qualls of the Midway community were interred in the Tahoka Cemetery.

The little one, first and only child of this young couple had never been strong, though its death was not expected, and it's passing was a great shock to them.

Lynn County Gets Lateral Road Fund

McGinty Discusses Loans On Cotton

Lynn county cotton farmers who produce middling cotton of 15-16 staple length may place their 1940 crop under Government loan at 9.34 cents a pound, Fred M. McGinty, chairman of the Lynn county AAA committee announces this week. Loans will be available until May 1, 1941.

Loan rates for all eligible grades and staples have been established by the Commodity Credit Corporation. They are on net-weight basis, which makes them average 40 points over commercial quotations. Premiums and discounts vary with each grade and staple length.

For example, the rate on middling 7-8-inch cotton is one fourth of a cent less than for fifteen-sixteens-inch middling, on which the loan rate is based, while one inch cotton of the same grade will bring one fourth of a cent more. Middling 1-8 inch cotton is one and a half cents above the basic rate.

In the same manner, strict middling cotton in the medium staple lengths will bring one fourth to one third of a cent more than middling of the same staple is discounted about two thirds of a cent per pound.

All cotton submitted for the loan must be classed by a Board of Cotton Examiners of the United States (Cont'd. on Back Page)

Students Leave For College Cities

Out of last year's graduating class of 33 members at the local high school, 12 members, almost 37 percent, will attend some school of higher learning this year.

One student, Dan Daniel, joined the U. S. Army. Another, Leta Frances Wyatt, married.

Of the twelve, two girls Melba Evans and Lamyrie Ramsay, are training in the nurses' school of the Lubbock Sanitarium. The valedictorian, Iocaphene Stephens, has chosen West Texas State Teachers College as have also Tommye Ruth Anderson and Annie Pearl Roberts.

W. H. Fulkerson, H. A. Maasen, Vasti Warren, and Herbert Womack are attending Texas Tech, Paul Cox is attending North Texas State Teachers college, Max Minor is attending Texas University, Hazel Thomas is at McMurry in Abilene.

Some of the students who have returned to college are Lottie Jo Townes D. F. and Anita Reddell, Earnestine Story, Delton Pemberton, Wade Howell, Beryl and Edith Robertson, J. C. Womack, Madeline Russell, Mary Margaret Tunnell, all of whom are attending Texas Tech. Earnestine Story is a senior Vocational Homemaking student, Beryl Robertson and Lottie Jo Townes are also seniors.

Sherill Caveness of New Lynn will receive his M. A. degree this year at Tech. Miss Laverne and Hoyt West of Wingate, former Tahoka students will attend Tech. Miss Billie Rowland is a Business Administration senior at McMurry. Truett Cooper is a Junior at A. & M. and Skiles Thomas is a senior at the University of Texas School of Medicine in Galveston. Willie Florence of Draw returned to Howard Payne for his sophomore work. Jack Key has taken up his second year duties at John Tarleton.

There are possibly others whom we missed, or who are mentioned elsewhere in the paper.

CLASS PRESIDENTS ELECTED

Earl Adams has been elected president of the Senior class of the High School this year, and Truman Hines is vice-president.

Mary Beth Roddy and Kelly King are president and vice-president respectively of the Junior class.

The Journalism class a new class under supervision of a new teacher, Miss Ruby Neil Smith, will edit The Growl, school publication, which will be issued weekly.

Court Gets \$10,000 Under New Law

Lynn county on Monday received the sum of \$10,000 from the state committee handling the state bond assumption fund, to be used chiefly in the improvement of the lateral roads of the county, according to County Judge P. W. Goad.

It was agreed however that approximately \$1,100 of these funds might be applied on indebtedness incurred by the County in the purchase of highway right-of-way. The bulk of it, about \$9,000, is to be used in the improvement of the lateral roads.

This fund will probably be divided equally among the four commissioners precincts of the county, or approximately so.

This is the first money, we believe, that Lynn county has been able to get from this fund.

The fund is derived from a tax of one cent per gallon on gasoline authorized and levied to take care of millions and millions of dollars of county and district road bonds assumed by the State a few years ago.

Judge Goad and our commissioners court very properly strenuously opposed the assumption of these local bonds by the State for the reason that some counties had issued such bonds in large amounts profligately and that it was not fair to make the people of the state generally pay for the extravagance and mismanagement of many of the counties and road districts.

But the law was enacted and the State made responsible for these extravagant issues of bonds nevertheless. And to take care of the interest and sinking funds on these bonds a gallon tax of one cent per gallon was added to the then existing gasoline tax.

There is a surplus of this each year to be pro-rated back to the counties. Lynn County had few outstanding bonds to be assumed by the State, and the commissioners of this county have found it difficult to get any of the money. But recently they made a special trip to Austin to interview the State committee and got a promise of a small portion of these funds. And Monday the check came in the sum of \$10,000.

The state committee which has charge of this fund and of its distribution is composed of State Comptroller George Sheppard, State Treasurer Charlie Lockhart, and State Highway Engineer Greer.

Rotary District Governor Speaks

Frank S. Roberts of Breckenridge, district governor of Rotary International, visited the Rotary Club here Thursday and addressed the body at the luncheon.

He stressed the four objects of Rotary and closed with an appeal for whole-hearted support of our National Defense program.

Prior to the luncheon he had a conference with President K. R. Durham, Secretary Charles Townes, and the heads of the various committees of the club.

Joe Alexander of Lamesa, editor and publisher of the Dawson County Courier, was a visiting Rotarian. Coach Leo Jackson and the two co-captains of the high school football team, Truman Hines and Earl Adams were guests of the club.

W. O. Henderson Is Home Again

To the delight of many friends, W. O. Henderson was able to return to his home here last Sunday following a stay of several weeks in the Lubbock Sanitarium.

Immediately following the last election, in which Mr. Henderson was a successful candidate for county commissioner, he was taken to the Sanitarium in a grave condition. When an operation was performed, little hope was held out for his recovery, but he has steadily improved and it is hoped that he may be able to leave his room again soon.

Mrs. Juanita Adair Crum of Lubbock was a caller at the News office Tuesday. Mrs. Crum was a niece of the late Mrs. H. C. Crie, who with her husband were publishers of the News for a number of years. Her father L. P. Adair, now a citizen of Breckenridge, worked on the paper at one time.

Social Security Head Visits Here

John R. Sanderson, Field Assistant of the Lubbock Social Security Board field office was in Tahoka today interviewing claimants under the amended Social Security Act and assisting employers to secure information necessary to complete certain wage records.

Regular visits are made to Tahoka by a member of the Lubbock office staff twice each month, and the representative is available at 2:00 p. m. at the Post Office.

There is a schedule of the visiting dates for the next three months on the bulletin board at the Post office. The next visit will be on Wednesday, October 2.

The Lubbock office took over the servicing of Lynn county from the Amarillo office on November 13, 1939. The principal functions of the office, according to Mr. Sanderson, are the acceptance of claims for monthly benefits from retired wage earners, their dependents and survivors of deceased wage earners who qualify, the insurance of account numbers, and handling any wage record problems which arise. This last function is performed with the cooperation of the employers.

Any person desiring information about old-age and survivors insurance provisions of the Social Security Act was requested to call on or write the Social Security Board, located at 1309-A Texas Avenue, Lubbock, Texas.

TAHOKA F. F. A. ELECTS OFFICERS

The Tahoka High School opened with 54 high school students enrolling in the Agriculture classes and there are 15 other high school students who took Agriculture last year, making 69 members in this year's F. F. A. Chapter.

The Agriculture Class elected its officers for 1940-41 period, on Wednesday night of last week.

