The FRIONA ★ STAR

VOLUME 57, NUMBER 15 | SUNDAY, JANUARY 18, 1981 | 25 CENTS | 12 PAGES, PLUS SUPPLEMENT

Star Lites

By Bill Ellis

THE FRIONA AREA lost one of its longtime workers this week in W.L. "Preach" Edelmon.

As you no doubt know, "Preach" had been involved in virtually every facet of community activities, from church to Chamber of Commerce, and everything in between, during his lifetime.

He had been very interested in cotton production, in particular, and this is how he got his nickname. He used to appear before groups extolling the virtues of cotton growing, and folks would ask "Do you want to preach to us about cotton?"

We were able to serve with Mr. Edelmon on the Friona City Council, and found him to be one of the best leaders the city has had. The Highway 214 overpass stands as a monument to his work in this capacity.

We've also worked with him in Lions, and his fellow members will attest that his enthusiasm for the Lions Club and its work never diminished. He was particularly fond of Girlstown and its work, and if you had an extra five minutes, he never tired of extolling the virtues of this establishment.

Never one to turn down the opportunity to serve, Preach has perhaps been on more boards than anyone we have known.

As was said at his memorial service, every community needs more men of his calibre.

• • • •

IF YOU HAVE RECEIVED a paycheck this year, then you no doubt are aware by now that your Social Security taxes have taken another jump.

Oh, it's not a tremendous increase, where percentages are concerned....only 7.8 per cent more than the tax had been in 1980. But, it's the overall growth of Social Security taxes in the past 20 years which should concern taxpayers, who face the prospects of being taxed right out of their paycheck, if the trend continues.

That little "insignificant" tax of 20 years ago has grown until it is far from insignificant, and according to the tax experts, this increase is far from over.

Back in 1960, just 20 years ago, the Social Security tax amounted to only about one per cent of your income--and you paid the tax only up to $6,000 of your annual income, or a maximum amount of $144.

Ten years later, the maximum amount of Social Security tax had tripled--to $405 per year, and the maximum income limit had been

(Continued on Page 12)

City Calls Bond Issue For Water

The Friona City Council, climaxing six months of intensive study and work toward solving the city's critical water shortage program, voted this week to call a $1,000,000 bond issue for February 10, which would be used to purchase a 670-acre tract of land one and one-half miles northeast of Friona.

City Manager Jake Outland said the property has four good producing water wells on it at the present.

The bond figure will include purchasing the land, building a large water reservoir, chlorinating and pump station, and piping the water into the city's system.

The city has taken an option to buy the land, and council members feel they can secure the property at the "going rate" for number one farmland. "We feel fortunate that such land was available this close to the city, since we will need to pipe the water into the city's system," Outland stated.

The land is located a mile north of the city and east of the Cemetery Road. Part of the parcel which the city proposes to buy belongs to Glyn Hamilton, part to D.C. Herring and part to Glenn Herring.

The bond issue would be to sell general obligation bonds, however, Outland pointed out that application is being made to Farmer's Home Administration for a loan which would be at a lower interest rate.

Outland said that it was the council's belief that the tax increase needed to pay for the bond issue could be held under $1.00 valuation, from the present 70 cents.

"It is anticipated that the city's water supply will be in jeopardy this summer, as it was last summer. Our rainfall for the calendar year 1980 was only 13.25 inches, the second lowest total on record," Outland said.

Studies conducted had shown that Friona had at best a 12-year supply of water, based on information available, with a declining reservoir in prospect.

"The council has been earnestly working on the problem since last summer. We felt that residents of the city were demanding an adequate water supply, and we are striving to secure it for them. We must have an ample water supply in order to remain progressive," says Mayor B.K. Buske.

It was noted that the city might lease out the farmland involved for strictly dryland farming, in order to recoup some of the purchase price. Such details would have to be worked out later.

Absentee voting for the bond issue begins Wednesday, January 21 at the city office, 623 Main Street, and continues through February 6.

C-C Banquet Is Saturday Night

The annual banquet for the Friona Chamber of Commerce and Agriculture will be held Saturday, January 17, at the Community Center.

Plenty of tickets will be available at the door, according to the Chamber office. Tickets at the door will be $12.50 each.

Poor Boy's Steakhouse of Clovis will cater the banquet.

Speaker for the banquet will be Gil Stricklin, a humorist-motivational expert and veteran of some 800 banquets and conventions.

A feature of the annual banquet will be the naming of Friona's outstanding citizens for 1980. This will include the "Man and Woman of the Year," the "Teacher of the Year," "Most Courteous Employee," and outstanding young people.

The new officers and directors of the Chamber of Commerce and Agriculture also will be installed. Danny Kendrick is the new president of the organization, replacing Wade Wright.

New directors, elected in December, are Mike Cortese, Bob Hurst, Lois Norwood, Rick Jennings and Robert White.

Stricklin is a native Texan, born in Grayson County. He has served as Associate for Direct Evangelism and Chaplain Ministeries for the Baptist

★ ★ ★ ★ ★

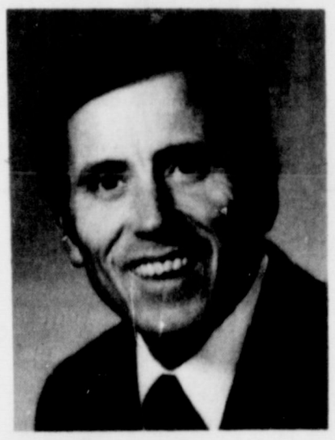

For a preview of the banquet, see the four-age banquet program which is being mailed with this issue.

The supplement includes a list of people the Chamber has honored beginning with its first awards banquet, plus a list of former Friona Chamber of Commerce presidents.

Pictures of the members of the Chamber's board of directors also are included.

MISS H-E-B....Laura Ellis, center, a native of Friona, was crowned Miss Hurst-Euless-Bedford this week in a pageant at Euless. Other finalists were (lower left) Gina Pounders, second runnerup; (upper left) Lisa Skiba, first runnerup; (upper right) Jo Shannon Baldwin, third runnerup and (lower right) Missy Day, fourth runnerup. Laura is the daughter of Mr. and Mrs. Bill Ellis of Friona.

Laura Ellis Wins Miss H-E-B Title

Laura Ellis of Friona was crowned last Saturday as Miss Hurst-Euless-Bedford in the pageant conducted at the Trinity High School Auditorium at Euless.

The pageant, which provided $4,000 in scholarships and wardrobe, also qualified the winner for the 1981 Miss Texas Pageant, to be held this summer.

Laura, the daughter of Mr. and Mrs. Bill Ellis of Friona, performed a classical ballet dance for the talent portion of the pageant. The entrants were also judged in formal wear and swimming suits, and in an interview session.

Judges' scores indicated that Miss Ellis had the most points of any of the 22 contestants in the interview portion of the contest, and was second-highest in the talent competition.

Her sponsor in the pageant was the Forest Hill State Bank of Fort Worth. The age limit for the pageant is 25. Several of the contestants had previous experience in a Miss Texas preliminary pageant, and officials of the Miss H-E-B pageant considered it an accomplishment for Laura to win in her first attempt.

Three of the top five finalists in the

Anti-MX Group Is Organized In Friona

A public meeting of local citizens Tuesday night at the City Council Meeting Room resulted in the formation of a group calling itself Friona MX Action.

Don Fortenberry, a local farmer, was named coordinator of the group. Fortenberry explained that the organization will function mainly to collect and dispense information regarding the proposed deployment of the MX missile system in this area.

Speaking to the group was Bill Crawford of the Austin branch of the American Friends Service Committee, a Quaker organization. Crawford is on a week-long tour of the area, and Friona was the first of several meetings he hopes to hold between Portales and Dalhart.

Crawford pointed out that the most urgent business, for those who oppose the MX, is to write letters calling attention to the deficiencies and oversights in the Draft Environmental Impact Statement prepared by the Air Force. He stated that the 90-day period for public comment on the DEIS expires April 2.

Friona Mayor B.K. Buske told the group that he had received a copy of the multi-volume DEIS that day, and that it would be available for public perusal at his office at Tri-County Savings and Loan Association.

Crawford stated that of 36 issues considered in the DEIS, 27 favored deployment of the missile system in Texas-New Mexico, as opposed to Utah-Nevada. He said that Nevada-Utah opponents of the MX have been busy for months consolidating their defense, and that the Morman Church is considering taking a stance against the system. For these reasons, Crawford felt that Texas and New Mexico are still very viable prospects to receive the missiles. Full deployment here would entail the relocation of 1,400 families, of which 225 would be in Parmer County.

Persons desiring to join Friona MX Action or to be on its mailing list should contact Don Fortenberry, Rt. 2, Friona.

"Preach" Edelmon's Services Held Here

Funeral services for W.L. "Preach" Edelmon, 74, prominent farmer and civic leader in Friona and Parmer County, were conducted Thursday at Sixth Street Church of Christ.

Edelmon was killed on Tuesday, January 13, when the pickup-truck he was driving collided with a Shur-Gro liquid feed truck-tractor four miles east and one mile south of Friona on Farm Road 3140.

