BULLDOGS GET 7-6 WIN OVER WARRIORS

Automobile To Burk Burnett Sept. 18th

American Red Cross is scheduled to make a regular visit to Burk Burnett, Wednesday, September 18, from 11 noon to six p. m. at the American Legion Hall. The visit is scheduled to give blood donors from age 18 to 70 a chance to give blood during the visit. Fifty-seven pints of blood were donated when the Bloodmobile was here in June and it is expected that Burk Burnett will set a new record considerably higher than the previous one. A. Davey, blood bank director in Burk states that he has replaced 18 pints of blood provided by the bank people and he stresses the importance of this service. The bloodmobile is a van in Burk, who has a blood disorder, has had his blood replaced and needs more as time goes on. The Red Cross policy, and their services, blood donors in any state of the U. S., Alaska or Hawaii, through the Red Cross Bloodmobile. Blood donors are cautioned to take no food for four hours before giving blood. Coffee, Cokes or fruit and cookies will be served immediately after their blood. Preston Henry's Bakery generously furnishes the milk, donuts that are served in services at the Burk Burnett American Legion and the Auxiliary and ladies social clubs. Lenora Leslie, R. N., will be in charge of the Bloodmobile. Dr. T. C. Lynch will be in attendance.

History Of Jet Propulsion Traced in Science Stage Show

MINIATURE PULSE JET was used to illustrate principles of jet propulsion when "Previews of Progress" appeared at Burk Burnett Junior High School. Krawcheck, General Motors science lecturer (second from left), shows the jet to Billy Ramsa, Mr. Carl Principal and Darryl Siefkas. The jet propulsion, which has enabled airplanes to travel faster than the speed of sound, is now 2,200 years old. What's more, jet propulsion is not so difficult to understand after having seen "Previews of Progress," the famed General Motors science stage show which was presented at Burk Burnett Junior High School on Tuesday, September 10th. The principle of jet propulsion is just one of the scientific demonstrations dramatized and explained in understandable terms during the stage show. The show is designed to stimulate interest in science and engineering — areas in which there is a need for trained personnel. "Previews of Progress" is a series of lectures explaining the principle of jet propulsion and constructing a replica of

Fabulous Country Fair Slates Horse Show For Juniors

Thirty classes and three divisions of competition will be featured in the Junior Horse Show at the Fabulous Country Fair which opens in Wichita Falls September 23rd. The three contest divisions include halter, gelding and stud competition and performance contests. Competition in halter classes will be for 1962 and 1963 filly ponies, Appaloosas, grade and registered Quarter Horses and 1961 and older filly ponies, Appaloosas, grade and registered Quarter Horses. In the gelding and stud class, competition will be for 1962 and 1963 colts, pony, Appaloosa, grade and registered Quarter Horses. Grand champion colt and reserve champion colt will be selected in this division. In the performance competition will be these divisions: Western pleasure riding, 9-14 and 15-18; reining, 9-14 and 15-18; flag race, 9-14 and 15-18; pole bending, 9-14 and 15-18; barrel race, 9-14 and 15-18; and keyhole race, 9-14 and 15-18. In charge of the junior horse show are Charles King, chairman; Audrey Golden, Jim Blakeley, Dr. John Thompson and Dr. Travis White.

MU Enrollment Shows Increase

A total of 1,068 students had enrolled at Midwestern University Thursday during the first day of fall registration when the registrar's office closed at 5:00 p. m.

NOTICE

The guest day Hawaiian dinner of the Burk Burnett Study Club will be September 19th in the home of Mrs. Jack Mathis at 7:00. Co-hostesses with Mrs. Mathis will be the club members.

SPANISH LANGUAGE DRIVERS HANDBOOK—Over-sized cover of new Spanish language version of Texas Drivers Handbook is presented to Colonel Homer Garrison, Jr., Director of the Texas Department of Public Safety (center) by Herman P. Pressler, Jr. (right), Vice President, Humble Oil & Refining Company. At left is Glenn Garrett, Director of the Texas Good Neighbor Commission, whose office made the translation. The new Handbook is now available to Spanish-speaking people throughout the state.

Student Savings Program Begins Second Year

Mr. A. R. Hill, president of the First National Bank, announced the beginning of the second year of the Student Savings Plan in the Burk Burnett School District. During the year 1962-1963, Sheppard-Burkburnett Elementary School and the Burk Burnett Junior High participated with a total of 625 students, saving in excess of \$4,000. It is anticipated that the number participating and amount should double during the 1963-1964 school year, as recently, Southside Elementary School has become an active member of Savings Plan. All students from the grades four through twelve are eligible to participate in the Student of the Savings Plan. Thrift training is a very important part of a child's education and character building. The administration and teachers in our schools are helping to preserve one of the basic principles of our way of life. We hope that the Parents and General Public will join us in congratulating them on this worthwhile effort and give them your full support.

Local Births

Birth certificates were issued to the following Burk Burnett parents last week, Messrs. and Mesdames: Gaylon Brice Siber, girl, Lilian Elizabeth. Alvia William States, girl, Debra Lynn.

Methodist Children Workers Meet

The Methodist Council of Children Workers held their September meeting in the home of Mrs. Page Brown, superintendent of the children's division. The meeting was opened by prayer and the minutes read and approved. The business consisted of discussing problems, needs and ways which we as teachers can make the Sunday School hour more effective. Mr. Brown served refreshments of punch and cookies to the following: Mesdames Jim Pirtle, Joe Nichols, George Yarbro, O. E. Melton, Darrell Nichols, James Vitalie, Nelson Boyle, Charles Arthington, Tom Boyd, A. A. McKinnis, Lloyd Cokendolfer; Misses Nell and Ann Grady and Rev. Merwin Turner.