The officers are: President, Roy Botkin; vice-president, Arthur Hammonds; reporter, Robert Warren; treasurer, Bo Cruce; secretary, Glen Loyd; watch dog, Horace West; parliamentarian, Noble Rumbro; historian, Elbert Boullion.

The Meadow District F. F. A. held its first meeting at Brownfield Wednesday night to elect officers. Several of the Tahoka boys went over. Ed McMillan, News Reporter.

Mr. and Mrs. W. O. Robertson left early Wednesday morning to visit Mrs. Robertson's mother at Naples, who is sick. They expected to be gone about a week.

H. B. Steele Dies In Abilene Monday

Mr. and Mrs. H. B. McCord of this city and Mr. and Mrs. E. A. Thomas of Grassland went down to Abilene Wednesday morning to attend the funeral services of their friend and former neighbor H. B. Steele, who died in that city Monday night. They had been called to his bedside also, on last Sunday, when his condition became so grave that all hope for his recovery was abandoned.

Funeral services were conducted at ten o'clock Wednesday morning in The First Baptist Church in Abilene, of which Mr. Steele and wife were faithful members, he being teacher of a boys' class in the Sunday school.

Mr. and Mrs. Steele had been residents of the Magnolia community in this county from the years 1919 to 1926, and the McCords and Thomases were close friends and neighbors. In fact, Mr. and Mrs. Steele were married soon after he came to this county. He had just returned a few months before from service with the American Expeditionary forces in France and she was a saleslady in a mercantile establishment in Post. They made their home in the Magnolia community and for seven years were among the most active members of Central Baptist Church and were well known in church circles throughout this entire section.

They moved to Abilene in 1926, where for several years prior to his death Mr. Steele was an employee of the Moutray Oil Company, an oil refining concern.

Thirteen weeks before his death Mr. Steele had a tooth extracted and the wound became infected. For several weeks he apparently lingered between life and death, and after the crisis apparently had passed he was released and returned to his home. But he had never been well since, and a few days prior to his death a new infection developed.

He is survived by his wife and her son by a former marriage and also by a son of his own by a former marriage, now a soldier in the U. S. Army. He was 44 years of age.

Scores of friends mourn his untimely departure.

Raborn Displays '41 Chevrolets

A. H. Raborn, President of the Raborn Chevrolet Inc., today received word that the new 1941 Chevrolet will be formally introduced locally and nationally, Saturday, September 21st.

Mr. Raborn said he was not in a position to confirm any advance information on the new Chevrolet car, but indicated that it will be much bigger inside and out than last year's model. Vacuum-Power Shift, original Chevrolet feature, will be standard equipment on all 1941 models at no extra cost, Mr. Raborn said, and the new car will have an even sturdier and more modern valve-in-head engine.

"Chevrolet has led in motor car sales for nine out of the past ten years," the dealer said, "and with this better-than-ever 1941 car, we certainly should repeat again!"

Raborn Chevrolet, Inc., expects a big Fall upturn in new car sales indicated by the large number of advance orders already placed by those who want to be sure of early delivery.

Mr. and Mrs. Ray Stevenson and little Susan returned to their home at Weatherford Saturday. Mrs. Stevenson was the former Miss Evelyn Wells daughter of the late Coleman Wells.

Mrs. Edgar Edwards has accepted a position as bookkeeper for the W. H. Fulkerson Service Station. Edgar will be employed at one of the gins during the ginning season.

Vegetable Laxative Makes Happy Friends

Here's a laxative that usually acts thoroughly as harsher ones but is a gentle persuader for intestines when used this way: A quarter to a half-teaspoonful of spicy, aromatic BLACK-DRAUGHT on your tongue tonight; a drink of water. There's usually time for a good night's rest, with a gentle, thorough action next morning relieving constipation's headaches, biliousness, sour stomach, bad breath.

BLACK-DRAUGHT is a splendid combination of vegetable ingredients, chief of which is an "intestinal tonic-laxative" that helps impart tone to lazy bowel muscles. It's economical. 25 to 40 doses: 25c.

Missionary Speaks At Baptist Church

Africa's great need for more missionaries and for funds to promote mission work in that country were stressed by Mrs. B. L. Lockett in a talk in the First Baptist Church here Monday afternoon. About 125 women attended from Tahoka, Central, New Home, Draw and other communities. There were thirteen members of the W. M. U. of Pleasant Grove Baptist Church, (colored), also. Two of these had parts on the program Beatrice Brown rendering a solo, and Roberta Thompson making a talk.

Mrs. Lockett went to Africa as a teacher in the Baptist Mission school twenty-five years ago with her husband, the late Dr. Basil Lee Lockett, Medical Missionary. She spent eleven months there recently after being at home on sick furlough. But she found, to her great disappointment, that she was not strong enough to live in that climate. Now she is devoting her time to telling others of Africa and the mission needs there, her first hand experience enabling her to make her talks both entertaining and instructive.

NEW LYNN EPWORTH LEAGUE

The New Lynn Epworth League met Sunday eve at 7:45 with Mrs. Dick Bailey in charge.

Plans were made for a new program, which the League felt would be a help to the members.

Mr. J. E. Fleming, president of our League, has gone to California, so Mr. T. A. Stone is now our president and Miss Mary Catherine Paires is vice-president.

A social was given at the home of Mrs. Newman Bartley on Thursday night in honor of Miss Annie Pearl Roberts, who left on Monday to enter the Canyon College. She received several nice gifts.

Every one come to League and bring some one with you—Publicity Supt.

Mr. and Mrs. E. B. Gaither had as guests over the week-end two of Mr. Gaither's aunts, Mrs. Fannie Peers of Stephenville and Mrs. Ludie McCommie and three children of Hobbs, New Mexico.

SINGING CONVENTION TO MEET AT NEW LYNN

The Lynn County Singing Convention is to meet in the Methodist Church at New Lynn next Sunday, according to M. C. Richey of Grassland, the president.

The convention will meet at ten o'clock in the morning, Mr. Richey says, and will continue in session as long as the singers wish to remain.

Lunch will be spread at the noon hour. Everybody is expected to bring their own lunch.

It is expected that a number of quartets will be in attendance and a splendid program is promised.

Mr. and Mrs. J. H. Key of the Lakeview community were pleasant callers at the News office Tuesday. They have been reading the News just one year and were kind enough to say that they like the paper very much. Mr. Key reports that the cotton crop is good out in the Lakeview community, but picking is just now beginning.

J. J. Waldrep of Wells was a business caller at the News office Monday. He reports a pretty good cotton crop out in the Wells community but he would not undertake to make an estimate of the average yield per acre.

In early Texas it went farther than just dying with your boots on. Records in the University of Texas library show that at least one early colonist was buried, according to his own instructions, standing erect and in full dress, holding his rifle on his shoulder.

PASTOR MISS BETTY ELLIS HONORED WITH SHOWER

Friends of Rev. Miss Betty Ellis surprised her with a shower on Monday night of this week.

They began to gather around 7:30 o'clock. They spread a lunch on the lawn and then invited Miss Ellis out to eat with them, and they presented her with several nice gifts.

Those present were: Mr. and Mrs. T. B. Burrough, Mr. and Mrs. N. V. Hodges, Mrs. Thomas Reid, Mrs. James Connolly, Mrs. George Akin, Misses Georgietta and Betty Grace Akin, Mrs. J. J. Atkinson, Miss Lona Webb, and Miss Jessie Ruth Ellis.