The accident occurred where the farm to market road, which leads south from Mike Chaney Fertilizer past Friona Feed Yard, intersects with a county (dirt) road. Edelmon was eastbound, and the truck was northbound.

Vernon Redwine of Brownfield, driver of the truck, was not injured.

Edelmon was pronounced dead at the scene by Frances Euler, justice of the peace. The accident occurred at 10:40 a.m., according to the Texas Department of Safety.

Edelmon was born at Lometa, Texas, on May 2, 1906. He came to Friona in 1937 from Springlake.

He was a 1929 graduate of Texas Tech University. He worked as an instructor in parliamentary law at Texas Tech in 1929, and later taught in public schools.

He served as superintendent of schools at Springlake before moving to Friona, where he held a similar capacity from 1937-41.

He was a charter member and first president of the Friona Lions Club in 1941, served as Lions District

W.L. EDELMON

ALL-REGIONAL.... Sixteen members of Friona's High School band obtained spots in this year's all-region band. Tryouts were last Saturday, January 10 at Littlefield. On the front row, left to right, are Sandy Spring, Patti Hinton, Gwendolyn Maurer, Penni Weatherly, Sunny Horton and Jay Norsworthy. On the back row are Andrew Fleming, Greg O'Brian, David Davila, Tim Mercer, Stanley Ellis, Mark Blankenship, Jessica Maurer, Joey Howard, Diane Johnston and Stan Miller.

(Story on Page 12)

FRIONA FLASHBACKS

....from the files of The Friona Star

50 YEARS AGO--JAN. 16, 1931

Friona is to have a new business enterprise started here February 1. It will be the Friona Home Bakery, and will be located in the Crawford building formerly occupied by the City Drug Store. Sherman B. Goodwin, formerly of this city, has recently operated a bakery in Sudan, and will be the proprietor.

Wicks' Modern Hatcheries which also has stores in Clovis and Portales, N.M., will open in Friona on January 13. Mr. Jennings is the manager.

• • • •

45 YEARS AGO--JAN. 17, 1936

Conway Frost of Friona has been recommended for a varsity football letter at Hardin-Simmons University for the 1935 season, head coach Frank Kimbrough announced. Frost earned his first letter playing at a backfield position.

• • • •

40 YEARS AGO--JAN. 17, 1941

Work on the row of tourist camp cottages that has been in progress for the past several weeks, for James P. Wilson on the north side of Highway 33-60, has been practically completed.

Work has been in progress for the past week or longer, on the new filling station building that is being erected by Wright Williams, at the intersection of Highway 33-60 and Main Street, on the south side of the highway and west side of Main Street.

• • • •

35 YEARS AGO--JAN. 18, 1946

A 12-inch snowfall broke the winter-long drought here this week. The snow began about the middle of the afternoon on Monday, and continued into the morning on Tuesday. Drifts as high as three feet were common. Traffic was halted in town and on the highways.

Blanton Butane Gas Company has announced plans to open its new office in Friona as soon as space is available.

• • • •

30 YEARS AGO--JAN. 18, 1951

Community meetings have been scheduled next week for Parmer, Deaf Smith and Castro County residents desiring service by the West Texas Rural Telephone Cooperative. The government has allocated $454,000 for the construction of a telephone system in this area.

• • • •

25 YEARS AGO--JAN. 20, 1956

Winners in the local March of Dimes talent show last Thursday were Betty Hawkins and Dale Hartsell of Bovina, first; Bobby Shirley, eight years old, Friona, second; and Gwen Green, Friona, third. Shirley, accompanied by George Green, Reaford Shirley and Don Green, sang "Satisfied Mind," and Gwen Green, accompanied by the same trio, sang "Crewcut and Baby Blue Eyes." She is an eighth grader.

• • • •

20 YEARS AGO--JAN. 19, 1961

Serious efforts have been launched and a council has been organized to work toward bringing a foreign exchange student to Friona schools next year. Working through the American Field Service, the council has learned most of the requirements, procedures and expenses involved in bringing a student here from a foreign country.

• • • •

15 YEARS AGO--JAN. 20, 1966

Donny Anderson, Texas Tech Red Raider All-American who recently made history by signing with the Green Bay Packers for a reported $700,000, was the main speaker at the Friona High School athletic banquet last Saturday. Friona Coach Don Light coached Anderson in high school.

• • • •

10 YEARS AGO--JAN. 21, 1971

"Good things come in threes." Perhaps that should be adopted as the theme at Parmer County Community Hospital, where last week the second set of triplets were delivered within three years. Mr. and Mrs. Dale Cunningham's triplets, two identical twin girls, and a boy, arrived shortly after midnight the morning of December 15. The multiple births came within three minutes of making history another way--having one with a different birthday. Sherry Ann, the smallest girl, was born first at 12:03 a.m. Shelly Gail was the second child born at 12:18 a.m. The boy, Corey Dale, was the last to be born, at 12:54.

Tax Rep. Sets Visit

State Comptroller Bob Bullock has announced that Kay Doggett from his Lubbock field office will be at the Parmer County Courthouse in Farwell on Wednesday, January 21, from 2-3:30 p.m.

A comptroller's representative is available to assist local residents at the Courthouse every third Wednesday of each month.

Bullock urged anyone with problems or questions concerning state taxes to contact Ms. Doggett at the Courthouse in person or call the Lubbock field office at (806) 795-0691. A toll free number (1-800-252-5555) is also available to Texas taxpayers.

Lunch Menu

WEEK OF JANUARY 19-23

MONDAY--Fish, potatoes, peas, hot rolls, cake and milk.

TUESDAY--Creole spaghetti, blackeyed peas, beets, light bread, cookies and milk.

WEDNESDAY--Burritos, pinto beans, greens, cornbread, pudding and milk.

THURSDAY--Meat Loaf, whole potatoes, green beans, cake, hot rolls and milk.

FRIDAY--Hot dogs and chili, pork and beans, potato chips, buns, fruit and milk.

Assn. To Meet

The West Plains Dairy Goat Association will meet January 24 at 8 p.m. at the Tri-County Savings and Loan in Muleshoe, Texas in the community room at the back of the building.

Anyone interested in dairy goats is invited to attend.

Food For Thought

By GERALD McCATHERN

As I contemplated the year past and thought on the year to come, I could not help but reflect on the many blessings enjoyed by those of us fortunate enough to live in this "land of the free and home of the brave."

Comfortable homes, automobiles, schools and school teachers; laughing children, Coca Cola, churches and preachers; friendly police, television, books and newspapers; electricity, trains, shopping malls and neighbors.

But most of all I thought about how fortunate we are to have **food**, and such an abundant supply. As we shopped for our Christmas turkey and other trimmings in a grocery store so large it covered an entire city block, I marveled at the quantity and quality of the food under that one roof! And in the middle of **winter!**

There were fresh tomatoes, egg plant and oranges from Florida; lettuce, strawberries and lemons from California; cucumbers, carrots and grapefruit from the Rio Grande Valley of Texas; Arizona onions, Idaho potatoes, and Washington apples.

The meat counters were overflowing with every kind of beef: hamburger, steaks, ribs, and roasts. There was bacon, sausage and hams galore. Chickens and turkeys, boned and boneless; milk, eggs, cheese, breads, cereals, beans, corn, cakes, pies and pizzas. Anything your heart (or stomach) could desire was available in apparently unending quantities.

You could buy it cooked, uncooked, or semi-cooked; individually wrapped, sliced, frozen or unfrozen.

There were no waiting lines, no ration coupons, or no limits on quantity. I noticed that the less fortunate, by the use of food stamps, were able to purchase the same cuts of meat, milk, fruit and vegetables as the affluent could purchase with cash.

I could not help but think about the food lines now prevalent in Poland and the hungry children in Cambodia; the rice diet eaten by much of Asia and the starving masses in Etheopia. And I said, "Thank you Lord."

I remembered gasoline lines at service stations and I prayed, "Lord, help us if we ever have food lines."

Then I remembered angry farmers in Washington the past three years, tractors on streets instead of in the fields. And wondered if this "horn of plenty" was in jeopardy. I remembered seeing a gray-haired farmer on television and hearing him say, "If the American people do not come to their senses and **help** the farmers receive a fair price for their products, this nation will surely see a shortage of food!"

And so once again I prayed, "Thank you Lord, not only for our bountiful blessings, but thank you for **farmers** who have fed us so well. Thank you for their ability to feed this nation and half the world. Please keep us from being so selfish that we would deny them a fair profit in return for this great service to us. God, please bless this nation and may all its people enjoy a happy and prosperous New Year."

LEGAL NOTICE

PUBLIC HEARING NOTICE

The City of Friona will conduct a Public Hearing at 7:30 P.M. on March 9, 1981 at the Friona City Hall located at 623 Main Street. The purpose of the hearing is to afford interested persons an opportunity for written and/or oral comments on the proposed wastewater treatment facility plan and associated environmental information document. One of the purposes of this hearing is to discuss the potential environmental impacts of the project and alternatives to it.