Joy Sessums Buys Registered Bull

Joy Sessums, Burk Burnett, recently purchased an Aberdeen-Angus bull from W. M. Young, Devol, Oklahoma.

Texas Drivers Handbook Printed In Spanish

The director of the Texas Department of Public Safety announced to day the first officially approved editions of the Texas Drivers Handbook printed in the Spanish language rolled off the presses this week and are now ready for distribution. Col. Homer Garrison Jr. said they were produced as a public service by Humble Oil & Refining Co. in cooperation with the DPS and the Texas Good Neighbor Commission. He pointed out that due to the limited supply, only those persons who are unable to use English version of the Driver's Handbook should request the new Spanish edition. It will be available to them upon proper request at Driver's License Testing Stations throughout the state. Humble will distribute the handbooks through its Touring Service, its Mexico Travel offices in Laredo and Brownsville, and through a limited number of service stations in areas with large numbers of Spanish-speaking people. Glenn Garrett, director of the Good Neighbor Commission, said the handbook will help fill a need among the Spanish-speaking people of Texas and should make a significant contribution toward safer operation of motor vehicles in the state. Translated by the staff of the Good Neighbor Commission, the booklet is 100 pages in length and includes a glossary of terms for quick translation from English to Spanish.

Hirschi's Jr. Varsity Nudge Burk Burnett

Hirschi's junior varsity came back from a touchdown deficit in the second quarter and drove the ball 99 and one-half yards for the tying TD, then added the extra points to whip Burk Burnett's B-team, 8-6, Thursday night at Midwestern Stadium. The Hirschi B-team found itself trailing after Burk Burnett rang up a 55-yard tally with seconds remaining in the first quarter. Hirschi seemed doomed when Burk drove the ball deep into Hirschi territory. But a super defensive effort turned the threat back at the one-half yard line. From there Hirschi drove the distance in 20 plays, which took up 7:40 of the second quarter. Halfback Barry Wilson carried across on a fourth down punch from the one. Wilson then added what proved to be the winning extra points. Burk's tally came when halfback Charles Herring scampered for 49 yards on the fifth play from scrimmage. Hirschi's mighty defense was the turning point of the game as the offensive punch barely generated enough power to scrape to the victory.

John G. Morgan To Attend Episcopal Funds Meeting

Fifty-three cities in north Texas, including Burk Burnett, are expected to be represented in the Second Annual Meeting of the trustees and advisory trustees of Episcopal Funds at the City Club in Dallas on September 19 according to E. V. McCright, president. Attending from Burk Burnett will be Mr. John G. Morgan representing St. John the Divine Episcopal Church. The purpose of this Second Annual meeting is to report progress for the past 12 months in the fields of organization and finances; to outline the campaign plans for capital fund raising in the fall of 1963; and to provide an open forum discussion of these plans. Bishop C. Avery Mason will give the invocation and benediction. Mayor Earle Cabell welcomes the conferees to Dallas. Awards recognizing dedicated service will be presented to advisory trustees by E. V. McCright. Episcopal Funds is a Texas non-profit, tax-exempt business corporation of the Diocese of Dallas. Present and projected aims are to provide post-graduate training for young clergy; senior citizens housing and activities and hospitals. The area served by Episcopal Funds comprises 48 counties of north Texas, including 61 cities in which 116 churches are located.

Completes Training

Pvt. Sandra J. Panter, daughter of T-Sgt. and Mrs. Paul E. Panter, 118 Ave. C Burk Burnett, Tex., Completed eight weeks of basic military training at The Women's Army Corps Center, Fort McClellan, Ala., in mid August. Private Panter received instructions in such subjects as Army history and traditions, administrative procedures and first aid. She is a 1963 graduate of Burk Burnett High School.

THIRD QUARTER 52 YARD DASH AND KICK GIVE BULLDOGS WIN

Wide Coverage Radio Football For Texas Fans

KERN TIPS

College football will receive exceptionally broad coverage in Texas this year. Humble Oil & Refining Company will sponsor broadcasts bringing fans the play-by-play action of games featuring all Southwest Conference teams both at home and abroad. There will be 49 broadcasts in all, the first being the Texas-Tulane game on September 20th. This year Humble's large announcing staff, headed by the popular Kern Tips, will travel thousands of miles to bring Texas fans lively on-the-spot coverage of Southwest Conference games. Other play-by-play announcers are Ves Box, Connie Alexander, Eddie Hill, Jim Wiggins and Glenn Brown. They will report on the contests of 24 different colleges from 12 states. Their broadcasts will originate in 17 different stadiums. This comprehensive coverage contrasts sharply with the situation in 1934 when Humble commenced its football sponsorship. Three Rice University games were broadcast in that year as a public service. These proved so popular that Humble was urged to continue sponsorship broadcasts of the games. Accordingly, increased coverage was planned for the ensuing years. In 1935 Kern Tips joined the announcing staff and became its mainstay in the 28 years that have followed. As "head football announcer," he has developed announcing staffs of network quality. In 1963 Humble football broadcasts will be carried by approximately 135 Texas radio stations covering urban and rural areas in well over 100 cities and towns throughout the state.