LET'S SWAP

Eee Eye Hill of the Tahoka News
says he's going to cut loose some
of these days and write up some of
the prominent personages of the
South Plains. While we are quite
modest, Eee Eye, we might give you
an interview and furnish you a mat.
—Terry County Hearld.

Get your mat ready, Jack; we
don't need an interview. We know a
lot about you already. As to the mat,
we suggest that you use that picture
you had made five or six years ago
when you were still a very young
man. Of course a later photo might
look a bit more natural but we hate
to mess up—we mean we want our
front page to look as good as possi-
ble. And by the way, how about a
swap? why not at the same time or-
nament your front page with a re-
cent picture of us, together with a
modest write-up—just a column or
two—of the distinguished editor of
The Lynn County News? We be-
lieve your readers would really en-
joy it, touched up with the embel-
lishments which you alone know
how to devise. Whatcha say?

Conscription. Pro and Con.

The women in Congress divided
up in their views about the Con-
scription bill as did the men, ac-
cording to a press report we saw the
other day.

This report, which came from
Washington, quoted four of the wo-
men in Congress, two of them in
favor of the Conscription bill and
two of them in opposition to it. Here
is what they said.

Senator Hattie Caraway of Arkan-
sas, who has two sons in the regular
army, said: "This is not conscription
for war. It is conscription for train-
ing. Men should be trained for their
own good."

Mrs. Chester Bolton of Pennsylv-
ania: "I am the mother of three
sons, the eldest of whom can not
serve in the army due to injuries of
long standing, the other two are al-
ready conscripted under the Nation-
al Guard mobilization act and are
preparing for immediate service."
**I see in the draft more danger than
defense more dictatorship than de-
mocracy."

Mrs. Clara McMillan of South
Carolina: "I have five sons. The
eldest will come immediately under
the operation of this bill, as he is
past 21. My second son is almost 19
and is now taking military training
in a school organized for that pur-
pose. If and when my sons are need-
ed for the defense of their country,
I do not want them to go up against

experienced soldiers, untrained and
unskilled."

Miss Jessie Sumner of Illinois
said she did not believe the con-
scription bill would create the type
of army needed. "This bill", she
said, "will create the same type of
army that France had. It will make
us feel safe when in reality we are
less safe." She favored a smaller
army of highly skilled men, better
paid. Also she believed the bill vio-
lated an individual's constitutional
rights.

After reading these quotations, we
must say that we greatly admire the
intelligence and the patriotism of
the two women from the South.

Secretary Ickes and Senator Bridges
were the principal speakers on the
radio program known as The Open
Forum last Sunday evening. We
have never been a very great
admirer of Secretary Ickes and can
not yet fully appreciate his blunt
style of speech but in the brief time
allotted him Sunday afternoon he
utterly demolished the Senator from
New Hampshire and left him not a
leg to stand on. In a previous speech,
Bridges and other Republican spell-
binders had charged that until re-
cently President Roosevelt had done
absolutely nothing to prepare this
country for war, that he had not
built a ship for the navy nor spent a
dollar available for the purpose in
the building of airplanes for the
army and navy. Ickes cited facts and
figures which proved such charges
to be utterly false and that the Re-
publicans must have known them
to be false when they made the
charges. He showed a most com-
mendable record of achievement in
this respect by the President. On the
other hand, he showed that a ma-
jority of the Republicans in both the
Senate and the House had voted yea
on every proposal made to scale down
the appropriations proposed by the
Democrats for building up our army
and navy. The facts so completely
knocked the props out from under
Senator Bridges that in his main
speech following the Ickes deliv-
erance he did not even refer to the
facts and figures presented by the
Secretary. In this matter of pre-
paredness the Republicans are play-
ing the most contemptible game of
politics that any party in this coun-
try has indulged in in recent years.

When the Republicans in conven-
tion assembled went crazy and nomi-
nated Wendell Willkie for President a
few months ago, we wondered what
it was about Willkie that appealed
to them. After we have heard him
speak over the radio, our wonder
has grown into downright amaze-
ment. We heard him at Tulsa the
other night, and it was pitiful. If
there are not ten thousand men in
the United States that could make
a better speech and make it in a bet-
ter way than Willkie did in Tulsa
the other night then this country is
getting hard up indeed for intelli-
gence and ability. People poke a lot
of fun and criticism at our legisla-
ture but we'll bet our old last year
hat against a second-hand pocket
handkerchief that there are a hun-
dred men in the Texas legislature
that could make a better showing
on the stump or the radio than Will-
kie made Monday night. Fortunate
will be the Republicans if Willkie
gets so bad a case of laryngitis that
he is unable to speak above a whis-
per before the middle of November.

Governor O'Daniel broke a prece-
dent a couple of weeks ago when he
took out and decided to go and see
the gentlemen personally who will
constitute the next legislature. The
last two weeks he has been out on
the road going from place to place
meeting these gentlemen in their
homes, breaking bread with them,
cracking jokes with them, kissing
their babies, making fair weather

with their wives, and otherwise cul-
tivating their friendship. Now if he
will be just that diplomatic in his
relations with these Senators and
Representatives after the legisla-
ture meets, he will probably get a-
long with them better than he did
with the last legislature.

Almost immediately following the
death of Speaker William B. Bank-
head of Alabama, Hon. Sam Ray-
burn of Texas was elected Speaker
of the House. Rayburn has long been
the Democratic leader in the House
and is very popular with his con-
temporaries in that body. He is loved
and respected by Republicans as
well as Democrats. It is a notable
fact that the presiding officer of
each house is a Texan although
John N. Garner is not functioning
just at this time. It is also a notable
fact that each nails from a small
town, Garner from Uvalde and Ray-
burn from Bonham.

While perusing the news columns
of last week's Terry County Herald
we ran across this little item written
evidently by none other than the
Old He himself: "The Old She has
returned from a month's visit with
relatives in the Los Angeles section
of California. So, you gals that we
have winked at while she was away,
just forget it." Now isn't that a sly
way of trying to make Mrs. Stricklin
believe that the Old He was a per-
fectly model boy while she was away?
But we'll bet she still has her doubts.

The entire nation, and particu-
larly the people of the South, were
shocked and grieved to learn of the
death of William B. Bankhead of
Alabama, Speaker of the House of
Representatives, Sunday. A very able
and patriotic American has been
called from the stage of action. He
was a fine Southern gentleman. He
will be greatly missed.

New Homes Are Built In County

Lynn county, as well as Tahoka, though not on a boom is enjoying a period of steady development as is evidenced by the number of attractive homes that dot the landscape over the County.

On a recent trip over the South part of the County a representative of this paper noted the following new homes: In the Midway community G. A. Henry and family had just completed and moved into a neat and commodious home with five rooms, bath and two screened in porches. The home and garage have cream colored stucco finish. The garage includes a laundry room. Mr. Henry plans to build a driveway in from the road to the front yard of his home, which faces East, remove some unsightly buildings and beautify the premises with trees and shrubbery. He has two windmills from which he is irrigating a garden and should be able to have a most attractive place in a few more years. They hope to have a rural electricity service line by their place soon.

On the T. B. Cowan place we looked over a neat 4-room house, stucco finish, C. A. Isham and family had just moved into. As noted in these columns before, Mr. Cowan has recently remodeled one house in Tahoka, and built two new ones, all of which are attractively finished in light colored stucco.

Mr. and Mrs. W. E. Brewer and family, who live between Joe Bailey and Draw, had the misfortune to lose their bungalow home by fire about the tenth of July. They are rebuilding on the same site. The new home has six rooms, bath many built-in conveniences with electric appliances, hot water, etc.

Some of their trees and foundation plantings ruined by the fire will be replaced around the attractive concrete porch. This house, facing the South, has a light colored stucco finish.