The proposed project includes improvements to the existing lift station as well as the construction of a flow measuring device, a standby generator, aerated lagoons, a stabilization pond, site improvements, and refurbishing an existing holding pond. All of the major components of the existing plant will continue to be utilized and the effluent will continue to be utilized for irrigation of adjacent agricultural land.

The total project cost is estimated to be $579,250 with the local share approximately $90,075. Estimated monthly operation and maintenance costs will be $1,920.

Other alternatives considered included land, treatment, stabilization ponds, facultative ponds, an oxidation ditch, and a trickling filter plant.

Detailed information is available for public review at the City Hall during normal business hours and includes financial information, treatment alternatives considered, and environmental impacts of the project. Additional information may be obtained by contacting Arley L. Outland, City Hall, P.O. Box 595, Friona, Texas 79035 phone (806) 247-2761.

Edelmon...

(Continued from Page 1)

Governor in 1966-67, and in 1975 was named to the Texas Lions Clubs Hall of Fame.

He was very interested in Girlstown, USA, which is a Lions' project, and served as a director for that organization for ten years.

In 1967, Edelmon was honored as Friona's "Man of the Year" by the Chamber of Commerce.

He served as mayor of Friona from 1966-70, and during his tenure was instrumental in seeing the Highway 214 overpass project become a reality.

Edelmon was also a past president of the Friona Chamber of Commerce & Agriculture.

Edelmon was extremely active in farm organizations. He served four years as chairman of the Parmer County Soil Conservation District's board, and for 12 years was a trustee of the High Plains Research Foundation.

He also served 12 years as county director for Plains Cotton Growers, and has been a promoter of cotton growing virtually as long as he has farmed. He also had been a director on the Texas Corn Growers Assn.

Edelmon married Ruth Officer in 1929 at Lubbock. Survivors include his wife of the home; a son, Von of Friona; a daughter, Jan Edelmon of McLean, Va.; a sister, Mrs. Mildred Williams of Mesa, Arizona; two brothers, Grady Edelmon of Muleshoe and Claude Edelmon of Dumas; and four grandchildren.

Officiating at the memorial service on Thursday were H.D. Simmons and D.L. Harguess. Burial followed at Friona Cemetery, under the direction of Parsons-Ellis Funeral Home.

Pallbearers were Marshall Cooper, Elmore Rains, Charles Allen, Dean Blackburn and Fred Barker.

Honorary pallbearers were D.L. Carmichael, Charles Mercer, Cecil Bass, Roy V. Miller, Kenneth Moore, Rene Snead, Ralph Roden, John Hays, L.D. Nichols, Sterling Graham, Pete Carmichael, T.A. Sherley, Nelson Welch, Lawrence Jamerson and A.L. (Jake) Outland.

The family requested that memorials be made to Girlstown, USA.

DEATH SCENE....The pickup-truck in which W.L. (Preach) Edelmon was killed in a traffic mishap Tuesday is shown in the foreground, with the other vehicle, a large truck-tractor, in the background. Clyde Fields and Fred Florez are shown examining the pickup.

Laura Ellis..

(Continued from Page 1)

competition were former pageant winners with Miss Texas Pageant experience.

First runnerup in the pageant was Lisa Skiba. Second runnerup was Gina Pounders. Jo Shannon Baldwin was third runnerup and Missy Day was fourth runnerup. All of the other four finalists were vocalists.

The new Miss H-E-B reigned as Friona's Maize Queen for 1978-79, and held the Miss Tri-County title in 1979-80.

In six pageant appearances, Laura's record shows three crowns, a second runnerup (in the 1979 Miss Irish Rose Pageant at Shamrock), and top ten selection (Miss Wheatheart of the Nation, 1979). She also was in the top ten of the Maize Queen pageant her junior year, prior to winning.

A graduate of Friona High School, Laura spent a summer as a dancer in the "Texas" Production at Palo Duro Canyon; and worked this past summer and fall as a dancer in the Southern Palace Show at Six Flags Over Texas.

Her other credits include "The Nutcracker," and "Stars Over Palo Duro Canyon" as a member of the Lone Star Ballet Troupe.

She is currently studying ballet with the Dallas Ballet Center.

The Miss Texas pageant will be held the weekend of July 9-10-11 in Fort Worth. Information will be published later for local residents interested in attending the pageant. Miss Texas officials say that a block of tickets are made available for groups from a community wishing to attend.

Allsup's To Head Drive

Allsup's Convenience Stores, Inc. will be sponsoring a neighborhood drive in support of United Cerebral Palsy. All area youngsters are encouraged to visit their local Allsup's store Saturday, January 17 and Sunday, January 18 to pick up a collection envelope. After collecting donations for Cerebral Palsy and turning it back into the store, Allsup's will give them a free fountain drink of their choice.

"We hope all the children of the area will help us make this telethon more successful than ever before," said Kurt Verlei, Director of Public Relations for Allsup's Convenience Stores. "Cerebral Palsy is an injury to the brain that can never be cured. We feel that money raised will go a long way in helping the Cerebral Palsied lead a more normal life."

County History Book To Feature Businesses

The Parmer County Historical Commission met Thursday, January 8 for the regular monthly meeting. Mrs. Judy Cotton held a seminar at 10:30 a.m. on the departments of the Parmer County history book.

At noon a snack was served by the recording committee. At 3 p.m. the group reconvened for the monthly meeting. Paul Fortenberry, Lloyd and Betty Louise Rector, Jinx Snead, Mr. and Mrs. Glen Floyd, Linda Black and Nora O'Brian were welcomed to the group.

Judy Cotton is the sales representative of the Craftsman Printing Company, Lubbock. She also represents the Taylor Publishing Co. of Dallas.

"At present we are stressing the business history section of the history. We plan to give each business establishment in Parmer County the opportunity to enter its own history. These are to be written by the business owner or by someone he designates to write it, so it will contain exactly what he wants in the book.

"Our county development and growth depend upon and reflect the business of our county. Some volunteers will be calling on each establishment soon. All business history is purchased space, so there will be some cost. This helps pay for the free section of the book," said Grace Whitefield, chairman of the book project.

"We also have a need for our local artists to volunteer some of their talents to our project. Pen and ink drawings are used to illustrate, to divide departments, and to emphasize events. We hope our artists will come up with some unique, different and interesting ideas that will make our book outstanding. We cannot guarantee that all entries will be used but we urge those who can, to help us on this phase," Mrs. Whitefield said.

Those interested in memorials and tributes are asked to get them in as soon as possible.

"By sending your book order, pictures and payments in with your stories you facilitate the ledger work and save lots of time," Mrs. Whitefield said.

"Let us all determine to make our county book as complete as possible," she concluded.

Girl Scout Cookie Sale Begins Jan. 20

Beginning Friday, January 20, thousands of girls clad in brown and green uniforms will be knocking on doors selling cookies. The annual Girl Scout Cookie sale is here.

For two weeks until February 15, Girl Scouts ages 6-17 will be selling six varieties of cookies and a snack cracker for $1.50 per box. This year mint, chocolate chip, scot-tea, savannah, chocolate and vanilla creme and a new flavor, dutch 'n such will be available. Golden yangles, a cheddar cheese bite sized snack cracker will also be sold.

Girl Scouts began selling cookies in 1936 as a fund raising project. It has since become an American tradition to which many people look forward. Although it is a national fund raising project, the proceeds remain in each individual council and directly benefit the girls who sell.

The funds support troop and council activities, help local girls participate in national Girl Scout events, and purchase camping equipment. This year, the proceeds will also help finance three new building developments at Camp Rio Blanco, northeast of Crosbyton.

Girl Scouts are presented awards according to the number of boxes they sell. A two-week campership is awarded to those selling 180 boxes or more. Certificates, posters, patches, T-shirts, and one-week campership are also awarded.

Auctioneer & Realtor handling the land sale will be Ted Walling- Hereford, Texas

Chiefs Fall Into Unlucky Streak; Lose Five Straight Games

The varsity Chiefs basketball team started the year off with a game at Boys Ranch. The game was played the first Friday of the year, January 2. After the first quarter of the game, the Chiefs realized that Boys Ranch was not still in the yuletide spirit.

Although the game was lost, it was not a disaster. The Chiefs played a rather good game although some may have had a little too much Christmas turkey. Boys Ranch won the game, 65-52.

The Chiefs' second game of 1981 was also played at the opponent's home court. The team went to Tulia Tuesday evening, January 6, to play the potent Hornets.

Tucker 1-8-10; Neill 4-0-8; Lookingbill 4-0-8; T. Jackson 3-1-7; Rocky Nichols 3-0-6; Montoya 2-0-4; Malouf 1-2-4; Hubbart 1-0-2.

* * * *

CHIEFS	14	24	41	54	
Hale Center	13	19	41	58	

Tucker 10-3-23; Neill 3-1-7; N. Jackson 3-1-7; Caballero 3-1-7; Montoya 2-0-4; Lookingbill 2-0-4; T. Jackson 1-0-2.