Central Baptist Church Dedicates New Parsonage

August 4th was a day of accomplishment for the members of Central Baptist Church. At 2:30 in the afternoon the new parsonage was formally opened with a brief dedication service. This was followed by open house at which time a large number of people viewed the beautiful new brick home, located at 513 North Hilltop. The house features a large living-dining area suitable for use as a parsonage. It has three large bedrooms and two baths as well as kitchen-den area. The house which has 1488 square feet of living area was built by the Clement Construction Company and is valued at approximately \$18,500.00. This is another monument to the vision and cooperation of the members of Central Baptist Church. Since 1961 this Southern Baptist Church has increased its property evaluation by over \$85,000.00 at a cost to the church of less than \$60,000.00.

By D. W. Underwood
BONHAM, Tex. — A rock-hard defense and spurts of offensive brilliance gave the Burk Burnett Bulldogs a narrow 7-6 victory over the tough Bonham Warriors in a non-conference opener here Friday night, but it was Johnny Koller's talented toe that spelled the outcome. A thriller to the wire, the contest was a successful debut of the Bulldogs into District 4-AAA, as they outdid Bonham in every department, including the score, but the powerful 6-AAA opponents defense almost halted the Bulldog's reshuffled offense. With the loss of their regular quarterback for the season, John Nyby was switched from left half to quarterback and did a commendable job. Nyby completed six of twelve passes for a respectable 500 average and added 19 yards on the ground. Jackie Cornelius gained 58 yards in 9 carries, but fullback Henry Bauch was the big man offensively, romping for 109 yards in 17 carries. The first half was a stalemate, with both teams penetrating twice, but both defenses failed to budge and the teams went into the dressing rooms with the score knotted at 0 and 0. The Bulldogs finally swung into action in the third quarter, when Bauch rolled around left tackle, broke loose, and romped 12 yards to paydirt. Seconds later, Koller calmly kicked what proved to be the winning margin. The Warrior offense could never start clicking until the fourth, when a short punt, off the toe of John Nyby, set them up on Burk's 20-yard line. They then marched to the two, where massive fullback, Les Spoon, drove over for the tally. A fumble on the conversion try saved Burk's life, and they held on for the rest of the game. Johnny Koller, Cornelius, Chuck Keathley, Pete Glover, Barry Davey, and Larry Rariden looked especially tough on defense for the Bulldogs. For the Warriors, offensively, it was little Roland Rainey, who picked up 81 yards in 17 tries and caught two passes for 14 yards, as well as passing for 25 yards. Randy Baccus, Lewis Faith, and Ray Morse were defensive stalwarts. Next Friday, the Bulldogs journey to Haskell in search of more Indian scalps, meeting the Indians at 8:00 p. m.

Mrs. Nelie Moore Died Thursday In Wichita Falls

Mrs. Nelie Moore, 85, of 203 North Avenue D, Burk Burnett, died in a Wichita Falls hospital Thursday, September 12th. She lived with her niece, Mrs. J. W. Parker. She was born February 4th, 1878 at Boyd, Texas. She had been a resident of the Burk Burnett area for the past nine years. Services were held at 2:00 p. m. Saturday from the First Baptist Church in Burk Burnett with Rev. Kenneth Bradshaw, pastor of the Central Baptist Church officiating. Burial was in the cemetery at Randlett, Oklahoma, under direction of Owens & Bromley Funeral Home of Burk Burnett. Survivors include a brother, G. M. Hulet of Gotebo, Oklahoma; and several nieces and nephews. Pallbearers were Rash Brown, Ocie Brown, Shep Baber, W. C. Davis, J. T. Campbell and J. C. Goode Jr.

GRASS ROOTS OPINION

ODESSA, WASH., RECORD: "How many of us realize the vast returns we get from helping develop a strong community? Communities flourish because the people living there keep faith. People have not hesitated to make their initial investments. They invest in a home, in a business, in friendships, in living conditions. There are those who are short sighted and fail to see that a community needs keeping up just as surely as does a home."

FLORENCE, ALA., HERALD: "It was the Ford car that first carried us from the country to the city, from the city to the country. It carried a man to see his neighbor, a boy to see a girl, and whole families to see places once hidden by horizons. It became, in short, a part of life, and its ignition key became the key to an unprecedented personal freedom."—Ford Times.

DEPERE, WISC., JOURNAL - DEMOCRAT: "A special presidential council on the Older American has concluded that the man or woman over 65 has become almost a second class citizen. He may be hale and healthy, but he can't get insurance except at exorbitant rates, he can't get a job, he can't make his ideas known (except in higher professional levels), he is becoming more and more excluded from family councils, he is thrown into institutions and deprived of his liberty on the barest excuses. All levels of government, private organizations and individuals need to do their share to restore these stalwarts of another day to first class citizenship."

IT'S UP TO YOU

By Howard E. Kershner, L.H.D.

I hope the so-called Liberals in our country who have long been advocating various degrees and kinds of socialism as the best defense against communism will learn a lesson from the recent happenings in Italy. That is exactly what the fallen Premier Fanfani did in his so-called "opening to the left." He planned to do so many things that the Communists wanted that they would be left without an issue and would just disappear. Actually, what he accomplished was a very large increase in the Communist vote and a decline of the Christian Democratic Party.

You cannot vaccinate against communism by using socialism. Fanfani proved that in Italy. For a generation we have been proving it in our country.

The whole alliance for progress program in Latin America is based on that theory and what it will actually do is to promote the advance of communism south of the Rio Grande.

A little socialism calls for more of the same kind not less, and the more calls for still more. Socialism is like leaven. It will leaven the whole lump. It is like seed that will grow and multiply.

I well remember the words of the Communist official in Moscow who said to me, as we sat talking across his desk, "You have already mixed so much socialism in your formerly free economy that you cannot take it back, but will come all the way into our camp. We do not have to urge you or fight you, we shall simply sit here and wait until you completely socialize yourself."