In conversation with Mr. Brewer we learned that he settled on that site 32 years ago, living at first in a tent, then in a half dug-out, before building the bungalow that was de-

O'Donnell Eagles Play Levelland

An inkling to the possibilities of the 1940 brand of O'Donnell Eagles will be forthcoming tonight when Coach Ray DeBusk's charges go into battle against the Levelland aggregation at Levelland.

O'Donnell will be playing its first game, whereas Levelland already has one victory under its belt.

Dope favors Levelland, however, due to the greenness of the O'Donnell squad. Coach DeBusk, who is starting his first year of coaching at O'Donnell, has worked unceasingly, but admits he cannot get a true line on his men until they are thrown into hot conference competition.

O'Donnell steps up in a higher conference play this season, but most of that city's fans doubt the team's ability to win many victories this season.

TEXAS QUEEN

Miss Aracell Sanchez, beautiful young lady of Latin-American descent who competed in the Queen of Texas last year, is entering the Starr county contest again this year. Miss Sanchez is a member of a prominent ranch family of Rio Grande City. She will be escorted about the fair grounds while in Dallas by Mrs. Paul T. Vickers of McAllen, who has charge of the Valley's regional agricultural exhibit.

Loboes Ran Wild Over Anton In Opener 29-0

LEVELLAND, Sept. 13. (Special)—Counting in every period, Coach Bill Stevens' Levelland Loboes opened the 1940 season here tonight with a smashing 29 to 0 victory over Anton. About 1,200 fans saw the contest.

Quarterback Bill Green sparked the Lobo scoring attack. In the first period, Green counted to climax a 49-yard drive, adding another in the fourth after Burl Taylor had worked the ball to scoring territory on a 34-yard cutback.

Halfback Walker tallied in the second, Glenn Johnson added another in the fourth. A safety in the third quarter and three points-after-touchdown by Captain Popeye Arrington completed the scoring.

First downs were Levelland 10, Anton 2; yards from scrimmage, 250 to 39.

Vegetable Laxative With Proved Feature

The punctual, satisfying relief from constipation and its headaches, biliousness, bad breath, so often experienced by users of this laxative, is mainly due to its combination of purely vegetable ingredients.

BLACK-DRAUGHT'S principal ingredient has high medical recognition as an "intestinal tonic-laxative"; helps impart tone to lazy bowel muscles.

A little of this spicy, aromatic product by simple directions at bedtime, generally allows time for a good night's rest; acts gently and thoroughly next morning.

Next time, take time-tested, economical BLACK-DRAUGHT.

Lamesa Stopped The Slaton Tigers, 19-0

LAMESA, Sept. 13.—Before a crowd of 2,000 spirited fans here tonight, Coach Ted McCollum's Lamesa High School Golden Tornadoes performed a Black Friday gridiron blitzkrieg over Coach Stumpy Hamilton's Slaton Tigers, the final calculation being Lamesa 19, Slaton 0.

Under a clear sky with "ripe" football weather the Tornadoes took a quick first quarter lead with Co-Captain Gus White scoring and kicking the extra counter. White brought the crowd to its feet again in the second quarter when he caught a long pass from Foy Futrell for the second score. White failed to convert.

Score Again In Third
In the third period, Futrell crossed the line for the third touchdown and White again failed to convert. Besides White and Futrell, Quarterback Allen Barnard, Kent Morgan

and L. Z. Oswald were outstanding for the Tornadoes.

Lamesa's penetrations numbered five to Slaton's two. Slaton completed three of seven passes. Lamesa connected in each of four attempts. Lamesa made 14 first downs to Slaton's 5.

Former Pastor Of Tahoka Is Buried

Press dispatches early this week carried news of the death of Rev. M. C. Bishop, an early pastor of the Baptist Church in Tahoka and more recently the pastor of the First Baptist Church of Post, which occurred in Dallas last Saturday.

Funeral services were conducted in San Angelo Tuesday and the body was buried there beside that of a former wife.

Rev. Bishop had served many churches in West Texas and other parts of the state during a ministry of about thirty-five years.

While a student-teacher in Simmons College in 1906 Rev. Mr. Bishop was called to the pastorate of the Baptist Church here. He served as pastor here about a year and during a part of this time was a teacher in the Tahoka public school.

Other churches which he served were the College Heights Church at Abilene and the churches at Rising Star, Caldwell, Lampasas, Snyder, Anson, Colorado City, Post, and lastly at Big Lake.

He retired from pastoral work a year or two ago and was residing in Oak Cliff, Dallas, at the time of his last illness being an assistant teacher of the men's Bible Class in the Cliff Temple Church there.

Rev. M. C. Bishop had done a fruitful work in the ministry and was greatly beloved throughout West Texas.

SUB-DEB CLUB

New members of the Sub-Deb club were initiated last week, and were required to wear long winter underwear to school and suffer other indignities. Twelve members were initiated.

A picnic supper at the City Park last Thursday evening wound up activities for initiation week.

HAYNES WILL ENTERTAIN

Superintendent and Mrs. W. T. Hanes will be hosts to superintendents and principals and their wives from the other schools in the county at a picnic supper at the City Park tonight.

W. S. Swan was "pretty sick" several days this week but is reported to be much improved as we go to press.

FORMER CITIZEN DIES IN LUBBOCK

Mathis Chesser, 70, a long-time citizen of Lynn county, died at 11 o'clock Saturday morning at his home in Lubbock. He had been sick about eight months.

Funeral services were conducted at the Tabernacle Baptist Church in Lubbock Sunday afternoon, and the body was buried in the Lubbock cemetery.

Mr. Chesser resided in the New Lynn community and in other communities in this county for many years and was well known here. He was a good man and had many friends.

Surviving him are the wife and three sons, J. W. Chesser of Tahoka and R. B. and G. J. Chesser of Lubbock, and four daughters, Mrs. R. G. Perdue of Wilson, Mrs. Calvin Plusher of Carlsbad, N. M., Mrs. Pete Montgomery and Miss Louise Chesser of Lubbock. All formerly lived in this county.

INFANT SON OF CECIL CLEVELAND DIES

Relatives here received word Wednesday of the death of the infant son of Mr. and Mrs. Cecil Cleveland at their home in Hot Springs, N. M. The child, it is said was four or five months' old, but the cause of its death was unknown, as we went to press. Cecil Cleveland is the son of Mr. and Mrs. Dolph Cleveland and lived here with his parents until a few years ago.

JERRY LEE KING HONORED WITH BIRTHDAY PARTY

Jerry Lee King was honored on Wednesday with a birthday party celebrating his fourth birthday.

Games were played and refreshments were enjoyed by the following: Jackie and Tommy Lee Bovell, Linda Kaye Reid, Peggy Ann and Nancy Nowlin, Jimmie Prentiss Walker, Jerry Dean Cain, Gordon Smith, Jimmie Lynn McDonald, Mrs. K. C. Reid, Mrs. Truett Smith, Mrs. McDonald, and Jerry Lee.

Rev. and Mrs. C. F. Carmack of Dallas spent the week-end here with their son, Conda Carmack, and his family, leaving for their home Monday. Brother Carmack is a superannuated Methodist preacher. He served as pastor of many churches in the Northwest Texas Conference and resided in this county for a number of years. Mrs. Carmack engaged in the profession of teaching for many years. They are now operating a hotel in Dallas. Their friends here are always glad to see them.

Congratulations

To Mr. and Mrs. Vernon Wilhoit on the birth of a daughter Wednesday night at their home north of town.

To Mr. and Mrs. Robert E. Nickels on the birth of a six pound son, Jerry Lynn, Saturday morning at their home.