Friona was making their free throws well and they were keeping their fouls down to a minimum, but they just weren't hitting the field goals as well as they should. Tulia slowly pulled away quarter by quarter to win the game, 76-43.

On January 8-10, Friona's varsity teams participated in an invitational tournament which was hosted by Abernathy. The first team which the Chiefs went up against was Hale Center. The first quarter of the game proved to be a little slow, but the action began to pick up as time was running out.

The Chiefs were playing a rather good ball game but Hale Center won the game, 58-48.

As the tournament progressed, the Chiefs were then matched up to play against Cooper. The game turned out to be a very exciting one despite the fact that both teams were in the consolation bracket.

The game was close from the beginning to the end. As the time in the fourth quarter finally ran out, the score of the game was tied, 47-all. The Chiefs lost the game by two points, 51-49, but gained some good experience.

Finally, the Chiefs got to play a game at home. Their first home game of the year was played against Hale Center, last Tuesday, January 13. Friona had previously played Hale Center in the Abernathy tournament and realized that their opponents were ready to duplicate their first victory over the Chiefs.

Once again the game was close and the Chiefs played well, but Hale Center would not let the Chiefs get any good inside shots. So most of the game was an array of long hit-or-miss shots which, was the main factor in who would win the game.

At the end of the third quarter, the game was all tied up; but at the end of the fourth, Hale Center had pulled away just enough to win the game, 58-54.

Ex-Friona Resident Is Honored

In the recent "Super Teams" announced by the Amarillo Globe-News, one member of the team was a boy who was born and lived in Friona a number of years.

Randy Eakins of Portales, N.M., a first-team all-state selection in New Mexico as a junior, was named his district's defensive player of the year. He had 11 interceptions and 87 individual tackles.

On offense, as a flanker and wingback, Randy gained 1,124 yards rushing and scored 11 TDs and shared top offensive honors in district. Portales lost in the first round of state playoffs.

Eakins is the son of Wanda Eakins and the late Jerry Eakins, a pilot who was killed in a crop dusting accident.

Squaws 3-3 For '81

After 18 games, the Friona High School's Varsity Squaws' record is 9-9. Through January 8-10, the girls' team was at the Abernathy Tournament where they received the consolation prize.

The first game they played in the tournament was against a team called Greenwood. Although the name is not familiar doesn't mean the team wasn't good. Greenwood outplayed Friona, 58-40.

The second game of the tourney was a little more enjoyable for the Friona team. The Squaws went up against Littlefield in round two action. Littlefield was ahead at the first quarter, but the Squaws pulled ahead at the half.

Then, in the third quarter, the game was tied up, but the Squaws finally won in the end. If it weren't for Theresa Bermea scoring ten points in the last quarter, the game may have leaned in the other team's favor. Friona won the game, 54-44.

The third game in the tournament was against Olton. The game decided who received the consolation trophy in the tournament. Quarter by quarter, the scores changed in a manner that, one time, the Squaws would be ahead; and, another time, Olton would be ahead.

Olton was ahead at the last of the third quarter, but this didn't rattle the Squaws. The Squaws finally won the game and the consolation, 48-39.

Tuesday night, the Squaws hosted Adrian here in Friona, January 13.

At the end of the first three quarters, the Squaws were always ahead. In the fourth quarter, however, the Adrian girls decided to push it to the limit.

Adrian outscored the Squaws 16-9 in the last quarter and came out ahead, 47-44, at the end of the game. Squaw defense may have needed to be a little more on their toes in the game, but, all in all, the game was very close.

JV Girls Stand 11-4 In Season Play

At the end of the second week of the new year, Friona's junior varsity Squaws stand with 11 wins, four losses. And for 1981, the team is 3-3. In the last two weeks, the team has played three match games and participated in a three-game tournament in Littlefield, January 8-10.

The first game of 1981 was played at Hereford. Hereford is a strong team, but the girls didn't give the game up. At the end of the first quarter, it seemed as though the game was going to be very slow-moving as the score at the end of the quarter was 4-4. Hereford slowly moved ahead, the final score, 48-28, Hereford.

The team then went to Tulia ready for a good win to make up for the loss against Hereford. At the end of every quarter, Friona's team proved superior, winning the game 44-27. The Squaws were ready for the Littlefield Tournament.

The first game the JV Squaws played at the tournament was against Morton. The game was played Thursday, January 8. The Squaws soon took charge in the first quarter with a 24-4 lead. At an average of almost 20 points per quarter the Squaws went on to defeat Morton, 77-28.

The team was then matched up with Dimmitt, playing in the winners' bracket. The game was close. Friona was winning at the end of the first quarter. Dimmitt slowly built a small lead against Friona and the small margin remained about the same the rest of the game. Friona lost to Dimmitt, 45-41.

The girls then played Muleshoe, a decisive game on which one team would be titled third in the tournament. The slow-moving game turned the Squaw's luck a little sour as Muleshoe went on to win the game, 40-31.

Tuesday, the JV team hosted Adrian here in Friona. The game proved to be a happier ending than the Littlefield tourney. The girls had less fouls and a higher percentage on their free throws and defeated Adrian, 48-28.

JV Boys Lose In Littlefield Tourney

It seems a small cold front came over the JV boys in the past few games, however, their last game may have pulled them out of the storm. In the first two weeks of the year, the JV team played three games and participated in a Littlefield tournament, January 8-10.

The first game of the 1981 year ended with a loss against Boy's Ranch, Friday, January 2. Boys Ranch won the game, 48-43. On Tuesday, January 6, the team played their second game of the new year against Tulia. Tulia won the game, 64-49.

The team went on the road again to the Littlefield Tournament. Friona lost the first game of the tournament against Morton, 59-56.

Well the streak of misfortune acted like it would never end; but, in their second game in the tournament, Friona won a strong victory over Frenship, 61-48. Friona went on to play Muleshoe for a consolation in the tournament. Muleshoe edged them for the title, 49-46.

Then last Tuesday, January 13, the JV team went up against Hale Center here in Friona. It was time once again to win another game; and, at the end of one very close battle, Friona pulled ahead by two points to win the game, 49-47.

As Friona's JV team goes into their fifteenth game, the team's record is 6-8. Maybe, if another cold front doesn't set in for the team, this record can improve in the next few games.

Committee Nominates Kent Hance

Congressman Kent Hance was nominated by the Democratic Steering and Policy Committee for a position on the House Ways and Means Committee. This is the first of two steps required to gain membership on the prestigious panel.

The nomination will be submitted to House Democrats on January 22 for final caucus approval.

The powerful Committee writes tax law, including all tax law affecting oil and gas legislation, as well as export and import legislation affecting agriculture, and most other tax related matters.

If you or someone in your family has a birthday coming up soon, call the Friona Star at 247-2211 by Thursday noon and report it.

Rhea LWML Has Organizational Meet

The Immanuel Rhea LWML met Wednesday evening, January 7 at the home of Kathy Terry. Kathy, the new president, called the meeting to order. Cecelia Schueler opened with prayer. The roll call and minutes were given by Donna Schueler, in the absence of the secretary, Paula Drager. Donna then gave the treasurer's report.

Old business discussed was the Prairie Acres Shampoo Chair Fund which the group started several years ago. It was decided to use some of the account to pay for the new shampoo bowl and the plumbing for it at Prairie Acres. It was also decided to keep the account at the Friona State Bank open but to change the name of the account to Prairie Acres Beauty Shop Fund. Donations from everyone can be given to the account as memorials or remembrances. The group felt another portable hairdryer would be the next greatest need at Prairie Acres.

Projects for 1981 were discussed. Large print devotion books called "Portal Of Prayer" will be furnished for Prairie Acres. The Neighborhood House in Lubbock will again be sponsored for 1981. The ladies are serving meals at local farm sales to earn money for their Parish Hall kitchen remodeling project. They also furnish baptismal napkins for babies baptized at the church, and do the cleaning of churches and Parish Hall.

The Braille Workshop with the ladies from Immanuel, Hereford will be Monday, January 19 at Lariat, Texas. Workday at Prairie Acres with the Methodist Ladies, Friona, will be January 27.

The group then planned their part of the High Plains Zone LWML Winter Retreat called "Recreated in Christ's Image" to be held at Methodist Camp, Ceta Glen, Texas on January 16 and 17. The Rhea ladies will present the first part of the program "Know Yourself."

Kathy Terry served hot tea, Cokes and cookies to the following: Martha, Donna and Cecelia Schueler and Ruth Drager.

Legal Notices
City Bond Issue

NOTICE OF ELECTION

THE STATE OF TEXAS
COUNTY OF PARMER
CITY OF FRIONA

TO THE RESIDENT, QUALIFIED ELECTORS OF SAID CITY:

TAKE NOTICE that an election will be held in said City as provided in an ORDINANCE CALLING AN ELECTION duly passed by the City Council of said City, which Ordinance is substantially as follows:

ORDINANCE CALLING AN ELECTION

THE STATE OF TEXAS:
COUNTY OF PARMER:
CITY OF FRIONA:

WHEREAS, this City Council of said City deems it advisable to call the election hereinafter ordered; and

WHEREAS, it is hereby officially found and determined that a case of emergency or urgent public necessity exists which requires the holding of the meeting at which this Ordinance is passed, such emergency or urgent public necessity being that the proceeds from the sale of the proposed bonds are required as soon as possible and without delay for necessary and urgently needed public improvements; and that said meeting was open to the public, and public notice of the time, place and purpose of said meeting was given, all as required by Vernon's Ann. Civ. St. Article 6252-17.

THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF FRIONA:

1. That an election shall be held on February 10, 1981, in said City, at the following designated polling place:

CITY FIRE STATION
102 E. 8th Street

Said City shall constitute a single election precinct for said election, and the following election officers are hereby appointed to hold said election:

Presiding Judge:
Wilda Millican
Alternate Presiding Judge:
Melba Burleson

2. That the Presiding Judge shall appoint not less than two qualified election clerks to serve and assist in conducting said election; provided that if the Presiding Judge actually serves as expected, the Alternate Presiding Judge shall be one of such clerks.

3. That by approving and signing this Ordinance the Mayor of said City officially confirms his appointment of the aforesaid election officers to serve at said election; and by passing this Ordinance the governing body of said City approves and concurs in the appointment of the aforesaid election officers.

4. That all resident, qualified electors of said City shall be entitled to vote at said election.

5. That notice of said election shall be given by posting a substantial copy of this Ordinance at the City Hall and at three other places in said City, not less than 15 days prior to the date set for said election; and a substantial copy of this Ordinance also shall be published on the same day in each of two successive weeks in a newspaper of general circulation published in said City, the date of the first publication to be not less than 14 days prior to the date set for said election.

6. That at said election the following PROPOSITION shall be submitted in accordance with law:

PROPOSITION

Shall the City Council of said City be authorized to issue the bonds of said City, in one or more series or issues, in the aggregate principal amount of $1,000,000 with the bonds of each such series or issue, respectively, to mature serially within not to exceed 40 years from their date, and to be sold at such prices and bear interest at such rates as shall be determined within the discretion of the City Council, for the purpose of improving and extending the Water System of said City, and shall said City Council be authorized to levy and cause to be assessed and collected annual ad valorem taxes in an amount sufficient to pay the annual interest on said bonds and provide a sinking fund to pay said bonds at maturity?

7. That the official ballots for said election shall be prepared in accordance with the Texas Election Code so as to permit the electors to vote "FOR" or "AGAINST" the aforesaid PROPOSITION, with the ballots to contain such provisions, markings and language as required by law, and with such PROPOSITION to be expressed substantially as follows:

PROPOSITION

FOR) THE ISSUANCE
AGAINST) OF $1,000,000
WATER SUPPLY
IMPROVEMENT

Bill Sarpalius Gets Good Committees

Freshman Senator Bill Sarpalius has won the praise of Lieutenant Governor Bill Hobby and some choice committee assignments on his first day of the job. "It is unusual for a senator serving his first term to receive such choice committee jobs," Hobby said.

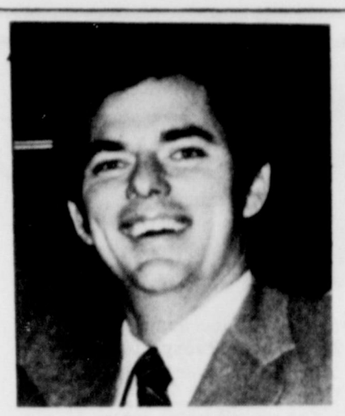

Sarpalius will serve on the Committees on Economic Development, Natural Resources, and Human Resources. In addition, the Panhandle senator will be the chairman of the important Agriculture Subcommittee.

"I'm very excited about the session. Agriculture is important to the people in my district, and the people of my district come first with me," Sarpalius said.

Hobby shared Sarpalius' enthusiasm. "I have given Sarpalius a lot of hard work with these committees, but Bill Sarpalius is a senator the people of the Panhandle can be proud of. I know he'll do a good job for them," Hobby said.

Sarpalius also was pleased with the appointments. He said he felt many Panhandle residents thought Austin had forgotten about them, but that he would try to change that. "The key to power in the Senate, or the House of Representatives for that matter, is the committees. Every bill goes through a committee before it becomes law. If the Panhandle is to be heard from down here, we who represent the Panhandle will have to control the right committees," Sarpalius said.

Agriculture, both men agreed, was one of those committees vital to the Panhandle.

BILL SARPALIUS

The Appian Way in Italy was begun about 312 B.C. Parts of it are still in use today. It included "modern" features such as controlled access lanes, frontage roads, load limits, and speed limits. The Italians may have the oldest roads, but the U.S. has the mostest. We have 3.8 million miles, of which 1.8 million are paved. Comparisons? Well, the Soviet Union, for example, has only 860,000 miles of road, of which 167,000 are paved.

Clayton Wins 4th Term As Speaker

BILL CLAYTON

State representative Bill Clayton, in a miraculous recovery from last year's "Brilab" charges, won an unprecedented fourth term this week as speaker of the Texas House of Representatives.

Clayton's re-election was the highlight of the opening day of the 67th Legislature. Rep. John Bryant, who had challenged Clayton, withdrew his name from the race after nomination.

Despite the withdrawal, the House voted on the speaker's race, and 120 of the members favored Clayton, 21 voted "no," and five cast a "present" vote.

"I have stood three times before you in this spot, but the honor you bestow on me today is truly gratifying. Miraculous as it appears, let me assure you it carries with it a humbling effect, for only by God's grace could I be a participant in this special occasion," Clayton said in his remarks.

The Springlake legislator has served in the house since 1962, and has maintained a strong interest in water resources, vital to his region.

Clayton suffered a heart attack in 1968 at age 39, but recovered to become one of the most respected House Speakers in the state's history. His friends and colleagues refused to believe he was guilty of the 1980 bribery charges.

His friends around Springlake also rallied to his defense. "His word is good as gold. If Billy Clayton says tomorrow is Easter, then you better start looking for the Easter bunny," stated one of his neighbors.

Commissioner's Court Adds New Dispatcher

County treasurer Benna Felts presented the quarterly report of county accounts at the regular meeting of the Parmer County Commissioners on Monday, January 12.

Mrs. Felts also suggested that $25,000 of General Fund money be invested in a certificate of deposit to mature March 31. A motion was passed to this effect.

Sheriff Bill Morgan met with the court to explain the new organization of his office, and to request an additional dispatcher for more efficient operation. After much discussion, it was voted to amend the county budget by $6,300 to allow for the additional dispatcher.

A motion was passed to grant right-of-way easements on county roads for a proposed City of Friona water line.

Motion was approved to adopt the salaries for county officials, which included a 15 per cent pay increase.

A motion passed to adopt the holiday schedule for 1981. This allows county holidays for the year on New Year's Day, Good Friday, Memorial Day, Labor Day, Veterans Day, Thanksgiving and Christmas.

The 1981 terms of court were set.

After discussing the county's four volunteer fire departments, a motion was passed authorizing the county to pay each of the departments $3,500 to compensate them for calls made to the rural areas of the county.

A boarding bill for Dora Fields, county foster child, for $186, was approved.

Judge Porter Roberts had been contacted about the possibility of having a juvenile probation officer in conjunction with Bailey County. Motion was passed to seek this cooperative officer.

Soil conservation work approved and amounts, included: Hollis Horton, $50; R.J. Renner, Jr., $67.50; Glendon Sudderth, $6.25; Morris Wallace, $87.50; Kregg Wilson, $75; Gerald Norton, $650; and Henry Haseloff, $62.50.

The first speeding ticket was issued in 1902 to T.H. Shevlin of Minnesota, who was the first of the hot rodders. He was fined ten dollars for going over ten mph.

THE STATE OF TEXAS
COUNTY OF PARMER

Before me, the undersigned authority, on this day personally appeared Benna Felts, County Treasurer of Parmer County, who being by me duly sworn, upon oath, says that the within and foregoing report is true and correct.

Benna Felts, County Treasurer.

Sworn to and subscribed before me, this 12th day of January, 1981.

Bonnie Warren, Clerk
County Court, Parmer County, Texas

January 19 Is Special Day For Texans

Texans in over 200 counties will gather at high noon on January 19 in pilgrimages to historic sites and official markers commemorating the roles of Texans in the Civil War.

January 19 has been designated by the Legislature as Texas Confederate Heroes Day, a time for a special observance honoring soldiers, civilians, and officials who distinguished themselves during this period of conflict.

Speeches, memorial services, wreath-layings, graves and marker decorations and other activities will be conducted at the locations of military and naval installations, manufacturing plants, scenes of battles and skirmishes and other significant sites. A number of these locations recognize activities of Federal Forces within the State.

An educational poster honoring the public service of 20 outstanding Texans in the Civil War will be displayed in schools, museums and other prominent places.

This Heritage and Pilgrimage Day is one of ten to be sponsored annually by the Texas Heritage Project, a joint endeavor of the Texas Historical Foundation and the Texas Historical Commission. Local chapters of the United Daughters of the Confederacy, and the 254 County Historical Commissions are also sponsors.