That's what we're doing, ladies and gentlemen, and we can't stop it by trying a little more socialism. The only way is to right-about-face and get rid of the socialism we have, returning to self-reliance, independence, less government, lower taxes, more freedom, and all the values which our ancestors so highly appreciated when they established the United States of America.

Howard Kershner's Commentaries, Inc., New York 19, N. Y.

OUR MOST IMPORTANT "CIVIL RIGHT"

It has been suggested that private business should no longer have the right to refuse service to potential customers.

A great many Americans have been shocked by this infringement upon private property rights. But, unfortunately, many of these people find it difficult to explain or justify their views. This is the natural

result of an educational system that has not bothered to teach its students the ideals of private property upon which this nation was created.

PROPERTY RIGHTS

Welcome news, then, is the publishing of a new book that is truly exciting in its treatment of this important subject. "IN DEFENSE OF PROPERTY" by Gottfried Dietz is a

clear, rational statement of the reasons why private property rights are most valuable "civil" of "human rights" an individual can possess. (Published by the Regnery Co., 14 E. Jackson Blvd., Chicago 4, Ill.; \$6.50-

The author establishes the fact that private property is the number one incentive — the goal for which individuals will willingly work hard and

productively. When government protects property, the individual is left free to produce as much as his ambition dictates. He knows that what he produces he will be allowed to keep — or to exchange for things that he wants.

But when the government acts as the instruments by which property rights are violated, incentive noses dives —

for who will work for what he knows he cannot keep?

The author points out that the protection of property sets in motion the development of those people capable of being real leaders — the inventors, producers, entrepreneurs and others who are responsible for raising the standard of living for all.

Few books have been published in recent years of these rights and need as "IN DEFENSE OF PROPERTY." And part of the approach of the author does not qualify him by conceding variations upon property, attempt to fasten responsibilities upon the owner — such as

son for existence is to PROTECT PROPERTY, not redistribute it.

While not detailing specific methods to obtain the goal, the author nevertheless establishes it as the reinstatement of private property as an honored institution. His reasoning, approach and ability to express himself make his new book one of the most important published this year.

The Burkburnett Council of Garden Clubs will meet Tuesday, September 17th, at 9:30 a. m. in the home of Mrs. Carl Morrison, 802 Sycamore Rd.

Roger W. Babson Weekly Report

ROGER W. BABSON

Babson Discusses Heredity

Nobody sensibly thinks that we are not affected by heredity. It is fundamental, and has existed for all the thousands of generations that have preceded us. But, we have come from so many generations that it is absolutely impossible to pick out any one person and say that this is "the one" from whom we have descended. Therefore, although we must recognize that the life of each

of us is affected by one or more previous generations, it absolutely silly for us to attempt to single out any individual as responsible for our inherited characteristics.

Our Mother's Blood

There is, of course, no question but that our mother's blood came to us through the umbilical cord, and no doubt we were very much influenced by what our mother was thinking about during the nine months preceding our birth. She, in turn, was largely influenced by the way her husband treated her and by the various events that happened to take place during those nine months.

So you see that heredity can be, and often is, affected by very strange and tiny circumstances which complicate the whole problem still further. Therefore, although we must believe in heredity, both in a general way and even with regard to our specific immediate ancestry, it is a very delicate — and sometimes even irresponsible — link for any of us to tie to.

Isabel Babson's History

I like to date my own ancestry from a brave woman who came from England or Holland with her son James, and landed in Salem in 1637. This was a year when the so-called "witches" were being so brutally treated, and Isabel took

her son James and got on the first fishing boat which happened to be coming to Cape Ann. She landed on the beach and built a rough log cabin which is now number 69 Main Street, Gloucester.

Later, she helped her son James build a stone house which may still be seen on Route 127 halfway between Gloucester and Rockport. There James cut staves in the woods out in back and made barrels which he sold to the fisherman to pack with dried cod fish for Bermuda and the West Indies. Then there is another story, telling how James' son John lost all his sons at sea. But one was married and had left a pregnant wife on shore, from whom our family all descended.

A Memorial To Isabel Babson

Isabel Babson in the 17th Century did for eastern New England what Florence Nightingale did two centuries later for the whole world. She acted as physician, midwife, and nurse to all the families then living on Cape Ann. This year (1963), at approximately the 300th anniversary of her death, a handful of people bought for Isabel's home site at what is now 69 Main Street, where she lived and served the people during her lifetime.

The purpose of my column this week is to tell my readers that the Isabel Babson Memorial is designed to call the world's attention to the importance of those nine months which precede a baby's birth. Here is where the great importance of ancestry comes in. Although the baby in little influenced by great-grandparents and earlier ancestors, who increase to large numbers, the baby is tremendously affected by what his mother is doing and thinking during those vital nine months before the umbilical cord is cut and the effects of direct inheritance are thus ended.

European Common Market

I cannot close without one important comment on the work of the six countries which have combined to trade in goods and commodities and eliminate tariff barriers. In short, I wonder if these six nations will realize their real ideal and goal until they recognize the importance of heredity by combining in a new spirit. In order for the Common Market to be a success, it must unite its dreams and prayers in a common laboratory at Brussels. Instead of each country having its own theology or selfish ambition, it must ally with the others in one spiritual laboratory if it is ultimately to succeed.

Easy Way To Polish Furniture

The secret of furniture care is selecting the right polishes for the various wood finishes in your home. Gone are the days when polishing was a tiring, time-consuming task of endless rubbing to achieve the desired, well-cared-for gleam. Although antiques and worn furniture still require this kind of special attention, the rest of your furniture can be easily cared for with the newer polishes that give fine results with less effort. In the picture above the original satin finish of this Directoire bedroom furniture is kept that way with effortless care by using a cream polish.