To Mr. and Mrs. C. C. Stephens on the birth of a nine pound daughter, Nell Kay, Saturday afternoon.

To Mr. and Mrs. Preston S. Bartley on the birth of a nine and one half pound son, Thurman Preston, Sunday.

To Mr. and Mrs. V. R. Hampton Wednesday morning nine and a half pound boy.

G. & R. Has Full Stock Of Groceries

Clarence Gaussoin and F. E. Redwine, who recently purchased the stock of Mack's Food Store, and opened the G. and R. Food Store in its former location, have added new stock and now have a full line of high grade groceries.

They feature fresh, delicious meats and the best produce available. The store is located west of the square.—Adv.

Personals

Mr. and Mrs. A. P. Sanders of the South Ward community took their crippled four-year-old son down to Dallas on Thursday of last week to have him treated by a specialist. The little fellow it is said, sustained injuries at birth and has never been able to walk. It is hoped that the corrective measures to be taken will prove to be entirely successful.

Clayton Beard of Redwine, who underwent an operation in the West Texas Hospital last Saturday afternoon for appendicitis and who was in a serious condition for several days, was reported Wednesday night to be improving. The operation was more serious than the ordinary appendectomy on account of adhesions.

The Baptist meeting recently conducted at Draw came to a close last Friday night. Rev. L. S. Jenkins, a former pastor of the O'Donnell church, did the preaching, and W. P. Brian pastor of the Redwine Church, led the song services.

Mrs. Paul Howell received a message stating that her brother, Clyde Roberts, who formerly lived here but now a resident of California, underwent an operation for appendicitis at Mojave, California, last Friday.

Wayne Key, son of Mr. and Mrs. J. H. Key of Lakewood, who was seriously hurt in a car wreck near Snyder in the spring, has recovered sufficiently to accept a bookkeeping position at Eunice, New Mexico.

Mr. and Mrs. F. T. Thorpe and probably others from this county will attend a meeting of the Plains Co-operative Association to be held in Plainview Monday.

Mr. and Mrs. Claude Nowlin left for Stanton Tuesday to make their residence. Claude has a position there with the Blocker Chevrolet and Implement Co.

Mr. and Mrs. O. J. Holder and son of Clovis, N. M., were guests in the home of Mr. and Mrs. J. W. Griffin of New Home the first of the week.

Miss Martha Faye Thomas returned from Austin Wednesday, where she had gone to attend the wedding of a friend.

H. C. Story has accepted a position with the Farmers' Co-op Gin here. He is assisting in the office.

Mrs. J. H. McCoy is in San Antonio visiting her son Clay McCoy and family.

Miss Earlene Norman returned Thursday morning from a two weeks vacation in Dallas.

Mrs. Hattie Adams of Seminole visited her sister, Mrs. Geo. E. Turrentine, last week-end.

Glen Smith attended the West Texas Druggists Convention in Abilene Wednesday and Thursday.

Mr. and Mrs. Floyd Jones went to Merkel Sunday and spent several days among relatives there.

Dr. J. R. Singleton, C. B. Keltner, Jake Leedy, and Edd Hamilton went to Amarillo Tuesday and heard Wendell L. Willkie speak in behalf of his candidacy for the Presidency.

GRASSLAND H. D. CLUB HAS PROGRAM ON SERVICE

"There are a few basic rules that should be observed, even for family service," said Miss Maurine McNatt, home demonstration agent, at the meeting of Grassland Home Demonstration Club Tuesday, September 10, at the home of Mrs. M. C. Thomas.

These rules are: 1. Food dishes and soiled dishes must be removed before clean dishes and food for the next course is placed. 2. This exchange should be made quietly and quickly, yet there should be no appearance of great haste. 3. There should be no display of silver. 4. There should be no unnecessary steps to and from the kitchen. 5. Always consider the comfort of those at the table. Do not make them fear an accident because of the carelessness of the waitress.

Mrs. D. G. Cook was elected reporter to take Mrs. Darby's place after the latter moved away.

Eight members and two visitors Mrs. L. B. Burk and Mrs. E. N. Norman, attended the meeting.

The next meeting will be September 24 with Mrs. G. C. Watson.

Mrs. C. M. Randall of Seymour visited Wednesday night in the home of Rev. and Mrs. Ben Hardy.

Tahoka Boy Is Fraternity Pledge

AUSTIN, Sept. 19—Three hundred and eighty-four University of Texas men, most of them freshmen, joined the ranks of Greek letter fraternities as "pledges" Monday following a "rush" period in which fraternity men entertained prospective members at smokers and more formal parties.

Men pledging fraternities included: Delta Chi—Max Minor, Tahoka.

BAPTISTS HONOR TEACHERS AT WATERMELON FEAST

Quite a crowd of Baptists and their friends gathered on the lawn of the Baptist Church last Tuesday evening to enjoy a watermelon feast and to meet and welcome to the town the new teachers in the public school system here this year, as well as to honor the entire faculty.

New teachers introduced were: Miss Ineva Hedrick, Miss Mary Catherine Hunter, Mrs. Pauline Walker, and Mr. John Hamblen.

Other teachers present were: Superintendent W. T. Hanes, Principal Lee Dodson, Coach Leo Jackson, A. L. Pace, John Kirkwood, A. R. Bostick, Mrs. Ruth Assister, Mrs. L. F. Craft, Miss Lucille Hall, Miss Nellie McLeroy, and possibly others. The wives and families of some of the teachers were also present.

Rev. George A. Dale expressed words of greeting and welcome to the new teachers.

A program of games was directed by Miss Robbie Milliken. Approximately 150 persons were in attendance.

About eighty big watermelons had been provided for the occasion almost fifty of which were completely demolished.

NEW HOME F. F. A. HOLDS INITIATION

The best initiation in the history of the organization is the way initiation services for 19 Green Hands in the New Home FFA was described by the club reporter. The event took place last Thursday. Wednesday of next week second year boys will be initiated by third year students.

The club sponsored a moving picture at the New Home gym last Friday night. During the past week, first year boys have culled 75 hens. The first year boys butchered a sheep and a goat last week.

L. H. Moore, Lewis Allsup, and the agriculture teacher, W. W. Hall, attended a district meeting at Brownfield Tuesday of this week.

Mr. T. M. Sherrill of Rising Star left for his home last Saturday in company with his niece, Mrs. T. N. Dennis of Bandera, after a visit of several days with his son, J. E. Sherrill, and family at Draw. Mrs. Dennis had brought him up to Draw and then visited relatives at Littlefield while he was visiting at Draw. Mr. Sherrill, though 83 years of age, recently made a trip with relatives back to his old home in North Carolina and seemed to enjoy every mile of the ride and every minute of the visit.

SURPRISE BIRTHDAY PARTY

Thursday of this week marked the seventieth anniversary of the birth of Mr. J. W. Nugent, one of Tahoka's well known citizens. And in honor of the event a great many of his neighbors and friends assembled at his residence in the south part of town, on Wednesday evening, and surprised him with a sort of old fashioned house party and gift shower, which he, his family and all others greatly enjoyed. Thirty families, or parts of families, were present; and exclusive of infants, seventy persons were counted. The party was, of course informal. Exercises were begun with AMERICA sung in chorus; then a "spelling match" was engaged in by two classes headed by Mr. Nugent and Mrs. Burroughs—the latter was also honored, her birthday being on the same date. The Nugent side won this contest—Probably because Mr. Allphin was on that side, while Beulah Davis was on the other. Music was furnished by Mr. Scott, Messrs Chambliss and Mrs. Cloe, the orchestra consisting of violin, two guitars and a mandolin. Mr. Nugent's presents were presented to him in a wash-tub—really tubful.