Mrs. W.R. Knowles of Houston is coordinating the statewide activity. Hugh Moseley is Parmer County's Historical Commission Chairman.

Child support: a serious concern

AUSTIN, Texas (Spl.) — Child support — its lack or meagerness — is becoming a serious social problem, says a University of Texas social worker.

Dr. Judith Cassetty reports that most children eligible for support from absent parents get nothing or very little of what the courts have determined.

Stating that "the public can no longer afford to subsidize parental irresponsibility," she suggests that society needs to take a hard look at the costs of not enforcing the "support obligation." Her research shows absent fathers — without becoming worse off than the households in which their children live — could pay $3,000 per year more in support than they do now.

ODDLY ENOUGH!

Airplanes now on the drawing boards are going to be more complex, and will probably operate in a significantly more complicated—and more crowded—air traffic environment. Yet, in approving their safety, the Federal Aviation Administration will apply old standards.

The manufacturer of one new plane, McDonnell Douglas, considers two pilots rather than the standard three, sufficient in the cockpit of its new Super 80. Yet the Air Line Pilots Association points out that the company limited its cockpit testing to a few flights under ideal weather conditions!

HONORED....The American Legion has honored four Friona men for continuous service to the organization. From the left are Frank O. Griffith, V.R. Jordan and Charles Russell. Not present for the picture but likewise honored, was Claude Osborn.

Book Talk

By NELSON LEWIS

A Family Of Eagles," by Dan True is available at Friona Public Library.

Here is a book I do not hesitate to place in the "don't miss" category. Most of us remember Dan as a weatherman on Amarillo's TV stations.

We enjoyed not only his broadcasts but his True Nature programs as well, especially the film and story about the Roadrunner killing the rattlesnake. So none of us are surprised that his eagles made it into print. No small accomplishment as this writer knows only too well!

In the course of the book Dan takes us through months of observation. Courtship, mating, nest building, egg laying, hatching and learning to fly. This last feat is bound to intrigue anyone who has set on the caprock--as I have--and marveled at the ability of these big golden birds to soar on our Panhandle wind current.

Not too many people realize that our part of Texas is home to large numbers of these majestic birds. A nature story book like this will help us appreciate another part of our heritage.

Read the copy we have in our library and see if you don't agree that this book will make a nice present for anyone

Dan's friends will be glad to know that he is doing a good job for the folks at KOB-TV at Albuquerque, N.M.

NOTICE--Story Hour will be Thursday morning from 10-11 a.m. for children ages 4-5.

Legion Post Honors Four

Four longtime members of Friona American Legion Post 206 were honored recently for continuous service and membership in the American Legion totalling 245 years.

Those honored were Frank O. Griffith, V.R. Jordan, and Claude Osborn, each with 61 years of service, and Charles D. Russell, with 62 years of service.

The "Diamond Jubilee" certificates read "For faithful and dedicated allegiance to the ideals of the American Legion, this member is hereby accorded this recognition in grateful appreciation from the National Organization of the American Legion."

The four Legion members are all veterans of World War I, having seen overseas duty in England, France and Germany.

The local American Legion Post was started in 1934. Griffith is the only charter member remaining from the original list.

Five other Friona residents are also veterans of World War I. They are Parker Mann, Homer Hyde, Jim Mears, David Moseley and Clyde Goodwine.

Nell Fulks Graduates

A Friona student at Angelo State University was among 180 students who were graduated at the end of the 1980 fall semester.

Barbara Nell Fulks received a bachelor of arts degree.

Diplomas will be mailed to graduates upon receipt from the engraver. December graduates may, upon request, participate in spring commencement exercises slated May 15.

Town Talk

By June Floyd

Although I'm an Oklahoman by birth, I'm a Texan by choice, and have no "bones to pick" with either state. Really, I've never been able to understand why there needs to be rivalry between neighbors--whether they be people, cities, states or counties.

One thing that is done in Oklahoma that I would like to see repeated in all fifty states is the observation of Cold Turkey Day. Maybe it could be observed each Thursday of each year instead of once a year.

Perhaps you're not familiar with Cold Turkey Day, so here are the facts in a nutshell.

The American Lung Association is the sponsoring organization. Object of the observance is to discourage smoking. Gary Reid devoted most of his Wednesday, January 7, column "Bird's Eye Views," which appears in The Kingfisher Times to the subject.

His column read thusly:

"The American Lung Association has some good advice for smokers. It suggests that smokers give their bodies, their families, and their friends a break by NOT smoking on Thursday, Cold Turkey Day."

He quoted John L. Rogers, executive vice-president of the ALA of Oklahoma, "A person who successfully quits for one full day can try for each additional day, knowing he has been successful on the first try."

Reid continues: "Cigarettes are a time-consuming, health-consuming habit. They're nasty, smelly and a complete waste of time.

Smoking infringes on the rights of others who do not smoke. Experiments have shown that breathing someone else's smoke is almost as harmful as smoking the things first hand.

But, once you have started smoking them, they are very hard to quit. We know.

Perhaps we should all heed the American Lung Association's advice....for our sakes and others."

• • • •

Mrs. Selma Habbinga hosted a fun party at her home Tuesday evening. Following a supper of chips, dips, party sandwiches, hot spiced tea, coffee and cookies, there was a game session.

Guests were Mr. and Mrs. Charles Russell, Mr. and Mrs. Luther Stroud, Mrs. Lucille Collier, Mrs. Evie Wendt, Mrs. Hazel Williams, Mrs. Fern White, Mrs. Orma Flippin and Clyde Goodwine.

• • • •

Twenty-two members of the family of Mr. and Mrs. H.A. Hyde got together at the home of Rev. and Mrs. Don Kimbrough, who live in the West Camp Community of Bailey County, recently.

Others present were Maxine Bolding, West Palm Beach, California; Mark Bolding, Tifton, Georgia; and Mr. and Mrs. Tom Cline and family, Las Cruces, New Mexico.

Also Mr. and Mrs. John Sandoval and daughter, Albuquerque; Kip Kimbrough, Worcester, Massachusetts; and Chris Kimbrough of Los Angeles, California.

Chris recently graduated from a Baptist college in Los Angeles.

• • • •

Mr. and Mrs. Luther Stroud recently spent a few days visiting in the home of Dr. and Mrs. Bill Follett and children, Bill Jr. and Debbie in El Paso.

Dr. Follett is Clessy's son.

Soon after their return home, Clessy went to Kerrville to visit her sister. She was accompanied by Mrs. Lucille Collier and Mrs. Evie Wendt.

The group did some sightseeing in San Antonio before returning home.

• • • •

Irvin and Eula Henderson arrived home Sunday afternoon after an extended stay in Yucaipa, California, where they spent nearly one month in a unit of a park, where they lived before moving to Friona.

The Hendersons report green grass growing all around, roses in bloom and gardens growing fresh onions. They also visited in the homes of Mr. and Mrs. Jay Ivie and Mr. and Mrs. Ben Niday. Jay Ivie is Mrs. Henderson's brother.

One weekend Mr. and Mrs. Frank Lee Henderson and daughter, Katie, who is eleven, drove over from Mission Viejo and spent the weekend.

Enroute to and from California, the Hendersons visited in the homes of Mr. and Mrs. Harold Baize and Mr. and Mrs. Tom Heller, all of Tucson, Arizona.

Mrs. Baize and Mrs. Heller are Henderson's sisters.

• • • •

Mrs. Ellen King of Cecil, Arkansas, spent the weekend visiting in the home of Mr. and Mrs. L.R. White. She is Mrs. White's sister.

Then, on Monday, Mrs. White, Mrs. Rosco Ivie and Mrs. King attended funeral services for Walter Key at Amherst. He was an uncle of Mrs. King and Mrs. White.

• • • •

Calvin and Ann Martin spent Saturday afternoon visiting with Lonnie Baxter of Clovis, who is a patient at Bivins Rehabilitation Center in Amarillo.

Baxter, a former Friona resident, is showing some improvement.

• • • •

Nelson Welch has been dismissed from the local hospital. He had been a patient at Parmer County Community Hospital and Deaf Smith General Hospital since December 16.

He is recuperating at home.

• • • •

Recent visitors in the homes of Mrs. Martha Euler and Mr. and Mrs. Raymond Euler have been Gertrude Bigelow, Questa, New Mexico, and Louise Mangold, Fort Collins, Colorado.

Also Mr. and Mrs. Perry Mangold and son, Justin Lee, who live in Greeley, Colorado, and Lorri Euler of Amarillo.

Gertrude and Louise are daughters of Martha and sisters of Raymond. Perry Mangold is Louise's son and Lorri is the daughter of Frances and Raymond.

• • • •

Weekend visitors in the home of Mr. and Mrs. Bud Elmore were Mr. and Mrs. Tim Elmore and daughter, Lexie, of Lamesa. Tim is the Lamesa High School librarian and son of the Elmores.

Eight Students Make WTSU Honor Rolls

More than 700 students at West Texas State University are listed on the honor roll for the 1980 fall semester.