What Polishes to Use:

High Gloss Furniture—At least twice a year wax furniture with a liquid silicone wax polish. Between these waxings use a silicone spray type product. Both polishes will maintain the high gloss, provide cleaning and protection, and are very easy to use.

Satin Finish Furniture—Use a cream polish. Thoroughly moisten the cloth with polish and wipe over the surface. After the surface dries, a haze appears which is quickly wiped away with a clean, soft cloth. Many homemakers prefer to increase the gloss somewhat and use a silicone polish.

Low Gloss Furniture—To retain the dull dubbed appearance use a low luster cream polish.

Antique and Worn Furniture—To preserve and maintain the rich antique patina paste wax must be used. It must also be used on furniture finishes that are in poor condition. For worn furniture apply paste wax with a very fine steel wool to protect and reduce slight finish defects.

Homemade Applesauce Hits The Spot

This French Apple Tart is made with homemade applesauce and a single layer of thinly sliced apples. Serve it well chilled.

While apples are plentiful, crisp and tart, treat the family to homemade applesauce and many good dishes made with applesauce.

The quickest and easiest way to make applesauce is with a Food Mill. There's no need to peel or core the apples. Quarter them and remove the blossom ends and stems. Place the apples in a pan and add just enough water to keep them from sticking. Cover and cook over low heat until the apples are soft, stirring occasionally. Strain the apples through a Food Mill and sweeten to taste with sugar.

French Apple Tart Pastry for 1-crust pie
2 medium apples
2 cups applesauce
2 tablespoons sugar
½ cup apricot jam

Line a 9-inch pie pan with pastry; turn under edge and press with a fork, or flute. Pare, core and cut apples into thin slices. Spoon applesauce into unbaked pastry shell. Arrange apple slices in a circle on top of applesauce. Sprinkle with sugar. Bake in a moderate oven (375° F.) 35 to 40 minutes or until pastry is golden. Cool. Melt apricot jam over low heat. Brush top of pie with jam. Chill thoroughly before serving.

Free Leaflet: For other good ways to cook with homemade applesauce, write for the free leaflet, "Applesauce A Plenty." Send a stamped self-addressed envelope to Foley Manufacturing Co., Minneapolis 18, Minn.

Burkburnett Study Club To Observe Thirty-four Club Year With Party

Contemporary Club Met Sept. 3rd With Mrs. J. F. Eastman

Mrs. Joe Eastman was hostess Tuesday, September 3rd to members of the Contemporary Study Club for the first meeting of the 1963-64 club year.

Officers for the new year include Mrs. Joe Crowley, president; Mrs. Oran Wilson, vice president; Mrs. Cliff Wampler, recording secretary; Mrs. Leo Evans, corresponding secretary; Mrs. Harry Elliott, treasurer; Mrs. Dan Hofacker, historian; Mrs. Melvin Bailey, reporter; and Mrs. Jim Maag, parliamentarian.

Following roll call, reading of the minutes and the treasurer's report, the club projects for the year were discussed. These projects include: donations to all TFWC Funds and projects; 100% subscribers to the Texas Club Woman; Co-operate with the Federated Club Council; belong to the Community Council; Collect clothing and other necessities for patients at the State Hospital.

Food baskets to needy families at Thanksgiving and Christmas; Christmas gifts to the State Hospital and County Farm. Donate to Cancer and Polio Fund Drives; assist with the Wichita County Mobile Blood Bank; donate to Youth Center and co-operate with the other clubs in Burkburnett in the Sears Foundation Contest.

A report was made that clothes were delivered to two needy families, toys were taken to Mr. Duvall to be repaired and delivered at Christmas, clothing was taken to patients at the State Hospital and cigarettes and toilet articles were delivered to the County Farm during the summer.

Plans were made to entertain club members and their husbands with a patio party at the home of Mrs. Joe Crowley Tuesday night, September 7th.

Alline Friedls was welcomed back into the club after a years leave of absence and Mrs. Betty Gibson was welcomed as a new club member.

Co-hostess Mrs. F. A. Eastman served refreshments to Mesdames Melvin Bailey, G. C. Beavers, Jr., M. D. Cheney, Joe Crowley, J. F. Eastman, Harry Elliott, A. B. Friedls, David Gibson, Jim Maag, Irvin Smith, H. S. Thaxton, Cliff Wampler, and Oran Wilson.

Alline Friedls won the door prize.

The Burkburnett Study Club opened the thirty-fourth club year with a Western Dinner Party in the garden of Mrs. George McClarty. Hostesses honoring the club members were Mesdames George McClarty, F. T. Felty, James Frye and R. R. Robinson.

Mrs. McClarty, president, welcomed the members and Mrs. Howard Henderson gave the invocation. The western buffet table was centered with hurricane candles and Texas cowboy and cowgirl figurines and the individual dinner tables placed throughout the lighted garden were covered with red and white checked cloths centered by candles in wax covered bottles fenced in with a rail fence with cowboys leaning against it.

Early Texas was the theme at the entrance to the garden with a large cowboy figure saying "Howdy Partner." Stage Coaches and Lariats alone lined the entrance and "wanted" posters of the club members were displayed recalling early Texas rogues.