Mrs. Burroughs, who had helped to plan the event for her neighbor, was also the recipient of a large bundle of gifts. After all had admired the gifts, and extended their hearty congratulations and wishes for "many happy returns of the day" refreshments were served in the form of paper bag lunches—sandwiches, cake and fruit—which were eaten with great enjoyment.

After this, a "blitzkrieg" was begun by "der Fuehrer" Gaither, the

"Build-Up" Good News For Suffering Women

Much of women's periodic distress may be unnecessary!

Many who suffer from headaches, nervousness, cramp-like pain, other symptoms of functional dysmenorrhea due to malnutrition are helped by CARDUI.

Main way it helps relieve periodic distress is by increasing appetite and flow of gastric juice. Thus it often aids digestion; helps build strength, energy, resistance to periodic disturbances.

Others find help for periodic discomfort this way: Start a few days before and take CARDUI until "the time" has passed. Women have used CARDUI more than 50 years.

PETTY 4-H CLUB STUDIES CANNING OF POULTRY

"Poultry products must be canned under steam pressure," stated Miss Maurine McNatt, Home Demonstration agent, in a Petty 4-H club meeting at the schoolhouse September 17.

Tin or glass containers may be used to pack the product. The No. 1 tin can is best for market purposes. Because of the difficulty of heat penetration and the lack of proper equipment in the home to process and cool larger containers safely quart jars and No. 3 tin cans are not recommended for the home or market.

Dellia Carrel was elected president.

The six members present were: Jodean Jones, Dellia Carrel, Joyce Rogers, Anita Porter, Betty Muriel Farris, and Geraldine Jones.

T-BAR 4-H CLUB LEARNS HOW TO DRESS FOWLS

"When dressing a chicken, the bird should be washed well, using a soft cloth and warm water with soda or soap as a cleansing agent," stated Miss Maurine McNatt, home demonstration agent, at a meeting of the T-Bar Club in the schoolhouse Friday, September 13. Soda is preferred since the carcass is sometimes bloody, and soap and blood create quite a slime. If crude oil is used around the poultry house and rubs off onto the fowls, nothing but soap will remove it. Rinse the fowl carefully in clean water to remove any traces of soap or soda.

Ollie Lee McMillan was elected secretary and Miss Fay Anderson was elected sponsor.

The next club meeting will be on September 27 with the sponsor in charge.—Reporter.

Enlistments In Army Increasing From Lynn

Recent enlistments in the U. S. Army from Lynn county, the Lubbock recruiting office reports, are the following:

Charlie Beckham, Tahoka, in the Medical Corps, stationed at W. B. G. H., El Paso, Texas.

Bennie J. Emanuel Jr. son of Mr. and Mrs. B. J. Emanuel, who live east of town, in the Infantry, stationed at Fort Sam Houston, San Antonio.

Charles J. Uzzle, son of Mr. and Mrs. C. D. Uzzle, of Draw, Aviation Corps, Brooks Field, San Antonio, Texas.

The News is informed that William T. McFadden of Tahoka enlisted in the army on Thursday of last week and was assigned to the Coast Artillery Corps, Philippine Department. "A few vacancies still exist in the above organization for well qualified young men between the ages of 18 and 35 unmarried without dependents and who are physically and mentally qualified for enlistment" Col. C. McLaughlin, District Recruiting Officer, advises.

T-BAR CLUB STUDIES TABLE SERVICE

"The seating of guests at the dining table is directed by the hostess," stated Miss Maurine McNatt, home demonstration agent, at the meeting of the T-Bar Home Demonstration Club Friday, September 13, in the home of Mrs. Frank Sargent.

Guests are seated according to congenial partners rather than by age or rank. The most honored lady guest is usually seated at the right of the host, the most honored man guest is seated at the right of the hostess. A man and wife are not to be seated next to each other.

Miss McNatt gave a demonstration on table service. Four women ate at the table.

Eleven members and one visitor, Mrs. Josie Doggett of Fort Worth, attended the meeting.

The next meeting will be with Mrs. O. E. Overman September 27 at 2:30 p. m.

WELLS 4-H CLUB

"Chickens should be properly bled when killed," stated Miss Maurine McNatt, home demonstration agent, to the Wells 4-H Club Friday, September 13, at the school building.

If chickens are to be cooked immediately frozen, or canned, they should be well bled. A bird should be hung by its feet and the veins in its throat cut to make it bleed freely. This will insure whiter meat and also meat of better quality since it will be free of clogged blood veins.

Clota Rae Jones was elected recreation leader, Wanda Jean Tyler song leader, and Miss Alta Mae Simpson sponsor.

The next meeting will be September 19 with the sponsor in charge.

CHILD STUDY CLUB

Twelve young Mothers met in the home of Mrs. James Clinton Tuesday afternoon and organized a Child Study Club with the following officers: President, Mrs. James Clinton Vice-President, Mrs. Douglas Finley, Secretary-Treasurer, Mrs. K. R. Durham, and Reporter, Mrs. Rollin McCord.

The purpose of this new club is educational, the problems studied being along the lines of those met with by young mothers in daily life while rearing their children.

Club meetings will be held in the home of some member on the first and third Tuesdays of each month.

Refreshments were served to Mrs. Happy Smith, Durham, E. Prohl, Jack Welch, Alton Cain, E. R. Edwards, Finley, Clinton, Deen Nowlin, R. H. Gibson, Lawrence Evans and McCord.

Rev. and Mrs. George A. Dale attended the Floyd County Baptist Association Monday in session at Crosbyton. They report a large attendance and a very fine program.

Odds and Ends See Eye, the Elder

Hooray! Another Texan gets into the President's Cabinet. This time it's one of the Jones boys.

Two or three weeks ago we pointed out that three Texans had served in Woodrow Wilson's cabinet, Albert S. Burleson, David F. Houston, and Thomas Watt Gregory. Burleson and Houston! Those are names to conjure with!

We also observed that thus far Franklin D. had not chosen to appoint any Texan to a cabinet position, though a native Texan Old "Cactus Jack", as vice-president, was invited to sit in the cabinet meetings.

And now comes Jesse Jones as Secretary of Commerce. President Roosevelt submitted his name to the

Senate for confirmation a week ago after he first obtained the consent of both houses of Congress for Jones to hold two positions: Administrator of the Federal Loan Agency, as which he has been functioning for the past year, and Secretary of Commerce, which Harry Hopkins recently vacated. The nomination was promptly confirmed.

Formerly, Jones was head of the Reconstruction Finance Corporation. He was first appointed to this position by President Hoover. He had started out so well that President Roosevelt retained him in that position. As such, he gained the respect and admiration of the big business interests of the country as well as ordinary old John Citizen himself; of the politicians and leaders of the Republican party as well as those of the Democratic party. About a year ago, he was appointed Administrator of the Federal Loan Agency. This, probably, was no promotion, but it was thought some such man as Jesse Jones was needed as its director. So he was given the job.

Now, Roosevelt is convinced that he is big enough to hold two big jobs, and therefore he asked Congress for the privilege of retaining Jones in his present position as Administrator of the F. L. A. while serving in the cabinet as Secretary of Commerce. The privilege was readily granted.

That's quite a compliment to this Texan, we'd say.

Jesse Jones is just another green country boy that moved to town and made good.

Originally he was not a Texan. He was born in that state that has given Texas many others of her talented sons including our neighbor, Andy Jack Stricklin, who for more than thirty years has presided over the destinies of that fine specimen of country journalism, the Terry County Herald. He was a Tennessean.