The Dean's List names 651 students. To be eligible for the Dean's List, a student must have been enrolled in at least 12 semester credit hours and ended the semester with a grade point average of 3.25 and higher on a 4.0 scale.

The President's List includes 140 students who have maintained grade point averages between 3.85 and a perfect 4.0 for 12 semester credit hours at WTSU.

WTSU's fall enrollment totaled 6,559 students.

Listed on the President's honor roll from Friona is Lynda K. Grimsley.

Named to the Dean's honor roll are Sharla B. Duggins, Virginia L. Holland, Clint Mears, Sarah A. Mears, Burk L. Vestal, Cindy L. Cook and Julie Owen.

REC Names Nominees For Board

The Nominating Committee of Deaf Smith Electric Cooperative met January 6 in the REC Headquarters Building in Hereford and selected two members to run for two places on the Cooperative's Board of Directors.

Selected to represent Deaf Smith County are incumbent Eldred Brown and Jerome Friemel of the Hereford area. Also selected were incumbent Raymond Annen and Edd Rameker from the Nazareth area to represent Castro County.

The Committee also encourages nominations from the floor at the 1981 Annual Membership Meeting, March 7, 1981 in the Hereford Bull Barn. Comprising this year's Committee are D.L. Carmichael, Friona; Argen Draper, Hereford; Clint Homfeld, Vega; Rex Lust, Dimmitt; Clarence Martin, Friona; Dickie Mason, Hereford; and Elmer Schulte, Nazareth.

NOMINATED....Nominations for director positions for Deaf Smith REC's board were made this week by the nominating committee: (standing) Rex Lust, Dimmitt; Clarence Martin, Friona; Dickie Mason, Hereford and Elmer Schulte, Nazareth; and (seated) Clint Homfeld, Vega; Argen Draper, Hereford and D.L. Carmichael, Friona. The REC's annual meeting will be held on March 7.

Vocational Classes Set

Hereford Independent School District will be offering several adult vocational classes beginning January 19-24. Classes will be held at the High School and will be scheduled for Tuesday nights.

Classes include: bookkeeping, conversational Spanish, intermediate typing and a beginning typing class.

An income tax class is scheduled between the hours of 8 a.m. and noon, beginning January 24 and will continue each Saturday until completed.

A minimum of twelve people will need to register in order for a class to continue to be offered. There will be a fee for each class to cover the cost of instructional materials. Registration will be held at the first class meeting.

For more information or to register contact Kenneth Helms, 364-5112 in Hereford.

Letter To The Editor

Dear Editor,

"Guaranteed Loser"

There is a concerted effort to condition our minds to accept that a limited, nuclear war can be fought.

Since those who developed nuclear weapons have yet to even know how to dispose of their wastes safely, it is indeed frightening to know these same people cannot control the devastating effects of these weapons once used. Any nuclear weapon or system of such weapons as the proposed MX Missile system is a monster which is more of a threat to those of us living in this country than the Soviets. Due to the potentiality of human error these installations are more of a threat to us on a day by day basis whether war comes or not.

If nuclear war comes, all are guaranteed losers.

I am a concerned citizen and land owner.

Verona Jack
Rt. 2, Friona, Texas

MARTHA CLEMENTS

James Blouches Have Baby Boy

Mr. and Mrs. James P. Blouch of Tulsa, Oklahoma, became the parents of a baby boy born Saturday, December 27 at 7:38 p.m. at the Oklahoma Osteopathic Hospital in Tulsa.

Named Jeffery Todd, he weighed eight pounds, eleven ounces and was twenty-one inches long at birth.

Jeffery has an older sister, Angie, six, and a brother, Jayson, two.

Grandparents are Mr. and Mrs. Rufus Melton of Friona, and Mr. and Mrs. Cyril Blouch of Midwest City, Oklahoma.

Mrs. Ralph Quarry, Sr. of Cleona, Pennsylvania is the child's great-grandmother.

Mrs. Blouch is the former Gail Melton of Friona.

SS Meeting Set Tuesday

All persons interested in learning more about the Social Security program as it applies to older Americans are being invited to attend a lecture at Friendship House at noon Tuesday.

A representative of this government agency will present a program, which will be followed by a question and answer session.

The meeting will begin with a covered dish luncheon. Estis Bass, president of Senior Citizens, joins all members in inviting everyone who is interested to attend.

Martha Clements Retires From P.O.

Martha Clements, who first began her duties as a postal clerk in the local post office in March of 1934, will officially retire Friday, January 16.

Mrs. Clements has been on sick leave for the past several months.

When she first began her duties in the post office, she was Martha McFarland, and Sloan H. Osborn was the postmaster. Two years following her marriage to Roy Clements her employment was terminated.

For the next 23 years, Martha devoted her time to being a full time homemaker. Her duties in this department included keeping up with two lively youngsters, Jim Roy and Don, who grew up here and are Friona High School graduates.

Then, in 1961 she was appointed acting postmaster and resumed her duties in the post office. She held this position until January of 1964, when Wright Williams became postmaster.

Two years later Mrs. Clements again resumed duties as a clerk and has filled that position until the present time.

In looking back through the years, Mrs. Clements remembers that she worked under three postmasters and in three different locations. The postmasters were Sloan H. Osborn, Wright Williams and Richard Wilson.

The locations were the building currently occupied by Ethridge-Spring Agency near the corner of Sixth and Main; the building which now houses Moon-Lite Printing Company at the corner of Seventh and Euclid; and the present location on Main just south of Highway 60.

Mrs. Clements says, "There have been so many changes in the handling of the mail since I first began work at the post office that one would have difficulty enumerating them."

She went on to say, "When I first went to work, we had very few instructions beyond giving customers good service and being courteous to them."

For many years Roy and Martha lived on a farm west of town, but for the past several years the Clements' home has been 904 West Fifth Street.

When asked about plans for retirement, Martha replied, "Well, I think I'll just stay at home and crochet."

She and Roy enjoy visiting their children and grandchildren. Jim Roy and his wife, the former Mary Jane Grubbs, daughter of Mr. and Mrs. A.S. Grubbs, and two of their children, Wade and David, live in Dalhart.

Their oldest child and only daughter, Joanie, was recently married to Ted Lindeman and they live on a ranch near Lovington, New Mexico.

Don and Adele and their three children live in Hereford. Their children are Brett, Chad and Robin. Adele's parents, Mr. and Mrs. Hoyt Smith, live here.

Eight Students Attend Session

Through a unique program, gifted and talented high school students in the Texas Panhandle area meet once each month to share learning experiences.

One group of participants in the seminars, which are coordinated through Amarillo's Region XVI Education Service Center, are learning computer technology at West Texas State University's computer science lab.

Dr. Phil Gensler, professor of computer information systems has conducted two seminars for about 30 of the gifted and talented students and plans another seminar on Saturday, January 17.

The gifted and talented student program has been designed to meet specific needs of students in rural school districts, said Donnie Ickles, who as a Region XVI consultant coordinates the program for more than 230 students in the Region XVI district which includes the Texas Panhandle area.

The program receives state funding and has been developing in the Amarillo region for almost a year. Only school districts which have a written plan for identifying gifted and talented students in grades nine through 12 may participate, explained Ickles.

"It's all based on the needs of the students there in that area," he said. "It's a multi-criteria process of identifying the students, not just ones with a high IQ."

He said that academic needs of students in small school districts differ from the needs and interests of participants from larger school districts in the area.

Questionnaires determine areas of interest and seminars are scheduled to fill student interest areas. Gensler's participation in the program includes films, a tour of the computer lab and a demonstration. Following the demonstration, the students, using a guide book, play games and complete programs on the WTSU computer terminals.

Several students have participated in both seminars and plan to return to WTSU for the January 17 session.

Ickles said the monthly sessions involve four major areas including the humanities, which includes political science, psychology, social sciences, history and archeology; the natural sciences such as biology; fine arts, painting, sculpture, dance, drama and photography; and career sessions.

The students also attend special events and lectures.

Participants in the program have come to Amarillo from Canyon, Friona, Hereford, Dumas, Borger, Pampa, Dalhart, Panhandle, Miami, Kerrick, Stratford, Tulia and Wellington.

Ickles said he hopes the program will expand to include other school districts.

"We feel this is a very unique program. It's a social experience and a great learning experience for these kids," he said.

Students from Friona who have participated in Gensler's computer sessions are Amber Smith, Kelly Caudill, Andy Fleming, Sunny Horton, Myra Veazey, Tim Mercer, Debbie Wilcox and Patti Hinton. Cheryl Weatherly is sponsor of the group.