Roll call was answered with Food Fads and Fallacies at the business meeting and the Club Collect was led by Mrs. McClarty. Mrs. E. D. Potter read the Constitution and By-Laws and Parliamentary Briefs were presented by Mrs. James Bohner. Mrs. F. T. Felty, Year Book Chairman, gave the Special Days to be observed by the club and discussed the theme for the year "Knowledge Is Power." The club voted to give twenty dollars toward a stage curtain for the Town Hall and plans were made for the Hawaiian dinner, September 19th. Mrs. F. T. Felty was appointed Foods Chairman and Mrs. Philip Carpenter, Mrs. W. G. Mayberry, Mrs. M. E. Bean, Mrs. D. H. Smith, Mrs. E. Y. Buckner and Mrs. Jim Frye were to serve on the Decorations Committee. The guest dinner will be held in the home of Mrs. Jack Mathis.

Before adjourning the meeting, Mrs. McClarty brought "Club Ethics" and Mrs. Dudley's "Do's and Don'ts of Parliamentary Law" to the members.

Attending the dinner were Mesdames M. E. Bean, Glen Bear, James Bohner, E. Y. Buckner, Philip Carpenter, Maxine Creel, Francis Felty, Jim Frye, Howard Henderson, Jack Mathis, W. G. Mayberry, E. D. Potter, George McClarty, W. H. Preston, Hugh Preston, Jr. Rudolph Robinson, F. C. Royce, D. H. Smith and Mrs. Jack Smith.

Cost-Cutting Building Methods Give Buyer More for His Money

Big-scale building has meant above-average living on a budget for thousands of families. Many of these are people who once blanch at the thought of living in a housing development—a sea of look-alike cubicles.

But Levitt & Sons, Inc., does not build that way. Levitt communities are seas of variety. Several different house styles are built, each with a number of exterior variations.

Strathmore at Matawan, N. J., is a good example of what makes Levitt's communities click. It is a carefully planned community of 1,900 homes, the first occupied late in 1962.

Included are a Bath and Tennis Club, shopping center, church sites, and municipally operated sewer and water systems. Streets, street lights and sidewalks were installed and paid for by the Levitt firm.

Equalling the communal facilities are the homes themselves. Five dissimilar models, one a ranch and the others two-story traditional homes, are intermingled in the community.

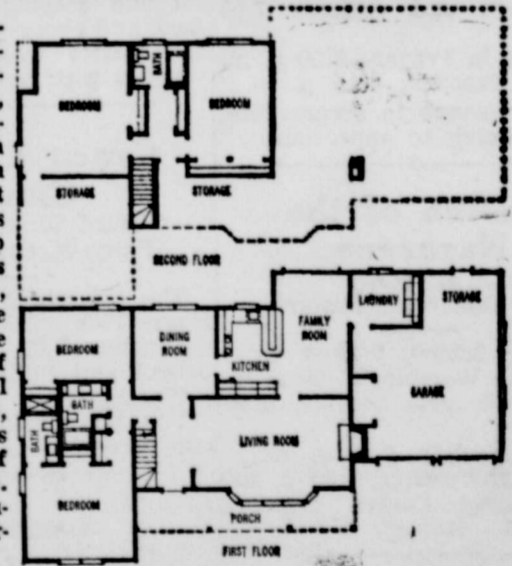

Each house is centrally air-conditioned and designed and constructed to make both heating and cooling economical. Each home in Strathmore is insulated thoroughly with mineral wool. This has helped keep both the initial and maintenance costs down without reducing efficiency, by permitting the use of smaller, less expensive cooling systems. The smaller the cooling unit, the lower its operating cost.

Wood doors and windows, which contribute to the attractive traditional look of Strathmore homes, also add to their year-round comfort, since wood is an excellent insulating material. Exterior doors and windows are stock units of ponderosa pine, which come from the factory ready to install. This is a cost-cutting factor Levitt uses in all homes, and one that helps keep maintenance low.

Roofing of UL-labeled asphalt shingles is another quality building material Levitt uses to hold down original cost without sacri-

Gracefully proportioned and sturdily built, the Country Clubber, above, combines air-conditioned luxury with traditional charm and economy. Levitt and Sons, Inc., has been able to keep the price of this four-bedroom, three-bath home well below the luxury level. Roof is of colorful asphalt shingles, windows and doors are stock units of ponderosa pine. Mineral wool insulation provides year-round comfort.

ficing appearance or performance. Low in applied cost but durable and attractive, the asphalt shingle roofs on Strathmore homes are of various pastel colors, or white. By reflecting the summer sun, the light-colored shingles help keep cooling costs low.

Strathmore residents also find two other Levitt principles particularly appealing—facile household traffic circulation and well-planned, all-electric kitchens.

Kitchens, designed for working, step-saving efficiency, are equipped with automatic electric

appliances. The more expensive model has a large electric refrigerator-freezer, built-in automatic dishwasher, built-in counter-top range and wall oven, and a waste disposer. Other models have electric refrigerators and built-in ranges. All have electric washers and dryers.

Prices of Strathmore houses range from \$16,990 for the four-bedroom, two-bath Cape Cod to \$25,990 for the four-bedroom, three-bath Country Clubber. Lot sizes start at 7,700 square feet, and the average lot size in the community is 11,354 square feet.

Man's triumph over a Menace to Life...

Sharks have always been man's enemies in the sea. They are a danger to the shipwrecked, and occasionally threaten the lives of swimmers along our coastal waters. Sharks are only one of the many dangers that man faces every day. The world, today, is in a turmoil and we must be alert and on guard for the enemies' moves. Now is the time to trust in the Lord and to seek His help.