We hardly suspect that Jesse and Jack played marbles together as boys, however, for Andy of course would not admit that he is anywhere near the age of the new cabinet official, who was born in 1874; and besides Jack first saw the light of day somewhere down in West Tennessee while Jesse was a native of Robertson county up on the Kentucky line.

He was a country kid, we are told, the son of a farmer, but we do not know whether it was Cedar Hill, Green Briar, Ridgetop, or some other village that he rode his Dad's old gray mule about once a week to get his copy of the Louisville Courier Journal from the post office. Springfield was the county seat of Robertson county, but we doubt if Jesse had the privilege of going to the county seat more than once or twice a year. He doesn't seem to have had any special liking for the courts, otherwise he undoubtedly would have become a lawyer instead of a banker.

Springfield was so close to Kentucky that it may be that court trials became a little too lurid, or hectic, or sumpin', to suit Jesse's peace-loving nature. Anyway, we don't hear of Jesse hanging around the court house up at Springfield when he was a kid.

Another thing we don't know about Jesse: we don't know whether he chaws tobacco or not, but we are told that he raised it. He made his first money raising a little patch of tobacco on his father's farm somewhere up there in Robertson county. He cleared \$120.00 the first year. We imagine he would have been a dandy F. F. A. boy if they had had such boys in Tennessee in his day.

But Jesse quit school early. He might have been something of a tobacco worm but he was not much of a bookworm. He preferred to raise tobacco. He kept this up several

Girls Are Advised To Build-Up For Relief

Lack of knowledge causes many a weak, undernourished girl a lot of suffering!

Many others, however, know how the headaches, nervousness, cramp-like pain of functional dysmenorrhea due to malnutrition are helped by the proper use of CARDUI.

Some take it a few days before and during "the time," to help ease periodic distress. But CARDUI's principal use is to help increase appetite; stimulate the flow of gastric juice; so aid digestion, assist in building up physical resistance and thus help reduce periodic distress. Women have used CARDUI for over 50 years.

years, and kept making a little money.

Just about the time the fuzz on Jesse's upper lip began to grow a little coarse and black, making the occasional use of a razor necessary, he caught the Texas fever. He stuffed a few shirts and a pair of pants or two into his valise and lit out.

He got a job in a lumber yard down in southeast Texas. Every pine leaf he touched seemed to turn to gold. By the time he was old enough to vote he had become manager of the yard. Then in a few years he had become the general manager for the company. Soon he bought a piece of timberland—had to borrow the money to do it—\$10,000—but he had established good credit and had no trouble in procuring the loan. In a few years he had cleared \$50,000 on the deal. At 30, he was a millionaire. A few years more, and he was a multi-millionaire. Now he owns plenty of sawmills, lumber yards, banks, valuable property all over Houston—and he owns a daily newspaper, The Houston Chronicle.

How did he do it? We don't know. Guess it was partly luck and partly just good business sense, a thing that most of us don't have.

So, this former Tennessee country kid is one of the big boys now. He is big of brain, big in the financial world, and big in the government of this country.

But we don't know how long he will get to sit in that cabinet. If that Hoosier kid, Wendell Willkie, who claims to be some business man himself, gets to be President, Jesse Jones may find it necessary to pack his shirts and trousers into a couple of srips and migrate to Texas a second time. But all of us are hoping that Wendell fails to make the landing and that Jesse may continue to function in Washington.

If he does, and if old Andy Jack takes a notion some time to climb into his Cadillac and run up to Washington just to call on his former fellow Tennessean, we are going to hit Jack up for a free ride. We would kind o' like to see some of the boys up Washington way ourselves.

But Jesse Jones is not the only Jones kid from Texas up in Washington. Marvin Jones is some punkins himself. He has been fighting the battles of the farmer up in Washington for many years. As chairman of the Agriculture Committee of the House he has been much in the limelight throughout the nation. He served so well, in fact, that the President decided a few months ago to give him a better job. So he appointed him to a place on the Court of Claims. We don't know how much work is attached to this job, but a good salary is attached to it and that's sumpin'.

So, these Jones boys from Texas,

YOUR FUTURE Congressman?

It's HARD to tell... but EASY to pick a winning oil

YOU'RE STICKING YOUR NECK OUT, if you try to guess whether this young chap is headed for Washington.

True, he is already exhibiting signs of future political prowess. But experience has shown that some of the least likely candidates end up with high position, while school boy orators and class officers seldom rise to national affairs.

Easier than picking a winning politico is voting for a winning oil for your motor. This is why:

Of the many oils which Phillips makes, in various grades to match varying needs of cars and pocketbooks, we have set one apart as **our best**.

We say unconditionally and without reservation that **Phillips 66 Motor Oil is our finest quality**... the highest grade and greatest value... among all the oils we offer.

Pick a winning oil by pointing to the can marked with the **Orange and Black 66 Shield**, when you make the 1,000-mile change, as well as when you put in lighter oil for the winter.

Mrs. George W. Meredith, Miss Ruby Rattaree, and Arthur Bell, all of Dallas, and Mrs. Melton Leslie of Waco, left for their homes last Sunday after having spent a week here visiting the Aycox and Cobb families.

APPRECIATES KINDNESS

Mrs. Tom Smith of Redwine, who has been ill for some time and who spent several weeks at Mineral Wells for her health, is now much improved, although she is still under the treatment of a doctor.

She wishes to convey her thanks to many friends for numerous kindnesses shown her during her illness.

Misses Tommy Ruth Anderson and Annie Pearl Roberts left Monday for Canyon where they will attend West Texas State Teachers College. Tommy Ruth is the daughter of Mr. and Mrs. Tom Anderson of the T-Bar community and Annie Pearl is the daughter of Mr. D. C. Roberts of New Lynn. Both girls were in the graduating class of 1940 of Tahoka High School.

Mrs. M. G. Salmon and daughter, Tony Maxine, of Amarillo have been here since Saturday visiting Mr. and Mrs. W. O. Thomas. Mrs. Salmon is Mrs. Thomas' niece.

Bulldogs Lose Opening Game To Monahans 19-6

The Tahoka Bulldogs went down in defeat at the hands of the Monahans "Green Wave" squad in their season opener at Monahans last Friday night by a score of 19 to 6. The game was much better than the score indicates and the Tahoka fans who saw the game were well pleased with the game that was turned in by the very much inexperienced Bulldog squad.

Bulldogs Outweighed

Just to give you an idea of what the boys from Tahoka had to play against down at Monahans we give you a few weights on the boys in the lineup that played all the four quarters of the game—Left Guard, Bill Andrews of Monahans 218 lbs opposite Pug Parker 120 lb. Guard for Tahoka and Pug really played a jam-up good game against Andrews; then there was a fellow named Patton, 165 lb. Center playing against our local boy Truman Hines who eats "raw meat" three times a day at 125 lbs. There wasn't that much difference in the weights of the other players but we will guess the Monahans team outweighed the Bulldogs at least 10 pounds to the man.

Ellis Stars For Green Wave

Elton Ellis was the outstanding man for Monahans, but there is a reason for this fact and just like many other outstanding athletes in the state, he is originally a Lynn county boy and attended school here for a while.

Game Starts

The whistle blows and the game has begun—Monahans kicked off to Tahoka and Earl Adams returned the ball 35 yds., then the Bulldogs passed for about a 30 yd. gain and then they drove down the field to the 12 yd. line, at which point Tahoka lost the ball on downs. Monahans took over there and Ellis took the ball but fumbled it and Tahoka recovered but lost the ball again on downs, and after one play that failed Ellis took the ball and ran 88 yds. for a touchdown. Tahoka let Monahans drive down to the 20 yd. line in the second quarter and then Ellis went over for the second score and Andrews kicked the extra point.