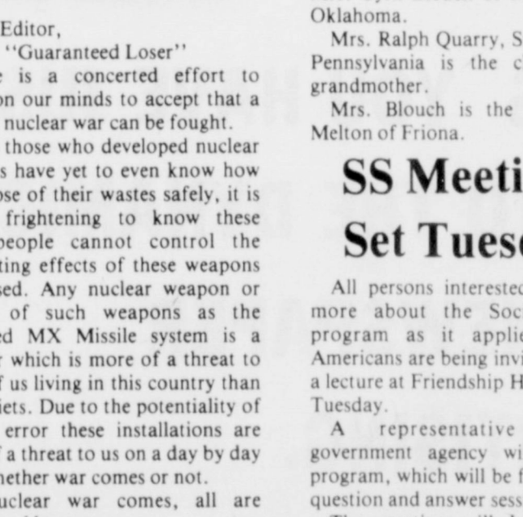

YH'ers Set 2nd Reunion

The big event is here again!!! The Lazbuddie Young Homemakers once more will be hosting the second reunion of the Lazbuddie Ex-Students.

The reunion will be held Saturday, July 11 and Sunday, July 12. The group plans to have arts and crafts, tours of the new addition to the school and lots of visiting.

They hope you will start making plans to attend. Another letter will be sent in February with more details. If you have any questions or suggestions, please contact: Mrs. Harrol Redwine (Seaton), Route 1, Box 110B, Friona, Texas, 79035 or Mrs. Johnny Mitchell (Steinbock), Route 1, Friona, Texas, 79035.

"My old tax service didn't double-check everything. I shoulda come here last year."

SWEEPSTAKES....Last Saturday, January 10, Friona High School's Forensic team had their annual Friona Invitational Speech tournament. This year's Sweepstakes trophy went to Lubbock Coronado High School. Shown in the picture above are Mark Blankenship, Jackie Jarrett, Coronado's Speech director, Mark Zachary, Tim Mercer, and Kipi Fleming. The senior officers of Friona's Forensic team helped with the distribution of the awards in the tournament.

Hospital Report

Fourteen Bandsmen Named All Regional

Fourteen members of the Friona Chieftain Band made the all-regional designation and two students were named as alternates, Saturday, January 10, at All-Region Band tryouts in Littlefield.

The students chosen to the all-region band will participate in a concert to be held at Monterey High School in Lubbock on Saturday, January 31. Their clinic and practices for the concert will begin Thursday evening, January 29.

Four of the students further distinguished themselves by winning "first chair" honors in the all-region band.

The students and their chair number, or alternate position, are as follows:

Flute: Penni Weatherly, 12th chair; oboe: Jessica Maurer, third chair; clarinet: Gwendolyn Maurer, 15th chair; bass clarinet: Diane Johnston, second alternate; bassoon: Sandy Spring, first chair.

Cornets: Jay Norsworthy, first chair, David Davila, 10th chair, and Greg O'Brian, 11th chair; French horn: Patti Hinton, first chair; trombones: Tim Mercer, first chair, Joey Howard, second chair, Mark Blankenship, fourth chair, and Sunny Horton, eighth chair; tuba: Stan Miller, first alternate.

Percussion: Andrew Fleming, second chair snare drum and Stanley Ellis, fourth chair snare drum.

Friona Doctors To Man Clinic

Doctors from Parmer County Community Hospital will devote three afternoons per week to the Bovina Medical Clinic.

Dr. Bob Alexander will man the clinic on Monday afternoon; Dr. Paul Spring, Wednesday afternoon; and Dr. Lee Spring, Friday afternoon.

Hours for the clinic will be from 1:30-5 p.m. The doctors prefer appointments, so they can bring the records from Friona with them. Appointments can be made by calling Friona, 247-2754.

Each doctor will bring his nurse from Friona and Gloria Leal will be the receptionist during these hours.

The new number of the clinic is 238-1251.

Star Lites...

(Continued from Page 1)

increased to $7800. Workers, by 1970, were paying just over 5 per cent of their wages to Social Security taxes.

If you have detected a substantial growth pattern in the Social Security tax structure, consider that for 1980, the 6.13 per cent tax was levied on not $6,000, and not $7800, but $25,900!

The insignificant tax, whose maximum amount had been $144 in 1960, had grown to $1588 in 1980, and will grow again, to $1975 in 1981. This is an increase of just less than thirteen hundred per cent in the past 21 years, and even inflation has not grown at this staggering rate.

Tax experts say the Social Security tax rate will rise to 6.7 per cent in 1982, and to 7.15 per cent by 1986. And, the maximum amount paid by an individual will jump to $2,171 in 1982.

Back in 1960, when some of us began to work full time, and were paying the $144 per year in Social Security taxes, we might have thought that for a 40-year period of working, we would have to pay $5760 in FICA taxes.

Only halfway through our 40-year period, we now have to revise this estimate slightly, and it now stands at roughly $56,000--ten times what the tax started out to be!

And, for the worker just starting out, if you make as much as $29,000 a year and pay the maximum of $1975 a year to the Social Security system, you perhaps could expect, over a 40-year productive working period, to pay out $79,000 into the system.

That would be, naturally, if there were to be no more increases in either the tax rate, or its maximum base. Taxpayers have had no such luck with this premise during the past ten years or more, and more than likely, the next 40 years will be little different.

NEW LEADERS....The new officers for the Friona Chamber of Commerce are shown here. Danny Kendrick, center, is the new president of the organization. Bob Hurst, left, is vice president, and Dale Houlette is secretary-treasurer.

Another Busy Year Logged By Chamber

The Friona Chamber of Commerce and Agriculture began the year of 1980 with the annual Chamber Banquet Saturday, January 26. Some 300 people attended the annual event.

Local citizens honored at this banquet were Ronald D. Smiley, "Man of the Year"; June Rhodes, "Woman of the Year"; Lucille Lewis, "Teacher of the Year"; Ann Barker, "Most Courteous Employee"; David Fleming, "Boy Student of the Year" and Sarah Mears, "Girl Student of the Year."

Kenneth Wyatt of Tulia served as speaker. Wyatt presented a humorous look at the past 204 year history of the United States.

Some other highlights of 1980 in Friona include the 25th anniversary of the Friona Texas Federal Credit Union. The local Credit Union began in 1954 with 55 Friona citizens, interested in its operation.

Geneva Williams, manager of the Credit Union, retired after 12 years of service.

On Sunday, June 15, the Union Congregational Church celebrated its 72nd birthday. The Congregational Church was the first church organized in Friona, and was dedicated on May 23, 1909.

Houser's Venture Foods was purchased by D.L. Harguess. The change of ownership became effective Monday, July 14. The exchange of owners marked the end of a thirty-four year span of time during which Friona residents have been able to buy groceries from some of the Houser family.

The annual July Fourth celebration was well-planned, well-staged and well-attended. Everything on the day's menu, from the Lions Club barbecue to the annual fireworks display was super.

Work began on the Parmer County History Book, Volume 2. Everyone in Parmer County was encouraged to submit their family histories. Plans were made to publish a 625 page book.

Late in July, Kenneth Moore, owner of the local Piggly Wiggly store, announced he would be changing the name of his store to Thriftway. Thriftway is an organization made up of affiliated food members.

The 1980 Maize Days celebration proved to be successful. It all began with the crowning of Sunny Horton, 16-year-old high school junior, in the 24th annual Maize Queen pageant. Friona's new Little Miss was Renee Martin.

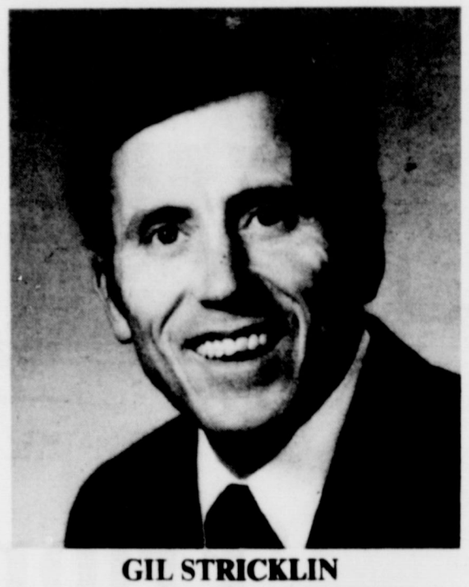

The theme for the 1980 celebration was "Shine On Harvest Moon." Danny Kendrick served as chairman of the celebration, which was termed one of the best yet.

Adams Drilling Company, long-time Friona business, was hit by a destructive fire on the morning of November 3. The fire completely destroyed the company's shop area, ruining machinery, tools, etc.

Frank and Joyce Silhan, formerly of Morton, opened Friona Floral and Garden Center on November 15.

QUEENS...The top three finalists in Friona's 1980 Maize Queen contest, sponsored by the Friona Chamber of Commerce, will entertain for the annual banquet. Left to right are first runnerup Penni Weatherly, queen Sunny Horton and second runnerup Kipi Fleming.

Five C-C Directors Retiring

Five members of the Chamber's board of directors finished out their two-year terms of office.

Retiring directors are Jerry Poarch, Danny Murphree, Dale Smith, Leland Hutson and Joe Tongate.

New directors are Mike Cortese, Bob Hurst, Robert White, Rick Jennings and Lois Norwood.

Holdover directors are Dale Houlette, Roger Wilcox, Danny Kendrick, Wade Wright, Fred Church and Jerry Cass.

New officers elected are Danny Kendrick, president; Bob Hurst, vice president; and Dale Houlette, secretary-treasurer.