"Unto thee, O Lord, do I lift up my soul. O my God, I trust in thee; let me not be ashamed, let not mine enemies triumph over me."
Psalm 25, 1-2

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Burk Couple Note 60th Anniversary

Mr. and Mrs. Roy E. Carnes of Burk Burnett recently observed their sixtieth wedding anniversary, at their home, 1601 Sheppard Road.

The Carnes were married at New Bloomfield, Mo., September 2, 1903. They moved to Burk Burnett in 1909 and still reside on the same farm they purchased at that time. He was born in Camden, Illinois, in 1885 and moved with his parents to New Bloomfield in 1901. There he met and married the former Ethel Myers, who was born at Jefferson City, Missouri, also in 1885. The couple have two children, Leslie M. Carnes of Andrews, Texas, and Bill Carnes of Wichita Falls, four grandchildren and five great-grandchildren, most of whom were present for the observance.

Heading the list of friends attending the celebration was Mr. and Mrs. W. Roy Birkhead of Frederick, Oklahoma. Mr. Birkhead attended the couple as best man at their wedding. The Birkheads also helped celebrate the couple's Golden Wedding Anniversary ten years ago in Wichita Falls. Names of the guests were registered in a guest book presided over by Gloria Beames, a granddaughter. A host of friends and relatives called between 2:00 to 5:00 Labor Day afternoon.

Jr. Forum Study Club Held Western Patio Supper

The Junior Forum Study Club held their first regularly scheduled meeting September 10, 1963 on the lovely patio of Mrs. Wayne Smith's home. "Greeting" were given the President, Mrs. Jam seRoderick, for the new club year. Devotional was given by Mrs. Bill Wood on "Ruth" of the women of the Bible. A review was then made of the new 1963-64 Year-Book and a discussion of proposed projects for the new club year.

Door prize was won by Mrs. David Booher after being voted "Best Dressed-Western Apparel," including gun and hat. A delicious dinner was enjoyed by Mesdames, Ed Thornton, Richard Smith, Bill Wood, Raymond Schroeder, James Roderick, Monty Knox, David Booher, John Gill, Keith Hubbard, C. L. Pruett, Billy Ray Mize, and hostess Wayne Smith.

Members serving on the 1963-64 Year Book Committee served as co-hostesses. The next meeting is to be held September 24, 1963, with Mrs. Richard Smith as hostess.

NOTICE

There will be an important meeting of the Burk Burnett Alumni Association Monday night, September 16th at 7:30 p. m. in the Junior High Auditorium (the old high school auditorium).

Plans will be made for the annual homecoming of all Burk High School alumni.

All interested persons are urged to attend.

Spectacles were originally worn in France to hide defects of the eyes, and in Spain to add dignity to the appearance of the wearer.

People, Spots In The News

CITY LIGHTS seldom have shown to such romantic advantage as in this view of lower Manhattan.

TUNE TIME: Harry B. Henshel, president of Bulova Watch, "dials" 35-year-old grandfather-clock-radio, in contrast to new miniature held by Chairman Gen. Omar Bradley, at stockholders' meeting.

GUDRUN Bjarnadottir, 20, of Iceland, is "International Beauty of 1964," crowned at Long Beach, Cal.

GIRLS' TOWN "campus" site in North Orlando, Fla. is reviewed on paper by Mrs. Horace E. Dodge II, with builder Bernard G. King (left) and architect John T. Watson. A \$5.5-million complex of building will be erected, as a community "for homeless girls of all faiths in need of help," between 10 and 17.

NOTICE

The first meeting of the University Study Club will be a 10:00 o'clock coffee in the home of Mrs. Elmer Burns Wednesday, September 18th. Co-hostesses with Mrs. Burns will be Mrs. Joe Majors and Mrs. S. S. Reger.

Constitution Was Signed Sept. 17, 1787

"If men were angels, no government would be necessary," James Madison once pointed out. But Madison and the political leaders of his generation were practical men, and so it happened that on September 17, 1787, he and 30 other state representatives put their signatures to the Constitution of the United States of America.

The ceremony climaxed some four months of work, mostly unauthorized, for the delegates to the Philadelphia convention had been empowered only to revise the Articles of Confederation, reports World Book Encyclopedia. In fact, Patrick Henry, who opposed a stronger national government, had refused to attend the convention because, as he later put it, "I smelt a rat."

Under these circumstances, and to ensure that each delegate would have the fullest freedom of speech during the debate, the convention ruled that its proceedings would be kept absolutely secret. Sentries were posted at the door to the meeting hall. The anxious delegates even appointed one of their number to accompany the 81-year-old Benjamin Franklin to his sociable dinners, to make sure he did not slip any mention of the debates during a friendly conversation.

It wasn't until 1819, when the first journal of the convention was printed, that the American public learned of the proceedings.

Nevertheless, gossip was rampant and, at one point during that summer, reports circulated of wide disagreement among the delegates. Apparently the convention members decided on counterpropaganda, for one newspaper reported, "So great is the unanimity, we hear, that prevails in the convention . . . that it has been proposed to call the room in which they assemble—'Unanimity Hall.'"

When September 17th arrived, however, and the committee on style presented the finished document to the convention, three delegates refused to sign. To conceal this fact, a note added to the document read: "Done in Convention, by the unanimous consent of 'the States' present . . ."

The Constitution was hotly debated when it was submitted to the states for ratification, and even those who had signed it had their doubts. Ben Franklin probably summed up the feelings of the 39 signers . . . and of all those who have since admired the Constitution . . . when he said, "I consent, sir, to this Constitution, because I expect no better, and because I am not sure that it is not the best."