Hines Intercepts Pass

Shortly after the third quarter started Truman Hines intercepted one of the few passes attempted by Monahans and returned it about 35 yds. and from that point the Bulldogs hammered their way down to the five yd. line where Earl Adams went over the goal for Tahoka's only score of the game.

The Monahans Green Wave scored again in the fourth quarter via air with Ellis tossing the pigskin 30 yds. to a Mr. Wallace who escorted the pigskin the remaining 10 yds. by hoofback to pay dirt for the third touchdown for Monahans.

A Few Statistics

The Monahans Green Wave made 7 first downs; 1 penetration; completed 2 passes; and made 286 yds. rushing. However if the two plays that brought them two of their scores were subtracted it would leave them only 178 yds. rushing.

The Tahoka Bulldogs made 6 first downs; 2 penetrations; completed 3 passes; and made 168 yds. rushing.

Brownfield Smeared Kermit 26-6

KERMIT, Sept. 13.—Brownfield started off the new season with a rush here Friday night smearing Kermit with an assortment of scoring wizardry that netted a 26 to 6 victory.

The winners, amassed 205 yards from scrimmage to 70 for Kermit. In first down the two teams were tied at 7 each.

First counter for the Cubs came in the initial quarter W. D. Warren, star of the game, scattering 37 yards in a broken field after failing to find a receiver on an attempted pass. He added the other in the second quarter on a cutback and reversed field over a 15-yard distance.

Hill, Rowden Score

Gene Hill followed up minutes later with an end round that netted another six points. He kicked extra points twice for second high scoring honors.

In the third, the Cubs added to their total when Monroe Rowden

District Champs Beat Spur 13 To 0

Spur, September 13.—(Spl.)—Olton's Mustangs paced by the fleet-footed Hedges twins, scored twice in the first half Friday night to defeat Spur's Bulldog's 13 to 0. The Mustangs, bi-district champions in 1939, ran up 19 first downs to 10 for Spur.

snagged Warren's 11-yard heave. Wayne Odom counted Kermit's only touchdown with less than three minutes to go in the final quarter, driving two yards to score. Before Left Half Algoed was injured in the second half he had starred for Kermit.

Tahoka Bulldogs Have Only Four Home Games On Schedule This Year

Due to the fact that Tahoka has only four home games this year, you should attend every game at home this season and also if possible to do so back the Bulldogs in the games they play away from home.

Tahoka has the prospects of having a nice team this year but regardless of whether they are good or bad—win or lose, you should back them 100 per cent by attending the games and boosting them.—That means more to the spirit, morale and co-operation of a bunch of boys than any other thing. So if you want a hard fighting team to represent our school and our town out on the gridiron, then attend every game this year and every year to come.—We'll be seen you at the game.

Post Pitches Off Cowhands, 24 To 15

POST, Sept. 13. (Special)—Paced by dependable backfielding on the part of Delmo Gossett Charles Luttrell and Lawrence Sherrod, the Post Antelopes overcame a first-quarter lead to conquer Coach Cy LeMasters Lubbock's Cowhands, 24 to 15, at Post last Friday night.

Lubbock stacked up an 8-0 count in the first quarter on a touchdown and safety, but the Antelopes came right back to score once in the second, twice in the third and once in the fourth. Lubbock added the final counter in the fourth stanza. The Cowhands led in first downs, 12 to 7.

Douglas "Primo" McCurry, Cowhand fullback counted Lubbock's first touchdown, followed by the safety and Jack Pipes' six-pointer. Pipes plays fullback, also.

Others outstanding for the losers were Euell Wallace at end, Billy Smith, sub guard, Ross Brock, tackle.

 Department of Agriculture, whose
 decision will be final. Cotton pro-
 duced in this county will be sent to
 the office of the Agricultural Mark-
 eting Service in Lubbock for class-
 ing.

To obtain a loan, a farmer delivers
 his cotton to a warehouse which has
 been approved for handling loan
 cotton. The warehouseman sends
 samples to the classing office and,
 upon receipt of their report, inserts
 in the loan forms the grades and
 staples of the cotton. The farmer
 then takes his loan forms and his
 warehouse receipts to a bank or other
 loaning agency and receives his cash
 advance or cotton loan.

"While the new requirements for
 classing of loan cotton will nec-
 essarily cause some delay in the
 making of the loan, the benefits to
 be derived from the system will more
 than offset the inconvenience of the
 delay. Growers will receive a uni-
 form classification of their cotton,
 done by Government employees who
 are expert in classing cotton. The
 farmer will find his cotton class re-
 cord a valuable aid, either in the
 sale of his cotton or in the sale of
 his equity in the cotton," the official
 said.

 Ensilage Harvester**

Think of being able to drive a John Deere Ensilage Har-
 vester down a row of standing corn and deliver a wagon or
 truck load of the grandest silage that a cow ever rolled into
 a cud.

What a far cry from the old back-breaking method that
 requires lugging bundles of heavy, wet, green corn to the
 shocks, pitching the bundles onto wagons, and then
 feeding them into the ensilage cutter. Then, too, think
 what you save on labor—a John Deere Ensilage Harvester
 cuts your crew in half—and no twine bills to pay.

All you do is drive the tractor—the harvester does the
 rest—cuts the standing corn into pieces from 3/8 to 5/8
 of an inch or from 5/8 to 1 inch, and delivers it into wagon or
 truck, drawn alongside the harvester. Heavy-duty con-
 struction. Simple, easy to operate.

REDELLS ENTERTAIN

Mr. and Mrs. E. E. Flowers of Chico were here last week visiting Mr. and Mrs. W. A. Reddell and family. Mr. Flowers, who is a brother-in-law of Mr. Reddell, is a rural mail carrier at Chico, and on Thursday night of last week the Reddells entertained their visitors and the entire post office force here with a

barbecue served on their back lawn. It was a most pleasant affair.

Our Modern
 Equipment
 Does Your Laundry Better

This modern laundry keeps pace with the latest developments in the laundry, and whenever an improvement is made that contributes to finer workmanship, we are among the first to incorporate it in our modern daylight plant. Our finished service is continually improved... that's why so many customers admire our careful work... the whiteness, cleanness and freshness of their wash when it is returned to them.

Make top-grade Silage from standing corn with a
John Deere Ensilage Harvester

Think of being able to drive a John Deere Ensilage Harvester down a row of standing corn and deliver a wagon or truck load of the grandest silage that a cow ever rolled into a cud.

What a far cry from the old back-breaking method that requires lugging bundles of heavy, wet, green corn to the shocks, pitching the bundles onto wagons, and then feeding them into the ensilage cutter. Then, too, think what you save on labor—a John Deere Ensilage Harvester cuts your crew in half—and no twine bills to pay.

All you do is drive the tractor—the harvester does the rest—cuts the standing corn into pieces from 3/8 to 5/8 of an inch or from 5/8 to 1 inch, and delivers it into wagon or truck drawn alongside the harvester. Heavy-duty construction. Simple, easy to operate.

You'll find the **John Deere Power Corn Binder** in there "pitching" all the time

You couldn't ask for a better binder and get it, because "there ain't no such animal." The John Deere Power-Driven Corn Binder gets the call of corn growers for a binder that meets their requirements 100%. In bad weather, in soft ground, in down stalks, the John Deere will handle your crop faster, and without clogging, making well-tied, easily handled bundles that are easier to shock or feed to the ensilage cutter. Built extra strong to last long.