Unity Garden Club Held Breakfast Wed. In Stimpson Home

Unity Garden club met in the home of Mrs. Ray Stimpson, with Mrs. B. H. Alexander Sr., and Mrs. J. Troy Miller as co-hostesses. Mrs. R. C. Gilbow and Mrs. T. J. Campbell made Crab-apple corages for each member. Mrs. J. S. Vanderberg, President, welcomed each one, especially the new members, Mrs. J. A. Hanks, Mrs. Carl Sutherland, Mrs. L. O. Campbell and Mrs. Nelson E. Boyle.

Theme for the year, Thru the Garden Gate. "Conservation is Beautification," Mrs. Roy Magers, Parliamentarian, gave the importance of a valuable member. A very interesting skit on Conservation, "A bridge-ment" was presented by Mesdames Geo. Bellamy, T. J. Campbell, B. T. Maben and J. D. Riddle. Two members, Mrs. Neal Hall and Mrs. J. M. Goins were absent due to illness.

Members of the club will help with the Luncheon at the Town Hall Oct. 3rd for the Burkburnett Council of Garden Clubs.

Eighteen members and one visitor, Mrs. M. L. Hillis were present.

Dorcas Class Met In Houser Home Sept. 9

The Dorcas Class of the First Baptist church met in the home of Mrs. A. C. Houser, Monday, Sept. 9th 7:30 p. m. for their monthly class social.

Mrs. Ray Mills, president, directed a short business session which was opened with prayer by Mrs. W. C. Davis. The secretaries report was given by Miss Bessie McKnight. Also various other reports were made.

Mrs. John Brookman gave a devotional that was most inspiring.

Mrs. W. A. Minick installed class officers for the new year, 1963-64, using as her subject "The Tree", reminding each officer how important for each one to be in their place each Sunday morning for a class to function.

A delicious refreshment plate was served to the following class members, Mesdames, Ruth Beldon, F. A. Wilkinson, John Brookman, A. C. Houser, Claude Bowman, Leo Foster, W. C. Davis, Roy Anderson, J. C. Adams, Sr., Geo. Brashear, Ray Mills, A. H. Lohofener, Miss Bessie McKnight, Three service members, Mesdames L. B. Horr, Wylie Browning and W. A. Minick.

PFC JESSE J. OSTEEN PARTICIPATES IN EXERCISE ON OKINAWA

Marine Private First Class Jesse J. Osteen, son of Mrs. Rachel Osteen of 208 Ninth St. Burkburnett participated in a command post exercise on Okinawa recently with other members of the Communications Company of the Headquarters Battalion, Third Marine Division.

The exercise involved Marines from every unit of the division stationed on the island. Messages flashed to the field headquarters of each unit began the exercise, and the mock combat exercises were coordinated by messages. The exercise ran for three days and was held in mid-August.

BURKBURNETT 4-H CLUB ELECTS NEW OFFICERS

The Burkburnett 4-H Club had its first meeting this week with seventeen members present. The election of officers was the order of business with Ken Johnson elected president; John Welter, vice president; Toni Savage, secretary-treasurer; Roger Johnson, reporter and Deanne Bentley, Council delegate.

More Important

Nail holding power—always a major consideration in the use of lumber—is now more important than ever because of the precision required by engineered timber design.

Remodeling Ease

Modern patterns of Southern Pine paneling are well adapted to use by the home handyman. Styles, such as reverse boards and battens, can be readily applied to existing wall surfaces. Wall coverage need not be full floor-to-ceiling, thus saving time and material.

News of St. John The Divine Episcopal Church

It's been a busy week at St. John the Divine Episcopal Church, 1000 South Berry St. in Burkburnett.

A Hootenany was held on the banks of the Red River September 7th at 6:30 p. m. Many guests came from Iowa Park and Wichita Falls. Everyone ate plenty of hot dogs, potato chips and roasted marshmallows. The children buried themselves as well as some of their parents in the sand. Many favorite songs were sung around the camp fire.

The Rt. Rev. Mervyn Stockwood, Bishop of Southwark and one of the most controversial figures of the Church of England was officiant at Holy Communion and spoke to the Women of the Episcopal Churches of this deanery at All Saints Episcopal Church in Wichita Falls. Attending from St. John the Divine in Burkburnett were Mrs. Grundy Taylor, Mrs. Ashby Etheridge and Rev. R. E. McCrary.

On Tuesday, September 10th the Bishop of Southwark spoke to the Women of the Diocese of Dallas at St. John's Church in Dallas followed by a luncheon in the undercroft. At 1:00 p. m. the Women of the Diocese and the executive council held their quarterly meeting. Attending from St. John the Divine in Burkburnett was Mrs. Harold Sanders, President of the Women of St. John the Divine.

BEAN SUPPER PLANNED

The Women of the Episcopal Church of St. John the Divine met at the home of Mrs. Ashby Etheridge Thursday, September 12th at 7:30 p. m. Mr. Michael Merriman gave an illustrated lecture on the History of Church Music.

The Women of St. John the Divine voted to have a Bean Supper at the Town Hall, October 5th from 12 noon until the food runs out. Tickets will be \$1 for adults and 50c for children. The Women planned to have all kinds of beans, potato salad, cold slaw, corn bread, corn relish, spice cake, deepdish pies and cobblers.

A Teachers Training Conference was held for the Episcopal Churches in the Diocese of Dallas at Camp Crucis beginning at noon Friday, September 13th and ended at 3:00 p. m. Saturday, September 14. The conference was held for all Clergy, Superintendents and Teachers of this Diocese.

Progress

The "tree farms" movement—sponsored by the forest products industries—is again making substantial progress in the South during 1963.
